31341 (3) (a) The division may suspend the license of a person under Subsection (1) when the
31342 division has been notified by a court that the person has an outstanding unpaid fine, an
31343 outstanding incomplete restitution requirement, or an outstanding warrant levied by order of a
31344 court.

31345 (b) The suspension remains in effect until the division is notified by the court that the
31346 order has been satisfied.

31347 (c) After clearance by the division, a report authorized by Section 53-3-104 may not
31348 contain any evidence of the suspension.

31349 (4) The division shall make rules establishing a point system as provided for in this
31350 Subsection (4).

31351 (a) (i) The division shall assign a number of points to each type of moving traffic
31352 violation as a measure of its seriousness.

31353 (ii) The points shall be based upon actual relationships between types of traffic
31354 violations and motor vehicle traffic accidents.

31355 (b) Every person convicted of a traffic violation shall have assessed against ~~his~~ the
31356 person's driving record the number of points that the division has assigned to the type of
31357 violation of which the person has been convicted, except that the number of points assessed
31358 shall be decreased by 10% if on the abstract of the court record of the conviction the court has
31359 graded the severity of violation as minimum, and shall be increased by 10% if on the abstract the
31360 court has graded the severity of violation as maximum.

31361 (c) (i) A separate procedure for assessing points for speeding offenses shall be

31362 established by the division based upon the severity of the offense.

31363 (ii) The severity of a speeding violation shall be graded as:

31364 (A) "minimum" for exceeding the posted speed limit by up to ten miles per hour;

31365 (B) "intermediate" for exceeding the posted speed limit by from 11 to 20 miles per
31366 hour; and

31367 (C) "maximum" for exceeding the posted speed limit by 21 or more miles per hour.

31368 (iii) Consideration shall be made for assessment of no points on minimum speeding
31369 violations, except for speeding violations in school zones.

31370 (d) (i) Points assessed against a person's driving record shall be deleted for violations
31371 occurring before a time limit set by the division.

31372 (ii) The time limit may not exceed three years.

31373 (iii) The division may also delete points to reward violation-free driving for periods of
31374 time set by the division.

31375 (e) (i) By publication in two newspapers having general circulation throughout the
31376 state, the division shall give notice of the number of points it has assigned to each type of traffic
31377 violation, the time limit set by the division for the deletion of points, and the point level at which
31378 the division will generally take action to deny or suspend under this section.

31379 (ii) The division may not change any of the information provided above regarding
31380 points without first giving new notice in the same manner.

31381 (5) (a) (i) Upon denying or suspending the license of a person under this section, the
31382 division shall immediately notify the licensee in a manner specified by the division and afford
31383 him an opportunity for a hearing in the county where the licensee resides.

31384 (ii) The hearing shall be documented, and the division or its authorized agent may
31385 administer oaths, may issue subpoenas for the attendance of witnesses and the production of
31386 relevant books and papers, and may require a reexamination of the licensee.

31387 (iii) One or more members of the division may conduct the hearing, and any decision
31388 made after a hearing before any number of the members of the division is as valid as if made
31389 after a hearing before the full membership of the division.

31390 (iv) After the hearing the division shall either rescind its order of denial or suspension,
31391 extend the denial or suspension of the license, or revoke the license.

31392 (b) The denial or suspension of the license remains in effect pending qualifications
31393 determined by the division regarding a person:

31394 (i) whose license has been denied or suspended following reexamination;

31395 (ii) who is incompetent to drive a motor vehicle;

31396 (iii) who is afflicted with mental or physical infirmities that might make him dangerous
31397 on the highways; or

31398 (iv) who may not have the necessary knowledge or skill to drive a motor vehicle safely.

31399 (6) (a) The division may suspend or revoke the license of any resident of this state upon
31400 receiving notice of the conviction of that person in another state of an offense committed there
31401 that, if committed in this state, would be grounds for the suspension or revocation of a license.

31402 (b) The division may, upon receiving a record of the conviction in this state of a
31403 nonresident driver of a motor vehicle or motorboat of any offense under the motor vehicle laws
31404 of this state, forward a certified copy of the record to the motor vehicle administrator in the
31405 state where the person convicted is a resident.

31406 (7) (a) The division may suspend or revoke the license of any nonresident to drive a
31407 motor vehicle in this state for any cause for which the license of a resident driver may be
31408 suspended or revoked.

31409 (b) Any nonresident who drives a motor vehicle upon a highway when [~~his~~] the
31410 person's license has been suspended or revoked by the division is guilty of a class C
31411 misdemeanor.

31412 (8) (a) The division may not deny or suspend the license of any person for a period of
31413 more than one year except:

31414 (i) for failure to comply with the terms of a traffic citation under Subsection (2);

31415 (ii) upon receipt of a second or subsequent order suspending juvenile driving privileges
31416 under Section 53-3-219;

31417 (iii) when extending a denial or suspension upon receiving certain records or reports

31418 under Subsection 53-3-220(2); and

31419 (iv) for failure to give and maintain owner's or operator's security under Section
31420 41-12a-411.

31421 (b) The division may suspend the license of a person under Subsection (2) until ~~he~~ the
31422 person shows satisfactory evidence of compliance with the terms of the traffic citation.

31423 (9) (a) By following the emergency procedures in ~~[Title 63, Chapter 46b]~~ Title 63G,
31424 Chapter 4, Administrative Procedures Act, the division may immediately suspend the license of
31425 any person without hearing and without receiving a record of ~~his~~ the person's conviction for a
31426 crime when the division has reason to believe that the person's license was granted by the
31427 division through error or fraud or that the necessary consent for the license has been withdrawn
31428 or is terminated.

31429 (b) The procedure upon suspension is the same as under Subsection (5), except that
31430 after the hearing the division shall either rescind its order of suspension or cancel the license.

31431 (10) (a) The division, having good cause to believe that a licensed driver is incompetent
31432 or otherwise not qualified to be licensed, may upon notice in a manner specified by the division
31433 of at least five days to the licensee require him to submit to an examination.

31434 (b) Upon the conclusion of the examination the division may suspend or revoke the
31435 person's license, permit him to retain the license, or grant a license subject to a restriction
31436 imposed in accordance with Section 53-3-208.

31437 (c) Refusal or neglect of the licensee to submit to an examination is grounds for
31438 suspension or revocation of ~~his~~ the licensee's license.

31439 (11) (a) Except as provided in Subsection (11)(b), a report authorized by Section
31440 53-3-104 may not contain any evidence of a conviction for speeding on an interstate system in
31441 this state if the conviction was for a speed of ten miles per hour or less, above the posted speed
31442 limit and did not result in an accident, unless authorized in a manner specified by the division by
31443 the individual whose report is being requested.

31444 (b) The provisions of Subsection (11)(a) do not apply for:

31445 (i) a CDL license holder; or

31446 (ii) a violation that occurred in a commercial motor vehicle.

31447 (12) (a) By following the emergency procedures in [~~Title 63, Chapter 46b~~] Title 63G,
31448 Chapter 4, Administrative Procedures Act, the division may immediately suspend the license of
31449 a person if it has reason to believe that the person is the owner of a motor vehicle for which
31450 security is required under Title 41, Chapter 12a, Vehicle Financial Responsibility of Motor
31451 Vehicle Owners and Operators Act, and has driven the motor vehicle or permitted it to be
31452 driven within this state without the security being in effect.

31453 (b) Section 41-12a-411 regarding the requirement of proof of owner's or operator's
31454 security applies to persons whose driving privileges are suspended under this Subsection (12).

31455 (c) If the division exercises the right of immediate suspension granted under this
31456 Subsection (12), the notice and hearing provisions of Subsection (5) apply.

31457 (d) A person whose license suspension has been sustained or whose license has been
31458 revoked by the division under this subsection may file a request for agency action requesting a
31459 hearing.

31460 (13) Any suspension or revocation of a person's license under this section also
31461 disqualifies any license issued to that person under Part 4 of this chapter.

31462 Section 683. Section **53-3-221 (Effective 07/01/08)** is amended to read:

31463 **53-3-221 (Effective 07/01/08). Offenses which may result in denial, suspension,**
31464 **disqualification, or revocation of license without hearing -- Additional grounds for**
31465 **suspension -- Point system for traffic violations -- Notice and hearing -- Reporting of**
31466 **traffic violation procedures.**

31467 (1) By following the emergency procedures in [~~Title 63, Chapter 46b~~] Title 63G,
31468 Chapter 4, Administrative Procedures Act, the division may immediately deny, suspend,
31469 disqualify, or revoke the license of any person without hearing and without receiving a record of
31470 the person's conviction of crime when the division has been notified or has reason to believe the
31471 person:

31472 (a) has committed any offenses for which mandatory suspension or revocation of a
31473 license is required upon conviction under Section 53-3-220;

31474 (b) has, by reckless or unlawful driving of a motor vehicle, caused or contributed to an
31475 accident resulting in death or injury to any other person, or serious property damage;

31476 (c) is incompetent to drive a motor vehicle or is afflicted with mental or physical
31477 infirmities or disabilities rendering it unsafe for the person to drive a motor vehicle upon the
31478 highways;

31479 (d) has committed a serious violation of the motor vehicle laws of this state;

31480 (e) has knowingly acquired, used, displayed, or transferred an item that purports to be

31483 under Section 53-3-229; or

31484 (f) has been convicted of serious offenses against traffic laws governing the movement
31485 of motor vehicles with a frequency that indicates a disrespect for traffic laws and a disregard for
31486 the safety of other persons on the highways.

