The individual may retain the Home State designation during the period the service member is on active duty. Subsequent to designating a Home State, the individual shall only change their Home State through application for licensure in the new State or through the process described in Section 58-42b-105.

Section 10. Section 58-42b-107 is enacted to read:

58-42b-107. Section 7 -- Adverse actions.

(A) A Home State shall have exclusive power to impose Adverse Action against an Occupational Therapist's or Occupational Therapy Assistant's license issued by the Home State.

(B) In addition to the other powers conferred by State law, a Remote State shall have the authority, in accordance with existing State due process law, to:

(1) Take Adverse Action against an Occupational Therapist's or Occupational Therapy Assistant's Compact Privilege within that Member State.

(2) Issue subpoenas for both hearings and investigations that require the attendance and testimony of witnesses as well as the production of evidence. Subpoenas issued by a Licensing Board in a Member State for the attendance and testimony of witnesses or the production of evidence from another Member State shall be enforced in the latter State by any court of competent jurisdiction, according to the practice and procedure of that court applicable to subpoenas issued in proceedings pending before it. The issuing authority shall pay any witness fees, travel expenses, mileage, and other fees required by the service statutes of the State in which the witnesses or evidence are located.

(C) For purposes of taking Adverse Action, the Home State shall give the same priority and effect to reported conduct received from a Member State as it would if the conduct had occurred within the Home State. In so doing, the Home State shall apply its own State laws to determine appropriate action.

(D) The Home State shall complete any pending investigations of an Occupational Therapist or

Occupational Therapy Assistant who changes Primary State of Residence during the course of the investigations. The Home State, where the investigations were initiated, shall also have the authority to take appropriate action(s) and shall promptly report the conclusions of the investigations to the Occupational Therapy Compact Commission Data System. The Occupational Therapy Compact Commission Data System administrator shall promptly notify the new Home State of any Adverse Actions.

(E) A Member State, if otherwise permitted by State law, may recover from the affected Occupational Therapist or Occupational Therapy Assistant the costs of investigations and disposition of cases resulting from any Adverse Action taken against that Occupational Therapist or Occupational Therapy Assistant.

(F) A Member State may take Adverse Action based on the factual findings of the Remote State, provided that the Member State follows its own procedures for taking the Adverse Action.

(G) Joint Investigations

(1) In addition to the authority granted to a Member State by its respective State Occupational Therapy laws and regulations or other applicable State law, any Member State may participate with other Member States in joint investigations of Licensees.

(2) Member States shall share any investigative, litigation, or compliance materials in furtherance of any joint or individual investigation initiated under the Compact.

(H) If an Adverse Action is taken by the Home State against an Occupational Therapist's or Occupational Therapy Assistant's license, the Occupational Therapist's or Occupational Therapy Assistant's Compact Privilege in all other Member States shall be deactivated until all encumbrances have been removed from the State license. All Home State disciplinary orders that impose Adverse Action against an Occupational Therapist's or Occupational Therapy Assistant's license shall include a Statement that the Occupational Therapist's or Occupational Therapy Assistant's Compact Privilege is deactivated in all Member States during the pendency of the order.

(I) If a Member State takes Adverse Action, it shall promptly notify the administrator of the Data System. The administrator of the Data System shall promptly notify the Home State of any Adverse Actions by Remote States.

(J) Nothing in this Compact shall override a Member State's decision that participation in an Alternative Program may be used in lieu of Adverse Action.

Section 11. Section 58-42b-108 is enacted to read:

58-42b-108. Section 8 -- Establishment of the Occupational Therapy Compact Commission.

(A) The Compact Member States hereby create and establish a joint public agency known as the Occupational Therapy Compact Commission.

(1) The Commission is an instrumentality of the Compact States.

(2) Venue is proper and judicial proceedings by or against the Commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the Commission is located. The Commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings.

(3) Nothing in this Compact shall be construed to be a waiver of sovereign immunity.

The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the Commission, which shall promulgate a Rule binding upon all Member States.

(5) The Commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the Commission shall be audited yearly by a certified or licensed public accountant, and the report of the audit shall be included in and become part of the annual report of the Commission.

