(b) a ballot proposition that meets the requirements of Subsection (2).

(2) (a) The governing body shall ensure that the ballot proposition includes:

(i) the maximum principal amount of the bonds;

(ii) the maximum number of years from the issuance of the bonds to final maturity;

(iii) the general purpose for which the bonds are to be issued; and

(iv) if issuance of the bonds will require the increase of the property tax imposed upon the average value of a residence by an amount that is greater than or equal to \$15 per year, the following information in substantially the following form and in the following order:

**"PROPERTY TAX COST OF BONDS:**

If the bonds are issued as planned, [if applicable: without regard to the taxes currently levied for outstanding bonds that will reduce over time,] an annual property tax to pay debt service on the bonds will be required over a period of \_\_\_ years in the estimated amount of \$\_\_\_ (insert the average

value of a residence in the taxing entity rounded to the nearest thousand dollars) on a residence and in the estimated amount of \$\_\_\_ on a business property having the same value.

[If applicable] If there are other outstanding bonds, an otherwise scheduled tax decrease may not occur if these bonds are issued.

The foregoing information is only an estimate and is not a limit on the amount of taxes that the governing body may be required to levy in order to pay debt service on the bonds. The governing body is obligated to levy taxes to the extent provided by law in order to pay the bonds.”

(b) The governing body may state the purpose of the bonds in general terms and need not specify the particular projects for which the governing body intends to issue the bonds or the specific amount of bond proceeds that the governing body intends to expend for each project.

(c) If the governing body intends that the bonds be payable in part from tax proceeds and in part from the operating revenues of the local political subdivision, or from any combination of tax proceeds and operating revenues, the governing body may indicate those payment sources on the bond proposition, but need not specify how the governing body intends to divide the bonds between those sources of payment.

(d) (i) The governing body shall ensure that the bond proposition is followed by the words, “For the issuance of bonds” and “Against the issuance of bonds,” with appropriate boxes in which the voter may indicate the voter’s choice.

(ii) Nothing in Subsection (2)(d)(i) prohibits the addition of descriptive information about the bonds.

(3) If a bond proposition is submitted to a vote on the same day as any other election held in the local political subdivision calling the bond election, the governing body or an election officer may combine the bond proposition with the candidate ballot in a manner consistent with Section 20A-6-301[, 20A-6-303,] or 20A-6-402.

(4) The governing body shall ensure that the ballot form complies with the requirements of Title 20A, Chapter 6, Ballot Form.

(ii) The commissioner may consider additional factors in determining a qualified jurisdiction.

(iii) A list of qualified jurisdictions shall be published through the National Association of Insurance Commissioners' Committee Process and the commissioner shall:

(A) consider this list in determining qualified jurisdictions; and

(iv) United States jurisdictions that meet the requirement for accreditation under the National Association of Insurance Commissioners' financial standards and accreditation program shall be recognized as qualified jurisdictions.

(v) If a certified reinsurer's domiciliary jurisdiction ceases to be a qualified jurisdiction, the commissioner may suspend the reinsurer's certification indefinitely, in lieu of revocation.

(e) The commissioner shall:

(i) assign a rating to each certified reinsurer, giving due consideration to the financial strength ratings that have been assigned by rating agencies considered acceptable to the commissioner by rule made in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act; and

(f) A certified reinsurer shall secure obligations assumed from United States ceding insurers under this Subsection [(8)] (7) at a level consistent with its rating, as specified in rules made by the commissioner in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act.

(i) For a domestic ceding insurer to qualify for full financial statement credit for reinsurance ceded to a certified reinsurer, the certified reinsurer shall maintain security in a form acceptable to the commissioner and consistent with Section 31A-17-404.1, or in a multibeneficiary trust in accordance with Subsections (5), (6), and [(7)] (9), except as otherwise provided in this Subsection [(8)] (7).

(ii) If a certified reinsurer maintains a trust to fully secure its obligations subject to Subsections (5), (6), and [(7)] (9), and chooses to secure its obligations incurred as a certified reinsurer in the form of a multibeneficiary trust, the certified reinsurer shall maintain separate trust accounts for its obligations incurred under reinsurance agreements issued or renewed as a certified reinsurer with reduced security as permitted by this Subsection [(8)] (7) or comparable laws of other United States jurisdictions and for its obligations subject to Subsections (5), (6), and [(7)] (9).

