(1) The governor and the adjutant general of Utah may prescribe regulations governing the administration of nonjudicial punishment. The imposition and enforcement of disciplinary punishment under this section for any act or omission is not a bar to trial by a civilian court of competent jurisdiction.

(2) A service member subject to this chapter may request trial by military court in lieu of nonjudicial punishment at any time prior to imposition of nonjudicial punishment.

(a) Upon receipt of a timely request for trial by military court in lieu of nonjudicial punishment, the commanding officer may grant the request, or deny the request and continue with nonjudicial punishment proceedings. If the commander denies the member's request for trial by military court, the commander may not impose limitations on personal liberty as a punishment under nonjudicial punishment proceedings. For purposes of this section, punishments imposing limitations on personal liberty include restriction to specific limited areas and extra duties.

(b) Denial of a request for trial by military court in lieu of nonjudicial punishment does not create a private right of action and is not subject to judicial review.

(3) Any commanding officer in the [~~Utah~~] National Guard may, in addition to a reprimand, impose one or more of the punishments under this section without the intervention of a military court.

(a) Forfeiture of pay shall be calculated based on the monthly amount a service member would receive as base pay if on active duty.

(b) If a reduction of pay grade is imposed, forfeiture of pay is based on the grade to which the service member was reduced even if the reduction was suspended.

(4) Punishment imposed by the governor, a general officer, or a full colonel upon officers within the general officer's or full colonel's command may include:

(a) forfeiture of not more than one-half of one month's pay per month for three months; and

(b) restriction to specific limited areas, with or without suspension from duty, for not more than 60 consecutive days.

(5) Punishment imposed by the governor, a general officer, or a full colonel upon enlisted personnel within the general officer's or full colonel's command may include:

(a) forfeiture of not more than one-half of one month's pay per month for two months;

(c) extra duties, including fatigue or other duties, for not more than 60 consecutive days; and

(c) extra duties, including fatigue or other duties, for not more than 45 consecutive days; and

(d) restriction to specific limited areas, with or without suspension of duty, for not more than 45 consecutive days.

(7) Punishment imposed by a commander of the grade of captain or lieutenant upon enlisted personnel within the captain's or lieutenant's command may include:

(a) forfeiture of not more than one-half of one month's pay for one month;

(c) restriction to specific limited areas, with or without suspension from duty, for not more than 30 consecutive days; and

(d) reduction of one pay grade if the imposing commander holds promotion authority over the grade from which the enlisted [~~person~~] member was demoted.

(8) Punishments of restriction to specific limited areas and extra duty may be combined to run concurrently, but the combination may not exceed the maximum duration imposable for extra duty.

(9) (a) The imposing commander or a successor in command may, at any time, suspend by probation:

(i) all or any part of the amount of the unexecuted punishment; and

(ii) a reduction in grade or a forfeiture imposed, whether or not executed.

(b) The imposing commander or a successor in command shall set the terms of probation for any suspended punishment.

(c) The imposing commander or a successor in command may, at any time, [~~remit~~] vacate or mitigate any part or amount of the unexecuted punishment. The imposing commander or a successor in command may also set aside in whole or in part the findings, punishment, or both, whether executed or unexecuted, and restore all rights, privileges, and affected property.

(d) The imposing commander or a successor in command may mitigate reduction in grade to forfeiture of pay. Extra duties may be mitigated to restriction.

(e) A mitigated punishment may not span a greater period of time than the original punishment.

(f) When mitigating a reduction in grade to forfeiture of pay, the amount of the forfeiture may not exceed the maximum allowable forfeiture the imposing commander could have originally imposed.

(10) (a) A service member punished under this section may appeal to the next superior commander in the service member's chain of command. The next superior commander shall conduct a de novo review of both the findings and punishment under procedures provided by regulation. The next superior commander may modify or set aside the findings or punishment, having the same options afforded the imposing commander as described in this section. In no case may the next superior commander increase the severity of the findings or the amount of punishment originally imposed.