31487 (2) (a) The division may suspend the license of a person under Subsection (1) when the
31488 person has failed to comply with the terms stated on a traffic citation issued in this state, except
31489 this Subsection (2) does not apply to highway weight limit violations or violations of law
31490 governing the transportation of hazardous materials.

31491 (b) This Subsection (2) applies to parking and standing violations only if a court has
31492 issued a warrant for the arrest of a person for failure to post bail, appear, or otherwise satisfy
31493 the terms of the citation.

31494 (c) (i) This Subsection (2) may not be exercised unless notice of the pending suspension
31495 of the driving privilege has been sent at least ten days previously to the person at the address
31496 provided to the division.

31497 (ii) After clearance by the division, a report authorized by Section 53-3-104 may not
31498 contain any evidence of a suspension that occurred as a result of failure to comply with the
31499 terms stated on a traffic citation.

31500 (3) (a) The division may suspend the license of a person under Subsection (1) when the
31501 division has been notified by a court that the person has an outstanding unpaid fine, an

31502 outstanding incomplete restitution requirement, or an outstanding warrant levied by order of a
31503 court.

31504 (b) The suspension remains in effect until the division is notified by the court that the
31505 order has been satisfied.

31506 (c) After clearance by the division, a report authorized by Section 53-3-104 may not
31507 contain any evidence of the suspension.

31508 (4) The division shall make rules establishing a point system as provided for in this
31509 Subsection (4).

31510 (a) (i) The division shall assign a number of points to each type of moving traffic
31511 violation as a measure of its seriousness.

31512 (ii) The points shall be based upon actual relationships between types of traffic
31513 violations and motor vehicle traffic accidents.

31514 (b) Every person convicted of a traffic violation shall have assessed against ~~his~~ the
31515 person's driving record the number of points that the division has assigned to the type of
31516 violation of which the person has been convicted, except that the number of points assessed
31517 shall be decreased by 10% if on the abstract of the court record of the conviction the court has
31518 graded the severity of violation as minimum, and shall be increased by 10% if on the abstract the
31519 court has graded the severity of violation as maximum.

31520 (c) (i) A separate procedure for assessing points for speeding offenses shall be
31521 established by the division based upon the severity of the offense.

31522 (ii) The severity of a speeding violation shall be graded as:

31523 (A) "minimum" for exceeding the posted speed limit by up to ten miles per hour;

31524 (B) "intermediate" for exceeding the posted speed limit by from 11 to 20 miles per
31525 hour; and

31526 (C) "maximum" for exceeding the posted speed limit by 21 or more miles per hour.

31527 (iii) Consideration shall be made for assessment of no points on minimum speeding
31528 violations, except for speeding violations in school zones.

31529 (d) (i) Points assessed against a person's driving record shall be deleted for violations

31530 occurring before a time limit set by the division.

31531 (ii) The time limit may not exceed three years.

31532 (iii) The division may also delete points to reward violation-free driving for periods of
31533 time set by the division.

31534 (e) (i) By publication in two newspapers having general circulation throughout the
31535 state, the division shall give notice of the number of points it has assigned to each type of traffic
31536 violation, the time limit set by the division for the deletion of points, and the point level at which
31537 the division will generally take action to deny or suspend under this section.

31538 (ii) The division may not change any of the information provided above regarding
31539 points without first giving new notice in the same manner.

31540 (5) (a) (i) Upon denying or suspending the license of a person under this section, the
31541 division shall immediately notify the licensee in a manner specified by the division and afford
31542 him an opportunity for a hearing in the county where the licensee resides.

31543 (ii) The hearing shall be documented, and the division or its authorized agent may
31544 administer oaths, may issue subpoenas for the attendance of witnesses and the production of
31545 relevant books and papers, and may require a reexamination of the licensee.

31546 (iii) One or more members of the division may conduct the hearing, and any decision
31547 made after a hearing before any number of the members of the division is as valid as if made
31548 after a hearing before the full membership of the division.

31549 (iv) After the hearing the division shall either rescind its order of denial or suspension,
31550 extend the denial or suspension of the license, or revoke the license.

31551 (b) The denial or suspension of the license remains in effect pending qualifications
31552 determined by the division regarding a person:

31553 (i) whose license has been denied or suspended following reexamination;

31554 (ii) who is incompetent to drive a motor vehicle;

31555 (iii) who is afflicted with mental or physical infirmities that might make him dangerous
31556 on the highways; or

31557 (iv) who may not have the necessary knowledge or skill to drive a motor vehicle safely.

31558 (6) (a) Subject to Subsection (6)(d), the division shall suspend a person's license when
31559 the division receives notice from the Office of Recovery Services that the Office of Recovery
31560 Services has ordered the suspension of the person's license.

31561 (b) A suspension under Subsection (6)(a) shall remain in effect until the division
31562 receives notice from the Office of Recovery Services that the Office of Recovery Services has
31563 rescinded the order of suspension.

31564 (c) After an order of suspension is rescinded under Subsection (6)(b), a report
31565 authorized by Section 53-3-104 may not contain any evidence of the suspension.

31566 (d) (i) If the division suspends a person's license under this Subsection (6), the division
31567 shall, upon application, issue a temporary limited driver license to the person if that person
31568 needs a driver license for employment, education, or child visitation.

31569 (ii) The temporary limited driver license described in this section:

31570 (A) shall provide that the person may operate a motor vehicle only for the purpose of
31571 driving to or from the person's place of employment, education, or child visitation;

31572 (B) shall prohibit the person from driving a motor vehicle for any purpose other than a
31573 purpose described in Subsection (6)(d)(ii)(A); and

31574 (C) shall expire 90 days after the day on which the temporary limited driver license is
31575 issued.

31576 (iii) (A) During the period beginning on the day on which a temporary limited driver
31577 license is issued under this Subsection (6), and ending on the day that the temporary limited
31578 driver license expires, the suspension described in this Subsection (6) only applies if the person
31579 who is suspended operates a motor vehicle for a purpose other than employment, education, or
31580 child visitation.

31581 (B) Upon expiration of a temporary limited driver license described in this Subsection
31582 (6)(d):

31583 (I) a suspension described in Subsection (6)(a) shall be in full effect until the division
31584 receives notice, under Subsection (6)(b), that the order of suspension is rescinded; and

31585 (II) a person suspended under Subsection (6)(a) may not drive a motor vehicle for any

31586 reason.

31587 (iv) The division is not required to issue a limited driver license to a person under this
31588 Subsection (6)(d) if there are other legal grounds for the suspension of the person's driver
31589 license.

31590 (v) The division shall make rules, in accordance with [~~Title 63, Chapter 46a~~] Title 63G,
31591 Chapter 3, Utah Administrative Rulemaking Act, to implement the provisions of this part.

31592 (7) (a) The division may suspend or revoke the license of any resident of this state upon
31593 receiving notice of the conviction of that person in another state of an offense committed there
31594 that, if committed in this state, would be grounds for the suspension or revocation of a license.

31595 (b) The division may, upon receiving a record of the conviction in this state of a
31596 nonresident driver of a motor vehicle or motorboat of any offense under the motor vehicle laws
31597 of this state, forward a certified copy of the record to the motor vehicle administrator in the
31598 state where the person convicted is a resident.

31599 (8) (a) The division may suspend or revoke the license of any nonresident to drive a
31600 motor vehicle in this state for any cause for which the license of a resident driver may be
31601 suspended or revoked.

31602 (b) Any nonresident who drives a motor vehicle upon a highway when [~~his~~] the
31603 person's license has been suspended or revoked by the division is guilty of a class C
31604 misdemeanor.

31605 (9) (a) The division may not deny or suspend the license of any person for a period of
31606 more than one year except:

31607 (i) for failure to comply with the terms of a traffic citation under Subsection (2);

31608 (ii) upon receipt of a second or subsequent order suspending juvenile driving privileges
31609 under Section 53-3-219;

31610 (iii) when extending a denial or suspension upon receiving certain records or reports
31611 under Subsection 53-3-220(2);

31612 (iv) for failure to give and maintain owner's or operator's security under Section
31613 41-12a-411; or

31614 (v) when the division suspends the license under Subsection (6).

31615 (b) The division may suspend the license of a person under Subsection (2) until ~~he~~ the
31616 person shows satisfactory evidence of compliance with the terms of the traffic citation.

31617 (10) (a) By following the emergency procedures in [~~Title 63, Chapter 46b~~] Title 63G,
31618 Chapter 4, Administrative Procedures Act, the division may immediately suspend the license of
31619 any person without hearing and without receiving a record of [~~his~~] the perons's conviction for a
31620 crime when the division has reason to believe that the person's license was granted by the
31621 division through error or fraud or that the necessary consent for the license has been withdrawn
31622 or is terminated.

31623 (b) The procedure upon suspension is the same as under Subsection (5), except that
31624 after the hearing the division shall either rescind its order of suspension or cancel the license.

31625 (11) (a) The division, having good cause to believe that a licensed driver is incompetent
31626 or otherwise not qualified to be licensed, may upon notice in a manner specified by the division
31627 of at least five days to the licensee require him to submit to an examination.

31628 (b) Upon the conclusion of the examination the division may suspend or revoke the
31629 person's license, permit him to retain the license, or grant a license subject to a restriction
31630 imposed in accordance with Section 53-3-208.

31631 (c) Refusal or neglect of the licensee to submit to an examination is grounds for
31632 suspension or revocation of [~~his~~] the licensee's license.

31633 (12) (a) Except as provided in Subsection (12)(b), a report authorized by Section
31634 53-3-104 may not contain any evidence of a conviction for speeding on an interstate system in
31635 this state if the conviction was for a speed of ten miles per hour or less, above the posted speed
31636 limit and did not result in an accident, unless authorized in a manner specified by the division by
31637 the individual whose report is being requested.

