4162 and statements and reports of examinations of financial institutions and other persons subject to
4163 the jurisdiction of the department.

4164 (3) (a) The commissioner may authorize a state chartered depository institution to
4165 engage in any activity it could engage in, and to grant to that institution all additional rights,
4166 powers, privileges, benefits, or immunities it would possess, if it were chartered under the laws
4167 of the United States.

4168 (b) The commissioner may authorize a depository institution chartered by this state to
4169 engage in any activity that a Utah branch of an out-of-state depository institution of the same
4170 class can engage in, and to grant to the Utah institution all additional rights, powers, privileges,
4171 benefits, or immunities it needs to engage in the activity.

4172 (c) In granting authority under this Subsection (3), the commissioner shall consider:

4173 (i) the need for competitive equality between institutions chartered by this state and

4174 institutions operating in this state that are chartered by another state or by the federal
4175 government; and

4176 (ii) the adverse effect on shareholders, members, depositors, and other customers of
4177 financial institutions chartered by this state if equal power and protection of those institutions,

4195 chartered institution in the same class to obtain approval from the appropriate federal regulatory
4196 agency or administrator.

4197 (6) (a) The commissioner may protect the privacy of the records of any institution
4198 subject to the jurisdiction of the department pertaining to a particular depositor or other

4216 and is not liable to any person by reason of that disposition.

4217 (ii) Any institution may keep records in its custody in the form of microfilm or
4218 equivalent reproduction. Any such reproduction shall have the same force and effect as the
4219 original and shall be admissible into evidence as if it were the original.

4220 (d) In adopting rules under this Subsection (7), the commissioner shall take into
4221 consideration:

4222 (i) actions at law and administrative proceedings in which the production of the records
4223 might be necessary or desirable;

4224 (ii) state and federal statutes of limitation applicable to the actions or proceedings;

4225 (iii) the availability from other sources of information contained in these records; and

4226 (iv) other matters the commissioner considers pertinent in formulating rules that require
4227 institutions to retain their records for as short a period as commensurate with the interest in

4239 same class, the commissioner may establish the following for each class in a manner consistent
4240 with this title:

4241 (i) eligible classes and types of investments for the deposits and other funds of those
4242 financial institutions;

4243 (ii) minimum standards, in amounts sufficient to protect depositors and other creditors,

4658 **7-2-9. Conservatorship, receivership, or liquidation of institution -- Appointment**
4659 **of receiver -- Review of actions.**

4660 (1) Upon taking possession of the institution, the commissioner may appoint a receiver
4661 to perform the duties of the commissioner. Subject to any limitations, conditions, or
4662 requirements specified by the commissioner and approved by the court, a receiver shall have all
4663 the powers and duties of the commissioner under this chapter and the laws of this state to act as
4664 a conservator, receiver, or liquidator of the institution. Actions of the commissioner in
4665 appointing a receiver shall be subject to review only as provided in Section 7-2-2.

4666 (2) (a) If the deposits of the institution are to any extent insured by a federal deposit
4667 insurance agency, the commissioner may appoint that agency as receiver. After receiving notice
4668 in writing of the acceptance of the appointment, the commissioner shall file a certificate of
4669 appointment in [~~his~~] the commissioner's office and with the clerk of the district court. After the
4670 filing of the certificate, the possession of all assets, business, and property of the institution is

4672 assets, business, and property of the institution is vested in the agency without the execution of
4673 any instruments of conveyance, assignment, transfer, or endorsement.

4674 (b) If a federal deposit insurance agency accepts an appointment as receiver, it has all
4675 the powers and privileges provided by the laws of this state and the United States with respect
4676 to the conservatorship, receivership, or liquidation of an institution and the rights of its
4677 depositors, and other creditors, including authority to make an agreement for the purchase of

4678 assets and assumption of deposit and other liabilities by another depository institution or take
4679 other action authorized by Title 12 of the United States Code to maintain the stability of the
4680 banking system. Such action by a federal deposit insurance agency may be taken upon approval
4681 by the court, with or without prior notice. Such actions or agreements may be disapproved,
4682 amended, or rescinded only upon a finding by the court that the decisions or actions of the
4683 receiver are arbitrary, capricious, fraudulent, or contrary to law. In the event of any conflict
4684 between state and federal law, including provisions for adjudicating claims against the institution
4685 or receiver, the receiver shall comply with the federal law and any resulting violation of state
4686 law shall not by itself constitute grounds for the court to disapprove the actions of the receiver
4687 or impose any penalty for such violation.

4688 (c) The commissioner or any receiver appointed by him shall possess all the rights and
4689 claims of the institution against any person whose breach of fiduciary duty or violations of the

4692 the possession of the commissioner or receiver. As used in this Subsection (2)(c), fiduciary
4693 duty includes those duties and standards applicable under statutes and laws of this state and the
4694 United States to a director, officer, or other party employed by or rendering professional

4697 receiver shall have standing to assert any such right or claim of the institution, including its
4698 depositors, creditors, or shareholders unless the right or claim has been abandoned by the
4699 commissioner or receiver with approval of the court. Any judgment based on the rights and
4700 claims of the commissioner or receiver shall have priority in payment from the assets of the
4701 judgment debtors.

4702 (d) For the purposes of this section, the term "federal deposit insurance agency" shall
4703 include the Federal Deposit Insurance Corporation, the National Credit Union Administration

4706 institution, including the Resolution Trust Corporation and any department thereof or successor
4707 thereto.

4708 (3) The receiver may employ assistants, agents, accountants, and legal counsel. If the
4709 receiver is not a federal deposit insurance agency, the compensation to be paid such assistants,
4710 agents, accountants, and legal counsel shall be approved by the commissioner. All expenses
4711 incident to the receivership shall be paid out of the assets of the institution. If a receiver is not a
4712 federal deposit insurance agency, the receiver and any assistants and agents shall provide bond
4713 or other security specified by the commissioner and approved by the court for the faithful
4714 discharge of all duties and responsibilities in connection with the receivership including the
4715 accounting for money received and paid. The cost of the bond shall be paid from the assets of
4716 the institution. Suit may be maintained on the bond by the commissioner or by any person
4717 injured by a breach of the condition of the bond.

4718 (4) (a) Upon the appointment of a receiver for an institution in possession pursuant to
4719 this chapter, the commissioner and the department are exempt from liability or damages for any
4720 act or omission of any receiver appointed pursuant to this section.

4721 (b) This section does not limit the right of the commissioner to prescribe and enforce
4722 rules regulating a receiver in carrying out its duties with respect to an institution subject to the
4723 jurisdiction of the department.

4724 (c) Any act or omission of the commissioner or of any federal deposit insurance agency
4725 as a receiver appointed by him while acting pursuant to this chapter shall be deemed to be the
4726 exercise of a discretionary function within the meaning of Section [~~63-30d-30f~~] 63G-7-301 of
4727 the laws of this state or Section 28 U.S.C. 2680(a) of the laws of the United States.

4728 (5) Actions, decisions, or agreements of a receiver under this chapter, other than
4729 allowance or disallowance of claims under Section 7-2-6, shall be subject to judicial review only
4730 as follows:

4731 (a) A petition for review shall be filed with the court having jurisdiction under Section
4732 7-2-2 not more than 90 days after the date the act, decision, or agreement became effective or
4733 its terms are filed with the court.

4734 (b) The petition shall state in simple, concise, and direct terms the facts and principles
4735 of law upon which the petitioner claims the act, decision, or agreement of the receiver was or
4736 would be arbitrary, capricious, fraudulent, or contrary to law and how the petitioner is or may
4737 be damaged thereby. The court shall dismiss any petition which fails to allege that the petitioner
4738 would be directly injured or damaged by the act, decision, or agreement which is the subject of
4739 the petition. Rule 11 of the Utah Rules of Civil Procedure shall apply to all parties with respect
4740 to the allegations set forth in a petition or response.

4741 (c) The receiver shall have 30 days after service of the petition within which to respond.

4742 (d) All further proceedings are to be conducted in accordance with the Utah Rules of
4743 Civil Procedure.

4744 (6) All notices required under this section shall be made in accordance with the Utah
4745 Rules of Civil Procedure and served upon the attorney general of the state of Utah, the
4746 commissioner of financial institutions, the receiver of the institution appointed under this
4747 chapter, and upon the designated representative of any party in interest who requests in writing
4748 such notice.

6801 Section 109. Section **11-13-302** is amended to read:

6802 **11-13-302. Payment of fee in lieu of ad valorem property tax by certain energy**
6803 **suppliers -- Method of calculating -- Collection -- Extent of tax lien.**

6804 (1) (a) Each project entity created under this chapter that owns a project and that sells
6805 any capacity, service, or other benefit from it to an energy supplier or suppliers whose tangible

6806 property is not exempted by Utah Constitution Article XIII, Section 3, from the payment of ad
6807 valorem property tax, shall pay an annual fee in lieu of ad valorem property tax as provided in
6808 this section to each taxing jurisdiction within which the project or any part of it is located.

6809 (b) For purposes of this section, "annual fee" means the annual fee described in
6810 Subsection (1)(a) that is in lieu of ad valorem property tax.

6811 (c) The requirement to pay an annual fee shall commence:

6812 (i) with respect to each taxing jurisdiction that is a candidate receiving the benefit of
6813 impact alleviation payments under contracts or determination orders provided for in Sections
6814 11-13-305 and 11-13-306, with the fiscal year of the candidate following the fiscal year of the
6815 candidate in which the date of commercial operation of the last generating unit, other than any
6816 generating unit providing additional project capacity, of the project occurs, or, in the case of
6817 any facilities providing additional project capacity, with the fiscal year of the candidate
6818 following the fiscal year of the candidate in which the date of commercial operation of the
6819 generating unit providing the additional project capacity occurs; and

6820 (ii) with respect to any taxing jurisdiction other than a taxing jurisdiction described in
6821 Subsection (1)(c)(i), with the fiscal year of the taxing jurisdiction in which construction of the
6822 project commences, or, in the case of facilities providing additional project capacity, with the
6823 fiscal year of the taxing jurisdiction in which construction of those facilities commences.

6824 (d) The requirement to pay an annual fee shall continue for the period of the useful life
6825 of the project or facilities.

6826 (2) (a) The annual fees due a school district shall be as provided in Subsection (2)(b)
6827 because the ad valorem property tax imposed by a school district and authorized by the
6828 Legislature under Section 53A-17a-135 represents both:

6829 (i) a levy mandated by the state for the state minimum school program under Section
6830 53A-17a-135; and

6831 (ii) local levies for capital outlay, maintenance, transportation, and other purposes under
6832 Sections 11-2-7, 53A-16-107, 53A-16-110, 53A-17a-126, 53A-17a-127, 53A-17a-133,
6833 53A-17a-134, 53A-17a-143, 53A-17a-145, and 53A-21-103.

6834 (b) The annual fees due a school district shall be as follows:

6835 (i) the project entity shall pay to the school district an annual fee for the state minimum
6836 school program at the rate imposed by the school district and authorized by the Legislature
6837 under Subsection 53A-17a-135(1); and

6838 (ii) for all other local property tax levies authorized to be imposed by a school district,
6839 the project entity shall pay to the school district either:

6840 (A) an annual fee; or

6841 (B) impact alleviation payments under contracts or determination orders provided for in
6842 Sections 11-13-305 and 11-13-306.