(b) If two levels of command exist above the imposing commander, the service member, having exhausted the service member's first level of appeal, may appeal to the next superior commander. If the matter originates with the governor, the adjutant general, or one level of command below the adjutant general, no right to a second appeal exists. The decision of the adjutant general on an appeal of nonjudicial punishment is final and is not subject to further appeal or judicial review.

(c) The decision of the governor or the adjutant general to impose nonjudicial punishment upon a service member is final and is not subject to further appeal or judicial review.

(d) The imposing commander shall promptly forward any appeal to the next superior commander. During the course of the appeal, the imposing commander may require the appellant to submit to the imposed punishment.

(11) A superior commander shall first obtain a legal review from a judge advocate of the Utah National Guard before acting on an appeal from any of the following imposed punishments:

(a) forfeiture of more than seven day's pay;

(b) reduction of one or more pay grades;

(c) extra duties for more than 14 days; or

(d) restriction for more than 14 days.

(12) Punishments imposed under this section, except forfeiture of pay, may not extend beyond the termination of the duty status of the punished individual.

(c) if an officer exercises discretion under Subsection (4)(b) to not take an individual into protective custody or transport an individual, the officer shall document in the officer's report the details and circumstances that led to the officer's decision.

(8) Within 24 hours, excluding Saturdays, Sundays, and legal holidays, of the issuance of a judicial order, or after commitment of a proposed patient to a local mental health authority or [~~its~~] the local mental health authority's designee under court order for detention or examination, the court shall appoint two designated examiners:

(c) (i) The local mental health authority or [~~its~~] the local mental health authority's designee responsible for the care of a patient under an order of commitment for an indeterminate period shall, at six-month intervals, reexamine the reasons upon which the order of indeterminate commitment was based.

(b) establish locations for a watcher to observe an event described in Subsection (4), other than an event described in Subsection (4)(d) or (k), from no further than six feet away; and

(c) except for a county of the fourth, fifth, or sixth class, for any ballot adjudication, or upload of votes from a voting machine or scanner, that is conducted on a computer screen, project the activity onto a screen that is large enough to be viewed by each watcher.

[~~(5)~~] (6) (a) A watcher may not:

(i) [~~electronically~~] record an activity described in Subsection (4) if the recording would reveal a vote or otherwise violate a voter's privacy or a voter's right to cast a secret ballot;

(ii) interfere with an activity described in Subsection (4), except to challenge an individual's eligibility to vote under Section 20A-3a-803; or

(iii) divulge information related to the number of votes counted, tabulated, or cast for a candidate or ballot proposition until after the election officer makes the information public.

(b) A person who violates Subsection [~~(5)~~] (6)(a)(iii) is guilty of a third degree felony.

[~~(6)~~] (7) (a) Notwithstanding Subsection (2)(a) or (4), in order to maintain a safe working environment for an election official or to protect the safety or security of a ballot, an administering election officer may take reasonable action to:

(i) limit the number of watchers at a single location;

(ii) remove a watcher for violating a provision of this section;

(iii) remove a watcher for interfering with an activity described in Subsection (4);

(iv) designate areas for a watcher to reasonably observe the activities described in Subsection (4); or

(v) ensure that a voter's ballot secrecy is protected throughout the watching process.

(b) If an administering election officer limits the number of watchers at a single location under Subsection (6)(a)(i), the administering election officer shall give preferential access to the location to a watcher designated under Subsection (3).

(c) An administering election officer may provide a watcher a badge that identifies the watcher and require the watcher to wear the badge while acting as a watcher.

Section 4. Section 20A-3a-807 is enacted to read:

20A-3a-807. Notification of ballot processes.

(1) As used in this section, "ballot process" includes:

(a) signature verification;

(b) opening ballots;

(c) scanning ballots;

(d) adjudicating ballots;

(e) replicating damaged or defective ballots; or

(f) tabulating votes.

(2) A county clerk shall:

(a) beginning at least three days before the day on which the county clerk begins mailing ballots for an election, and ending on the first day of the canvass, post on the county clerk's website a schedule of the hours, over the next three days, during which the county clerk plans to conduct one or more ballot processes; and

(b) update any changes to the schedule at least 24 hours before the clerk modifies the hours.