(G) Qualified Immunity, Defense, and Indemnification

(1) The members, officers, executive director, employees and representatives of the Commission shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error or omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Commission employment, duties or responsibilities, provided that nothing in this paragraph shall be construed to protect any such person from suit and/or liability for any damage, loss, injury, or liability caused by the intentional or willful or wanton misconduct of that person.

(2) The Commission shall defend any member, officer, executive director, employee, or representative of the Commission in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of Commission employment, duties, or responsibilities, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities, provided that nothing herein shall be construed to prohibit that person from retaining his or her own counsel, and provided further, that the actual or alleged act, error, or omission did not result from that person's intentional or willful or wanton misconduct.

(3) The Commission shall indemnify and hold harmless any member, officer, executive director, employee, or representative of the Commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error or omission that occurred within the scope of Commission employment, duties, or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from the intentional or willful or wanton misconduct of that person.

Section 12. Section 58-42b-109 is enacted to read:

58-42b-109. Section 9 -- Data system.

(A) The Commission shall provide for the development, maintenance, and utilization of a coordinated database and reporting system containing licensure, Adverse Action, and Investigative Information on all licensed individuals in Member States.

(B) A Member State shall submit a uniform data set to the Data System on all individuals to whom this Compact is applicable (utilizing a unique identifier) as required by the Rules of the Commission, including:

(1) Identifying information;

(2) Licensure data;

(3) Adverse Actions against a license or Compact Privilege;

(4) Non-confidential information related to Alternative Program participation;

(C) Current Significant Investigative Information and other Investigative Information pertaining to a Licensee in any Member State will only be available to other Member States.

(D) The Commission shall promptly notify all Member States of any Adverse Action taken against a Licensee or an individual applying for a license. Adverse Action information pertaining to a Licensee in any Member State will be available to any other Member State.

(E) Member States contributing information to the Data System may designate information that may not be shared with the public without the express permission of the contributing State.

(F) Any information submitted to the Data System that is subsequently required to be expunged by the laws of the Member State contributing the information shall be removed from the Data System.

Section 13. Section 58-42b-110 is enacted to read:

58-42b-110. Section 10 -- Rulemaking.

(A) The Commission shall exercise its Rulemaking powers pursuant to the criteria set forth in this Section and the Rules adopted thereunder. Rules and amendments shall become binding as of the date specified in each Rule or amendment.

(B) The Commission shall promulgate reasonable rules in order to effectively and efficiently achieve the purposes of the Compact. Notwithstanding the foregoing, in the event the Commission exercises its rulemaking authority in a manner that is beyond the scope of the purposes of the Compact, or the powers granted hereunder, then such an action by the Commission shall be invalid and have no force and effect.

(C) If a majority of the legislatures of the Member States rejects a Rule, by enactment of a statute or resolution in the same manner used to adopt the Compact within four years of the date of adoption of the Rule, then such Rule shall have no further force and effect in any Member State.

(D) Rules or amendments to the Rules shall be adopted at a regular or special meeting of the Commission.

(E) Prior to promulgation and adoption of a final Rule or Rules by the Commission, and at least thirty (30) days in advance of the meeting at which the Rule will be considered and voted upon, the Commission shall file a Notice of Proposed Rulemaking:

(1) On the website of the Commission or other publicly accessible platform; and

(2) On the website of each Member State Occupational Therapy Licensing Board or other publicly accessible platform or the publication in which each State would otherwise publish proposed Rules.

(F) The Notice of Proposed Rulemaking shall include:

(1) The proposed time, date, and location of the meeting in which the Rule will be considered and voted upon;

(2) The text of the proposed Rule or amendment and the reason for the proposed Rule;

(3) A request for comments on the proposed Rule from any interested person; and

(4) The manner in which interested persons may submit notice to the Commission of their intention to attend the public hearing and any written comments.

(G) Prior to adoption of a proposed Rule, the Commission shall allow persons to submit written data, facts, opinions, and arguments, which shall be made available to the public.

(H) The Commission shall grant an opportunity for a public hearing before it adopts a Rule or amendment if a hearing is requested by:

(1) At least 25 persons;

(2) A State or federal governmental subdivision or agency; or

(3) An association or organization having at least 25 members.