6843 (3) (a) An annual fee due a taxing jurisdiction for a particular year shall be calculated by
6844 multiplying the tax rate or rates of the jurisdiction for that year by the product obtained by
6845 multiplying the fee base or value determined in accordance with Subsection (4) for that year of
6846 the portion of the project located within the jurisdiction by the percentage of the project which
6847 is used to produce the capacity, service, or other benefit sold to the energy supplier or suppliers.

6848 (b) As used in this section, "tax rate," when applied in respect to a school district,
6849 includes any assessment to be made by the school district under Subsection (2) or Section
6850 ~~[63-51-6]~~ 63M-5-302.

6851 (c) There is to be credited against the annual fee due a taxing jurisdiction for each year,
6852 an amount equal to the debt service, if any, payable in that year by the project entity on bonds,
6853 the proceeds of which were used to provide public facilities and services for impact alleviation
6854 in the taxing jurisdiction in accordance with Sections 11-13-305 and 11-13-306.

6855 (d) The tax rate for the taxing jurisdiction for that year shall be computed so as to:

6856 (i) take into account the fee base or value of the percentage of the project located
6857 within the taxing jurisdiction determined in accordance with Subsection (4) used to produce the
6858 capacity, service, or other benefit sold to the supplier or suppliers; and

6859 (ii) reflect any credit to be given in that year.

6860 (4) (a) Except as otherwise provided in this section, the annual fees required by this
6861 section shall be paid, collected, and distributed to the taxing jurisdiction as if:

- 6862 (i) the annual fees were ad valorem property taxes; and
6863 (ii) the project were assessed at the same rate and upon the same measure of value as
6864 taxable property in the state.
- 6865 (b) (i) Notwithstanding Subsection (4)(a), for purposes of an annual fee required by this
6866 section, the fee base of a project may be determined in accordance with an agreement among:
6867 (A) the project entity; and
6868 (B) any county that:
6869 (I) is due an annual fee from the project entity; and
6870 (II) agrees to have the fee base of the project determined in accordance with the
6871 agreement described in this Subsection (4).
- 6872 (ii) The agreement described in Subsection (4)(b)(i):
6873 (A) shall specify each year for which the fee base determined by the agreement shall be
6874 used for purposes of an annual fee; and
6875 (B) may not modify any provision of this chapter except the method by which the fee
6876 base of a project is determined for purposes of an annual fee.
- 6877 (iii) For purposes of an annual fee imposed by a taxing jurisdiction within a county
6878 described in Subsection (4)(b)(i)(B), the fee base determined by the agreement described in
6879 Subsection (4)(b)(i) shall be used for purposes of an annual fee imposed by that taxing
6880 jurisdiction.
- 6881 (iv) (A) If there is not agreement as to the fee base of a portion of a project for any
6882 year, for purposes of an annual fee, the State Tax Commission shall determine the value of that
6883 portion of the project for which there is not an agreement:
6884 (I) for that year; and
6885 (II) using the same measure of value as is used for taxable property in the state.
6886 (B) The valuation required by Subsection (4)(b)(iv)(A) shall be made by the State Tax
6887 Commission in accordance with rules made by the State Tax Commission.
- 6888 (c) Payments of the annual fees shall be made from:
6889 (i) the proceeds of bonds issued for the project; and

6890 (ii) revenues derived by the project entity from the project.

6891 (d) (i) The contracts of the project entity with the purchasers of the capacity, service, or
6892 other benefits of the project whose tangible property is not exempted by Utah Constitution
6893 Article XIII, Section 3, from the payment of ad valorem property tax shall require each
6894 purchaser, whether or not located in the state, to pay, to the extent not otherwise provided for,
6895 its share, determined in accordance with the terms of the contract, of these fees.

6896 (ii) It is the responsibility of the project entity to enforce the obligations of the
6897 purchasers.

6898 (5) (a) The responsibility of the project entity to make payment of the annual fees is
6899 limited to the extent that there is legally available to the project entity, from bond proceeds or
6900 revenues, monies to make these payments, and the obligation to make payments of the annual
6901 fees is not otherwise a general obligation or liability of the project entity.

6902 (b) No tax lien may attach upon any property or money of the project entity by virtue of
6903 any failure to pay all or any part of an annual fee.

6904 (c) The project entity or any purchaser may contest the validity of an annual fee to the
6905 same extent as if the payment was a payment of the ad valorem property tax itself.

6906 (d) The payments of an annual fee shall be reduced to the extent that any contest is
6907 successful.

6908 (6) (a) The annual fee described in Subsection (1):

6909 (i) shall be paid by a public agency that:

6910 (A) is not a project entity; and

6911 (B) owns an interest in a facility providing additional project capacity if the interest is
6912 otherwise exempt from taxation pursuant to Utah Constitution, Article XIII, Section 3; and

6913 (ii) for a public agency described in Subsection (6)(a)(i), shall be calculated in
6914 accordance with Subsection (6)(b).

6915 (b) The annual fee required under Subsection (6)(a) shall be an amount equal to the tax
6916 rate or rates of the applicable taxing jurisdiction multiplied by the product of the following:

6917 (i) the fee base or value of the facility providing additional project capacity located

6918 within the jurisdiction;

6919 (ii) the percentage of the ownership interest of the public agency in the facility; and

6920 (iii) the portion, expressed as a percentage, of the public agency's ownership interest
6921 that is attributable to the capacity, service, or other benefit from the facility that is sold by the
6922 public agency to an energy supplier or suppliers whose tangible property is not exempted by
6923 Utah Constitution, Article XIII, Section 3, from the payment of ad valorem property tax.

6924 (c) A public agency paying the annual fee pursuant to Subsection (6)(a) shall have the
6925 obligations, credits, rights, and protections set forth in Subsections (1) through (5) with respect
6926 to its ownership interest as though it were a project entity.

6927 Section 110. Section **11-13-303** is amended to read:

6928 **11-13-303. Source of project entity's payment of sales and use tax -- Gross**
6929 **receipts taxes for facilities providing additional project capacity.**

6930 (1) A project entity is not exempt from sales and use taxes under Title 59, Chapter 12,
6931 Sales and Use Tax Act, to the extent provided in Subsection 59-12-104(2).

6932 (2) A project entity may make payments or prepayments of sales and use taxes, as
6933 provided in [~~Title 63, Chapter 5~~] Title 63M, Chapter 5, Resource Development, from the
6934 proceeds of revenue bonds issued under Section 11-13-218 or other revenues of the project
6935 entity.

6936 (3) (a) This Subsection (3) applies with respect to facilities providing additional project
6937 capacity.

6938 (b) (i) The in lieu excise tax imposed under Title 59, Chapter 8, Gross Receipts Tax on
6939 Certain Corporations Not Required to Pay Corporate Franchise or Income Tax Act, shall be
6940 imposed collectively on all gross receipts derived with respect to the ownership interests of all
6941 project entities and other public agencies in facilities providing additional project capacity as
6942 though all such ownership interests were held by a single project entity.

6943 (ii) The in lieu excise tax shall be calculated as though the gross receipts derived with
6944 respect to all such ownership interests were received by a single taxpayer that has no other
6945 gross receipts.

6946 (iii) The gross receipts attributable to such ownership interests shall consist solely of
6947 gross receipts that are expended by each project entity and other public agency holding an
6948 ownership interest in the facilities for the operation or maintenance of or ordinary repairs or
6949 replacements to the facilities.

6950 (iv) For purposes of calculating the in lieu excise tax, the determination of whether
6951 there is a tax rate and, if so, what the tax rate is shall be governed by Section 59-8-104, except
6952 that the \$10,000,000 figures in Section 59-8-104 indicating the amount of gross receipts that
6953 determine the applicable tax rate shall be replaced with \$5,000,000.

6954 (c) Each project entity and public agency owning an interest in the facilities providing
6955 additional project capacity shall be liable only for the portion of the gross receipts tax referred
6956 to in Subsection (3)(b) that is proportionate to its percentage ownership interest in the facilities
6957 and may not be liable for any other gross receipts taxes with respect to its percentage ownership
6958 interest in the facilities.

6959 (d) No project entity or other public agency that holds an ownership interest in the
6960 facilities may be subject to the taxes imposed under Title 59, Chapter 7, Corporate Franchise
6961 and Income Taxes, with respect to those facilities.

6962 (4) For purposes of calculating the gross receipts tax imposed on a project entity or
6963 other public agency under Title 59, Chapter 8, Gross Receipts Tax on Certain Corporations Not
6964 Required to Pay Corporate Franchise or Income Tax Act, or Subsection (3), gross receipts
6965 include only gross receipts from the first sale of capacity, services, or other benefits and do not
6966 include gross receipts from any subsequent sale, resale, or layoff of the capacity, services, or
6967 other benefits.

6968 Section 111. Section **11-17-20** is amended to read:

6969 **11-17-20. Power of the State Charter School Finance Authority.**

6982 requirements of this chapter before establishing or modifying any impact fee.

6983 (b) A local political subdivision may not:

6984 (i) establish any new impact fees that are not authorized by this chapter; or

6986 those fees are a reasonable charge for the service provided.

6987 (c) Notwithstanding any other requirements of this chapter, each local political
6988 subdivision shall ensure that each existing impact fee that is charged for any public facility not
6989 authorized by Subsection 11-36-102(12) is repealed by July 1, 1995.

6990 (d) (i) Existing impact fees for public facilities authorized in Subsection 11-36-102(12)

8857 (2) The Office of the Property Rights Ombudsman may not represent private property
8858 owners, state agencies, or local governments in court or in adjudicative proceedings under [~~Title~~
8859 ~~63, Chapter 46b~~] Title 63G, Chapter 4, Administrative Procedures Act.

8860 (3) No member of the Office of the Property Rights Ombudsman nor a neutral third
8861 party rendering an advisory opinion under Section 13-43-205 or 13-43-206, may be compelled

8875 **13-43-204. Office of Property Rights Ombudsman -- Arbitration or mediation of**
8876 **takings or eminent domain disputes.**

8877 (1) If requested by the private property owner and otherwise appropriate, the Office of

8878 the Property Rights Ombudsman shall mediate, or conduct or arrange arbitration for, disputes
8879 between private property owners and government entities that involve:

8880 (a) takings or eminent domain issues;
8881 (b) actions for eminent domain under Title 78, Chapter 34, Eminent Domain; or
8882 (c) disputes about relocation assistance under Title 57, Chapter 12, Utah Relocation
8883 Assistance Act.

8884 (2) If arbitration or mediation is requested by a private property owner under this
8885 section, Section 57-12-14 or 78-34-21, and arranged by the Office of the Property Rights
8886 Ombudsman, the government entity or condemning entity shall participate in the mediation or
8887 arbitration as if the matter were ordered to mediation or arbitration by a court.