Section 5. Section 20A-4-104 is amended to read:

20A-4-104. Counting ballots electronically.

(1) (a) Before beginning to count ballots using automatic tabulating equipment, the election officer shall test the automatic tabulating equipment to ensure that it will accurately count the votes cast for all offices and all measures.

(b) The election officer shall provide public notice of the time and place of the test:

(i) (A) by publishing notice at least 48 hours before the test in a newspaper of general circulation in the county, municipality, or jurisdiction where the equipment is used;

(B) at least 10 days before the day of the test, by posting one notice, and at least one additional notice per 2,000 population of the county, municipality, or jurisdiction, in places within the county, municipality, or jurisdiction that are most likely to give notice to the voters in the county, municipality, or jurisdiction, subject to a maximum of 10 notices; or

(C) at least 10 days before the day of the test, by mailing notice to each registered voter in the county, municipality, or jurisdiction where the equipment is used;

(ii) by posting notice on the Utah Public Notice Website, created in Section 63A-16-601, for four weeks before the day of the test; and

(iii) if the county, municipality, or jurisdiction has a website, by posting notice on the website for four weeks before the day of the test.

(c) The election officer shall conduct the test by processing a preaudited group of ballots.

(d) The election officer shall ensure that:

(i) a predetermined number of valid votes for each candidate and measure are recorded on the ballots;

(ii) for each office, one or more ballots have votes in excess of the number allowed by law in order to test the ability of the automatic tabulating equipment to reject those votes; and

(iii) a different number of valid votes are assigned to each candidate for an office, and for and against each measure.

(e) If any error is detected, the election officer shall determine the cause of the error and correct it.

(f) The election officer shall ensure that:

(i) the automatic tabulating equipment produces an errorless count before beginning the actual counting; and

(ii) the automatic tabulating equipment passes the same test at the end of the count before the election returns are approved as official.

(2) (a) The election officer or the election officer's designee shall supervise and direct all proceedings at the counting center.

(b) (i) Proceedings at the counting center are public and may be observed by interested persons.

(ii) Only those persons authorized to participate in the count may touch any ballot or return.

(c) The election officer shall deputize and administer an oath or affirmation to all persons who are engaged in processing and counting the ballots that they will faithfully perform their assigned duties.

(3) (a) If any ballot is damaged or defective so that it cannot properly be counted by the automatic tabulating equipment, the election officer shall ensure that two counting judges jointly:

[~~(a)~~] (i) make a true replication of the ballot with an identifying serial number;

[~~(b)~~] (ii) substitute the replicated ballot for the damaged or defective ballot;

[~~(c)~~] (iii) label the replicated ballot "replicated"; and

[~~(d)~~] (iv) record the replicated ballot's serial number on the damaged or defective ballot.

(b) The lieutenant governor shall provide to each election officer a standard form on which the election officer shall maintain a log of all replicated ballots, that includes, for each ballot:

(i) the serial number described in Subsection (3)(a);

(ii) the identification of the individuals who replicated the ballot;

(iii) the reason for the replication; and

(iv) any other information required by the lieutenant governor.

(c) An election officer shall:

(i) maintain the log described in Subsection (3)(b) in a complete and legible manner, as ballots are replicated;

(ii) at the end of each day during which one or more ballots are replicated, make an electronic copy of the log; and

(iii) keep each electronic copy made under Subsection (3)(c)(ii) for at least 22 months.

(4) The election officer may:

(a) conduct an unofficial count before conducting the official count in order to provide early unofficial returns to the public;

(b) release unofficial returns from time to time after the polls close; and

(c) report the progress of the count for each candidate during the actual counting of ballots.

(5) Beginning on the day after the date of the election, if an election officer releases early unofficial returns or reports the progress of the count for each candidate under Subsection (4), the election officer shall, with each release or report, disclose an estimate of the total number of voted ballots in the election officer's custody that have not yet been counted.