(I) If a hearing is held on the proposed Rule or amendment, the Commission shall publish the place, time, and date of the scheduled public hearing. If the hearing is held via electronic means, the Commission shall publish the mechanism for access to the electronic hearing.

(1) All persons wishing to be heard at the hearing shall notify the executive director of the Commission or other designated member in writing of their desire to appear and testify at the hearing not less than five business days before the scheduled date of the hearing.

(2) Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.

(3) All hearings will be recorded. A copy of the recording will be made available on request.

(4) Nothing in this section shall be construed as requiring a separate hearing on each Rule. Rules may be grouped for the convenience of the Commission at hearings required by this section.

(J) Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the Commission shall consider all written and oral comments received.

(K) If no written notice of intent to attend the public hearing by interested parties is received, the Commission may proceed with promulgation of the proposed Rule without a public hearing.

(L) The Commission shall, by majority vote of all members, take final action on the proposed Rule and shall determine the effective date of the Rule, if any, based on the Rulemaking record and the full text of the Rule.

(M) Upon determination that an emergency exists, the Commission may consider and adopt an emergency Rule without prior notice, opportunity for comment, or hearing, provided that the usual Rulemaking procedures provided in the Compact and in this section shall be retroactively applied to the Rule as soon as reasonably possible, in no event later than ninety (90) days after the effective date of the Rule. For the purposes of this provision, an emergency Rule is one that must be adopted immediately in order to:

(1) Meet an imminent threat to public health, safety, or welfare;

(2) Prevent a loss of Commission or Member State funds;

(3) Meet a deadline for the promulgation of an administrative Rule that is established by federal law or Rule; or

(4) Protect public health and safety.

(N) The Commission or an authorized committee of the Commission may direct revisions to a previously adopted Rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the Commission. The revision shall be subject to challenge by any person for a period of 30 days after posting. The revision may be challenged only on grounds that the revision results in a material change to a Rule. A challenge shall be made in writing and delivered to the chair of the Commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the Commission.

Section 14. Section 58-42b-111 is enacted to read:

58-42b-111. Section 11 -- Oversight, dispute resolution, and enforcement.

(A) Oversight

(1) The executive, legislative, and judicial branches of State government in each Member State shall enforce this Compact and take all actions necessary and appropriate to effectuate the Compact's purposes and intent. The provisions of this Compact and the Rules promulgated hereunder shall have standing as statutory law.

(2) All courts shall take judicial notice of the Compact and the Rules in any judicial or administrative proceeding in a Member State pertaining to the subject matter of this Compact which may affect the powers, responsibilities, or actions of the Commission.

(3) The Commission shall be entitled to receive service of process in any such proceeding and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process to the Commission shall render a judgment or order void as to the Commission, this Compact, or promulgated Rules.

(B) Default, Technical Assistance, and Termination

(1) If the Commission determines that a Member State has defaulted in the performance of its obligations or responsibilities under this Compact or the promulgated Rules, the Commission shall:

(a) Provide written notice to the defaulting State and other Member States of the nature of the default, the proposed means of curing the default, and/or any other action to be taken by the Commission; and

(b) Provide remedial training and specific technical assistance regarding the default.

(2) If a State in default fails to cure the default, the defaulting State may be terminated from the Compact upon an affirmative vote of a majority of the Member States, and all rights, privileges, and benefits conferred by this Compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending State of obligations or liabilities incurred during the period of default.

(3) Termination of membership in the Compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the Commission to the governor, the majority and minority leaders of the defaulting State's legislature, and each of the Member States.

(4) A State that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

(5) The Commission shall not bear any costs related to a State that is found to be in default or that has been terminated from the Compact, unless agreed upon in writing between the Commission and the defaulting State.

(6) The defaulting State may appeal the action of the Commission by petitioning the United States District Court for the District of Columbia or the federal district where the Commission has its principal offices. The prevailing member shall be

awarded all costs of such litigation, including reasonable attorney fees.

(C) Dispute Resolution

(1) Upon request by a Member State, the Commission shall attempt to resolve disputes related to the Compact that arise among Member States and between member and non-Member States.

(2) The Commission shall promulgate a Rule providing for both mediation and binding dispute resolution for disputes as appropriate.