8888 (3) (a) (i) In conducting or arranging for arbitration under Subsection (1), the Office of
8889 the Property Rights Ombudsman shall follow the procedures and requirements of Title 78,
8890 Chapter 31a, Utah Uniform Arbitration Act.

8891 (ii) In applying Title 78, Chapter 31a, Utah Uniform Arbitration Act, the arbitrator and
8892 parties shall treat the matter as if:

8893 (A) it were ordered to arbitration by a court; and

8894 (B) the Office of the Property Rights Ombudsman or other arbitrator chosen as
8895 provided for in this section was appointed as arbitrator by the court.

8896 (iii) For the purpose of an arbitration conducted under this section, if the dispute to be
8897 arbitrated is not already the subject of legal action, the district court having jurisdiction over the
8898 county where the private property involved in the dispute is located is the court referred to in
8899 Title 78, Chapter 31a, Utah Uniform Arbitration Act.

8900 (iv) An arbitration award under this chapter may not be vacated under the provisions of
8901 Subsection 78-31a-124(1)(e) because of the lack of an arbitration agreement between the
8902 parties.

8903 (b) The Office of the Property Rights Ombudsman shall issue a written statement
8904 declining to arbitrate or to appoint an arbitrator when, in the opinion of the Office of the
8905 Property Rights Ombudsman:

8906 (i) the issues are not ripe for review;
8907 (ii) assuming the alleged facts are true, no cause of action exists under United States or
8908 Utah law;
8909 (iii) all issues raised are beyond the scope of the Office of the Property Rights
8910 Ombudsman's statutory duty to review; or
8911 (iv) the arbitration is otherwise not appropriate.
8912 (c) (i) The Office of the Property Rights Ombudsman shall appoint another person to
8913 arbitrate a dispute when:
8914 (A) either party objects to the Office of the Property Rights Ombudsman serving as the
8915 arbitrator and agrees to pay for the services of another arbitrator;
8916 (B) the Office of the Property Rights Ombudsman declines to arbitrate the dispute for a
8917 reason other than those stated in Subsection (3)(b) and one or both parties are willing to pay for
8918 the services of another arbitrator; or
8919 (C) the Office of the Property Rights Ombudsman determines that it is appropriate to
8920 appoint another person to arbitrate the dispute with no charge to the parties for the services of
8921 the appointed arbitrator.
8922 (ii) In appointing another person to arbitrate a dispute, the Office of the Property Rights
8923 Ombudsman shall appoint an arbitrator who is agreeable to:
8924 (A) both parties; or
8925 (B) the Office of the Property Rights Ombudsman and the party paying for the
8926 arbitrator.
8927 (iii) The Office of the Property Rights Ombudsman may, on its own initiative or upon
8928 agreement of both parties, appoint a panel of arbitrators to conduct the arbitration.
8929 (iv) The Department of Commerce may pay an arbitrator per diem and reimburse
8930 expenses incurred in the performance of the arbitrator's duties at the rates established by the
8931 Division of Finance under Sections 63A-3-106 and 63A-3-107.
8932 (d) In arbitrating a dispute, the arbitrator shall apply the relevant statutes, case law,
8933 regulations, and rules of Utah and the United States in conducting the arbitration and in

8934 determining the award.

8935 (e) The property owner and government entity may agree in advance of arbitration that
8936 the arbitration is binding and that no de novo review may occur.

8937 (f) Arbitration by or through the Office of the Property Rights Ombudsman is not
8938 necessary before bringing legal action to adjudicate any claim.

8939 (g) The lack of arbitration by or through the Office of the Property Rights Ombudsman
8940 does not constitute, and may not be interpreted as constituting, a failure to exhaust available
8941 administrative remedies or as a bar to bringing legal action.

8942 (h) Arbitration under this section is not subject to [~~Title 63, Chapter 46b~~] Title 63G,
8943 Chapter 4, Administrative Procedures Act, or Title 78, Chapter 31b, Alternative Dispute
8944 Resolution Act.

8945 (i) Within 30 days after an arbitrator issues a final award, and except as provided in
8946 Subsection (3)(e), any party may submit the award, or any issue upon which the award is based,
8947 to the district court for de novo review.

8948 (4) The filing with the Office of the Property Rights Ombudsman of a request for
8949 mediation or arbitration of a constitutional taking issue does not stay any county or municipal
8950 land use decision, including the decision of a board of adjustment.

8951 (5) Members of the Office of the Property Rights Ombudsman may not be compelled to
8952 testify in a civil action filed concerning the subject matter of any review, mediation, or
8953 arbitration by the Office of the Property Rights Ombudsman.

8954 Section 167. Section **13-43-206** is amended to read:

8955 **13-43-206. Advisory opinion -- Process.**

8956 (1) A request for an advisory opinion under Section 13-43-205 shall be:

8957 (a) filed with the Office of the Property Rights Ombudsman; and

8958 (b) accompanied by a filing fee of \$150.

8959 (2) The Office of the Property Rights Ombudsman may establish policies providing for
8960 partial fee waivers for a person who is financially unable to pay the entire fee.

8961 (3) A person requesting an advisory opinion need not exhaust administrative remedies,

8962 including remedies described under Section 10-9a-801 or 17-27a-801, before requesting an
8963 advisory opinion.

8964 (4) The Office of the Property Rights Ombudsman shall:

8965 (a) deliver notice of the request to opposing parties indicated in the request;

8966 (b) inquire of all parties if there are other necessary parties to the dispute; and

8967 (c) deliver notice to all necessary parties.

8968 (5) If a governmental entity is an opposing party, the Office of the Property Rights

8969 Ombudsman shall deliver the request in the manner provided for in Section [~~63-30d-301~~]

8970 63G-7-301.

8971 (6) (a) The Office of the Property Rights Ombudsman shall promptly determine if the
8972 parties can agree to a neutral third party to issue an advisory opinion.

8973 (b) If no agreement can be reached within four business days after notice is delivered
8974 pursuant to Subsections (4) and (5), the Office of the Property Rights Ombudsman shall appoint
8975 a neutral third party to issue an advisory opinion.

8976 (7) All parties that are the subject of the request for advisory opinion shall:

8977 (a) share equally in the cost of the advisory opinion; and

8978 (b) provide financial assurance for payment that the neutral third party requires.

8979 (8) The neutral third party shall comply with the provisions of Section 78-31a-109, and
8980 shall promptly:

8981 (a) seek a response from all necessary parties to the issues raised in the request for
8982 advisory opinion;

8983 (b) investigate and consider all responses; and

8984 (c) issue a written advisory opinion within 15 business days after the appointment of the
8985 neutral third party under Subsection (6)(b), unless:

8986 (i) the parties agree to extend the deadline; or

8987 (ii) the neutral third party determines that the matter is complex and requires additional
8988 time to render an opinion, which may not exceed 30 calendar days.

8989 (9) An advisory opinion shall include a statement of the facts and law supporting the

8990 opinion's conclusions.

8991 (10) (a) Copies of any advisory opinion issued by the Office of the Property Rights
8992 Ombudsman shall be delivered as soon as practicable to all necessary parties.

8993 (b) A copy of the advisory opinion shall be delivered to the government entity in the
8994 manner provided for in Section [~~63-30d-401~~] 63G-7-401.

8995 (11) An advisory opinion issued by the Office of the Property Rights Ombudsman is not
8996 binding on any party to, nor admissible as evidence in, a dispute involving land use law except
8997 as provided in Subsection (12).

8998 (12) (a) If the same issue that is the subject of an advisory opinion is listed as a cause of
8999 action in litigation, and that cause of action is litigated on the same facts and circumstances and
9000 is resolved consistent with the advisory opinion, the substantially prevailing party on that cause
9001 of action may collect reasonable attorney fees and court costs pertaining to the development of
9002 that cause of action from the date of the delivery of the advisory opinion to the date of the
9003 court's resolution.

9004 (b) Nothing in this Subsection (12) is intended to create any new cause of action under
9005 land use law.

9006 (13) Unless filed by the local government, a request for an advisory opinion under
9007 Section 13-43-205 does not stay the progress of a land use application, or the effect of a land
9008 use decision.

9009 Section 168. Section **14-1-18** is amended to read:

9025 (1) (a) This chapter shall be administered by the Division of Occupational and
9026 Professional Licensing and is subject to the requirements of Title 58, Chapter 1, Division of

9135 perjury and must contain current information on all matters required in an original registration.

9136 (5) An individual who has submitted an application for renewal of registration or

9153 (2) The division may suspend, revoke, or refuse to renew a certificate of registration or
9154 licensure only after proper notice and an opportunity for a hearing. [~~Title 63, Chapter 46b~~]

10198 any area where they are required; and

10199 (ii) reasonably cost effective when compared to other similarly beneficial control
10200 strategies for demonstrating attainment of the national ambient air quality standards.

10215 strategies for demonstrating maintenance of the national ambient air quality standards.

10216 (b) Under Subsection (3)(a) the board may require no more than:

10217 (i) 30% of a fleet to use clean fuels before January 1, 1998;

10251 occurs first.

10252 (3) (a) Operating permits issued under this section shall be for a period of five years
10253 unless the board makes a written finding, after public comment and hearing, and based on

10262 Clean Air Act, if the remaining period of the permit is three or more years.

10263 (d) The executive secretary may terminate, modify, revoke, or reissue an operating
10264 permit for cause.

10265 (4) (a) The board shall establish a proposed annual emissions fee that conforms with
10266 Title V of the 1990 Clean Air Act for each ton of regulated pollutant, applicable to all sources
10267 required to obtain a permit. The emissions fee established under this section is in addition to
10268 fees assessed under Section 19-2-108 for issuance of an approval order.

10269 (b) In establishing the fee the board shall comply with the provisions of Section
10270 ~~[63-38-3.2]~~ 63J-1-303 that require a public hearing and require the established fee to be

10273 (c) The fee shall cover all reasonable direct and indirect costs required to develop and
10274 administer the program and the small business assistance program established under Section

10279 (e) The fee may not be assessed for emissions of any regulated pollutant if the emissions
10280 are already accounted for within the emissions of another regulated pollutant.

10281 (f) An emissions fee may not be assessed for any amount of a regulated pollutant
10282 emitted by any source in excess of 4,000 tons per year of that regulated pollutant.

10283 (5) Emissions fees for the period:

10284 (a) of July 1, 1992, through June 30, 1993, shall be based on the most recent emissions
10285 inventory prepared by the executive secretary; and

10286 (b) on and after July 1, 1993, but prior to issuance of an operating permit, shall be
10287 based on the most recent emissions inventory, unless a source elects prior to July 1, 1992, to
10288 base the fee on allowable emissions, if applicable for a regulated pollutant.

10289 (6) After an operating permit is issued the emissions fee shall be based on actual
10290 emissions for a regulated pollutant unless a source elects, prior to the issuance or renewal of a
10291 permit, to base the fee during the period of the permit on allowable emissions for that regulated
10292 pollutant.

10293 (7) If the owner or operator of a source subject to this section fails to timely pay an
10294 annual emissions fee, the executive secretary may:

10295 (a) impose a penalty of not more than 50% of the fee, in addition to the fee, plus
10296 interest on the fee computed at 12% annually; or

10297 (b) revoke the operating permit.