31638 (b) The provisions of Subsection (12)(a) do not apply for:

31639 (i) a CDL license holder; or

31640 (ii) a violation that occurred in a commercial motor vehicle.

31641 (13) (a) By following the emergency procedures in [~~Title 63, Chapter 46b~~] Title 63G,

31642 Chapter 4, Administrative Procedures Act, the division may immediately suspend the license of
31643 a person if it has reason to believe that the person is the owner of a motor vehicle for which
31644 security is required under Title 41, Chapter 12a, Financial Responsibility of Motor Vehicle
31645 Owners and Operators Act, and has driven the motor vehicle or permitted it to be driven within
31646 this state without the security being in effect.

31647 (b) Section 41-12a-411 regarding the requirement of proof of owner's or operator's
31648 security applies to persons whose driving privileges are suspended under this Subsection (13).

31649 (c) If the division exercises the right of immediate suspension granted under this
31650 Subsection (13), the notice and hearing provisions of Subsection (5) apply.

31651 (d) A person whose license suspension has been sustained or whose license has been
31652 revoked by the division under this Subsection (13) may file a request for agency action
31653 requesting a hearing.

31654 (14) Any suspension or revocation of a person's license under this section also
31655 disqualifies any license issued to that person under Part 4, Uniform Driver License Act, of this
31656 chapter.

31657 Section 684. Section **53-3-221.5 (Effective 07/01/08)** is amended to read:

31669 (1) The Driver License Medical Advisory Board shall:

31670 (a) advise the director of the division; and
31671 (b) establish and recommend in a manner specified by the board functional ability profile
31672 guidelines and standards for determining the physical, mental, and emotional capabilities of
31673 applicants for specific types of licenses, appropriate to various driving abilities.

31674 (2) (a) The Driver License Medical Advisory Board shall establish fitness standards,
31675 including provisions for a waiver of specified federal driver's physical qualifications under 49
31676 CFR 391.41, for intrastate commercial driving privileges.

31677 (b) The standards under this Subsection (2) may only be implemented if the United
31678 States Department of Transportation (USDOT) will not impose any sanctions, including funding
31679 sanctions, against the state.

31680 (3) In case of uncertainty of interpretation of these guidelines and standards, or in

34348 (ii) report to the State Board of Education or any local school board on whether any

34352 required by Subsection (6)(b).

34353 Section 759. Section **53A-17a-105** is amended to read:

34354 **53A-17a-105. Action required for underestimated or overestimated weighted**
34355 **pupil units -- Action required for underestimating or overestimating local contributions.**

34356 (1) If the number of weighted pupil units in a program is underestimated in Section
34357 53A-17a-104, the amount per pupil in that program paid under this chapter must be reduced so

34358 that the amount paid does not exceed the estimated amount by program.

34359 (2) If the number of weighted pupil units in a program is overestimated in Section
34360 53A-17a-104, the state superintendent of public instruction shall either increase the amount paid
34361 in that program per weighted pupil unit or transfer the unused amount in that program to
34362 another program included in the minimum school program.

34363 (3) (a) If surplus funds are transferred to another program, the state superintendent, if
34364 ~~he~~ the state superintendent determines certain districts have greater need for additional funds,
34365 may designate the districts as well as the programs to which the transferred funds will be
34366 allocated.

34372 adjusted accordingly.

34373 (5) If local contributions are overestimated, the guarantee per weighted pupil unit is
34374 reduced for all programs so the total state contribution for operation and maintenance programs
34375 does not exceed the amount authorized in Subsection 53A-17a-104(1).

34376 (6) (a) If local contributions from the basic tax rate for operation and maintenance
34377 programs are underestimated, the excess is applied first to support the value of the weighted
34378 pupil unit as set by the Legislature for total weighted pupil units generated by the districts and
34379 those costs of Social Security and retirement, transportation, and board and voted leeway that
34380 occur as a result of the additional generated weighted pupil units, following internal adjustments
34381 by the state superintendent as provided in this section.

34382 (b) The state contribution is decreased so the total school program cost for operation
34383 and maintenance programs does not exceed the total estimated contributions to school districts
34384 for all programs under Subsection 53A-17a-104(2) plus the amount of local revenue necessary
34385 to support the value of the weighted pupil unit for weighted pupil units generated and those

34386 costs of Social Security and retirement, transportation, and board and voted leeway that occur
34387 as a result of the additional generated weighted pupil units.

34388 (7) As an exception to Section [~~63-38-8~~] 63J-1-401, the state fiscal officer may not
34389 close out appropriations from the Uniform School Fund at the end of a fiscal year.

34390 Section 760. Section **53A-17a-107** is amended to read:

34391 **53A-17a-107. Professional staff weighted pupil units.**

34392 (1) Professional staff weighted pupil units are computed and distributed in accordance
34393 with the following schedule:

34423 (d) Multiply the result of Subsection (1)(c) by 1/4 of the weighted pupil units computed

34424 in accordance with Sections 53A-17a-106 and 53A-17a-109.

34425 (2) The State Board of Education shall enact rules in accordance with [~~Title 63,~~

34428 in order for the district to receive full funding under the schedule.

34429 (3) If an individual's teaching experience is a factor in negotiating a contract of

34430 employment to teach in the state's public schools, then the local school board is encouraged to

34431 accept as credited experience all of the years the individual has taught in the state's public

34432 schools.

34433 Section 761. Section **53A-17a-111** is amended to read:

34434 **53A-17a-111. Weighted pupil units for programs for students with disabilities --**

34435 **District allocation.**

34436 (1) The number of weighted pupil units for students with disabilities shall reflect the

34437 direct cost of programs for those students conducted in accordance with rules established by the

34438 State Board of Education in accordance with [~~Title 63, Chapter 46a]~~ Title 63G, Chapter 3,

34445 provide standards for determining which students have disabilities and shall assist districts in
34446 determining the services that should be provided to students with disabilities.

34447 (4) Each year the board shall evaluate the standards and guidelines that establish the
34448 identifying criteria for disability classifications to assure strict compliance with those standards
34449 by the districts.

34450 (5) (a) Monies appropriated to the State Board of Education in Section 53A-17a-104
34451 for add-on WPU's for students with disabilities enrolled in regular programs shall be allocated to
34452 school districts as provided in this Subsection (5).

34453 (b) Beginning on July 1, 2003, the State Board of Education shall:

34454 (i) use a district's average number of special education add-on weighted pupil units
34455 determined by the previous five year's average daily membership data as a foundation for the
34456 special education add-on appropriation; and

34457 (ii) implement a hold harmless provision for up to three years as needed to accomplish a
34458 phase-in period for school districts to accommodate the change in the special education add-on
34459 WPU's foundation formula.

34460 (c) A district's special education add-on WPU's for the current year may not be less than
34461 the foundation special education add-on WPU's.

34462 (d) Growth WPU's shall be added to the prior year special education add-on WPU's, and
34463 growth WPU's shall be determined as follows:

34465 special education ADM of two years previous to the current year to the S-3 total special
34466 education ADM three years previous to the current year, not to exceed the official October total
34467 district growth factor from the prior year.

34468 (ii) When calculating and applying the growth factor, a district's S-3 total special
34469 education ADM for a given year is limited to 12.18% of the district's S-3 total student ADM for

34470 the same year.

34471 (iii) Growth ADMs are calculated by applying the growth factor to the S-3 total special
34472 education ADM of two years previous to the current year.

34473 (iv) Growth ADMs for each district are multiplied by 1.53 weighted pupil units and

35667 (e) Unless an order of the commission directs that an order is stayed or postponed, an
35668 application for review or rehearing does not excuse any corporation or person from complying
35669 with and obeying any order or decision of the commission.

35670 (3) Any order or decision on rehearing that abrogates, changes, or modifies an original
35671 order or decision has the same force and effect as an original order or decision, but does not
35672 affect any right, or the enforcement of any right, arising from the original order or decision
35673 unless so ordered by the commission.

35674 (4) An order of the commission, including a decision on rehearing:
35675 (a) shall have binding force and effect only with respect to a public utility that is an

35709 Subsection (1) any local exchange with fewer than 5,000 access lines that is owned or
35710 controlled by the intervening incumbent telephone corporation. Upon finding that the action is
35711 consistent with the public interest, the commission shall order that the application exclude such

36595 (6) (a) If, as a result of the division's investigation, the director determines that there is
36596 no reasonable cause to support the allegations in the complaint, the director shall issue a written
36597 determination dismissing the complaint.

36598 (b) If the director dismisses the complaint pursuant to Subsection (6)(a), the
36599 complainant may request that the director reconsider the dismissal pursuant to Section
36600 [~~63-46b-13~~] 63G-4-302.

36601 (c) Notwithstanding the provisions of [~~Title 63, Chapter 46b~~] Title 63G, Chapter 4,

36606 (7) If, as a result of the division's investigation of a complaint, the director determines
36607 that there is reasonable cause to support the allegations in the complaint, all of the following
36608 apply:

36609 (a) The division shall informally endeavor to eliminate or correct the discriminatory
36610 housing practice through a conciliation conference between the parties, presided over by the
36611 division. Nothing said or done in the course of the conciliation conference may be made public
36612 or admitted as evidence in a subsequent proceeding under this chapter without the written
36613 consent of the parties concerned.

36614 (b) If the conciliation conference results in voluntary compliance with this chapter, a
36615 conciliation agreement setting forth the resolution of the issues shall be executed by the parties
36616 and approved by the division. The parties may enforce the conciliation agreement in an action
36617 filed in a court of competent jurisdiction.