(D) Enforcement

(1) The Commission, in the reasonable exercise of its discretion, shall enforce the provisions and Rules of this Compact.

(2) By majority vote, the Commission may initiate legal action in the United States District Court for the District of Columbia or the federal district where the Commission has its principal offices against a Member State in default to enforce compliance with the provisions of the Compact and its promulgated Rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of such litigation, including reasonable attorney fees.

(3) The remedies herein shall not be the exclusive remedies of the Commission. The Commission may pursue any other remedies available under federal or State law.

Section 15. Section 58-42b-112 is enacted to read:

58-42b-112. Section 12 -- Date of implementation of the Interstate Commission for Occupational Therapy Practice and associated rules, withdrawal, and amendment.

(A) The Compact shall come into effect on the date on which the Compact statute is enacted into law in the tenth Member State. The provisions, which become effective at that time, shall be limited to the powers granted to the Commission relating to assembly and the promulgation of Rules. Thereafter, the Commission shall meet and exercise Rulemaking powers necessary to the implementation and administration of the Compact.

(B) Any State that joins the Compact subsequent to the Commission's initial adoption of the Rules shall be subject to the Rules as they exist on the date on which the Compact becomes law in that State. Any Rule that has been previously adopted by the Commission shall have the full force and effect of law on the day the Compact becomes law in that State.

(C) Any Member State may withdraw from this Compact by enacting a statute repealing the same.

(1) A Member State's withdrawal shall not take effect until six (6) months after enactment of the repealing statute.

(2) Withdrawal shall not affect the continuing requirement of the withdrawing State's Occupational Therapy Licensing Board to comply with the investigative and Adverse Action reporting requirements of this act prior to the effective date of withdrawal.

(D) Nothing contained in this Compact shall be construed to invalidate or prevent any Occupational Therapy licensure agreement or other cooperative arrangement between a Member State and a non-Member State that does not conflict with the provisions of this Compact.

(E) This Compact may be amended by the Member States. No amendment to this Compact shall become effective and binding upon any Member State until it is enacted into the laws of all Member States.

Section 16. Section 58-42b-113 is enacted to read:

58-42b-113. Section 13 -- Construction and severability.

This Compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this Compact shall be severable and if any phrase, clause, sentence, or provision of this Compact is declared to be contrary to the constitution of any Member State or of the United States or the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. If this Compact shall be held contrary to the constitution of any Member State, the Compact shall remain in full force and effect as to the remaining Member States and in full force and effect as to the Member State affected as to all severable matters.

Section 17. Section 58-42b-114 is enacted to read:

58-42b-114. Section 14 -- Binding effect of compact and other laws.

(A) A Licensee providing Occupational Therapy in a Remote State under the Compact Privilege shall function within the laws and regulations of the Remote State.

(B) Nothing herein prevents the enforcement of any other law of a Member State that is not inconsistent with the Compact.

(C) Any laws in a Member State in conflict with the Compact are superseded to the extent of the conflict.

(D) Any lawful actions of the Commission, including all Rules and bylaws promulgated by the Commission, are binding upon the Member States.

(E) All agreements between the Commission and the Member States are binding in accordance with their terms.

(F) In the event any provision of the Compact exceeds the constitutional limits imposed on the legislature of any Member State, the provision shall be ineffective to the extent of the conflict with the constitutional provision in question in that Member State.

Section 18. Section 58-42b-201 is enacted to read:

Part 2. Rulemaking

58-42b-201. Rulemaking authority.

The division may make rules in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, to implement this chapter.

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 36-12-7 is amended to read:

36-12-7. Legislative Management Committee -- Duties -- Litigation.

(1) The Senate or House Management Committee shall:

(a) receive legislative resolutions directing studies on legislative matters and may assign these studies to the appropriate interim committee of its house;

(b) assign to interim committees of the same house, matters of legislative study not specifically contained in a legislative resolution but considered significant to the welfare of the state;

(c) receive requests from interim committees of its house for matters to be included on the study agenda of the requesting committee. Appropriate bases for denying a study include inadequate funding to properly complete the study or duplication of the work;

(d) establish a budget account for interim committee day as designated by Legislative Management Committee and for all other legislative committees of its house and allocate to that account sufficient funds to adequately provide for the work of the committee; and

(e) designate the time and place for periodic meetings of the interim committees.