(iii) It shall be a condition to the grant of certification under this Subsection [(8)] (7) that the certified reinsurer shall have bound itself:

(A) by the language of the trust and agreement with the commissioner with principal regulatory oversight of the trust account; and

(B) upon termination of the trust account, to fund, out of the remaining surplus of the trust, any deficiency of any other trust account.

(iv) The minimum trustee surplus requirements provided in Subsections (5), (6), and [(7)] (9) are not applicable with respect to a multibeneficiary trust maintained by a certified reinsurer for the purpose of securing obligations incurred under this Subsection [(8)] (7), except that the trust shall maintain a minimum trustee surplus of \$10,000,000.

(v) With respect to obligations incurred by a certified reinsurer under this Subsection [(8)] (7), if the security is insufficient, the commissioner:

(B) If the commissioner continues to assign a higher rating as permitted by other provisions of this section, the requirement under this Subsection [(8)] (7)(f)(vi) does not apply to a certified reinsurer in inactive status or to a reinsurer whose certification has been suspended.

(g) If an applicant for certification has been certified as a reinsurer in a National Association of Insurance Commissioners' accredited jurisdiction, the commissioner may:

(ii) defer to the rating assigned by that jurisdiction; and

(iii) consider such reinsurer to be a certified reinsurer in this state.

(ii) An inactive certified reinsurer shall continue to comply with all applicable requirements of this Subsection [(8)] (7).

(iii) The commissioner shall assign a rating to a reinsurer that qualifies under this Subsection [(8)] (7)(h), that takes into account, if relevant, the reasons why the reinsurer is not assuming new business.

(8) (a) As used in this Subsection (8):

(i) "Covered agreement" means an agreement entered into pursuant to Dodd-Frank Wall Street

Reform and Consumer Protection Act, 31 U.S.C. Sections 313 and 314, that is currently in effect or in a period of provisional application and addresses the elimination, under specified conditions, of collateral requirements as a condition for entering into any reinsurance agreement with a ceding insurer domiciled in this state or for allowing the ceding insurer to recognize credit for reinsurance.

(ii) "Reciprocal jurisdiction" means a jurisdiction that is:

(A) a non-United States jurisdiction that is subject to an in-force covered agreement with the United States, each within its legal authority, or, in the case of a covered agreement between the United States and European Union, is a member state of the European Union;

(b) (i) Credit shall be allowed when the reinsurance is ceded to an assuming insurer meeting each of the conditions set forth in this Subsection (8)(b).

(ii) The assuming insurer must have its head office or be domiciled in, as applicable, and be licensed in a reciprocal jurisdiction.

(B) the assuming insurer must consent in writing to the jurisdiction of the courts of this state and to the appointment of the commissioner as agent for service of process, however the commissioner may require that consent for service of process be provided to the commissioner and included in each reinsurance agreement and nothing in this provision shall limit, or in any way alter, the capacity of parties to a reinsurance agreement to agree to alternative dispute resolution mechanisms, except to the extent such agreements are unenforceable under applicable insolvency or delinquency laws;

(C) the assuming insurer must consent in writing to pay all final judgments, wherever enforcement is sought, obtained by a ceding insurer or its legal successor, that have been declared enforceable in the jurisdiction where the judgment was obtained;

(D) each reinsurance agreement must include a provision requiring the assuming insurer to provide security in an amount equal to 100% of the assuming insurer's liabilities attributable to reinsurance ceded pursuant to that agreement if the assuming insurer resists enforcement of a final judgment that is enforceable under the law of the jurisdiction in which it was obtained or a properly enforceable arbitration award, whether obtained by the ceding insurer or by its legal successor on behalf of its resolution estate; and

(E) the assuming insurer must confirm that it is not presently participating in any solvent scheme of arrangement which involved this state's ceding insurers, and agree to notify the ceding insurer and the commissioner and to provide security:

(I) in an amount equal to 100% of the assuming insurer's liabilities to the ceding insurer, should the assuming insurer enter into such a solvent scheme of arrangement; and

(II) in a form consistent with the provisions of Subsections (7) and (10) and as specified by the commissioner in regulation.

(viii) The assuming insurer's supervisory authority must confirm to the commissioner on an annual basis, as of the preceding December 31 or at the annual date otherwise statutorily reported to the reciprocal jurisdiction, that the assuming insurer complies with the requirements set forth in Subsections (8)(c) and (d).

(ix) Nothing in this provision precludes an assuming insurer from providing the commissioner with information on a voluntary basis.

(c) (i) The commissioner shall timely create and publish a list of reciprocal jurisdictions.