36620 Section 57-21-11.

36621 Section 823. Section **57-21-10** is amended to read:

36622 **57-21-10. Judicial election or formal adjudicative hearing.**

36623 (1) If, pursuant to Subsection 57-21-9(7)(c), the director issues a written determination
36624 finding reasonable cause to believe that a discriminatory housing practice has occurred, or is
36625 about to occur, a respondent may obtain de novo review of the determination by submitting a

36626 written request for a formal adjudicative hearing to be conducted by the commission's Division
36627 of Adjudication in accordance with Title 34A, Chapter 1, Part 3, Adjudicative Proceedings, to
36628 the director within 30 days from the date of issuance of the determination. If the director does
36629 not receive a timely request for review, the director's determination becomes the final order of
36630 the commission and is not subject to further agency action or direct judicial review.

36631 (2) If a respondent files a timely request for review pursuant to Subsection (1):

36632 (a) any respondent, complainant, or aggrieved party may elect to have the de novo
36633 review take place in a civil action in the district court rather than in a formal adjudicative
36634 hearing with the Division of Adjudication by filing an election with the commission in
36635 accordance with rules established by the commission pursuant to [~~Title 63, Chapter 46a~~] Title
36636 63G, Chapter 3, Utah Administrative Rulemaking Act, regarding the form and time period for

36639 Subsection (2)(a) within 30 days after the completion of the forum selection process; and

36641 substantial evidence.

36642 (3) If, pursuant to Subsection (2)(c), the commission determines that the director's
36643 determination is supported by substantial evidence, the commission shall provide legal
36644 representation on behalf of the aggrieved person, including the filing of a complaint for review
36645 as required by Subsection (2)(b), to support and enforce the director's determination in the de
36646 novo review proceeding. Notwithstanding any provisions of [~~Title 63, Chapter 46b~~] Title 63G,
36647 Chapter 4, Administrative Procedures Act, the commission's determination regarding the
36648 existence or nonexistence of substantial evidence to support the director's determination is not
36649 subject to further agency action or direct judicial review.

36650 (4) Upon timely application, an aggrieved person may intervene with respect to the
36651 issues to be determined in a formal adjudicative hearing or in a civil action brought under this
36652 section.

36653 (5) If a formal adjudicative hearing is elected, all of the following apply:

36654 (a) The presiding officer shall commence the formal adjudicative hearing within 150
36655 days after the respondent files a request for review of the director's determination unless it is
36656 impracticable to do so.

36657 (b) The investigator who investigated the matter may not participate in the formal
36658 adjudicative hearing, except as a witness, nor may the investigator participate in the
36659 deliberations of the presiding officer.

36660 (c) Any party to the complaint may file a written request to the Division of Adjudication
36661 for review of the presiding officer's order in accordance with Section [~~63-46b-12~~] 63G-4-301
36662 and Title 34A, Chapter 1, Part 3, Adjudicative Proceedings.

36663 (d) A final order of the commission under this section is subject to judicial review as
36664 provided in Section [~~63-46b-16~~] 63G-4-403 and Title 34A, Chapter 1, Part 3, Adjudicative
36665 Proceedings.

36666 (6) If a civil action is elected, the commission is barred from continuing or commencing
36667 any adjudicative proceeding in connection with the same claims under this chapter.

36668 (7) The commission shall make final administrative disposition of the complaint alleging
36669 a discriminatory housing practice within one year after the filing of the complaint, unless it is
36670 impracticable to do so. If the commission is unable to make final administrative disposition
36671 within one year, the commission shall notify the complainant, respondent, and any other
36672 interested party in writing of the reasons for the delay.

36681 adjudicative proceeding within ten days after receiving the order. The cease and desist order

36683 (c) The division shall follow the procedures and requirements of [~~Title 63, Chapter 46b~~]
36684 Title 63G, Chapter 4, Administrative Procedures Act, if the person served requests a hearing.

36685 (2) (a) After the hearing the director may issue a final order making the cease and desist
36686 order permanent if the director finds there has been a violation of this chapter.

36687 (b) If no hearing is requested and the person served does not obey the director's order,
36688 the director may file suit in the name of the Department of Commerce and the Division of Real
36689 Estate to enjoin the person from violating this chapter. The action shall be filed in the district
36690 court in the county in which the conduct occurred, where the person served with the cease and
36691 desist order either resides or carries on business.

36929 (b) Each licensee under this title who has been active in the licensed occupation or
36930 profession while in the full-time employ of the United States government or under license to
36931 practice that occupation or profession in any other state or territory of the United States may
36932 reinstate ~~[his]~~ the licensee's license without taking an examination by submitting an application
36933 for reinstatement, paying the current annual renewal fee and the reinstatement fee, and

36934 submitting documentation showing completion of or compliance with any renewal qualifications
36935 at any time within six months after reestablishing domicile within Utah or terminating full-time
36936 government service.

36937 Section 832. Section **58-1-402** is amended to read:

36938 **58-1-402. Administrative review -- Special appeals boards.**

36939 (1) (a) Any applicant who has been denied a license to practice on the basis of
36940 credentials, character, or failure to pass a required examination, or who has been refused
36941 renewal or reinstatement of a license to practice on the basis that the applicant does not meet
36942 qualifications for continued licensure in any occupation or profession under the jurisdiction of
36943 the division may submit a request for agency review to the executive director within 30 days
36944 following notification of the denial of a license or refusal to renew or reinstate a license.

36945 (b) The executive director shall determine whether the circumstances for denying an
36946 application for an initial license or for renewal or reinstatement of a license would justify calling
36947 a special appeals board under Subsection (2). The executive director's decision is not subject to
36948 agency review.

36949 (2) A special appeals board shall consist of three members appointed by the executive
36950 director as follows:

36951 (a) one member from the occupation or profession in question who is not on the board
36952 of that occupation or profession;

36954 an occupation or profession regulated by the division; and

36955 (c) one member who is a resident lawyer currently licensed to practice law in this state
36956 who shall serve as chair of the special appeals board.

36957 (3) The special appeals board shall comply with the procedures and requirements of
36958 [~~Title 63, Chapter 46b~~] Title 63G, Chapter 4, Administrative Procedures Act, in its proceedings.

36959 (4) (a) Within a reasonable amount of time following the conclusion of a hearing before
36960 a special appeals board, the board shall enter an order based upon the record developed at the
36961 hearing. The order shall state whether a legal basis exists for denying the application for an

36962 initial license or for renewal or reinstatement of a license that is the subject of the appeal. The
36963 order is not subject to further agency review.

36964 (b) The division or the applicant may obtain judicial review of the decision of the special
36965 appeals board in accordance with Sections [~~63-46b-14~~] 63G-4-401 and [~~63-46b-16~~]
36966 63G-4-403.

36967 (5) (a) Members shall receive no compensation or benefits for their services, but may

36970 (b) Members may decline to receive per diem and expenses for their service.

36971 (6) If an applicant under Subsection (1) is not given a special appeals board, the

36974 Section 833. Section **58-1-404** is amended to read:

36975 **58-1-404. Diversion -- Procedure.**

36976 (1) As used in this section, "diversion" means suspending action to discipline a licensee
36977 who is or could be charged in a Notice of Agency Action with certain offenses within the
36978 category of unprofessional or unlawful conduct on the condition that the licensee agrees to
36979 participate in an educational or rehabilitation program or fulfill some other condition.

36980 (2) (a) (i) The director may establish, as circumstances require, a diversion advisory
36981 committee for each occupation or profession or similar groups of occupations or professions
36982 licensed by the division.

36983 (ii) The committees shall assist the director in the administration of this section.

36984 (b) (i) Each committee shall consist of at least three licensees from the same or similar
36985 occupation or profession as the person whose conduct is the subject of the committee's
36986 consideration.

36987 (ii) The director shall appoint the members of a diversion advisory committee from
36988 nominations submitted by the corresponding board established for the same or similar
36989 occupation or profession under Section 58-1-201 or from other qualified nominees developed

36990 by or submitted to the division.

36991 (iii) Committee members may not serve concurrently as members of the corresponding
36992 board.

36993 (iv) Committee members shall serve voluntarily without remuneration.

36994 (v) The director may:

36995 (A) dissolve any diversion advisory committee;

36996 (B) remove or request the replacement of any member of a committee; and

36997 (C) establish any procedure that is necessary and proper for a committee's
36998 administration.

36999 (3) The director may, after consultation with the appropriate diversion advisory
37000 committee and by written agreement with the licensee, divert the licensee to a diversion
37001 program:

37002 (a) at any time after receipt by the division of a complaint against the licensee when no
37003 adjudicative proceeding has been commenced;

37004 (b) at any time prior to the conclusion of a hearing under Section [~~63-46b-8~~]
37005 63G-4-206 when an adjudicative proceeding has been commenced against the licensee; or

37006 (c) after a self-referral by a licensee who is not the subject of a current investigation,
37007 complaint, or adjudicative proceeding.

37008 (4) (a) In accordance with [~~Title 63, Chapter 46a~~] Title 63G, Chapter 3, Utah
37009 Administrative Rulemaking Act, the division shall define by rule the particular offenses within
37010 the category of unprofessional or unlawful conduct which may be subject to diversion.

37011 (b) A licensee may be eligible for a diversion program only once for the same or similar
37012 offense, whether the diversion program was in this state or another jurisdiction, and is not
37013 eligible if previously disciplined by the division, by a licensing agency of another state, or by a
37014 federal government agency for the same or a similar offense.

37015 (c) The term of a diversion agreement shall be five years or less, but may be extended
37016 for an additional period of time as agreed to by the parties in writing.