(2) To maximize the use of legislators' available time, the Senate and House Management Committees should attempt to schedule the committee meetings of their respective houses during the same one or two-day period each month. This does not preclude an interim committee from meeting at any time it determines necessary to complete its business.

(3) The Legislative Management Committee shall:

(a) employ, after recommendation of the appropriate subcommittee of the Legislative Management Committee, without regard to political affiliation, and subject to approval of a majority vote of both houses, persons qualified for the positions of director of the Office of Legislative Research and General Counsel, legislative fiscal analyst, legislative general counsel, and legislative auditor general. Appointments to these positions shall be for terms of six years subject to renewal under the same procedure as the original appointment. A person may be removed from any of these offices before the expiration of the person's term only by a majority vote of both houses of the Legislature or by a two-thirds vote of the management committee for such causes as inefficiency, incompetency, failure to maintain skills or adequate performance levels, insubordination, misfeasance, malfeasance, or nonfeasance in office. If a vacancy occurs in any of these offices after adjournment of the Legislature, the committee shall appoint an individual to fill the vacancy until such time as the person is approved or rejected by majority vote of the next session of the Legislature;

(b) develop policies for personnel management, compensation, and training of all professional legislative staff;

(c) develop a policy within the limits of legislative appropriation for the authorization and payment to legislators of compensation and travel expenses, including out-of-state travel;

(d) approve special study budget requests of the legislative directors; and

(e) assist the speaker-elect of the House of Representatives and the president-elect of the Senate, upon selection by their majority party caucus, to organize their respective houses of the Legislature and assume the direction of the operation of the Legislature in the forthcoming annual general session.

(4) (a) The Legislature delegates to the Legislative Management Committee the authority, by means of a majority vote of the committee, to direct the legislative general counsel in matters

involving the Legislature's participation in litigation.

(b) The Legislature has an unconditional right to intervene in a state court action and may provide evidence or argument, written or oral, if a party to that court action challenges:

(i) the constitutionality of a state statute;

(ii) the validity of legislation; or

(iii) any action of the Legislature.

(c) In a federal court action that challenges the constitutionality of a state statute, the validity of legislation, or any action of the Legislature, the Legislature may seek to intervene, to file an amicus brief, or to present argument in accordance with federal rules of procedure.

(d) Intervention by the Legislature pursuant to Subsection (4)(b) or (c) does not limit the duty of the attorney general to appear and prosecute legal actions or defend state agencies, officers or employees as otherwise provided by law.

(e) In any action in which the Legislature intervenes or participates, legislative counsel and the attorney general shall function independently from each other in the representation of their respective clients.

(f) The attorney general shall notify the legislative general counsel of a claim in accordance with Subsection [~~67-5-1(25)~~] 67-5-1(1)(y).

Section 2. Section 67-5-1 is amended to read:

67-5-1. General duties.

(1) The attorney general shall:

(B) the trustee of the trust retains a statement of dependent beneficiary income on behalf of the dependent beneficiary.

[~~(7)~~] (8) If a pass-through entity would have otherwise qualified for a waiver of a penalty and interest under Subsection [~~(6)~~] (7), except that the trustee of a trust has not applied to the commission as required by Subsection [~~(6)~~] (7)(b) or retained the statement of dependent beneficiary income required by Subsection [~~(6)~~] (7)(c)(ii)(B), it is a rebuttable presumption in an audit that the pass-through entity would have otherwise qualified for the waiver of the penalty and interest under Subsection [~~(6)~~] (7).

ENACTS:

59-2-306.5, Utah Code Annotated 1953

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 11-13-302 is amended to read:

11-13-302. Payment of fee in lieu of ad valorem property tax by certain energy suppliers -- Method of calculating -- Collection -- Extent of tax lien.

(1) (a) Each project entity created under this chapter that owns a project and that sells any capacity, service, or other benefit from it to an energy supplier or suppliers whose tangible property is not exempted by Utah Constitution Article XIII, Section 3, from the payment of ad valorem property tax, shall pay an annual fee in lieu of ad valorem property tax as provided in this section to each taxing jurisdiction within which the project or any part of it is located.

(b) For purposes of this section, "annual fee" means the annual fee described in Subsection (1)(a) that is in lieu of ad valorem property tax.

(c) The requirement to pay an annual fee shall commence:

(i) with respect to each taxing jurisdiction that is a candidate receiving the benefit of impact alleviation payments under contracts or determination orders provided for in Sections 11-13-305 and 11-13-306, with the fiscal year of the candidate following the fiscal year of the candidate in which the date of commercial operation of the last generating unit, other than any generating unit providing additional project capacity, of the project occurs, or, in the case of any facilities providing additional project capacity, with the fiscal year of the candidate following the fiscal year of the candidate in which the date of commercial operation of the generating unit providing the additional project capacity occurs; and

(ii) with respect to any taxing jurisdiction other than a taxing jurisdiction described in Subsection (1)(c)(i), with the fiscal year of the taxing jurisdiction in which construction of the project commences, or, in the case of facilities providing additional project capacity, with the fiscal year of the taxing jurisdiction in which construction of those facilities commences.

(d) The requirement to pay an annual fee shall continue for the period of the useful life of the project or facilities.

(2) (a) The annual fees due a school district shall be as provided in Subsection (2)(b) because the ad

valorem property tax imposed by a school district and authorized by the Legislature represents both:

(i) a levy mandated by the state for the state minimum school program under Section 53F-2-301 or 53F-2-301.5, as applicable; and

(ii) local levies for capital outlay and other purposes under Sections 53F-8-303, 53F-8-301, and 53F-8-302.

(b) The annual fees due a school district shall be as follows:

(i) the project entity shall pay to the school district an annual fee for the state minimum school program at the rate imposed by the school district and authorized by the Legislature under Section 53F-2-301 or 53F-2-301.5, as applicable; and

(ii) for all other local property tax levies authorized to be imposed by a school district, the project entity shall pay to the school district either:

(A) an annual fee; or

(B) impact alleviation payments under contracts or determination orders provided for in Sections 11-13-305 and 11-13-306.

(3) (a) An annual fee due a taxing jurisdiction for a particular year shall be calculated by multiplying the tax rate or rates of the jurisdiction for that year by the product obtained by multiplying the fee base or value determined in accordance with Subsection (4) for that year of the portion of the project located within the jurisdiction by the percentage of the project which is used to produce the capacity, service, or other benefit sold to the energy supplier or suppliers.

(b) As used in this section, "tax rate," when applied in respect to a school district, includes any assessment to be made by the school district under Subsection (2) or Section 63M-5-302.

(c) There is to be credited against the annual fee due a taxing jurisdiction for each year, an amount equal to the debt service, if any, payable in that year by the project entity on bonds, the proceeds of which were used to provide public facilities and services for impact alleviation in the taxing jurisdiction in accordance with Sections 11-13-305 and 11-13-306.

(d) The tax rate for the taxing jurisdiction for that year shall be computed so as to:

(i) take into account the fee base or value of the percentage of the project located within the taxing jurisdiction determined in accordance with Subsection (4) used to produce the capacity, service, or other benefit sold to the supplier or suppliers; and

(ii) reflect any credit to be given in that year.

(4) (a) Except as otherwise provided in this section, the annual fees required by this section shall be paid, collected, and distributed to the taxing jurisdiction as if:

(i) the annual fees were ad valorem property taxes; and

(ii) the project were assessed at the same rate and upon the same measure of value as taxable property in the state.

(b) (i) Notwithstanding Subsection (4)(a), for purposes of an annual fee required by this section, the fee base of a project may be determined in accordance with an agreement among:

(A) the project entity; and

(B) any county that:

(I) is due an annual fee from the project entity; and

(II) agrees to have the fee base of the project determined in accordance with the agreement described in this Subsection (4).

(ii) The agreement described in Subsection (4)(b)(i):

(A) shall specify each year for which the fee base determined by the agreement shall be used for purposes of an annual fee; and

(B) may not modify any provision of this chapter except the method by which the fee base of a project is determined for purposes of an annual fee.

(iii) For purposes of an annual fee imposed by a taxing jurisdiction within a county described in Subsection (4)(b)(i)(B), the fee base determined by the agreement described in Subsection (4)(b)(i) shall be used for purposes of an annual fee imposed by that taxing jurisdiction.

(iv) (A) If there is not agreement as to the fee base of a portion of a project for any year, for purposes of an annual fee, the State Tax Commission shall determine the value of that portion of the project for which there is not an agreement:

(I) for that year; and

(II) using the same measure of value as is used for taxable property in the state.

(B) The valuation required by Subsection (4)(b)(iv)(A) shall be made by the State Tax Commission in accordance with rules made by the State Tax Commission.

(c) Payments of the annual fees shall be made from:

(i) the proceeds of bonds issued for the project; and

(ii) revenues derived by the project entity from the project.

(d) (i) The contracts of the project entity with the purchasers of the capacity, service, or other benefits of the project whose tangible property is not exempted by Utah Constitution Article XIII, Section 3, from the payment of ad valorem property tax shall require each purchaser, whether or not located in the state, to pay, to the extent not otherwise provided for, its share, determined in accordance with the terms of the contract, of these fees.

(ii) It is the responsibility of the project entity to enforce the obligations of the purchasers.

(5) (a) The responsibility of the project entity to make payment of the annual fees is limited to the extent that there is legally available to the project entity, from bond proceeds or revenues, money to make these payments, and the obligation to make payments of the annual fees is not otherwise a general obligation or liability of the project entity.

(b) No tax lien may attach upon any property or money of the project entity by virtue of any failure to pay all or any part of an annual fee.

(c) The project entity or any purchaser may contest the validity of an annual fee to the same extent as if the payment was a payment of the ad valorem property tax itself.

(d) The payments of an annual fee shall be reduced to the extent that any contest is successful.

(6) (a) The annual fee described in Subsection (1):

(i) shall be paid by a public agency that:

(A) is not a project entity; and

(B) owns an interest in a facility providing additional project capacity if the interest is otherwise exempt from taxation pursuant to Utah Constitution, Article XIII, Section 3; and

(ii) for a public agency described in Subsection (6)(a)(i), shall be calculated in accordance with Subsection (6)(b).

(b) The annual fee required under Subsection (6)(a) shall be an amount equal to the tax rate or rates of the applicable taxing jurisdiction multiplied by the product of the following:

(i) the fee base or value of the facility providing additional project capacity located within the jurisdiction;

(ii) the percentage of the ownership interest of the public agency in the facility; and

(iii) the portion, expressed as a percentage, of the public agency's ownership interest that is attributable to the capacity, service, or other benefit from the facility that is sold, including any subsequent sale, resale, or layoff, by the public agency to an energy supplier or suppliers whose tangible property is not exempted by Utah Constitution, Article XIII, Section 3, from the payment of ad valorem property tax.

(c) A public agency paying the annual fee pursuant to Subsection (6)(a) shall have the obligations, credits, rights, and protections set forth in Subsections (1) through (5) with respect to its ownership interest as though it were a project entity.

(d) On or before March 1 of each year, a project entity that owns a project and that provides any capacity, service, or other benefit to an energy supplier or a public agency shall file an electronic report with the State Tax Commission that identifies:

(i) each energy supplier and public agency to which the project entity delivers capacity, service, or other benefit; and

(ii) the amount of capacity, service, or other benefit delivered to each energy supplier and public agency.

(ii) If the amount transferred is reduced to prevent an operating deficit, as provided in Subsection (6), the Legislature shall include, to the extent revenue is available, an amount equal to the reduction as an appropriation from the General Fund to the account in the base budget for the second fiscal year following the fiscal year for which the reduction was made.

(b) If, at the end of a fiscal year, there is not a General Fund revenue surplus, the Legislature shall include, to the extent revenue is available, an amount equal to Medicaid growth savings as an appropriation from the General Fund to the account in the base budget for the second fiscal year following the fiscal year for which the reduction was made.

(c) Subsections (3)(a) and (3)(b) apply only to the fiscal year in which the department implements the proposal developed under Section 26-18-405 to reduce the long-term growth in state expenditures for the Medicaid program, and to each fiscal year after that year.

(b) The Division of Finance may not spend the hold back amount for debt service under Subsection