10298 (8) The owner or operator of a source subject to this section may contest an emissions

10300 Title 63G, Chapter 4, Administrative Procedures Act, as provided in this Subsection (8).

10301 (a) The owner or operator must pay the fee under protest prior to being entitled to a
10302 hearing. Payment of an emissions fee or penalty under protest is not a waiver of the right to
10303 contest the fee or penalty under this [~~subsection~~] section.

10304 (b) A request for a hearing under this subsection shall be made after payment of the
10305 emissions fee and within six months after the emissions fee was due.

10306 (9) To reinstate an operating permit revoked under Subsection (7) the owner or
10307 operator shall pay all outstanding emissions fees, a penalty of not more than 50% of all
10308 outstanding fees, and interest on the outstanding emissions fees computed at 12% annually.

10309 (10) All emissions fees and penalties collected by the department under this section shall
10310 be deposited in the General Fund as the Air Pollution Operating Permit Program dedicated
10311 credit to be used solely to pay for the reasonable direct and indirect costs incurred by the
10312 department in developing and administering the program and the small business assistance
10313 program under Section 19-2-109.2.

10314 (11) Failure of the executive secretary to act on any operating permit application or
10315 renewal is a final administrative action only for the purpose of obtaining judicial review by any
10316 of the following persons to require the executive secretary to take action on the permit or its
10317 renewal without additional delay:

- 10318 (a) the applicant;
- 10319 (b) any person who participated in the public comment process; or

11071 standards;

11072 (d) requiring an owner or operator of a treatment, storage, or disposal facility that is
11073 subject to a plan approval under Section 19-6-108 or which received waste after July 26, 1982,

12063 (q) Ascertain from time to time such methods, practices, circumstances, and conditions
12064 as may bring about the prevention and control of nuclear incidents in the area comprising the
12065 party states, to co-ordinate the nuclear incident prevention and control plans and the work
12066 relating thereto of the appropriate agencies of the party states and to facilitate the rendering of
12067 aid by the party states to each other in coping with nuclear incidents.

12068 The board may formulate and, in accordance with need from time to time, revise a

12079 for reports to the board concerning the occurrence of nuclear incidents and the requests for aid
12080 on account thereof, together with summaries of the actual working and effectiveness of mutual
12081 aid in particular instances.

12082 From time to time, the board shall analyze the information gathered from reports of aid
12083 pursuant to Article VI and such other instances of mutual aid as may have come to its attention,
12084 so that experience in the rendering of such aid may be available.

12085 (r) Prepare, maintain, and implement a regional plan or regional plans for carrying out

12087 (s) Undertake responsibilities imposed or necessarily involved with regional

12089 connection with the fields covered by this compact.

12090 **ARTICLE VI. MUTUAL AID**

12091 (a) Whenever a party state, or any state or local governmental authorities therein,
12092 request aid from any other party state pursuant to this compact in coping with a nuclear
12093 incident, it shall be the duty of the requested state to render all possible aid to the requesting
12094 state which is consonant with the maintenance of protection of its own people.

12095 (b) Whenever the officers or employees of any party state are rendering outside aid
12096 pursuant to the request of another party state under this compact, the officers or employees of
12097 such state shall, under the direction of the authorities of the state to which they are rendering

12098 aid, have the same powers, duties, rights, privileges and immunities as comparable officers and
12099 employees of the state to which they are rendering aid.

12100 (c) No party state or its officers or employees rendering outside aid pursuant to this
12101 compact shall be liable on account of any act or omission on their part while so engaged, or on
12102 account of the maintenance or use of any equipment or supplies in connection therewith.

12103 (d) All liability that may arise either under the laws of the requesting state or under the
12104 laws of the aiding state or under the laws of a third state on account of or in connection with a
12105 request for aid, shall be assumed and borne by the requesting state.

12106 (e) Any party state rendering outside aid pursuant to this compact shall be reimbursed
12107 by the party state receiving such aid for any loss or damage to, or expense incurred in the
12108 operation of any equipment answering a request for aid, and for the cost of all materials,
12109 transportation, wages, salaries and maintenance of officers, employees and equipment incurred
12110 in connection with such requests: provided that nothing herein contained shall prevent any
12111 assisting party state from assuming such loss, damage, expense or other cost or from loaning
12112 such equipment or from donating such services to the receiving party state without charge or
12113 cost.

12114 (f) Each party state shall provide for the payment of compensation and death benefits to
12115 injured officers and employees and the representatives of deceased officers and employees in
12116 case officers or employees sustain injuries or death while rendering outside aid pursuant to this

12118 within the state by or in which the officer or employee was regularly employed.

12119 **ARTICLE VII. SUPPLEMENTARY AGREEMENTS**

12120 (a) To the extent that the board has not undertaken an activity or project which would
12121 be within its power under the provisions of Article V of this compact, any two or more of the
12122 party states (acting by their duly constituted administrative officials) may enter into
12123 supplementary agreements for the undertaking and continuance of such an activity or project.
12124 Any such agreement shall specify the purpose or purposes; its duration and the procedure for
12125 termination thereof or withdrawal therefrom; the method of financing and allocating the costs of

12126 the activity or project; and such other matters as may be necessary or appropriate.

12127 No such supplementary agreement entered into pursuant to this article shall become
12128 effective prior to its submission to and approval by the board. The board shall give such
12129 approval unless it finds that the supplementary agreement or activity or project contemplated
12130 thereby is inconsistent with the provisions of this compact or a program or activity conducted
12131 by or participated in by the board.

12132 (b) Unless all of the party states participate in a supplementary agreement, any cost or
12133 costs thereof shall be borne separately by the states party thereto. However, the board may
12134 administer or otherwise assist in the operation of any supplementary agreement.

12135 (c) No party to a supplementary agreement entered into pursuant to this article shall be
12136 relieved thereby of any obligation or duty assumed by said party state under or pursuant to this
12137 compact, except that timely and proper performance of such obligation or duty by means of the
12138 supplementary agreement may be offered as performance pursuant to the compact.

12139 (d) The provisions to this Article shall apply to supplementary agreements and activities
12140 thereunder, but shall not be construed to repeal or impair any authority which officers or
12141 agencies of party states may have pursuant to other laws to undertake cooperative arrangements
12142 or projects.

12143 **ARTICLE VIII. OTHER LAWS AND RELATIONS**

12144 Nothing in this compact shall be construed to:

12145 (a) Permit or require any person or other entity to avoid or refuse compliance with any
12146 law, rule, regulation, order or ordinance of a party state or subdivision thereof now or hereafter
12147 made, enacted or in force.

12148 (b) Limit, diminish, or otherwise impair jurisdiction exercised by the Atomic Energy
12149 Commission, any agency successor thereto, or any other federal department, agency or officer
12150 pursuant to and in conformity with any valid and operative act of Congress; nor limit, diminish,

12163 legislature shall have enacted the same into law: provided, that it shall not become initially
12164 effective until enacted into law by five states.

12165 (c) Any party state may withdraw from this compact by enacting a statute repealing the
12166 same, but no such withdrawal shall take effect until two years after the governor of the
12167 withdrawing state has given notice in writing of the withdrawal to the governors of all other
12168 party states. No withdrawal shall affect any liability already incurred by or chargeable to a party
12169 state prior to the time of such withdrawal.

12170 (d) Guam and American Samoa, or either of them may participate in the compact to
12171 such extent as may be mutually agreed by the board and the duly constituted authorities of
12172 Guam or American Samoa, as the case may be. However, such participation shall not include
12173 the furnishing or receipt of mutual aid pursuant to Article VI, unless that Article has been
12174 enacted or otherwise adopted so as to have the full force and effect of law in the jurisdiction
12175 affected. Neither Guam nor American Samoa shall be entitled to voting participation on the
12176 board, unless it has become a full party to the compact.

12177 **ARTICLE X. SEVERABILITY AND CONSTRUCTION**

12178 The provisions of this compact and of any supplementary agreement entered into
12179 hereunder shall be severable and if any phrase, clause, sentence or provision of this compact or
12180 such supplementary agreement is declared to be contrary to the constitution of any participating
12181 state or of the United States or the applicability thereof to any government, agency, person, or

12182 circumstance is held invalid, the validity of the remainder of this compact or such supplementary
12183 agreement and the applicability thereof to any government, agency, person or circumstance shall
12184 not be affected thereby. If this compact or any supplementary agreement entered into hereunder
12185 shall be held contrary to the constitution of any state participating therein, the compact or such
12186 supplementary agreement shall remain in full force and effect as to the remaining states and in
12187 full force and effect as to the state affected as to all severable matters. The provisions of this
12188 compact and of any supplementary agreement entered into pursuant thereto shall be liberally
12189 construed to effectuate the purposes thereof.

16617 (c) The opinion shall be based on standards adopted from time to time by the Actuarial
16618 Standards Board and on such additional standards as the commissioner may by rule prescribe.

16619 (d) In the case of an opinion required to be submitted by a foreign or alien company, the

16629 (g) Disciplinary action by the commissioner against the company or the qualified

16637 released by the commissioner (i) with the written consent of the company or (ii) to the
16638 American Academy of Actuaries upon request stating that the memorandum or other material is
16639 required for the purpose of professional disciplinary proceedings and setting forth procedures
16640 satisfactory to the commissioner for preserving the confidentiality of the memorandum or other
16641 material. Once any portion of the confidential memorandum is cited in its marketing or is cited
16642 before any governmental agency other than the department or is released to the news media, all
16643 portions of the memorandum are no longer confidential.

16997 contract for determining the paid-up annuity benefit; and

16998 (ii) the payment described in Subsection (3)(c)(i), relieves the company of any further

17007 (a) (i) With respect to contracts providing for flexible considerations, the minimum
17008 nonforfeiture amount at any time at or before the commencement of any annuity payments shall
17009 be equal to an accumulation up to such time, at a rate of interest of 3% per annum of
17010 percentages of the net considerations paid prior to such time:

17015 due and accrued; and

17016 (B) increased by any existing additional amounts credited by the company to the
17017 contract.

17018 (ii) For purposes of this Subsection (4)(a), the net consideration for a given contract
17019 year used to define the minimum nonforfeiture amount shall be:

17020 (A) an amount not less than zero; and

17021 (B) equal to the corresponding gross considerations credited to the contract during that
17022 contract year less:

17023 (I) an annual contract charge of \$30; and

17024 (II) a collection charge of \$1.25 per consideration credited to the contract during that
17025 contract year.

17026 (iii) The percentages of net considerations shall be:
17027 (A) 65% of the net consideration for the first contract year; and
17028 (B) 87-1/2% of the net considerations for the second and later contract years.
17029 (iv) Notwithstanding Subsection (4)(a)(iii), the percentage shall be 65% of the portion
17030 of the total net consideration for any renewal contract year that exceeds by not more than two

17032 percentage was 65%.