(ii) (A) A list of reciprocal jurisdictions is published through the National Association of Insurance Commissioners' Committee Process.

(iii) (A) The commissioner may remove a jurisdiction from the list of reciprocal jurisdictions upon a determination that the jurisdiction no longer meets the requirements of a reciprocal jurisdiction, in accordance with a process set forth in rule made in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, except that the commissioner shall not remove from the list a reciprocal jurisdiction.

(B) Upon removal of a reciprocal jurisdiction from this list, credit for reinsurance ceded to an assuming insurer which has its home office or is domiciled in that jurisdiction shall be allowed, if otherwise allowed under this chapter.

(d) (i) The commissioner shall timely create and publish a list of assuming insurers that have satisfied the conditions set forth in this subsection and to which cessions shall be granted credit in accordance with this Subsection (8).

(ii) The commissioner may add an assuming insurer to such list if a National Association of Insurance Commissioners accredited jurisdiction has added such assuming insurer to a list of such assuming insurers or if, upon initial eligibility, the assuming insurer submits the information to the commissioner as required under this Subsection (8) and complies with any additional requirements that the commissioner may impose by rule made in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, except to the extent that they conflict with an applicable covered agreement.

(e) (i) If the commissioner determines that an assuming insurer no longer meets one or more of the requirements under this Subsection (8), the commissioner may revoke or suspend the eligibility of the assuming insurer for recognition under this Subsection (8) in accordance with procedures established in rule made in accordance with Title

63G, Chapter 3, Utah Administrative Rulemaking Act.

(ii) (A) While an assuming insurer's eligibility is suspended, no reinsurance agreement issued, amended, or renewed after the effective date of the suspension qualifies for credit to the extent that the assuming insurer's obligations under the contract are secured in accordance with Subsection (10).

(B) If an assuming insurer's eligibility is revoked, no credit for reinsurance may be granted after the effective date of the revocation with respect to any reinsurance agreements entered into by the assuming insurer, including reinsurance agreements entered into prior to the date of revocation, except to the extent that the assuming insurer's obligations under the contract are secured in a form acceptable to the commissioner and consistent with the provisions of Subsection (10).

(f) If subject to a legal process of rehabilitation, liquidation, or conservation, as applicable, the ceding insurer, or its representative, may seek and, if determined appropriate by the court in which the proceedings are pending, may obtain an order requiring that the assuming insurer post security for all outstanding ceded liabilities.

(g) Nothing in this Subsection (8) limits or in any way alters the capacity of parties to a reinsurance agreement to agree on requirements for security or other terms in that reinsurance agreement, except as expressly prohibited by this chapter or other applicable law or regulation.

(h) (i) Credit may be taken under this Subsection (8) only for reinsurance agreements entered into, amended, or renewed on or after the effective date of the statute adding this Subsection (8), and only with respect to losses incurred and reserves reported on or after the later of:

(A) the date on which the assuming insurer has met all eligibility requirements pursuant to Subsection (8)(b); and

(B) the effective date of the new reinsurance agreement, amendment or renewal.

(ii) This Subsection (8) does not alter or impair a ceding insurer's right to take credit for reinsurance, to the extent that credit is not available under this Subsection (8), as long as the reinsurance qualifies for credit under any other applicable provision of this chapter.

(iii) Nothing in this Subsection (8) authorizes an assuming insurer to withdraw or reduce the security provided under any reinsurance agreement except as permitted by the terms of the agreement.

(iv) Nothing in this Subsection (8) limits, or in any way alters, the capacity of parties to any reinsurance agreement to renegotiate the agreement.

(9) If reinsurance is ceded to an assuming insurer not meeting the requirements of Subsection (3), (4), (5), (6), (7), or (8), a domestic ceding insurer is allowed credit only as to the insurance of a risk

located in a jurisdiction where the reinsurance is required by applicable law or regulation of that jurisdiction.

(10) (a) An asset or a reduction from liability for the reinsurance ceded by a domestic insurer to an assuming insurer not meeting the requirements of Subsection (3), (4), (5), (6), (7), or (8) shall be allowed in an amount not exceeding the liabilities carried by the ceding insurer.

(c) (i) The reduction shall be in the amount of funds held by or on behalf of the ceding insurer, including funds held in trust for the ceding insurer, under a reinsurance contract with the assuming insurer as security for the payment of obligations thereunder, if the security is:

(A) held in the United States subject to withdrawal solely by, and under the exclusive control of, the ceding insurer; or

(B) in the case of a trust, held in a qualified United States financial institution.

(ii) The security described in this Subsection (10)(c) may be in the form of:

(D) letters of credit meeting applicable standards of issuer acceptability as of the dates of their issuance or confirmation shall, notwithstanding the issuing or confirming institution's subsequent failure to meet applicable standards of issuer acceptability, continue to be acceptable as security until their expiration, extension, renewal, modification or amendment, whichever first occurs; or

(E) any other form of security acceptable to the commissioner.

(ii) submitting to jurisdiction under Section 31A-2-309;

(b) having irrevocably appointed the commissioner as the domestic ceding insurer's agent for service of process in an action arising out of or in connection with the reinsurance, which appointment is made under Section 31A-2-309; or

[~~(10)~~] (12) Submitting to the jurisdiction of Utah courts under Subsection [~~(9)~~] (11) does not override a duty or right of a party under the reinsurance contract, including a requirement that the parties arbitrate their disputes.

[~~(11)~~] (13) If an assuming insurer does not meet the requirements of Subsection (3), (4), [~~(5)~~] (5), or (8), the credit permitted by Subsection (6) or [~~(8)~~] (7) may not be allowed unless the assuming insurer agrees in the trust instrument to the following conditions:

(d) A grantor shall waive any right otherwise available to it under United States law that is inconsistent with this Subsection ~~[(41)]~~ (13).

~~[(12)]~~ (14) If an accredited or certified reinsurer ceases to meet the requirements for accreditation or certification, the commissioner may suspend or revoke the reinsurer's accreditation or certification.

- (iv) (A) The approval of a nonuse application excuses the requirement of beneficial use of water from the date of filing.

(B) The time during which an approved nonuse application is in effect does not count toward the seven-year period described in Subsection (2)(a).

(v) The filing or approval of a nonuse application or a series of nonuse applications under Subsection (3) does not:

(A) constitute beneficial use of a water right;

(B) protect a water right that is already subject to forfeiture under this section; or

(C) bar a water right owner from:

(I) using the water under the water right as permitted under the water right; or

(II) claiming the benefit of Subsection (2)(e) or any other forfeiture defense provided by law.

(c) (i) Except as provided in Subsection (2)(c)(ii), a water right or a portion of the water right may not be forfeited unless a judicial action to declare the right forfeited is commenced:

(A) within 15 years from the end of the latest period of nonuse of at least seven years; or

(B) within the combined time of 15 years from the end of the most recent period of nonuse of at least seven years and the time the water right was subject to one or more nonuse applications.

(I) during the 15 years immediately preceding the day on which the state engineer files the proposed determination of rights with the court; or

(II) during the combined time immediately preceding the day on which the state engineer files the proposed determination of rights consisting of 15 years and the time the water right was subject to one or more approved nonuse applications.

(B) After the day on which a proposed determination of rights is filed with the court a person may not assert that a water right subject to that determination was forfeited before the issuance of the proposed determination, unless the state engineer asserts forfeiture in the proposed determination, or a person, in accordance with Section 73-4-11, makes an objection to the proposed determination that asserts forfeiture.

(iii) A water right, found to be valid in a decree entered in an action for general determination of rights under Chapter 4, Determination of Water Rights, is subject to a claim of forfeiture based on a seven-year period of nonuse that begins after the day on which the state engineer filed the related proposed determination of rights with the court, unless the decree provides otherwise.

(iv) If in a judicial action a court declares a water right forfeited, on the date on which the water right is forfeited:

(A) the right to beneficially use the water reverts to the public; and

(B) the water made available by the forfeiture:

(I) first, satisfies other water rights in the hydrologic system in order of priority date; and

(v) a water right to store water in a surface reservoir or an aquifer, in accordance with Title 73, Chapter 3b, Groundwater Recharge and Recovery Act, if ~~[(A)]~~ the water is stored for present or future beneficial use; ~~[(B)]~~

~~[(B) storage is limited by a safety, regulatory, or engineering restraint that the appropriator or the appropriator's successor in interest cannot reasonably correct;]~~

(vi) a water right if a water user has beneficially used substantially all of the water right within a seven-year period, provided that this exemption does not apply to the adjudication of a water right in a general determination of water rights under Chapter 4, Determination of Water Rights;

(vii) except as provided by Subsection (2)(g), a water right:

(A) (I) owned by a public water supplier;

(II) represented by a public water supplier's ownership interest in a water company; or