37017 (d) A decision by the director not to divert a licensee is not subject to appeal or judicial

37018 review.

37019 (5) A licensee may be represented by counsel:

37020 (a) during the negotiations for diversion;

37021 (b) at the time of the execution of the diversion agreement; and

37022 (c) at any hearing before the director relating to a diversion program.

37023 (6) (a) As used in this section, "diversion agreement" means a written agreement

37024 between the division, through its director, and the licensee, which specifies formal terms and

37025 conditions the licensee must fulfill in order to comply with the diversion program.

37026 (b) (i) A diversion agreement shall contain a full detailed statement of the requirements

37027 agreed to by the licensee and a full detailed stipulation of the facts upon which the diversion

37028 agreement is premised.

37029 (ii) The facts stipulated in the diversion agreement shall constitute binding admissions of

37030 the licensee:

37031 (A) in any proceeding under Subsection (6)(c) or (6)(d) to terminate the diversion

37032 agreement and impose disciplinary sanctions against the licensee; and

37033 (B) in any disciplinary proceeding based on unprofessional or unlawful conduct that is

37034 not the basis of the diversion agreement.

37035 (c) The diversion agreement shall provide that if the licensee makes an intentional

37036 material misrepresentation of fact in the stipulation of facts contained in the diversion

37037 agreement, the director shall initiate the procedures set forth in Subsection (13) to terminate the

37038 diversion agreement and issue an order of license revocation.

37039 (d) (i) The diversion agreement shall provide that if the licensee fails to comply with its

37040 terms, the director shall initiate the procedures set forth in Subsection (14) to terminate the

37041 diversion agreement and issue an order of license suspension, which shall be stayed in favor of

37042 an order of probation having the same terms as those which comprised the diversion agreement.

37043 (ii) The division may waive and not include as probationary requirements any terms of

37044 the diversion agreement it does not consider necessary to protect the public.

37045 (iii) The term of the order of probation shall be as provided in Subsection (14)(c)(ii).

37046 (e) The division director may not approve a diversion agreement unless the licensee, as
37047 part of the diversion agreement:

37048 (i) knowingly and intelligently waives the right to a hearing under [~~Title 63, Chapter~~
37049 ~~46b~~] Title 63G, Chapter 4, Administrative Procedures Act, for the conduct upon which the
37050 diversion agreement was premised;

37051 (ii) agrees to be subject to the procedures and remedies set forth in this section;

37052 (iii) acknowledges an understanding of the consequences of making an intentional
37053 misrepresentation of fact in the stipulation of facts contained in the diversion agreement; and

37054 (iv) acknowledges an understanding of the consequences of failing to comply with the
37055 terms of the diversion agreement.

37056 (7) (a) If the division and the licensee enter into a diversion agreement after the division
37057 has commenced an adjudicative proceeding against the licensee, the director shall stay that
37058 proceeding pending completion of the diversion agreement.

37059 (b) The order staying the adjudicative proceeding shall be filed in that proceeding and
37060 may reference the diversion agreement.

37061 (8) (a) Upon successful completion of a diversion agreement, the director shall dismiss
37062 any charges under the director's jurisdiction of unprofessional or unlawful conduct that were
37063 filed against the licensee.

37064 (b) Whether or not an adjudicative proceeding had been commenced against the
37065 licensee, the division may not thereafter subject the licensee to disciplinary action for the
37066 conduct which formed the basis of the completed diversion agreement.

37067 (c) Neither the execution of a diversion agreement nor the dismissal of filed charges
37068 constitute disciplinary action, and no report of either may be made to disciplinary databases.

37069 (d) The division may consider the completion of a diversion program and the contents
37070 of the diversion agreement in determining the appropriate disciplinary action if the licensee is
37071 charged in the future with the same or similar conduct.

37072 (e) The order of dismissal shall be filed in the adjudicative proceeding in which the
37073 misconduct was charged and may reference the diversion agreement.

37074 (9) (a) Acceptance of the licensee into diversion does not preclude the division from
37075 investigating or continuing to investigate the licensee for any unlawful or unprofessional
37076 conduct committed before, during, or after participation in the diversion program.

37077 (b) Acceptance of the licensee into diversion does not preclude the division from taking
37078 disciplinary action or continuing to take disciplinary action against the licensee for unlawful or
37079 unprofessional conduct committed before, during, or after participation in the diversion
37080 program, except for that conduct which formed the basis for the diversion agreement.

37081 (c) Any licensee terminated from the diversion program for failure to comply with the
37082 diversion agreement is subject to disciplinary action by the division for acts committed before,
37083 during, and after participation in the diversion program, including violations identified in the
37084 diversion agreement.

37085 (10) The classification, retention, and disclosure of records relating to a licensee's
37086 participation in the diversion program is governed by [~~Title 63, Chapter 2~~] Title 63G, Chapter
37087 2, Government Records Access and Management Act, except that any provision in the diversion
37088 agreement which addresses access to or release of diversion records regarding the licensee shall
37089 govern the access to and release of those records.

37090 (11) Notwithstanding any other provision of this section, the fact that the licensee
37091 completed a diversion program and the contents of the diversion agreement itself may be
37092 considered by the division in determining the appropriate disciplinary action if the licensee is
37093 charged in the future with the same or similar conduct.

37094 (12) Meetings regarding the diversion program are not subject to Title 52, Chapter 4,
37095 Open and Public Meetings Act.

37096 (13) (a) If, during the course of the diversion agreement, information is brought to the
37097 attention of the director that the licensee made an intentional material misrepresentation of fact
37098 in the stipulation of facts contained in the diversion agreement, the director shall cause to be
37099 served upon the licensee an order to show cause specifying the information relied upon by the
37100 director and setting a time and place for hearing to determine whether or not the licensee made
37101 the intentional material misrepresentation of fact and whether the agreement should be

37102 terminated on that ground.

37103 (b) Proceedings to terminate a diversion agreement on the grounds that the licensee
37104 made an intentional material misrepresentation of fact in the stipulation of facts contained in the
37105 diversion agreement and to issue an order of license revocation shall comply with [~~Title 63,~~
37106 ~~Chapter 46b]~~ Title 63G, Chapter 4, Administrative Procedures Act, except as follows:

37107 (i) the notice of agency action shall be in the form of an order to show cause, which
37108 shall contain all of the information specified in Subsection [~~63-46b-3]~~ 63G-4-201(2), except a
37109 statement that a written response to the order to show cause is required;

37110 (ii) no written response to the order to show cause is required;

37111 (iii) discovery is prohibited, but the division may issue subpoenas or other orders to
37112 compel production of necessary evidence on behalf of either party and all parties shall have
37113 access to information contained in the division's diversion file to the extent permitted by law;

37114 (iv) the hearing shall be held only after timely notice to all parties; and

37115 (v) any agency review or reconsideration of an order terminating a diversion agreement
37116 or of an order of license revocation pursuant to this Subsection (13) shall be limited to the
37117 division director's findings of fact, conclusions of law, and order which arose out of the order to
37118 show cause proceeding.

37119 (c) Upon finding the licensee made an intentional material misrepresentation of fact in
37120 the stipulation of facts contained in the diversion agreement and that terminating the agreement
37121 is in the best interest of the public, and issuing an order to that effect, the director shall issue an
37122 order of license revocation, revoking the licensee's professional license.

37123 (d) The order terminating the diversion agreement and the order of license revocation
37124 shall include findings of fact and conclusions of law as determined by the director following the
37125 hearing or as otherwise stipulated and agreed to by the parties.

37126 (e) If the diversion agreement being terminated was entered into after the division had
37127 commenced an adjudicative proceeding against the licensee, that adjudicative proceeding shall
37128 be considered to be merged into the order of license revocation and it may not constitute a basis
37129 for any separate disciplinary action against the licensee.

37130 (f) The order terminating the diversion agreement and the order of license revocation
37131 shall notify the licensee of the right to request agency review or reconsideration.

37132 (14) (a) If, during the course of the diversion agreement, information is brought to the
37133 attention of the director that the licensee has violated the diversion agreement and if it appears
37134 in the best interest of the public to proceed with charges, the director, after consultation with
37135 the diversion advisory committee, shall cause to be served upon the licensee an order to show
37136 cause specifying the facts relied upon by the director and setting a time and place for hearing to
37137 determine whether or not the licensee has violated the diversion agreement and whether the
37138 agreement should be terminated.

37139 (b) Proceedings to terminate a diversion agreement and to issue an order of license
37140 suspension and probation, and proceedings to terminate the probation and lift the stay of a
37141 license suspension, shall comply with [~~Title 63, Chapter 46b~~] Title 63G, Chapter 4,
37142 Administrative Procedures Act, except as follows:

37143 (i) the notice of agency action shall be in the form of an order to show cause, which
37144 shall contain all of the information specified in Subsection [~~63-46b-3~~] 63G-4-201(2), except a
37145 statement that a written response to the order to show cause is required;

37146 (ii) no written response to the order to show cause shall be required;

37147 (iii) discovery is prohibited, but the division may issue subpoenas or other orders to
37148 compel production of necessary evidence on behalf of either party and all parties shall have
37149 access to information contained in the division's diversion file to the extent permitted by law;

37150 (iv) the hearing shall be held only after timely notice to all parties; and

37151 (v) any agency review or reconsideration of an order terminating a diversion agreement
37152 or of an order of license suspension and probation pursuant to this Subsection (14) shall be
37153 limited to the division director's findings of fact, conclusions of law, and order which arose out
37154 of the order to show cause proceeding.