17033 (b) (i) Except as provided in Subsections (4)(b)(ii) and (iii), with respect to contracts
17034 providing for fixed scheduled consideration, minimum nonforfeiture amounts shall be:
17035 (A) calculated on the assumption that considerations are paid annually in advance; and
17036 (B) defined as for contracts with flexible considerations that are paid annually.
17037 (ii) The portion of the net consideration for the first contract year to be accumulated
17038 shall be equal to an amount that is the sum of:
17039 (A) 65% of the net consideration for the first contract year; and
17040 (B) 22-1/2% of the excess of the net consideration for the first contract year over the
17041 lesser of the net considerations for:
17042 (I) the second contract year; and
17043 (II) the third contract year.
17044 (iii) The annual contract charge shall be the lesser of \$30 or 10% of the gross annual
17045 consideration.

17046 (c) With respect to contracts providing for a single consideration payment, minimum
17047 nonforfeiture amounts shall be defined as for contracts with flexible considerations except that:
17048 (i) the percentage of net consideration used to determine the minimum nonforfeiture
17049 amount shall be equal to 90%; and
17050 (ii) the net consideration shall be the gross consideration less a contract charge of \$75.
17051 (5) For a policy issued on or after June 1, 2006, the minimum values as specified in
17052 Subsections (7), (8), (9), (10), and (12) of any paid-up annuity, cash surrender, or death benefits
17053 available under an annuity contract shall be based upon minimum nonforfeiture amounts as

17054 established in this Subsection (5).

17055 (a) The minimum nonforfeiture amount at any time at or before the commencement of
17056 any annuity payments shall be equal to an accumulation up to such time, at rates of interest as
17057 indicated in Subsection (5)(b), of 87-1/2% of the gross considerations paid before such time
17058 decreased by the sum of:

17059 (i) any prior withdrawals from or partial surrenders of the contract accumulated at rates
17060 of interest as indicated in Subsection (5)(b);

17061 (ii) an annual contract charge of \$50, accumulated at rates of interest as indicated in
17062 Subsection (5)(b);

17063 (iii) any premium tax paid by the company for the contract, accumulated at rates of
17064 interest as indicated in Subsection (5)(b); and

17065 (iv) the amount of any indebtedness to the company on the contract, including interest
17066 due and accrued.

17067 (b) (i) The interest rate used in determining minimum nonforfeiture amounts shall be an
17068 annual rate of interest determined as the lesser of:

17069 (A) 3% per annum; and

17070 (B) the five-year Constant Maturity Treasury Rate reported by the Federal Reserve,
17071 rounded to the nearest 1/20th of 1%, as of a date or average over a period no longer than 15
17072 months prior to the contract issue date or redetermination date under Subsection (5)(b)(iii):

17073 (I) reduced by 125 basis points; and

17074 (II) where the resulting interest rate is not less than 1%.

17075 (ii) The interest rate shall apply for an initial period and may be redetermined for
17076 additional periods.

17077 (iii) (A) If the interest rate will be reset, the contract shall state:

17078 (I) the initial period;

17079 (II) the redetermination date;

17080 (III) the redetermination basis; and

17081 (IV) the redetermination period.

17082 (B) The basis is the date or average over a specified period that produces the value of
17083 the five-year Constant Maturity Treasury Rate to be used at each redetermination date.

17084 (c) (i) During the period or term that a contract provides substantive participation in an
17085 equity indexed benefit, the reduction described in Subsection (5)(b)(i)(B)(I) may be increased by
17086 up to an additional 100 basis points to reflect the value of the equity index benefit.

17087 (ii) The present value of the additional reduction at the contract issue date and at each
17088 redetermination date may not exceed the market value of the benefit.

17089 (iii) (A) The commissioner may require a demonstration that the present value of the
17090 additional reduction does not exceed the market value of the benefit.

17091 (B) If the demonstration required under Subsection (5)(c)(iii)(A) is not made to the
17092 satisfaction of the commissioner, the commissioner may disallow or limit the additional
17093 reduction.

17094 (6) Notwithstanding Subsection (4), for a policy issued on or after June 1, 2004 and
17095 before June 1, 2006, at the election of a company, on a contract form-by-contract form basis,
17096 the minimum values as specified in Subsections (7), (8), (9), (10), and (12) of any paid-up
17097 annuity, cash surrender, or death benefits available under an annuity contract may be based upon
17098 minimum nonforfeiture amounts as established in Subsection (5).

17099 (7) (a) Any paid-up annuity benefit available under a contract shall be such that the
17100 contract's present value on the date annuity payments are to commence is at least equal to the
17101 minimum nonforfeiture amount on that date.

17102 (b) The present value described in Subsection (7)(a) shall be computed using the
17103 mortality table, if any, and the interest rate specified in the contract for determining the
17104 minimum paid-up annuity benefits guaranteed in the contract.

17105 (8) (a) For contracts that provide cash surrender benefits, the cash surrender benefits
17106 available before maturity may not be less than the present value as of the date of surrender of
17107 that portion of the cash surrender value that would be provided under the contract at maturity
17108 arising from considerations paid before the time of cash surrender:

17109 (i) decreased by the amount appropriate to reflect any prior withdrawals from or partial

17110 surrender of the contract;

17111 (ii) decreased by the amount of any indebtedness to the company on the contract,
17112 including interest due and accrued; and

17113 (iii) increased by any existing additional amounts credited by the company to the
17114 contract.

17115 (b) For purposes of this Subsection (8), the present value being calculated on the basis
17116 of an interest rate not more than 1% higher than the interest rate specified in the contract for
17117 accumulating the net considerations to determine the maturity value.

17118 (c) In no event shall any cash surrender benefit be less than the minimum nonforfeiture
17119 amount at that time.

17120 (d) The death benefit under a contract described in Subsection (8)(a) shall be at least
17121 equal to the cash surrender benefit.

17122 (9) (a) For contracts that do not provide cash surrender benefits, the present value of
17123 any paid-up annuity benefit available as a nonforfeiture option at any time prior to maturity may
17124 not be less than the present value of that portion of the maturity value of the paid-up annuity
17125 benefit provided under the contract arising from considerations paid before the time the contract
17126 is surrendered in exchange for, or changed to, a deferred paid-up annuity increased by any
17127 existing additional amounts credited by the company to the contract.

17128 (b) For purposes of this Subsection (9), the present value being calculated for the
17129 period prior to the maturity date on the basis of the interest rate specified in the contract for
17130 accumulating the net considerations to determine maturity value.

17131 (c) For contracts that do not provide any death benefits before commencement of any
17132 annuity payments, the present values shall be calculated on the basis of the interest rate and the
17133 mortality table specified in the contract for determining the maturity value of the paid-up
17134 annuity benefit.

17135 (d) In no event shall the present value of a paid-up annuity benefit be less than the
17136 minimum nonforfeiture amount at that time.

17137 (10) (a) For the purpose of determining the benefits calculated under Subsections (8)

17138 and (9), the maturity date shall be considered to be the latest date permitted by the contract,
17139 except that it may not be considered to be later than the later of:

- 17140 (i) the anniversary of the contract next following the annuitant's 70th birthday; or
- 17141 (ii) the tenth anniversary of the contract.

17142 (b) For a contract that provides cash surrender benefits, the cash surrender value on or
17143 past the maturity date shall be equal to the amount used to determine the annuity benefit
17144 payments.

17145 (c) A surrender charge may not be imposed on or past maturity.

17146 (11) Any contract that does not provide cash surrender benefits or does not provide
17147 death benefits at least equal to the minimum nonforfeiture amount before the commencement of
17148 any annuity payments shall include a statement in a prominent place in the contract that these
17149 benefits are not provided.

17150 (12) Any paid-up annuity, cash surrender, or death benefits available at any time, other
17151 than on the contract anniversary under any contract with fixed scheduled considerations, shall
17152 be calculated with allowance for the lapse of time and the payment of any scheduled
17153 considerations beyond the beginning of the contract year in which cessation of payment of
17154 considerations under the contract occurs.

17155 (13) (a) For any contract that provides, within the same contract by rider or
17156 supplemental contract provisions, both annuity benefits and life insurance benefits that are in
17157 excess of the greater of cash surrender benefits or a return of the gross considerations with
17158 interest, the minimum nonforfeiture benefits shall:

17159 (i) be equal to the sum of:

17160 (A) the minimum nonforfeiture benefits for the annuity portion; and

17161 (B) the minimum nonforfeiture benefits, if any, for the life insurance portion; and

17162 (ii) computed as if each portion were a separate contract.

17163 (b) (i) Notwithstanding Subsections (7), (8), (9), (10), and (12), additional benefits
17164 payable, as described in Subsection (13)(b)(ii), and consideration for the additional benefits
17165 payable, shall be disregarded in ascertaining, if required by this section:

- 17166 (A) the minimum nonforfeiture amounts;
- 17167 (B) paid-up annuity;
- 17168 (C) cash surrender; and
- 17169 (D) death benefits.
- 17170 (ii) For purposes of this Subsection (13), an additional benefit is a benefit payable:
- 17171 (A) in the event of total and permanent disability;
- 17172 (B) as reversionary annuity or deferred reversionary annuity benefits; or
- 17173 (C) as other policy benefits additional to life insurance, endowment, and annuity
- 17174 benefits.
- 17175 (iii) The inclusion of the additional benefits described in this Subsection (13) may not be
- 17176 required in any paid-up benefits, unless the additional benefits separately would require:
- 17177 (A) minimum nonforfeiture amounts;
- 17178 (B) paid-up annuity;
- 17179 (C) cash surrender; and
- 17180 (D) death benefits.
- 17181 (14) In accordance with [~~Title 63, Chapter 46a~~] Title 63G, Chapter 3, Utah
- 17182 Administrative Rulemaking Act, the commissioner may adopt rules necessary to implement this
- 17183 section, including:
- 17184 (a) ensuring that any additional reduction under Subsection (5)(c) is consistent with the
- 17185 requirements imposed by Subsection (5)(c); and
- 17186 (b) providing for adjustments in addition to the adjustments allowed under Subsection
- 17187 (5)(c) to the calculation of minimum nonforfeiture amounts for:
- 17188 (i) contracts that provide substantive participation in an equity index benefit; and
- 17189 (ii) other contracts for which the commissioner determines adjustments are justified.
- 17190 (15) (a) After this section takes effect, any company may file with the commissioner a
- 17191 written notice of its election to comply with this section after a specified date before July 1,
- 17192 1988.
- 17193 (b) This section applies to annuity contracts of a company issued on or after the date

17194 the company specifies in the notice.

17195 (c) If a company makes no election under Subsection (15)(a), the operative date of this
17196 section for such company is July 1, 1988.

17197 Section 367. Section **31A-22-425** is amended to read:

17232 **31A-22-625. Catastrophic coverage of mental health conditions.**

17233 (1) As used in this section:

17234 (a) (i) "Catastrophic mental health coverage" means coverage in a health insurance
17235 policy or health maintenance organization contract that does not impose any lifetime limit,
17236 annual payment limit, episodic limit, inpatient or outpatient service limit, or maximum
17237 out-of-pocket limit that places a greater financial burden on an insured for the evaluation and
17238 treatment of a mental health condition than for the evaluation and treatment of a physical health
17239 condition.