(6) The election officer shall review and evaluate the provisional ballot envelopes and prepare any valid provisional ballots for counting as provided in Section 20A-4-107.

(7) (a) The election officer or the election officer's designee shall:

(i) separate, count, and tabulate any ballots containing valid write-in votes; and

(ii) complete the standard form provided by the clerk for recording valid write-in votes.

(b) In counting the write-in votes, if, by casting a valid write-in vote, a voter has cast more votes for an office than that voter is entitled to vote for that office, the poll workers shall count the valid write-in vote as being the obvious intent of the voter.

(8) (a) The election officer shall certify the return printed by the automatic tabulating equipment, to which have been added write-in and absentee votes, as the official return of each voting precinct.

(b) Upon completion of the count, the election officer shall make official returns open to the public.

(9) If for any reason it becomes impracticable to count all or a part of the ballots with tabulating equipment, the election officer may direct that they be counted manually according to the procedures and requirements of this part.

(10) After the count is completed, the election officer shall seal and retain the programs, test materials, and ballots as provided in Section 20A-4-202.

Section 6. Section 20A-4-105 is amended to read:

20A-4-105. Standards and requirements for evaluating voter's ballot choice.

(1) (a) An election officer shall ensure that when a question arises regarding a vote recorded on a manual ballot, two counting judges jointly adjudicate the ballot, except as otherwise provided in Part 6, Municipal Alternate Voting Methods Pilot Project, in accordance with the requirements of this section.

(b) If the counting judges disagree on the disposition of a vote recorded on a ballot that is adjudicated under this section, the counting judges may not count the vote.

(c) An election officer shall store adjudicated ballots separately from other ballots to enable a court to review the ballots if the election is challenged in court.

(2) Except as provided in Subsection (10), Subsection 20A-3a-204(6), or Part 6, Municipal Alternate Voting Methods Pilot Project, if a voter marks more names than there are individuals to be elected to an office, or if the counting judges cannot determine a voter's choice for an office, the counting judges may not count the voter's vote for that office.

(3) Except as otherwise provided in Part 6, Municipal Alternate Voting Methods Pilot Project, the counting judges shall count a defective or incomplete mark on a manual ballot if:

(a) the defective or incomplete mark is in the proper place; and

(b) there is no other mark or cross on the ballot indicating the voter's intent to vote other than as indicated by the incomplete or defective mark.

(4) Except as otherwise provided in Part 6, Municipal Alternate Voting Methods Pilot Project, the counting judges may not reject a ballot marked by the voter because of marks on the ballot other than those marks allowed by this section unless the extraneous marks on a ballot show an intent by an individual to mark the individual's ballot so that the individual's ballot can be identified.

(5) (a) In counting the ballots, the counting judges shall give full consideration to the intent of the voter.

(b) The counting judges may not invalidate a ballot because of mechanical or technical defects in voting or failure on the part of the voter to follow strictly the rules for balloting required by Chapter 3a, Voting.

(6) The counting judges may not reject a ballot because of an error in:

(a) stamping or writing an official endorsement; or

(b) delivering the wrong ballots to a polling place.

(7) The counting judges may not count a manual ballot that does not have the official endorsement by an election officer.

(8) The counting judges may not count a ballot proposition vote or candidate vote for which the voter is not legally entitled to vote, as defined in Section 20A-4-107.

(9) If the counting judges discover that the name of a candidate is misspelled on a ballot, or that the initial letters of a candidate's given name are transposed or omitted in whole or in part on a ballot, the counting judges shall count a voter's vote for the candidate if it is apparent that the voter intended to vote for the candidate.

(10) The counting judges shall count a vote for the president and the vice president of any political party as a vote for the presidential electors selected by the political party.

(11) Except as otherwise provided in Part 6, Municipal Alternate Voting Methods Pilot Project, in counting the valid write-in votes, if, by casting a valid write-in vote, a voter has cast more votes for an office than that voter is entitled to vote for that office, the counting judges shall count the valid write-in vote as being the obvious intent of the voter.

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 17B-1-212 is amended to read:

17B-1-212. Resolution indicating whether the requested service will be provided.