37155 (c) (i) Upon finding the licensee has violated the diversion agreement and that
37156 terminating the agreement is in the best interest of the public, and issuing an order to that effect,
37157 the director shall issue an order of license suspension, suspending the licensee's professional

37158 license, but shall stay that suspension in favor of an order of probation, consisting of the same
37159 terms as those which comprised the diversion agreement.

37160 (ii) The period of probation shall be the time period which remained under the diversion
37161 agreement, or five years from the date of the order of license suspension and probation,
37162 whichever is longer, unless otherwise agreed by the parties.

37163 (iii) The period of probation is tolled during any time in which the licensee does not
37164 have an active license in the state.

37165 (d) (i) The order terminating the diversion agreement and the order of license
37166 suspension and probation shall include findings of fact and conclusions of law as determined by
37167 the director following the hearing or as otherwise stipulated and agreed to by the parties.

37168 (ii) The findings of fact may include those facts to which the licensee stipulated in the
37169 diversion agreement and any additional facts as the director may determine in the course of the
37170 hearing.

37171 (e) If the diversion agreement being terminated was entered into after the division had
37172 commenced an adjudicative proceeding against the licensee, that adjudicative proceeding shall
37173 be considered to be merged into the order of license suspension and probation and it may not
37174 constitute a basis for any separate disciplinary action against the licensee.

37175 (f) The order terminating the diversion agreement and the order of license suspension
37176 and probation shall notify the licensee of the right to request agency review or reconsideration.

37177 (g) (i) The terms and conditions of the order of license suspension and probation may
37178 be amended by order of the director, pursuant to motion or stipulation of the parties.

37179 (ii) The order of the director on the motion shall not be subject to agency review, but is
37180 subject to agency reconsideration under Section [~~63-46b-13~~] 63G-4-302.

37181 (h) (i) If, during the course of probation, the director has reason to believe the licensee
37182 has violated the order of suspension and probation, the director shall cause to be served upon
37183 the licensee an order to show cause why the probation should not be terminated and the stay of
37184 suspension lifted.

37185 (ii) The order to show cause shall specify the facts relied upon by the director and shall

37186 set a time and place for hearing before the director to determine whether or not the licensee has
 37187 violated the order of suspension and probation and whether that order should be terminated and
 37188 the stay of suspension lifted.

37189 (15) (a) Nothing in this section precludes the division from issuing an emergency order
 37190 pursuant to Section [~~63-46b-20~~] 63G-4-502.

37191 (b) If the division issues an emergency order against a licensee who is subject to a
 37192 diversion agreement with the division, that diversion agreement shall be immediately and
 37193 automatically terminated upon the issuance of the emergency order, without compliance with
 37194 the provisions of [~~Title 63, Chapter 46b~~] Title 63G, Chapter 4, Administrative Procedures Act.

37195 (c) (i) A licensee whose diversion agreement has been terminated pursuant to
 37196 Subsection (15)(b) is entitled, upon request, to a posttermination hearing to challenge the
 37197 termination of the diversion agreement.

37198 (ii) The request shall be considered a request for agency action and shall comply with
 37199 the requirements of Subsection [~~63-46b-3~~] 63G-4-201(3).

37200 (iii) The division shall uphold the termination of the diversion agreement if it finds that:

37201 (A) the licensee violated the diversion agreement; and

37202 (B) it is in the best interest of the public to terminate the diversion agreement.

37203 (16) The administrative statute of limitations for taking disciplinary action described in
 37204 Subsection 58-1-401(5) shall be tolled during a diversion program.

38197 is incapable of practicing pharmacy with reasonable skill regarding the safety of patients,
38198 because of illness, excessive use of drugs or alcohol, or as a result of any mental or physical
38199 condition, the board shall recommend that the director file a petition with the division, and

38213 the board, only upon a finding of reasonable cause to believe:

38214 (i) the pharmacist is mentally ill or incapacitated or otherwise unable to practice
38215 pharmacy with reasonable skill and safety; and

38216 (ii) immediate action by the division and the board is necessary to prevent harm to the
38217 pharmacist's patients or the general public.

38218 (c) (i) Failure of a pharmacist to submit to the examination ordered under this section is
38219 a ground for the division's immediate suspension of the pharmacist's license by written order of
38220 the director.

38221 (ii) The division may enter the order of suspension without further compliance with

38222 [~~Title 63, Chapter 46b~~] Title 63G, Chapter 4, Administrative Procedures Act, unless the
38223 division finds the failure to submit to the examination ordered under this section was due to
38224 circumstances beyond the control of the pharmacist and was not related directly to the illness or
38225 incapacity of the pharmacist.

38226 (5) (a) A pharmacist whose license is suspended under Subsection (2) or (4) has the
38227 right to a hearing to appeal the suspension within ten days after the license is suspended.

38228 (b) The hearing held under this Subsection (5) shall be conducted in accordance with
38229 Sections 58-1-108 and 58-1-109 for the sole purpose of determining if sufficient basis exists for
38230 the continuance of the order of suspension in order to prevent harm to the pharmacist's patients
38231 or the general public.

38232 (6) A pharmacist whose license is revoked, suspended, or in any way restricted under
38233 this section may request the division and the board to consider, at reasonable intervals, evidence
38234 presented by the pharmacist, under procedures established by division rule, regarding any
38235 change in the pharmacist's condition, to determine whether:

38236 (a) ~~he~~ the pharmacist is or is not able to safely and competently engage in the practice
38237 of pharmacy; and

38238 (b) ~~he~~ the pharmacist is qualified to have ~~his~~ the pharmacist's licensure to practice

39335 manufacture, distribution, production, prescription, administration, dispensing, conducting of
39336 research with, and performing of laboratory analysis upon controlled substances within this
39337 state.

39338 (b) The division may assess reasonable fees to defray the cost of issuing original and
39339 renewal licenses under this chapter pursuant to Section ~~[63-38-3.2]~~ 63J-1-303.

39340 (2) (a) (i) Every person who manufactures, produces, distributes, prescribes, dispenses,
39341 administers, conducts research with, or performs laboratory analysis upon any controlled

39342 substance in Schedules II through V within this state, or who proposes to engage in
39343 manufacturing, producing, distributing, prescribing, dispensing, administering, conducting
39344 research with, or performing laboratory analysis upon controlled substances included in
39345 Schedules II through V within this state shall obtain a license issued by the division.

39346 (ii) The division shall issue each license under this chapter in accordance with a
39347 two-year renewal cycle established by rule. The division may by rule extend or shorten a
39348 renewal period by as much as one year to stagger the renewal cycles it administers.

39349 (b) Persons licensed to manufacture, produce, distribute, prescribe, dispense,
39350 administer, conduct research with, or perform laboratory analysis upon controlled substances in
39351 Schedules II through V within this state may possess, manufacture, produce, distribute,
39352 prescribe, dispense, administer, conduct research with, or perform laboratory analysis upon
39353 those substances to the extent authorized by their license and in conformity with this chapter.

39354 (c) The following persons are not required to obtain a license and may lawfully possess
39355 controlled substances under this section:

39357 distributor, or dispenser of any controlled substance, if the agent or employee is acting in the
39358 usual course of [his] the person's business or employment; however, nothing in this subsection
39359 shall be interpreted to permit an agent, employee, sales representative, or detail man to maintain

39361 registered and licensed place of business;

39362 (ii) a motor carrier or warehouseman, or an employee of a motor carrier or
39363 warehouseman, who possesses any controlled substance in the usual course of [his] the person's

39369 practitioners, or laboratories performing analysis if consistent with the public health and safety.

39370 (e) A separate license is required at each principal place of business or professional
39371 practice where the applicant manufactures, produces, distributes, dispenses, conducts research
39372 with, or performs laboratory analysis upon controlled substances.

39373 (f) The division may enact rules providing for the inspection of a licensee or applicant's
39374 establishment, and may inspect the establishment according to those rules.

39375 (3) (a) Upon proper application, the division shall license a qualified applicant to
39376 manufacture, produce, distribute, conduct research with, or perform laboratory analysis upon
39377 controlled substances included in Schedules I through V, unless it determines that issuance of a
39378 license is inconsistent with the public interest. The division shall not issue a license to any
39379 person to prescribe, dispense, or administer a Schedule I controlled substance. In determining
39380 public interest, the division shall consider whether or not the applicant has:

39381 (i) maintained effective controls against diversion of controlled substances and any
39382 Schedule I or II substance compounded from any controlled substance into other than legitimate
39383 medical, scientific, or industrial channels;

39393 substances in Schedule I other than those specified in the license.

39394 (c) (i) Practitioners shall be licensed to administer, dispense, or conduct research with
39395 substances in Schedules II through V if they are authorized to administer, dispense, or conduct
39396 research under the laws of this state.

39397 (ii) The division need not require a separate license for practitioners engaging in

39398 research with nonnarcotic controlled substances in Schedules II through V where the licensee is
39399 already licensed under this act in another capacity.

39400 (iii) With respect to research involving narcotic substances in Schedules II through V,

39402 in Schedules II through V, a practitioner shall apply to the division prior to conducting research.

39403 (iv) Licensing for purposes of bona fide research with controlled substances by a
39404 practitioner considered qualified may be denied only on a ground specified in Subsection (4), or

39406 [his] the practitioner's supply of substances against diversion from medical or scientific use.

39407 (v) Practitioners registered under federal law to conduct research in Schedule I
39408 substances may conduct research in Schedule I substances within this state upon furnishing the
39409 division evidence of federal registration.

39410 (d) Compliance by manufacturers, producers, and distributors with the provisions of

39412 chapter.

39413 (e) The division shall initially license those persons who own or operate an
39414 establishment engaged in the manufacture, production, distribution, dispensation, or
39415 administration of controlled substances prior to April 3, 1980, and who are licensed by the state.

39419 (ii) been convicted of an offense under this chapter or any law of the United States, or
39420 any state, relating to any substance defined as a controlled substance;

39421 (iii) been convicted of a felony under any other law of the United States or any state
39422 within five years of the date of the issuance of the license;

39430 integrity with respect to controlled substances;

39431 (vii) refused inspection of records required to be maintained under this chapter by a
39432 person authorized to inspect them; or

39434 of manipulating human hormonal structure so as to:

39435 (A) increase muscle mass, strength, or weight without medical necessity and without a
39436 written prescription by any practitioner in the course of [his] the practitioner's professional
39437 practice; or

39438 (B) improve performance in any form of human exercise, sport, or game.

39439 (b) The division may limit revocation or suspension of a license to a particular
39440 controlled substance with respect to which grounds for revocation or suspension exist.

39441 (c) (i) Proceedings to deny, revoke, or suspend a license shall be conducted pursuant to
39442 this section and in accordance with the procedures set forth in Title 58, Chapter 1, Division of
39443 Occupational and Professional Licensing Act, and conducted in conjunction with the
39444 appropriate representative committee designated by the director of the department.

39445 (ii) Nothing in this Subsection (4)(c) gives the Division of Occupational and
39446 Professional Licensing exclusive authority in proceedings to deny, revoke, or suspend licenses,
39447 except where the division is designated by law to perform those functions, or, when not
39448 designated by law, is designated by the executive director of the Department of Commerce to

39452 safety.

39453 (ii) Suspension shall continue in effect until the conclusion of proceedings, including

39454 judicial review, unless withdrawn by the division or dissolved by a court of competent
39455 jurisdiction.

39456 (e) (i) If a license is suspended or revoked under this Subsection (4), all controlled
39457 substances owned or possessed by the licensee may be placed under seal in the discretion of the
39458 division.

39459 (ii) Disposition may not be made of substances under seal until the time for taking an
39460 appeal has lapsed, or until all appeals have been concluded, unless a court, upon application,
39461 orders the sale of perishable substances and the proceeds deposited with the court.

39462 (iii) If a revocation order becomes final, all controlled substances shall be forfeited.

39463 (f) The division shall notify promptly the Drug Enforcement Administration of all orders
39464 suspending or revoking a license and all forfeitures of controlled substances.

39465 (5) (a) Persons licensed under Subsection (2) or (3) shall maintain records and

39469 authorized to administer or professionally use a controlled substance shall keep a record of the
39470 drugs received by him and a record of all drugs administered, dispensed, or professionally used
39471 by him otherwise than by a prescription.

39491 conformity with Subsection (7)(d).

39492 (iii) In emergency situations, as defined by division rule, controlled substances may be

42234 Section 930. Section **58-68-601** is amended to read:

42235 **58-68-601. Mentally incompetent or incapacitated osteopathic physician.**

42241 safely engage in the practice of medicine, the director shall immediately suspend the license of
42242 the osteopathic physician and surgeon upon the entry of the judgment of the court, without
42243 further proceedings under [~~Title 63, Chapter 46b~~] Title 63G, Chapter 4, Administrative

42247 (3) (a) If the division and a majority of the board find reasonable cause to believe an

42249 person or to be mentally ill, is incapable of practicing osteopathic medicine with reasonable skill
42250 regarding the safety of patients, because of illness, excessive use of drugs or alcohol, or as a
42251 result of any mental or physical condition, the board shall recommend that the director file a
42252 petition with the division, and cause the petition to be served upon the osteopathic physician
42253 and surgeon with a notice of hearing on the sole issue of the capacity of the osteopathic

42255 (b) The hearing shall be conducted under Section 58-1-109, and [~~Title 63, Chapter 46b~~]

42266 the board, only upon a finding of reasonable cause to believe:

42267 (i) the osteopathic physician and surgeon is mentally ill or incapacitated or otherwise

42270 osteopathic physician and surgeon's patients or the general public.

42271 (c) (i) Failure of an osteopathic physician and surgeon to submit to the examination
42272 ordered under this section is a ground for the division's immediate suspension of the osteopathic
42273 physician and surgeon's license by written order of the director.

42274 (ii) The division may enter the order of suspension without further compliance with
42275 [~~Title 63, Chapter 46b~~] Title 63G, Chapter 4, Administrative Procedures Act, unless the
42276 division finds the failure to submit to the examination ordered under this section was due to
42277 circumstances beyond the control of the osteopathic physician and surgeon and was not related
42278 directly to the illness or incapacity of the osteopathic physician and surgeon.

42279 (5) (a) An osteopathic physician and surgeon whose license is suspended under
42280 Subsection (2) or (3) has the right to a hearing to appeal the suspension within ten days after the
42281 license is suspended.

42282 (b) The hearing held under this subsection shall be conducted in accordance with
42283 Sections 58-1-108 and 58-1-109 for the sole purpose of determining if sufficient basis exists for
42284 the continuance of the order of suspension in order to prevent harm to the osteopathic physician
42285 and surgeon's patients or the general public.

42286 (6) An osteopathic physician and surgeon whose license is revoked, suspended, or in
42287 any way restricted under this section may request the division and the board to consider, at
42288 reasonable intervals, evidence presented by the osteopathic physician and surgeon, under
42289 procedures established by division rule, regarding any change in the osteopathic physician and
42290 surgeon's condition, to determine whether:

42291 (a) ~~he~~ the physician or surgeon is or is not able to safely and competently engage in
42292 the practice of medicine; and

42293 (b) ~~he~~ the physician or surgeon is qualified to have ~~his~~ the physician's or surgeon's
42294 license to practice under this chapter restored completely or in part.

45523 (ii) (A) (I) Beginning with municipal fiscal year 2002, a city or town located within a
45524 county to which Subsection (2)(g)(i) applies may increase its certified tax rate to generate

45531 (B) (I) Except as provided in Subsection (2)(g)(ii)(B)(II), an increase in the city or

45536 exceed the same amount of revenue as the county would have collected except for Subsection
45537 (2)(g)(i), the requirements of Sections 59-2-918 and 59-2-919 do not apply if the city or town:

45538 (Aa) publishes a notice that meets the size, type, placement, and frequency requirements
45539 of Section 59-2-919, reflects that the increase is a shift of a tax from one imposed by the county
45540 to one imposed by the city or town, and explains how the revenues from the tax increase will be
45541 used; and

45542 (Bb) holds a public hearing on the tax shift that may be held in conjunction with the city
45543 or town's regular budget hearing.

45551 shall be decreased by the amount necessary to reduce county revenues by the same amount of
45552 revenues that will be generated by the property tax imposed on behalf of the special service
45553 district.

45554 (B) Each decrease under Subsection (2)(h)(ii)(A) shall occur contemporaneously with
45555 the levy on behalf of the special service district under Section 17A-2-1322.

45576 (E) "Fire protection tax rate" means:

45577 (I) for an annexing county, the property tax rate that, when applied to taxable property
45578 in the unincorporated area of the county, generates enough property tax revenue to cover all the
45579 costs associated with providing fire protection, paramedic, and emergency services in the
45580 unincorporated area of the county; and

45581 (II) for an annexing municipality, the property tax rate that generates enough property

45592 annexing county and each annexing municipality shall be decreased by the fire protection tax
45593 rate.

45594 (iv) Each tax levied under this section by a fire district shall be considered to be levied

45603 Subsection (2)(a) enacted by the Legislature during the 2007 General Session:

45604 (i) personal property tax revenue:

45621 agency established under Title 17C, Limited Purpose Local Government Entities - Community

45622 Development and Renewal Agencies, with approximately the same amount of money the agency

45623 would have received without a reduction in the county's certified tax rate if:

45624 (i) in that year there is a decrease in the certified tax rate under Subsection (2)(c) or

45625 (2)(d)(i);

45626 (ii) the amount of the decrease is more than 20% of the county's certified tax rate of the

45630 (b) The base taxable value under Subsection 17C-1-102(6) shall be increased in any

45636 (ii) The certified tax rate of a city, school district, local district, or special service

45637 district increases independent of the adjustment to the taxable value of the base year.

45638 (c) Notwithstanding a decrease in the certified tax rate under Subsection (2)(c) or

45639 (2)(d)(i), the amount of money allocated and, when collected, paid each year to a community

45640 development and renewal agency established under Title 17C, Limited Purpose Local

45641 Government Entities - Community Development and Renewal Agencies, for the payment of

45642 bonds or other contract indebtedness, but not for administrative costs, may not be less than that

45652 described in Subsection (2); or

45653 (ii) making an application by telephone or other electronic means within the time period
45654 described in Subsection (2) if the county legislative body passes a resolution under Subsection
45655 (5) authorizing applications to be made by telephone or other electronic means.

45656 (b) The contents of the application shall be prescribed by rule of the county board of
45657 equalization.

45658 (2) (a) Except as provided in Subsection (2)(b), for purposes of Subsection (1), a
45659 taxpayer shall make an application to appeal the valuation or the equalization of the taxpayer's
45660 real property on or before the later of:

45661 (i) September 15 of the current calendar year; or

45662 (ii) the last day of a 45-day period beginning on the day on which the county auditor

45681 equalized with the assessed value of comparable properties.

45682 (e) If no evidence is presented before the county board of equalization, it will be
45683 presumed that the equalization issue has been met.

45684 (f) (i) If the fair market value of the property that is the subject of the appeal deviates
45685 plus or minus 5% from the assessed value of comparable properties, the valuation of the

45691 market value.

45692 (5) If any taxpayer is dissatisfied with the decision of the county board of equalization,
45693 the taxpayer may file an appeal with the commission as prescribed in Section 59-2-1006.

46429 Administrative Procedures Act, in which case it becomes final as specified in the Administrative
46430 Procedures Act.

46431 Section 987. Section **59-5-203** is amended to read:

46432 **59-5-203. Determining taxable value.**

46433 (1) Except as provided in Subsection (3), the basis for computing the gross proceeds,
46434 prior to those deductions or adjustments specified in this chapter, in determining the taxable
46435 value of the metals or metalliferous minerals sold or otherwise disposed of, in the order of
46436 priority, is as follows:

46437 (a) If the metals or metalliferous mineral products are actually sold, the value of those
46438 metals or metalliferous mineral products shall be the gross amount the producer receives from
46439 that sale, provided that the metals or metalliferous mineral products are sold under a bona fide
46440 contract of sale between unaffiliated parties. In the case of a sale of uranium concentrates,
46441 gross proceeds shall be the gross amount the producer receives from the sale of processed
46442 uranium concentrate or "yellowcake," provided that the uranium concentrate is sold under a
46443 bona fide contract of sale between unaffiliated parties.

46444 (b) If the metals or metalliferous mineral products are not actually sold but are shipped,
46445 transported, or delivered out of state, the gross proceeds shall be the multiple of the recoverable
46446 units of finished metals, or of the finished metals contained in the metalliferous minerals shipped,
46447 and the average daily price per unit of contained metals as quoted by an established authority for
46448 market prices of metals for the period during which the tax imposed by this chapter is due. The
46449 established authority or authorities shall be designated by the commission by rule adopted in
46450 accordance with [~~Title 63, Chapter 46a~~] Title 63G, Chapter 3, Utah Administrative Rulemaking
46451 Act.

46452 (c) In the case of metals or metalliferous minerals not sold, but otherwise disposed of,
46453 for which there is no established authority for market prices of metals for the period during

46454 which the tax imposed by this chapter is due, gross proceeds is determined by allocating to the
46455 state the same proportion of the producer's total sales of metals or metalliferous minerals sold or
46456 otherwise disposed of as the producer's total Utah costs bear to the total costs associated with
46457 sale or disposal of the metal or metalliferous mineral.

46458 (d) In the event of a sale of metals or metalliferous minerals between affiliated
46459 companies which is not a bona fide sale because the value received is not proportionate to the
46460 fair market value of the metals or metalliferous minerals or in the event that Subsection (1)(a),
46461 (b), or (c) are not applicable, the commission shall determine the value of such metals or
46462 metalliferous minerals in an equitable manner by reference to an objective standard as specified
46463 in a rule adopted in accordance with the provisions of [~~Title 63, Chapter 46a~~] Title 63G,
46464 Chapter 3, Utah Administrative Rulemaking Act.

46465 (2) For all metals except beryllium, the taxable value of the metalliferous mineral sold or
46466 otherwise disposed of is 30% of the gross proceeds received for the metals sold or otherwise
46467 disposed of by the producer of the metal.

46468 (3) (a) Beginning on January 1, 1990, through December 31, 2004, for beryllium sold
46469 or otherwise disposed of, the taxable value is 20% of the gross proceeds received for the
46470 beryllium sold or otherwise disposed of by the producer.

46471 (b) (i) Notwithstanding Subsection (1) or (4) and subject to Subsection (3)(b)(ii),
46472 beginning on January 1, 2005, the taxable value of beryllium sold or otherwise disposed of by
46473 the producer of the beryllium is equal to 125% of the direct mining costs incurred in mining the
46474 beryllium.

46475 (ii) For an action or proceeding filed on or after January 1, 2005, if the taxable value of
46476 beryllium is calculated under Subsection (3)(a) for purposes of imposing a tax on beryllium
46477 under this part, the taxable value of beryllium calculated under Subsection (3)(a) may not
46478 exceed the taxable value of beryllium calculated under Subsection (3)(b)(i).

46479 (4) Except as provided in Subsection (3), if the metalliferous mineral sold or otherwise
46480 disposed of is sold or shipped out of state in the form of ore, then the taxable value is 80% of
46481 the gross proceeds.

46482 Section 988. Section **59-5-204** is amended to read:

46494 the proper enforcement of this chapter as specified in a rule adopted under [~~Title 63, Chapter~~
46495 ~~46a~~] Title 63G, Chapter 3, the Administrative Rulemaking Act.

46496 (2) The owner of the mine shall be responsible for the statement or report required by
46497 this section, but the principal lessee, contractor, or operator may, with the consent of the
46498 commission, report and pay the tax as agent for the owner. The owner shall be entitled to
46499 deduct and remit to the commission any tax chargeable upon the operations conducted by the
46500 lessees or other parties.

46501 (3) The statements or reports required to be filed with the commission shall be signed
46502 and sworn to by the person required to file the statements or reports, by a partner if a
46503 partnership, or by the president, secretary, or managing officer, if a corporation. Any willful
46504 false swearing as to the purported material facts set out in this report constitutes the crime of
46505 perjury and shall be punished as such under Title 76, the Utah Criminal Code.

50602 and relieves the purchaser of the liability for reporting the tax to the commission as a consumer.
- 50603 (d) A seller is not required to maintain a separate account for the tax collected, but is
50604 considered to be a person charged with receipt, safekeeping, and transfer of public moneys.
- 50605 (e) Taxes collected by a seller pursuant to this chapter shall be held in trust for the

50610 remit to the commission the full amount of the tax imposed under this chapter, plus any excess.
- 50611 (g) If the accounting methods regularly employed by the seller in the transaction of the
50612 seller's business are such that reports of sales made during a calendar month or quarterly period
50613 will impose unnecessary hardships, the commission may accept reports at intervals that will, in
50614 the commission's opinion, better suit the convenience of the taxpayer or seller and will not
50615 jeopardize collection of the tax.
- 50616 (3) (a) Except as provided in Subsection (4) and Section 59-12-108, the sales or use tax
50617 imposed by this chapter is due and payable to the commission quarterly on or before the last day

50626 sales made during the period, including both cash and charge sales.

50627 (e) The use tax as computed in the return shall be based upon the total amount of sales
50628 and purchases for storage, use, or other consumption in this state made during the period,

50632 the time for making returns and paying the taxes.

50633 (ii) An extension under Subsection (3)(f)(i) may not be for more than 90 days.

50634 (g) The commission may require returns and payment of the tax to be made for other
50635 than quarterly periods if the commission considers it necessary in order to ensure the payment
50636 of the tax imposed by this chapter.

50637 (4) (a) On each vehicle sale made by other than a regular licensed vehicle dealer, the
50638 purchaser shall pay the sales or use tax directly to the commission if the vehicle is subject to
50639 titling or registration under the laws of this state.

50640 (b) The commission shall collect the tax described in Subsection (4)(a) when the vehicle
50641 is titled or registered.

50642 (5) If any sale of tangible personal property or any other taxable transaction under
50643 Subsection 59-12-103(1), is made by a wholesaler to a retailer, the wholesaler is not responsible
50644 for the collection or payment of the tax imposed on the sale and the retailer is responsible for
50645 the collection or payment of the tax imposed on the sale if:

50646 (a) the retailer represents that the personal property is purchased by the retailer for
50647 resale; and

50648 (b) the personal property is not subsequently resold.

50649 (6) If any sale of property or service subject to the tax is made to a person prepaying
50650 sales or use tax in accordance with [~~Title 63, Chapter 51~~] Title 63M, Chapter 5, Resource
50651 Development, or to a contractor or subcontractor of that person, the person to whom such
50652 payment or consideration is payable is not responsible for the collection or payment of the sales
50653 or use tax and the person prepaying the sales or use tax is responsible for the collection or

50654 payment of the sales or use tax if the person prepaying the sales or use tax represents that the
50655 amount prepaid as sales or use tax has not been fully credited against sales or use tax due and
50656 payable under the rules promulgated by the commission.

- 50684 (i) is written off as uncollectible in the seller's books and records; and
- 50685 (ii) would be eligible for a bad debt deduction:

- 50686 (A) for federal income tax purposes; and
- 50687 (B) if the seller were required to file a federal income tax return.

50688 (f) If a seller recovers any portion of bad debt for which the seller makes a deduction or

54468 similar status or performing similar functions for a licensee from employment with a licensed
54469 broker-dealer or investment adviser; or imposes a fine, the Securities Advisory Board shall:

54470 (a) review the order; and

54471 (b) if a majority of the Securities Advisory Board approves the order, authorize the
54472 director to issue it.

54473 (4) The division may enter a denial order under Subsection (2)(j) or (k), but shall

54475 (5) The division may not institute a suspension or revocation proceeding on the basis of

54477 instituted within the next 120 days.

54478 (6) The following provisions govern the application of Subsection (2)(i):

54479 (a) The director may not enter an order against a broker-dealer on the basis of the lack

54493 (e) (i) The director shall consider that an investment adviser is not necessarily qualified
54494 solely on the basis of experience as a broker-dealer or agent.

54495 (ii) When the director finds that an applicant for a license as a broker-dealer is not

54499 or both, to be taken by any class of or all applicants.

54501 or class of persons if the division determines that the examination is not necessary for the
54502 protection of investors.

54503 (7) If the director finds that any licensee or applicant for a license is no longer in
54504 existence, has ceased to do business as a broker-dealer, agent, investment adviser, or investment
54505 adviser representative, or is subject to an adjudication of mental incompetence or to the control

54514 (ii) a proceeding to revoke or suspend or to impose conditions upon the withdrawal is
54515 instituted within 30 days after the application is filed; or