17240 (ii) "Catastrophic mental health coverage" may include a restriction on cost sharing
17241 factors, such as deductibles, copayments, or coinsurance, prior to reaching any maximum
17242 out-of-pocket limit.

17243 (iii) "Catastrophic mental health coverage" may include one maximum out-of-pocket
17244 limit for physical health conditions and another maximum out-of-pocket limit for mental health
17245 conditions, provided that, if separate out-of-pocket limits are established, the out-of-pocket
17246 limit for mental health conditions may not exceed the out-of-pocket limit for physical health
17247 conditions.

17248 (b) (i) "50/50 mental health coverage" means coverage in a health insurance policy or

17268 (e) "Small employer" is as defined in Section 31A-1-301.

17269 (2) (a) At the time of purchase and renewal, an insurer shall offer to each small
17270 employer that it insures or seeks to insure a choice between catastrophic mental health coverage
17271 and 50/50 mental health coverage.

17272 (b) In addition to Subsection (2)(a), an insurer may offer to provide:

17273 (i) catastrophic mental health coverage, 50/50 mental health coverage, or both at levels
17274 that exceed the minimum requirements of this section; or

17275 (ii) coverage that excludes benefits for mental health conditions.

17276 (c) A small employer may, at its option, choose either catastrophic mental health
17277 coverage, 50/50 mental health coverage, or coverage offered under Subsection (2)(b),

17278 regardless of the employer's previous coverage for mental health conditions.

17279 (d) An insurer is exempt from the 30% index rating restriction in Subsection
17280 31A-30-106(1)(b) and, for the first year only that catastrophic mental health coverage is chosen,
17281 the 15% annual adjustment restriction in Subsection 31A-30-106(1)(c)(ii), for any small
17282 employer with 20 or less enrolled employees who chooses coverage that meets or exceeds
17283 catastrophic mental health coverage.

17284 (3) (a) At the time of purchase and renewal, an insurer shall offer catastrophic mental
17285 health coverage to each large employer that it insures or seeks to insure.

17286 (b) In addition to Subsection (3)(a), an insurer may offer to provide catastrophic mental

17291 (4) (a) An insurer may provide catastrophic mental health coverage through a managed
17292 care organization or system in a manner consistent with the provisions in Chapter 8, Health

17295 conditions.

17296 (b) (i) Notwithstanding any other provision of this title, an insurer may:

17297 (A) establish a closed panel of providers for catastrophic mental health coverage; and

17298 (B) refuse to provide any benefit to be paid for services rendered by a nonpanel
17299 provider unless:

17300 (I) the insured is referred to a nonpanel provider with the prior authorization of the
17301 insurer; and

17302 (II) the nonpanel provider agrees to follow the insurer's protocols and treatment
17303 guidelines.

17304 (ii) If an insured receives services from a nonpanel provider in the manner permitted by
17305 Subsection (4)(b)(i)(B), the insurer shall reimburse the insured for not less than 75% of the

17306 average amount paid by the insurer for comparable services of panel providers under a
17307 noncapitated arrangement who are members of the same class of health care providers.

17308 (iii) Nothing in this Subsection (4)(b) may be construed as requiring an insurer to
17309 authorize a referral to a nonpanel provider.

17310 (c) To be eligible for catastrophic mental health coverage, a diagnosis or treatment of a
17311 mental health condition must be rendered:

17312 (i) by a mental health therapist as defined in Section 58-60-102; or

17318 health coverage in a manner that is inconsistent with the provisions of this section.

17319 (6) The commissioner shall:

17320 (a) adopt rules as necessary to ensure compliance with this section; and

17321 (b) provide general figures on the percentage of contracts and policies that include no

17326 mental health services before January 1, 2004; and

17327 (b) make a recommendation as to whether the provisions of this section should be
17328 modified and whether the cost-sharing requirements for mental health conditions should be the
17329 same as for physical health conditions.

17330 (8) (a) An insurer shall offer catastrophic mental health coverage as part of a health
17331 maintenance organization contract that is governed by Chapter 8, Health Maintenance
17332 Organizations and Limited Health Plans, that is in effect on or after January 1, 2001.

17333 (b) An insurer shall offer catastrophic mental health coverage as a part of a health

17334 insurance policy that is not governed by Chapter 8, Health Maintenance Organizations and

17336 (c) This section does not apply to the purchase or renewal of an individual insurance

17775 (D) a person on behalf of any of the persons listed in this Subsection (1)(a)(i).

17776 (ii) As used in this Subsection (1), "false or misleading information" includes:

17777 (A) assuring the nonobligatory payment of future dividends or refunds of unused
17778 premiums in any specific or approximate amounts, but reporting fully and accurately past
17779 experience is not false or misleading information; and

17780 (B) with intent to deceive a person examining it:

17781 (I) filing a report;

17782 (II) making a false entry in a record; or
17783 (III) wilfully refraining from making a proper entry in a record.
17784 (iii) A licensee under this title may not:
17785 (A) use any business name, slogan, emblem, or related device that is misleading or likely
17786 to cause the insurer or other licensee to be mistaken for another insurer or other licensee already
17787 in business; or
17788 (B) use any advertisement or other insurance promotional material that would cause a
17789 reasonable person to mistakenly believe that a state or federal government agency:
17790 (I) is responsible for the insurance sales activities of the person;
17791 (II) stands behind the credit of the person;
17792 (III) guarantees any returns on insurance products of or sold by the person; or
17793 (IV) is a source of payment of any insurance obligation of or sold by the person.
17794 (iv) A person who is not an insurer may not assume or use any name that deceptively
17795 implies or suggests that person is an insurer.
17796 (v) A person other than persons licensed as health maintenance organizations under
17797 Chapter 8 may not use the term "Health Maintenance Organization" or "HMO" in referring to
17798 itself.
17799 (b) A licensee's violation creates a rebuttable presumption that the violation was also
17800 committed by the insurer if:
17801 (i) the licensee under this title distributes cards or documents, exhibits a sign, or
17802 publishes an advertisement that violates Subsection (1)(a), with reference to a particular insurer:
17803 (A) that the licensee represents; or
17804 (B) for whom the licensee processes claims; and
17805 (ii) the cards, documents, signs, or advertisements are supplied or approved by that
17806 insurer.
17807 (2) (a) (i) A licensee under this title, or an officer or employee of a licensee may not
17808 induce any person to enter into or continue an insurance contract or to terminate an existing
17809 insurance contract by offering benefits not specified in the policy to be issued or continued,

17810 including premium or commission rebates.

17811 (ii) An insurer may not make or knowingly allow any agreement of insurance that is not
17812 clearly expressed in the policy to be issued or renewed.

17813 (iii) This Subsection (2)(a) does not preclude:

17814 (A) an insurer from reducing premiums because of expense savings;

17815 (B) an insurer from providing to a policyholder or insured one or more incentives to
17816 participate in programs or activities designed to reduce claims or claim expenses;

17817 (C) the usual kinds of social courtesies not related to particular transactions; or

17818 (D) an insurer from receiving premiums under an installment payment plan.

17819 (iv) The commissioner may adopt rules in accordance with [~~Title 63, Chapter 46a~~] Title
17820 63G, Chapter 3, Utah Administrative Rulemaking Act, to define what constitutes an incentive
17821 described in Subsection (2)(a)(iii)(B).

17822 (b) A licensee under this title may not absorb the tax under Section 31A-3-301.

17823 (c) (i) A title insurer or producer or any officer or employee of either may not pay,
17824 allow, give, or offer to pay, allow, or give, directly or indirectly, as an inducement to obtaining
17825 any title insurance business:

17826 (A) any rebate, reduction, or abatement of any rate or charge made incident to the
17827 issuance of the title insurance;

17828 (B) any special favor or advantage not generally available to others; or

17829 (C) any money or other consideration, except if approved under Section 31A-2-405; or

17830 (D) material inducement.

17831 (ii) "Charge made incident to the issuance of the title insurance" includes escrow
17832 charges, and any other services that are prescribed in rule by the Title and Escrow Commission
17833 after consultation with the commissioner and subject to Section 31A-2-404.

17834 (iii) An insured or any other person connected, directly or indirectly, with the
17835 transaction, including a mortgage lender, real estate broker, builder, attorney, or any officer,
17836 employee, or agent of any of them, may not knowingly receive or accept, directly or indirectly,
17837 any benefit referred to in Subsection (2)(c)(i).

17838 (3) (a) An insurer may not unfairly discriminate among policyholders by charging
17839 different premiums or by offering different terms of coverage, except on the basis of
17840 classifications related to the nature and the degree of the risk covered or the expenses involved.

17841 (b) Rates are not unfairly discriminatory if they are averaged broadly among persons
17842 insured under a group, blanket, or franchise policy, and the terms of those policies are not
17843 unfairly discriminatory merely because they are more favorable than in similar individual
17844 policies.

17845 (4) (a) This Subsection (4) applies to:

17846 (i) a person who is or should be licensed under this title;

17847 (ii) an employee of that licensee or person who should be licensed;

17848 (iii) a person whose primary interest is as a competitor of a person licensed under this
17849 title; and

17850 (iv) one acting on behalf of any person described in Subsections (4)(a)(i) through (iii).

17851 (b) A person described in Subsection (4)(a) may not commit or enter into any
17852 agreement to participate in any act of boycott, coercion, or intimidation that:

17853 (i) tends to produce:

17854 (A) an unreasonable restraint of the business of insurance; or

17855 (B) a monopoly in that business; or

17856 (ii) results in an applicant purchasing or replacing an insurance contract.

17857 (5) (a) (i) Subject to Subsection (5)(a)(ii), a person may not restrict in the choice of an
17858 insurer or licensee under this chapter, another person who is required to pay for insurance as a
17859 condition for the conclusion of a contract or other transaction or for the exercise of any right
17860 under a contract.

17861 (ii) A person requiring coverage may reserve the right to disapprove the insurer or the
17862 coverage selected on reasonable grounds.

17863 (b) The form of corporate organization of an insurer authorized to do business in this
17864 state is not a reasonable ground for disapproval, and the commissioner may by rule specify
17865 additional grounds that are not reasonable. This Subsection (5) does not bar an insurer from

17866 declining an application for insurance.

17867 (6) A person may not make any charge other than insurance premiums and premium
17868 financing charges for the protection of property or of a security interest in property, as a
17869 condition for obtaining, renewing, or continuing the financing of a purchase of the property or
17870 the lending of money on the security of an interest in the property.

17871 (7) (a) A licensee under this title may not refuse or fail to return promptly all indicia of
17872 agency to the principal on demand.

17873 (b) A licensee whose license is suspended, limited, or revoked under Section
17874 31A-2-308, 31A-23a-111, or 31A-23a-112 may not refuse or fail to return the license to the
17875 commissioner on demand.

17876 (8) (a) A person may not engage in any other unfair method of competition or any other
17877 unfair or deceptive act or practice in the business of insurance, as defined by the commissioner
17878 by rule, after a finding that they:

- 17879 (i) are misleading;
- 17880 (ii) are deceptive;
- 17881 (iii) are unfairly discriminatory;
- 17882 (iv) provide an unfair inducement; or
- 17883 (v) unreasonably restrain competition.