(III) to which a public water supplier owns the right of beneficial use; and

(B) conserved or held for the reasonable future water requirement of the public, which is determined according to Subsection (2)(f);

(viii) a supplemental water right during a period of time when another water right available to the appropriator or the appropriator's successor in interest provides sufficient water so as to not require beneficial use of the supplemental water right; ~~[(B)]~~

(ix) a period of nonuse of a water right during the time the water right is subject to an approved change application where the applicant is diligently pursuing certification[-]; or

(x) a water right to store water in a surface reservoir if:

(A) storage is limited by a safety, regulatory, or engineering restraint that the appropriator or the appropriator's successor in interest cannot reasonably correct; and

(B) not longer than seven years have elapsed since the limitation described in Subsection (2)(e)(x)(A) is imposed.

(f) (i) The reasonable future water requirement of the public is the amount of water needed in the next 40 years by:

(B) other water use demand.

(ii) For purposes of Subsection (2)(f)(i), a community water system's reasonably anticipated service area:

(iii) The state engineer shall by rule made in accordance with Subsection 73-2-1(4) establish standards for a written plan that may be presented as evidence in conformance with this Subsection (2)(f), except that before a rule establishing standards for a written plan under this Subsection (2)(f) takes effect, in addition to complying with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the state engineer shall present the rule to:

(A) if the Legislature is not in session, the Natural Resources, Agriculture, and Environment Interim Committee; or

(B) if the Legislature is in session, the House of Representatives and Senate Natural Resources, Agriculture, and Environment standing committees.

(e) After further investigation, the state engineer may approve or reject the application.

(4) (a) The state engineer shall grant a nonuse application on all or a portion of a water right for a period of time not exceeding seven years if the applicant shows a reasonable cause for nonuse.

(b) A reasonable cause for nonuse includes:

(i) a demonstrable financial hardship or economic depression;

(ii) physical causes or changes that render use beyond the reasonable control of the water right owner so long as the water right owner acts with reasonable diligence to resume or restore the use;

(iii) the initiation of water conservation or efficiency practices, or the operation of a groundwater recharge recovery program approved by the state engineer;

(iv) operation of legal proceedings;

(v) the holding of a water right or stock in a mutual water company without use by ~~[any]~~ a water

(vii) the loss of capacity caused by deterioration of the water supply or delivery equipment if the applicant submits, with the application, a specific plan to resume full use of the water right by replacing, restoring, or improving the equipment.

(5) (a) Sixty days before the expiration of a nonuse application, the state engineer shall notify the applicant by mail or by ~~any~~ a form of electronic communication through which receipt is verifiable, of the date when the nonuse application will expire.

(1) (a) In addition to complying with the requirements of Chapter 21, Insurance Contracts in General, and Chapter 22, Part 2, Liability Insurance in General, a policy of motor vehicle liability coverage under Subsection 31A-22-302(1)(a) shall:

(i) name the motor vehicle owner or operator in whose name the policy was purchased, state that named insured's address, the coverage afforded, the premium charged, the policy period, and the limits of liability;

(ii) (A) if it is an owner's policy, designate by appropriate reference all the motor vehicles on which coverage is granted, insure the person named in the policy, insure any other person using any named motor vehicle with the express or implied permission of the named insured, and, except as provided in Section 31A-22-302.5, insure any person included in Subsection (1)(a)(iii) against loss from the liability imposed by law for damages arising out of the ownership, maintenance, or use of these motor vehicles within the United States and Canada, subject to limits exclusive of interest and costs, for each motor vehicle, in amounts not less

than the minimum limits specified under Section 31A-22-304; or

(B) if it is an operator's policy, insure the person named as insured against loss from the liability imposed upon him by law for damages arising out of the insured's use of any motor vehicle not owned by him, within the same territorial limits and with the same limits of liability as in an owner's policy under Subsection (1)(a)(ii)(A);

(iii) except as provided in Section 31A-22-302.5, insure persons related to the named insured by blood, marriage, adoption, or guardianship who are residents of the named insured's household, including those who usually make their home in the same household but temporarily live elsewhere, to the same extent as the named insured;

(iv) where a claim is brought by the named insured or a person described in Subsection (1)(a)(iii), the available coverage of the policy may not be reduced or stepped-down because:

(A) a permissive user driving a covered motor vehicle is at fault in causing an accident; or

(B) the named insured or any of the persons described in this Subsection (1)(a)(iii) driving a covered motor vehicle is at fault in causing an accident; and

(v) cover damages or injury resulting from a covered driver of a motor vehicle who is stricken by an unforeseeable paralysis, seizure, or other unconscious condition and who is not reasonably aware that paralysis, seizure, or other unconscious condition is about to occur to the extent that a person of ordinary prudence would not attempt to continue driving.