(1) (a) Within 60 days after the last hearing required under Section 17B-1-210 concerning a request, the legislative body of each county whose unincorporated area includes and the legislative body of each municipality whose boundaries include any part of the proposed local district shall adopt a resolution indicating whether the county or municipality will provide to the area of the proposed local district within its boundaries the service proposed to be provided by the proposed local district.

(b) If a county or municipality adopts a resolution indicating that the county or municipality will provide the service proposed to be provided by the proposed local district under Subsection (1)(a), the resolution shall include a reasonable timeline for the county or municipality to begin providing the service.

(2) If the legislative body of a county or municipality fails to adopt a resolution within the time provided under Subsection (1), the county or municipal legislative body shall be considered to have declined to provide the service requested and to have consented to the creation of the local district.

(3) If the county or municipality adopts a resolution under Subsection (1) indicating that it will provide the requested service but does not, within 120 days after the adoption of that resolution, take substantial measures to provide the requested service, the county or municipal legislative body shall be considered to have declined to provide the requested service.

(4) Each county or municipality that adopts a resolution under Subsection (1) indicating that it will provide the requested service:

(a) shall diligently proceed to take all measures necessary to provide the service[~~.~~]; and

(b) if the county or municipality fails to timely provide the requested service, the county will be considered to have declined to provide the service and the creation of the local district may proceed accordingly.

Section 2. Section 17B-1-213 is amended to read:

17B-1-213. Protest after adoption of resolution -- Adoption of resolution approving creation for certain districts.

(1) For purposes of this section, "adequate protests" means protests that are:

(a) filed with the county clerk, municipal clerk or recorder, or local district secretary or clerk, as the case may be, within 60 days after the last public hearing required under Section 17B-1-210; and

(b) signed by:

(i) the owners of private real property that:

(A) is located within the proposed local district;

(B) covers at least 25% of the total private land area within the applicable area; and

(C) is equal in value to at least 15% of the value of all private real property within the applicable area; or

(ii) registered voters residing within the applicable area equal in number to at least 25% of the number of votes cast in the applicable area for the office of president of the United States at the most recent election prior to the adoption of the resolution.

(2) An owner may withdraw a protest at any time before the expiration of the 60-day period described in Subsection (1)(a).

(3) If adequate protests are filed, the governing body that adopted a resolution under Subsection 17B-1-203(1)(d) or (e):

(a) may not:

(i) hold or participate in an election under Subsection 17B-1-214(1) with respect to the applicable area;

(ii) take any further action under the protested resolution to create a local district or include the applicable area in a local district; or

(iii) for a period of two years, adopt a resolution under Subsection 17B-1-203(1)(d) or (e) proposing the creation of a local district including substantially the same area as the applicable area and providing the same service as the proposed local district in the protested resolution; and

(b) shall, within five days after receiving adequate protests, mail or deliver written notification of the adequate protests to the responsible body.

(4) Subsection (3)(a) may not be construed to prevent an election from being held for a proposed local district whose boundaries do not include an applicable area that is the subject of adequate protests.

(5) (a) If adequate protests are not filed with respect to a resolution proposing the creation of a local district for which an election is not required under Subsection 17B-1-214(3)(d), (e), (f), or (g), a resolution approving the creation of the local district [~~may~~] shall be adopted by:

(i) (A) the legislative body of a county whose unincorporated area is included within the proposed local district; and

(B) the legislative body of a municipality whose area is included within the proposed local district; or

(ii) the board of trustees of the initiating local district.

(b) Each resolution adopted under Subsection (5)(a) shall:

(i) describe the area included in the local district;

(ii) be accompanied by a map that shows the boundaries of the local district;

(iii) describe the service to be provided by the local district;

(iv) state the name of the local district; and

(v) provide a process for the appointment of the members of the initial board of trustees.

Section 3. Section 17B-1-302 is amended to read:

17B-1-302. Board member qualifications -- Number of board members.