17884 (b) Notwithstanding Subsection (8)(a), for purpose of the title insurance industry, the
17885 Title and Escrow Commission shall make rules, subject to Section 31A-2-404, that define any
17886 other unfair method of competition or any other unfair or deceptive act or practice after a
17887 finding that they:

- 17888 (i) are misleading;
- 17889 (ii) are deceptive;
- 17890 (iii) are unfairly discriminatory;
- 17891 (iv) provide an unfair inducement; or
- 17892 (v) unreasonably restrain competition.

17922 (2) Nothing contained in this section affects the right of the commissioner to impose

18907 (A) the submissions of the parties; and

18908 (B) if applicable, the report and recommendation of the expert retained in accordance
18909 with Subsection (6).

18910 (b) Following the expiration of the two-year period described in Subsection (8)(a), the
18911 liquidator may again invoke arbitration in accordance with Subsection (2), in which event

18913 obliged to issue an award under Subsection (8)(a).

18914 (9) Once an award is issued, the liquidator shall promptly submit the award to the
18915 receivership court for confirmation.

18916 (10) (a) Within 30 days of the day on which the receivership court confirms the award,
18917 the reinsurer shall give notice to the receiver that the reinsurer:

18927 established under this Subsection (10)(b).

18928 (11) (a) If the reinsurer notifies the liquidator that it will commute the reinsurer's
18929 liabilities pursuant to Subsection (10)(a)(i), the liquidator has 30 days from the day on which the

18930 reinsurer notifies the liquidator to:

18931 (i) tender to the reinsurer a proposed commutation and release agreement:

18932 (A) providing for a full and complete release of all liabilities between the parties,
18933 whether past, present, or future;

18935 days from the day on which the agreement is consummated; or

18936 (ii) reject the commutation in writing, subject to receivership court approval.

18937 (b) If the liquidator rejects the commutation subject to approval of the receivership
18938 court in accordance with Subsection (11)(a)(ii), the reinsurer shall establish and maintain a

18943 Subsections (6), (7), (8), (10), and (11) may be extended:

18944 (a) upon the consent of the parties; or

18945 (b) by order of the receivership court, for good cause shown.

18946 (13) Subject to Subsection (14), this section may not be construed to supersede or
18947 impair any provision in a reinsurance agreement that establishes a commercially reasonable and
18948 actuarially sound method for valuing and commuting the obligations of the parties to the
18949 reinsurance agreement by providing in the contract the specific methodology to be used for
18950 valuing and commuting the obligations between the parties.

18951 (14) (a) A commutation provision in a reinsurance agreement is not effective if it is
18952 demonstrated to the receivership court that the provision is entered into in contemplation of the
18953 insolvency of one or more of the parties.

18954 (b) A contractual commutation provision entered into within one year of the day on
18955 which the liquidation order of the insurer is entered is rebuttably presumed to have been entered
18956 into in contemplation of insolvency.

19184 31A-22-625.

19185 (ii) A covered carrier that offers individual and small employer health benefit plans may

19189 rating period, adjusted pro rata for rating periods less than a year, may not exceed the sum of

19214 calendar month as having the same rating period.

23222 (1) (a) The division, as soon as practicable, shall issue as standards any national
23223 consensus standard, any adopted federal standard, or any adopted Utah standard, unless it
23224 determines that issuance of the standard would not result in improved safety or health.

23225 (b) All codes, standards, and rules adopted under Subsection (1)(a) shall take effect 30
23226 days after publication unless otherwise specified.

23227 (c) If any conflict exists between standards, the division shall issue the standard that
23228 assures the greatest protection of safety or health for affected employees.

23229 (2) The division may issue, modify, or revoke any standard as follows:

23230 (a) (i) Whenever the administrator determines upon the basis of information submitted
23231 in writing by an interested person, a representative of any organization of employers or
23232 employees, a nationally recognized standards-producing organization, the Department of
23233 Health, or a state agency or political subdivision, or on information developed by the division or
23234 otherwise available, that a rule should be promulgated to promote the objectives of this chapter,
23235 the administrator may request recommendations from the advisory council.

23236 (ii) The administrator shall provide the advisory council with proposals, together with
23237 all pertinent factual information developed by the division, or otherwise available, including the
23238 results of research, demonstrations, and experiments.

23239 (iii) The advisory council shall submit to the administrator its recommendations
23240 regarding the rule to be promulgated within a period as prescribed by the administrator.

23241 (b) The division shall publish a proposed rule issuing, modifying, or revoking an

23243 submit written data or comments as prescribed by [~~Title 63, Chapter 46a~~] Title 63G, Chapter 3,
23244 Utah Administrative Rulemaking Act. When the administrator determines that a rule should be
23245 issued, the division shall publish the proposed rule after the submission of the advisory council's
23246 recommendations or the expiration of the period prescribed by the administrator for submission.

23247 (c) The administrator, in issuing standards for toxic materials or harmful physical agents
23248 under this subsection, shall set the standard which most adequately assures, to the extent
23249 feasible, on the basis of the best available evidence, that no employee will suffer material
23250 impairment of health or functional capacity even if the employee has regular exposure to the
23251 hazard during an employee's working life. Development of standards under this subsection shall
23252 be based upon research, demonstrations, experiments, and other information deemed
23253 appropriate. In addition to the attainment of the highest degree of health and safety protection
23254 for the employee, other considerations shall be the latest available scientific data in the field, the
23255 feasibility of the standards, and experience under this and other health and safety laws.
23256 Whenever practicable, the standard shall be expressed in terms of objective criteria and of the
23257 performance desired.

23258 (d) (i) Any employer may apply to the administrator for a temporary order granting a
23259 variance from a standard issued under this section. Temporary orders shall be granted only if
23260 the employer:

23261 (A) files an application which meets the requirements of Subsection (2)(d)(iv);

23262 (B) establishes that the employer is unable to comply with a standard by its effective
23263 date because of unavailability of professional or technical personnel or of materials and
23264 equipment needed for compliance with the standard or because necessary construction or
23265 alteration of facilities cannot be completed by the effective date;

23266 (C) establishes that the employer is taking all available steps to safeguard the employer's
23267 employees against hazards; and

23268 (D) establishes that the employer has an effective program for compliance as quickly as
23269 practicable.

23270 (ii) Any temporary order shall prescribe the practices, means, methods, operations, and
23271 processes which the employer must adopt and use while the order is in effect and state in detail
23272 the employer's program for compliance with the standard. A temporary order may be granted
23273 only after notice to employees and an opportunity for a public hearing; provided, that the
23274 administrator may issue one interim order effective until a decision is made after public hearing.

23275 (iii) A temporary order may not be in effect longer than the period reasonably required
23276 by the employer to achieve compliance. In no case shall the period of a temporary order exceed
23277 one year.

23278 (iv) An application for a temporary order under Subsection (2)(d) shall contain:

23279 (A) a specification of the standard or part from which the employer seeks a variance;

23280 (B) a representation by the employer, supported by representations from qualified
23281 persons having first-hand knowledge of the facts represented, that the employer is unable to
23282 comply with the standard or some part of the standard;

23283 (C) a detailed statement of the reasons the employer is unable to comply;

23284 (D) a statement of the measures taken and anticipated with specific dates, to protect
23285 employees against the hazard;

23286 (E) a statement of when the employer expects to comply with the standard and what
23287 measures the employer has taken and those anticipated, giving specific dates for compliance;
23288 and

23289 (F) a certification that the employer has informed the employer's employees of the
23290 application by:

23291 (I) giving a copy to their authorized representative;

23292 (II) posting a statement giving a summary of the application and specifying where a
23293 copy may be examined at the place or places where notices to employees are normally posted;
23294 and

23295 (III) by other appropriate means.

23296 (v) The certification required under Subsection (2)(d)(iv) shall contain a description of
23297 how employees have been informed.

23298 (vi) The information to employees required under Subsection (2)(d)(v) shall inform the
23299 employees of their right to petition the division for a hearing.

23300 (vii) The administrator is authorized to grant a variance from any standard or some part
23301 of the standard when the administrator determines that it is necessary to permit an employer to
23302 participate in a research and development project approved by the administrator to demonstrate
23303 or validate new and improved techniques to safeguard the health or safety of workers.

23304 (e) (i) Any standard issued under this subsection shall prescribe the use of labels or
23305 other forms of warning necessary to ensure that employees are apprised of all hazards, relevant
23306 symptoms and emergency treatment, and proper conditions and precautions of safe use or
23307 exposure. When appropriate, a standard shall prescribe suitable protective equipment and
23308 control or technological procedures for use in connection with such hazards and provide for
23309 monitoring or measuring employee exposure at such locations and intervals, and in a manner
23310 necessary for the protection of employees. In addition, any such standard shall prescribe the
23311 type and frequency of medical examinations or other tests which shall be made available by the
23312 employer, or at ~~his~~ the employer's cost, to employees exposed to hazards in order to most
23313 effectively determine whether the health of employees is adversely affected by exposure. If
23314 medical examinations are in the nature of research as determined by the division, the
23315 examinations may be furnished at division expense. The results of such examinations or tests
23316 shall be furnished only to the division; and, at the request of the employee, to the employee's
23317 physician.

23318 (ii) The administrator may by rule make appropriate modifications in requirements for
23319 the use of labels or other forms of warning, monitoring or measuring, and medical examinations
23320 warranted by experience, information, or medical or technological developments acquired
23321 subsequent to the promulgation of the relevant standard.

23322 (f) Whenever a rule issued by the administrator differs substantially from an existing
23323 national consensus standard, the division shall publish a statement of the reasons why the rule as
23324 adopted will better effectuate the purposes of this chapter than the national consensus standard.

23325 (g) Whenever a rule, standard, or national consensus standard is modified by the

23326 secretary so as to make less restrictive the federal Williams-Steiger Occupational Safety and
23327 Health Act of 1970, the less restrictive modification shall be immediately applicable to this
23328 chapter and shall be immediately implemented by the division.

23329 (3) (a) The administrator shall provide an emergency temporary standard to take
23330 immediate effect upon publication if the administrator determines that:

23331 (i) employees are exposed to grave danger from exposure to substances or agents
23332 determined to be toxic or physically harmful or from new hazards; and

23333 (ii) that the standard is necessary to protect employees from danger.

23334 (b) An emergency standard shall be effective until superseded by a standard issued in
23335 accordance with the procedures prescribed in Subsection (3)(c).

23336 (c) Upon publication of an emergency standard the division shall commence a
23337 proceeding in accordance with Subsection (2) and the standard as published shall serve as a
23338 proposed rule for the proceedings. The division shall issue a standard under Subsection (3) no
23339 later than 120 days after publication of the emergency standard.

23340 (4) (a) Any affected employer may apply to the division for a rule or order for a
23341 variance from a standard issued under this section. Affected employees shall be given notice of
23342 each application and may participate in a hearing. The administrator shall issue a rule or order if
23343 the administrator determines on the record, after opportunity for an inspection where
23344 appropriate and a hearing, that the proponent of the variance has demonstrated by a
23345 preponderance of the evidence that the conditions, practices, means, methods, operations, or
23346 processes used or proposed to be used by an employer will provide employment and a
23347 workplace to the employer's employees that are as safe and healthful as those which would
23348 prevail if the employer complied with the standard.