(b) The driver's liability under Subsection (1)(a)(v) is limited to the insurance coverage.

(c) (i) "Guardianship" under Subsection (1)(a)(iii) includes the relationship between a foster parent and a minor who is in the legal custody of the Division of Child and Family Services if:

(A) the minor resides in a foster home, as defined in Section 62A-2-101, with a foster parent who is the named insured; and

(b) resulting from bodily injury to or death of an employee of the named insured, other than a domestic employee, while engaged in the employment of the insured, or while engaged in the operation, maintenance, or repair of a designated vehicle; or

(c) resulting from damage to property owned by, rented to, bailed to, or transported by the insured.

(5) A policy containing motor vehicle liability coverage imposes on the insurer the duty to defend, in good faith, any person insured under the policy against any claim or suit seeking damages which would be payable under the policy.

(6) (a) If a policy containing motor vehicle liability coverage provides an insurer with the defense of lack of cooperation on the part of the insured, that defense is not effective against a third person making a claim against the insurer, unless there was collusion between the third person and the insured.

(b) If the defense of lack of cooperation is not effective against the claimant, after payment, the insurer is subrogated to the injured person's claim against the insured to the extent of the payment and is entitled to reimbursement by the insured after the injured third person has been made whole with respect to the claim against the insured.

~~[(7) A policy of motor vehicle liability coverage may limit coverage to the policy minimum limits~~

~~under Section 31A-22-304 if the insured motor vehicle is operated by a person who has consumed any alcohol or any illegal drug or illegal substance if the policy or a specifically reduced premium was extended to the insured upon express written declaration executed by the insured that the insured motor vehicle would not be so operated.]~~

~~(i) the insured;~~

~~(ii) the spouse of the insured; or~~

~~(iii) if the individual has a separate policy as a secondary source of coverage, and:~~

~~(A) the individual is over the age of 21 and resides in the household of the insured; or~~

~~(ii) through litigation.~~

~~(b) Once the claimant has elected to commence litigation under Subsection (8)(a)(ii), the claimant~~

may not elect to resolve the claim through binding arbitration under this section without the written consent of both parties and the defendant's liability insurer.

(c) (i) Unless otherwise agreed on in writing by the parties, a claim that is submitted to binding arbitration under Subsection (8)(a)(i) shall be resolved by a panel of three arbitrators.

(ii) Unless otherwise agreed on in writing by the parties, each party shall select an arbitrator. The arbitrators selected by the parties shall select a third arbitrator.

(d) Unless otherwise agreed on in writing by the parties, each party will pay the fees and costs of the arbitrator that party selects. Both parties shall share equally the fees and costs of the third arbitrator.

(e) Except as otherwise provided in this section, an arbitration procedure conducted under this section shall be governed by Title 78B, Chapter 11, Utah Uniform Arbitration Act, unless otherwise agreed on in writing by the parties.

(ii) All issues of discovery shall be resolved by the arbitration panel.

(g) A written decision of two of the three arbitrators shall constitute a final decision of the arbitration panel.

(h) Prior to the rendering of the arbitration award:

(i) the existence of a liability insurance policy may be disclosed to the arbitration panel; and

(ii) the amount of all applicable liability insurance policy limits may not be disclosed to the arbitration panel.

(i) The amount of the arbitration award may not exceed the liability limits of all the defendant's applicable liability insurance policies, including applicable liability umbrella policies. If the initial arbitration award exceeds the liability limits of all applicable liability insurance policies, the arbitration award shall be reduced to an amount equal to the liability limits of all applicable liability insurance policies.

(j) The arbitration award is the final resolution of all claims between the parties unless the award was procured by corruption, fraud, or other undue means.

(k) If the arbitration panel finds that the action was not brought, pursued, or defended in good faith, the arbitration panel may award reasonable fees and costs against the party that failed to bring, pursue, or defend the claim in good faith.

(l) Nothing in this section is intended to limit any claim under any other portion of an applicable insurance policy.

(9) An at-fault driver or an insurer issuing a policy of insurance under this part that is covering an at-fault driver may not reduce compensation to an injured party based on the injured party not being covered by a policy of insurance that provides personal injury protection coverage under Sections 31A-22-306 through 31A-22-309.