(1) Except as provided in Section 17B-2a-905, each member of a local district board of trustees shall be:

(a) a registered voter at the location of the member's residence; and

(b) except as otherwise provided in Subsection (2) or (3), a resident within:

(i) the boundaries of the local district; and

(ii) if applicable, the boundaries of the division of the local district from which the member is elected or appointed.

(2) (a) As used in this Subsection (2):

(i) "Proportional number" means the number of members of a board of trustees that bears, as close as mathematically possible, the same proportion to all members of the board that the number of seasonally occupied homes bears to all residences within the district that receive service from the district.

(ii) "Seasonally occupied home" means a single-family residence:

(A) that is located within the local district;

(B) that receives service from the local district; and

(C) whose owner does not reside permanently at the residence but may occupy the residence on a temporary or seasonal basis.

(b) If over 50% of the residences within a local district that receive service from the local district are seasonally occupied homes, the requirement under Subsection (1)(b) is replaced, for a proportional number of members of the board of trustees, with the requirement that the member be an owner of land, or an agent or officer of the owner of land, that:

(i) receives service from the district; and

(ii) is located within the local district and, if applicable, the division from which the member is elected.

(3) (a) For a board of trustees member in a basic local district, or in any other type of local district that is located solely within a county of the fourth, fifth, or sixth class, that has within the district's boundaries fewer than one residential dwelling unit

per 10 acres of land, the requirement under Subsection (1)(b) may be replaced by the requirement that the member be a resident within the boundaries of the local district, or that the member be an owner of land within the local district that receives service from the district[~~,~~] or an agent or officer of the owner.

(b) A member of the board of trustees of a service area described in Subsection 17B-2a-905(2)(a) or (3)(a), who is an elected official of the county appointing the individual, is not subject to the requirements described in Subsection (1)(b) if the elected official was elected at large by the voters of the county.

(c) Notwithstanding Subsection (1)(b) and except as provided in Subsection (3)(d), the county legislative body may appoint to the local district board one of the county legislative body's own members, regardless of whether the member resides within the boundaries described in Subsection (1)(b), if:

(i) the county legislative body satisfies the procedures to fill a vacancy described in:

(A) for the appointment of a new board member, Subsections 17B-1-304(2) and (3); or

(B) for an appointment to fill a midterm vacancy, Subsection 20A-1-512(1)(a)(ii) or Subsection 20A-1-512(2);

(ii) fewer qualified candidates timely file to be considered for appointment to the local district board than are necessary to fill the board;

(iii) the county legislative body appoints each of the qualified candidates who timely filed to be considered for appointment to the board; and

(iv) the county legislative body appoints a member of the body to the local district board, in accordance with Subsection 17B-1-304(6) or Subsection 20A-1-512(1)(c), who was:

(A) elected at large by the voters of the county;

(B) elected from a division of the county that includes more than 50% of the geographic area of the local district; or

(C) if the local district is divided into divisions under Section 17B-1-306.5, elected from a division of the county that includes more than 50% of the geographic area of the division of the local district in which there is a board vacancy.

(d) If it is necessary to reconstitute the board of trustees of a local district located solely within a county of the fourth, fifth, or sixth class because the term of a majority of the members of the board has expired without new trustees having been elected or appointed as required by law, even if sufficient qualified candidates timely file to be considered for a vacancy on the board, the county legislative body may appoint to the local district board no more than one of the county legislative body's own members who does not satisfy the requirements of Subsection (1).

(4) (a) Except as otherwise provided by statute, the number of members of each board of trustees of a local district that has nine or fewer members shall have an odd number of members that is no fewer than three.

(b) If a board of trustees of a local district has more than nine members, the number of members may be odd or even.

(5) For a newly created local district, the number of members of the initial board of trustees shall be the number specified:

(a) for a local district whose creation was initiated by a petition under Subsection 17B-1-203(1)(a), (b), or (c), in the petition; or

(b) for a local district whose creation was initiated by a resolution under Subsection 17B-1-203(1)(d) or (e), in the resolution.

(6) (a) For an existing local district, the number of members of the board of trustees may be changed by a two-thirds vote of the board of trustees.