23349 (b) The rule or order issued under Subsection (4)(a) shall prescribe the conditions the
23350 employer must maintain, and the practices, means, methods, operations and processes that the
23351 employer must adopt and use to the extent they differ from the standard in question.

23352 (c) A rule or order issued under Subsection (4)(a) may be modified or revoked upon
23353 application by an employer, employees, or by the administrator on its own motion, in the

23354 manner prescribed for its issuance under Subsection (4) at any time after six months from its
 23355 issuance.

23356 (5) The administrator shall include a statement of reasons for the administrator's actions
 23357 when the administrator:

23358 (a) issues any code, standard, rule, or order;

23359 (b) grants any exemption or extension of time; or

23360 (c) compromises, mitigates, or settles any penalty assessed under this chapter.

23361 (6) Any person adversely affected by a standard issued under this section, at any time
 23362 prior to 60 days after a standard is issued, may file a petition challenging its validity with the
 23363 district court having jurisdiction for judicial review. A copy of the petition shall be served upon
 23364 the division by the petitioner. The filing of a petition shall not, unless otherwise ordered by the
 23365 court, operate as a stay of the standard. The determinations of the division shall be conclusive if
 23366 supported by substantial evidence on the record as a whole.

23367 (7) In determining the priority for establishing standards under this section, the division
 23368 shall give due regard to the urgency of the need for mandatory safety and health standards for
 23369 particular industries, trades, crafts, occupations, businesses, workplaces or work environments.
 23370 The administrator shall also give due regard to the recommendations of the Department of
 23371 Health about the need for mandatory standards in determining the priority for establishing the
 23372 standards.

 23379 owner, operator, or agent in charge, may:

23380 (i) enter without delay at reasonable times any workplace where work is performed by
 23381 an employee of an employer;

23382 (ii) inspect and investigate during regular working hours and at other reasonable times
23383 in a reasonable manner, any workplace, worker injury, occupational disease, or complaint and
23384 all pertinent methods, operations, processes, conditions, structures, machines, apparatus,
23385 devices, equipment, and materials in the workplace; and

23386 (iii) question privately any such employer, owner, operator, agent, or employee.

23387 (b) The division, upon an employer's refusal to permit an inspection, may seek a warrant
23388 pursuant to the Utah Rules of Criminal Procedure.

23389 (2) (a) The division or its representatives may require the attendance and testimony of
23390 witnesses and the production of evidence under oath.

23391 (b) Witnesses shall receive fees and mileage in accordance with Section 78-46-28.

23392 (c) (i) If any person fails or refuses to obey an order of the division to appear, any
23393 district court within the jurisdiction of which such person is found, or resides or transacts
23394 business, upon the application by the division, shall have jurisdiction to issue to any person an
23395 order requiring that person to:

23396 (A) appear to produce evidence if, as, and when so ordered; and

23397 (B) give testimony relating to the matter under investigation or in question.

23398 (ii) Any failure to obey an order of the court described in this Subsection (2)(c) may be
23399 punished by the court as a contempt.

23421 prescribed by the Division of Industrial Accidents, of any work-related fatality or any
23422 work-related injury or occupational disease resulting in:

23429 Accidents of any previously reported injury or occupational disease that later resulted in death.

23430 (II) The subsequent report shall be filed with the Division of Industrial Accidents within
23431 seven days following the death or the employer's first knowledge or notification of the death.

23432 (iv) A report is not required for minor injuries, such as cuts or scratches that require
23433 first-aid treatment only, unless a treating physician files, or is required to file, the Physician's
23434 Initial Report of Work Injury or Occupational Disease with the Division of Industrial Accidents.

23435 (v) A report is not required:

23436 (A) for occupational diseases that manifest after the employee is no longer employed by

23455 (c) (i) The commission shall make rules in accordance with [~~Title 63, Chapter 46a~~] Title
23456 63G, Chapter 3, Utah Administrative Rulemaking Act, requiring employers to keep records

23468 employers, especially those operating small businesses.

23469 (5) A representative of the employer and a representative authorized by employees shall
23470 be given an opportunity to accompany the division's authorized representative during the
23471 physical inspection of any workplace. If there is no authorized employee representative, the
23472 division's authorized representative shall consult with a reasonable number of employees
23473 concerning matters of health and safety in the workplace.

23991 in the person's rate would be less than 2% for that year, then a penalty surcharge of
23992 contributions of 2% of taxable wages shall be imposed for the rate year during which the
23993 violation or attempted violation occurred and for the subsequent rate year.

23994 (ii) (A) If the person is not an employer, the person shall be subject to a civil penalty of

25593

25594 PURPOSE OF ACT -- UTILIZATION OF RESOURCES --

25596
25597 The purpose of this compact is to provide mutual aid among the States in meeting any

25615 plans, including inventories of any materials and equipment available for civil defense. In
25616 carrying out these civil defense plans and programs, the party States shall, if possible, provide

25636 Any party State requested to render mutual aid shall take any action necessary to

25637 provide and make available the resources covered by this compact in accordance with its terms;

25638 provided that it is understood that the State rendering aid may withhold resources to the extent

25639 necessary to provide reasonable protection for itself. Each party State shall extend to the civil

25640 defense forces of any other party State, while operating within its State limits under the terms

25641 and conditions of this compact, the same powers, except that of arrest unless specifically

25642 authorized by the receiving State, duties, rights, privileges, and immunities as if they were

25643 performing their duties in the State in which normally employed or rendering services. Civil

25644 defense forces will continue under the command and control of their regular leaders but the

25645 organizational units will come under the operational control of the civil defense authorities of

25646 the State receiving assistance.

Article 4

EFFECT OF STATE LICENSE, CERTIFICATE

OR PERMIT IN OTHER STATES

25650 Any person holding a license, certificate, or other permit issued by any State evidencing
25651 the meeting of qualifications for professional, mechanical, or other skills, may render aid
25652 involving the skill in any party State to meet an emergency or disaster and that State shall
25653 recognize the license, certificate, or other permit as if issued in the State in which aid is

25658 this compact shall be liable on account of any act or omission in good faith on the part of its
25659 forces while engaged, or on account of the maintenance or use of any equipment or supplies in
25660 connection with giving aid.

25661 Article 6

25662 BASIC CONSIDERATIONS AND AUXILIARY ACTION

25663 (1) Since it is probable that the pattern and detail of the machinery for mutual aid
25664 among two or more States may differ from that appropriate among other States party to this
25665 compact, this instrument contains elements of a broad base common to all States, and nothing
25666 contained in it shall preclude any State from entering into supplementary agreements with
25667 another State or States. Any supplementary agreements may comprehend, but shall not be
25668 limited to provisions for evacuation and reception of injured and other persons, and the
25669 exchange of medical, fire, police, public utility, reconnaissance, welfare, transportation and
25670 communications personnel, equipment, and supplies.

25671 (2) Any supplementary agreement made to implement this Article may not be construed
25672 to abridge, impair, or supersede any other provision of this compact or any obligation
25673 undertaken by a State pursuant to the terms of this compact. A supplementary agreement
25674 implementing this Article may modify, expand, or add to any obligation among the parties to the
25675 supplementary agreement.

25676 Article 7

25677 COMPENSATION AND BENEFITS

25678 Each party State shall provide for the payment of compensation and death benefits to
 25679 injured members of the civil defense forces of that State and the representatives of deceased
 25680 members of the forces of that State in case the members sustain injuries or are killed while
 25681 rendering aid pursuant to this compact, in the same manner and on the same terms as if the
 25682 injury or death were sustained within that State.

Article 8

CONTRIBUTIONS AND REIMBURSEMENTS

25685 Any party State rendering aid in another State pursuant to this compact shall be
 25686 reimbursed by the party State receiving aid for any loss or damage to or expense incurred in the
 25687 operation of any equipment answering a request for aid, and for the cost incurred in connection
 25688 with the requests; provided that any aiding party State may assume in whole or in part any loss,
 25689 damage, expense, or other cost, or may loan any equipment or donate any services to the
 25690 receiving party State without charge or cost; and provided further that any two or more party
 25691 States may enter into supplementary agreements establishing a different allocation of costs as
 25692 among those States. The United States Government may relieve the party States receiving aid
 25693 from any liability and reimburse the party State supplying civil defense forces for the
 25694 compensation paid to and the transportation, subsistence, and maintenance expenses of its
 25695 forces during the time of the rendition of aid or assistance outside the State and may also pay
 25696 fair and reasonable compensation for the use or utilization of the supplies, materials, equipment,
 25697 or facilities so utilized or consumed.

PLANS FOR EVACUATION AND RECEPTION OF POPULATIONS

25700 Plans for the orderly evacuation and reception of the civilian population as the result of
 25701 an emergency or disaster shall be worked out from time to time between representatives of the
 25702 party States and the various local civil defense areas. Any plans shall include the manner of
 25703 transporting evacuees, the number of evacuees to be received in different areas, the manner in
 25704 which food, clothing, housing, and medical care will be provided, the registration of the
 25705 evacuees, the providing of facilities for the notification of relatives or friends and the forwarding

25706 of evacuees to other areas or the bringing in of additional materials, supplies, and all other
25707 relevant factors. Any plans shall provide that the party State receiving evacuees shall be
25708 reimbursed generally for the out-of-pocket expenses incurred in receiving and caring for the
25709 evacuees, for expenditures for transportation, food, clothing, medicines and medical care, and
25710 like items. Any expenditures shall be reimbursed by the party State of which the evacuees are
25711 residents, or by the United States Government under plans approved by it. After the
25712 termination of the emergency or disaster, the party State of which the evacuees are residents
25713 shall assume the responsibility for the ultimate support or repatriation of the evacuees.

26203 (5) For the purpose of the hearing, the board may administer oaths, subpoena witnesses
26204 or written or printed materials, compel attendance of the witnesses or production of the
26205 materials, and take evidence, including, but not limited to, site inspections of the land to be
26206 affected and other surface coal mining operations carried on by the applicant in the general
26207 vicinity of the proposed operation. A verbatim record of each public hearing required by this
26208 chapter shall be made, and a transcript made available on the motion of any party or by order of

26232 consider, among other things, the degree of difficulty to complete any remaining reclamation,
26233 whether pollution of surface and subsurface water is occurring, the probability of continuance of
26234 future occurrence of the pollution, and the estimated cost of abating the pollution. The division
26235 shall notify the operator in writing of its decision to release or not to release all or part of the
26236 performance bond or deposit within 60 days from the filing of the request, if no public hearing is

26241 accomplished as required by this chapter according to the schedule set forth in the division's
26242 rules, but no bond shall be fully released until all reclamation requirements of this chapter are
26243 finally met.

26256 objections to the proposed release from bond with the division within 30 days after the last
26257 publication of the above notice.

26258 (b) If written objections are filed and a conference is requested, the division shall inform