(b) No change in the number of members of a board of trustees under Subsection (6)(a) may:

(i) violate Subsection (4); or

(ii) serve to shorten the term of any member of the board.

Section 4. Section 17B-1-303 is amended to read:

17B-1-303. Term of board of trustees members -- Oath of office -- Bond -- Notice of board member contact information.

(b) The term of each member of the initial board of trustees of a newly created local district begins:

(i) upon appointment, for an appointed member; and

(ii) upon the member taking the oath of office after the canvass of the election at which the member is elected, for an elected member.

(c) The term of each water conservancy district board member whom the governor appoints in accordance with Subsection 17B-2a-1005(2)(c):

(i) begins on the later of the following:

(A) the date on which the Senate consents to the appointment; or

(B) the expiration date of the prior term; and

(ii) ends on the February 1 that is approximately four years after the date described in Subsection (1)(c)(i)(A) or (B).

(d) The term of a member of a board of trustees whom an appointing authority appoints in accordance with Subsection (5)(b) begins upon the member taking the oath of office.

(e) If the member of the board of trustees fails to assume or qualify for office on January 1 for any reason, the term begins on the date the member assumes or qualifies for office.

(2) (a) (i) Except as provided in Subsection (8), and subject to Subsections (2)(a)(ii) and (iii), the term of each member of a board of trustees is four years, except that approximately half the members of the initial board of trustees, chosen by lot, shall serve a two-year term so that the term of approximately half the board members expires every two years.

(ii) If the terms of members of the initial board of trustees of a newly created local district do not begin on January 1 because of application of Subsection (1)(b), the terms of those members shall be adjusted as necessary, subject to Subsection (2)(a)(iii), to result in the terms of their successors complying with:

(A) the requirement under Subsection (1)(a) for a term to begin on January 1 following a member's election or appointment; and

(B) the requirement under Subsection (2)(a)(i) that terms be four years.

(iii) If the term of a member of a board of trustees does not begin on January 1 because of the application of Subsection (1)(e), the term is shortened as necessary to result in the term complying with the requirement under Subsection (1)(a) that the successor member's term, regardless of whether the incumbent is the successor, begins at noon on January 1 following the successor member's election or appointment.

(iv) An adjustment under Subsection (2)(a)(ii) may not add more than a year to or subtract more than a year from a member's term.

(b) Each board of trustees member shall serve until a successor is duly elected or appointed and qualified, unless the member earlier is removed from office or resigns or otherwise leaves office.

(c) If a member of a board of trustees no longer meets the qualifications of Subsection 17B-1-302(1), (2), or (3), or if the member's term expires without a duly elected or appointed successor:

(i) the member's position is considered vacant, subject to Subsection (2)(c)(ii); and

(ii) the member may continue to serve until a successor is duly elected or appointed and qualified.

(3) (a) (i) Before entering upon the duties of office, each member of a board of trustees shall take the oath of office specified in Utah Constitution, Article IV, Section 10.

(ii) A judge, county clerk, notary public, or the local district clerk may administer an oath of office.

(b) The member of the board of trustees taking the oath of office shall file the oath of office with the clerk of the local district.

(c) The failure of a board of trustees member to take the oath under Subsection (3)(a) does not invalidate any official act of that member.

(4) A board of trustees member may serve any number of terms.

(5) (a) Except as provided in Subsection (6), each midterm vacancy in a board of trustees position is filled in accordance with Section 20A-1-512.

(b) When the number of members of a board of trustees increases in accordance with Subsection 17B-1-302(6), the appointing authority may appoint an individual to fill a new board of trustees position in accordance with Section 17B-1-304 or 20A-1-512.

(c) Upon the board's declaring a midterm vacancy under Subsection (6)(b), the appointing entity shall appoint another person to fill the remaining unexpired term on the board of trustees.

(7) (a) [~~Each~~] A member of a board of trustees shall [~~give a~~] obtain a fidelity bond or obtain theft or crime insurance for the faithful performance of the member's duties, in the amount and with the sureties or with an insurance company that the board of trustees prescribes.

(b) The local district:
