The Way We Tax: Utah's State and Local Tax System

Prepared for: Bagels & Briefings February 7, 2017

Presentation Outline

Tax Policy Overview

Sales & Use Taxes

Property Tax

Income Taxes

Utah's Comparative State & Local Tax Burden

Tax Policy: Why Does it Matter?

mon mon

STATISTICS DESCRIPTIONS

mini

Elements of an Optimum Tax System

Reliable

- Sufficient
- Stable
- Certain

Equitable

- Vertical Equity
- Horizontal Equity

Simple

- For taxpayers to pay
- For tax collectors to collect

Responsive to interstate and international competition

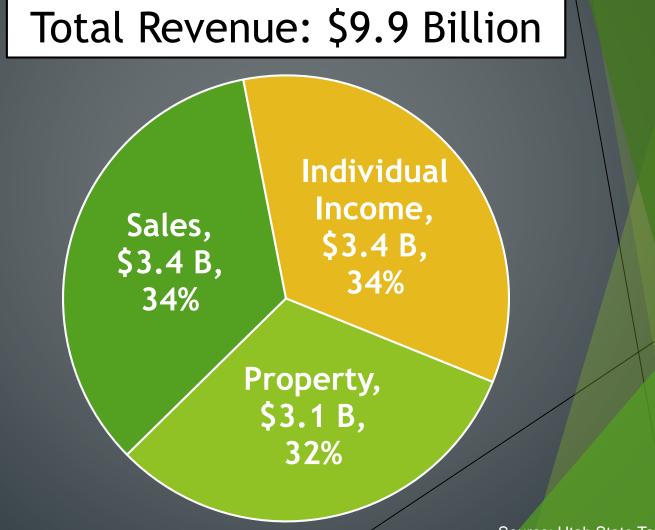

Economically neutral

Accountable and transparent

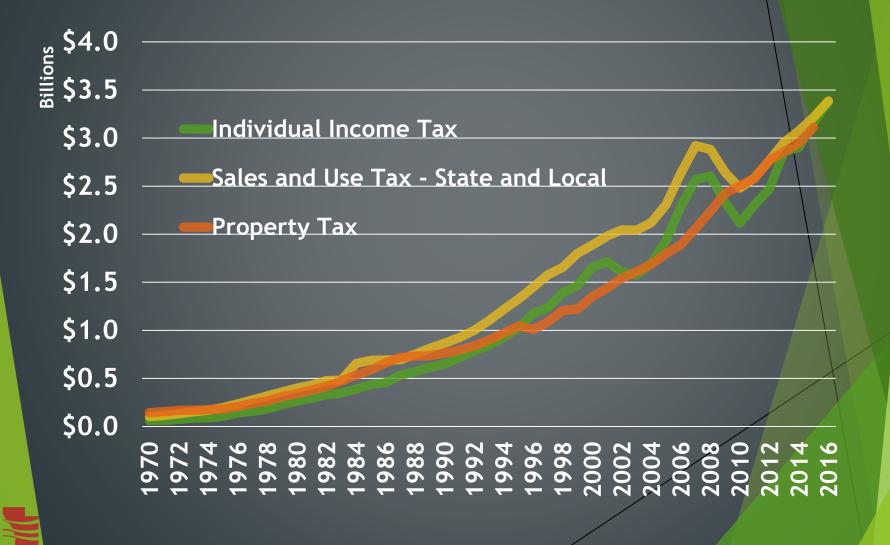

Base X Rate = Revenue

Utah's Three Major State and Local Taxes: Income, Property, and Sales & Use Tax Revenues FY 2016

Sales and Use Tax Revenue Where Does the Money Go? FY 2016

Source: Utah State Tax Commission

Why Does the Sales and Use Tax Matter?

Most significant source of revenue to state government and state higher education system

Significant source of revenue to local governments and public transit districts

Tax on consumption

Politically more popular less unpopular than other taxes

Impacts decisions (zoning, business location, etc.)

The Property Tax: Embedded in the Utah Constitution

General Rule

- All tangible property shall be:
 - Assessed at a uniform and equal rate in proportion to its fair market value; and
 - Taxed at a uniform and equal rate

Exceptions to General Rule

Property Tax Exemptions

Exceptions to the General Rule

The Legislature may by statute:

- Provide for agricultural land to be assessed based on its value for agricultural purposes
- Determine the manner and extent of taxing livestock
- Determine the manner and extent of taxing or exempting intangible property
- Exempt tangible personal property required to be registered for use on a public highway, waterway, or land or in the air
- Provide for the remission or abatement of the taxes of the poor

Constitutionally Mandated Exemptions

The Utah Constitution Exempts:

- Government owned property
- Nonprofit entity-owned property used for religious, charitable, or educational purposes
- Burial places
- Farm equipment and machinery
- Water rights and facilities used to irrigate land owned by the owner of the water rights and facilities
- Nonprofit entity-owned water rights and facilities used to irrigate land, provide domestic water, or provide water to a public water supplier

Selected Discretionary Property Tax Exemptions

Inventory

Up to 45% of residential property value

Household furnishings, furniture, and equipment

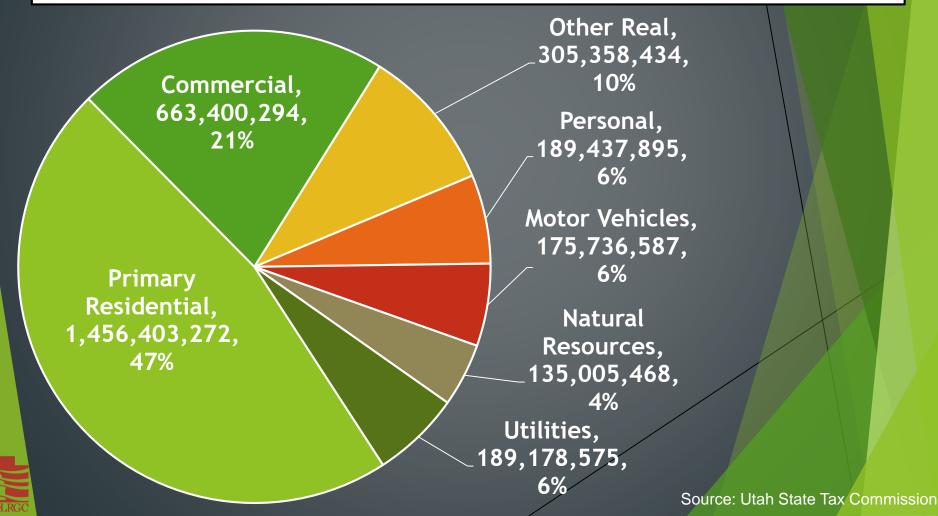

Tangible personal property that generates an inconsequential amount of revenue

Property owned by a disabled veteran or unmarried surviving spouse or orphan

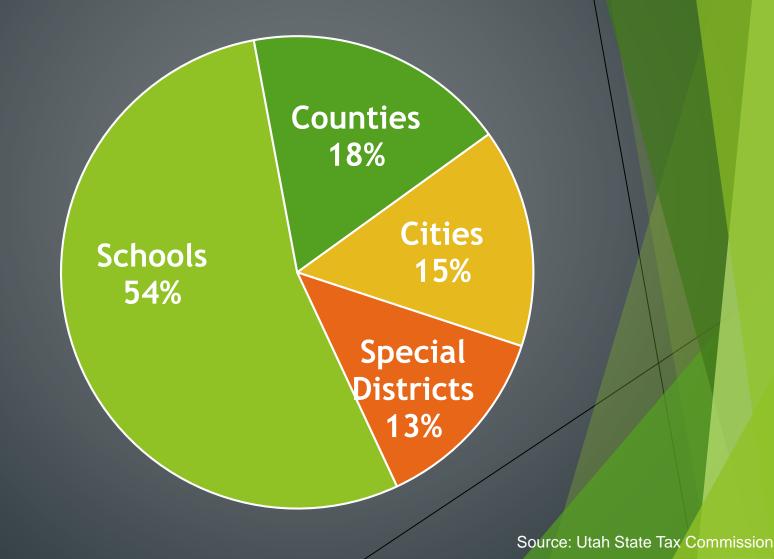

Property Taxes Where Does the Money Come From? 2015 Tax Year

Total Property Taxes Charged: \$3.1 Billion

Property Taxes Where Does the Money Go? 2015 Tax Year

Why Does the Property Tax Matter?

Tax on wealth and capital

Source of revenue for schools and local governments

Oldest state and local tax

Stability

Transparent

Unpopular tax

Provides political accountability ("Truth in Taxation")

Income Taxes

Individual and Corporate

Utah's Single Rate Individual Income Tax Tax Year 2015

Taxpayer Credit

• Based on taxable income, deductions, exemptions

= Tax

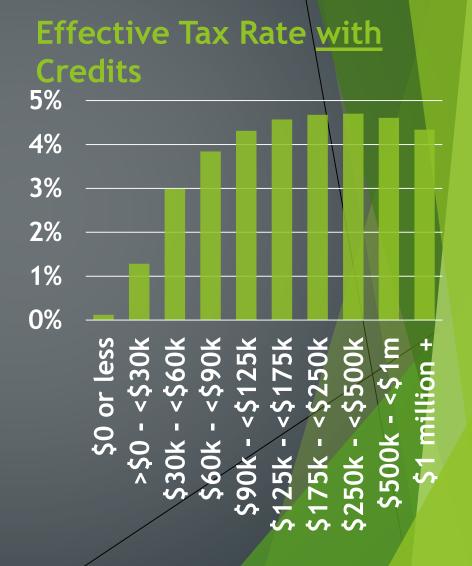

- Phases out: 1.3¢ per \$1 above threshold
- Makes individual income tax progressive
- Claimed on all returns but may phase out
- Total reduction in tax ≈ \$760 million

Other Credits

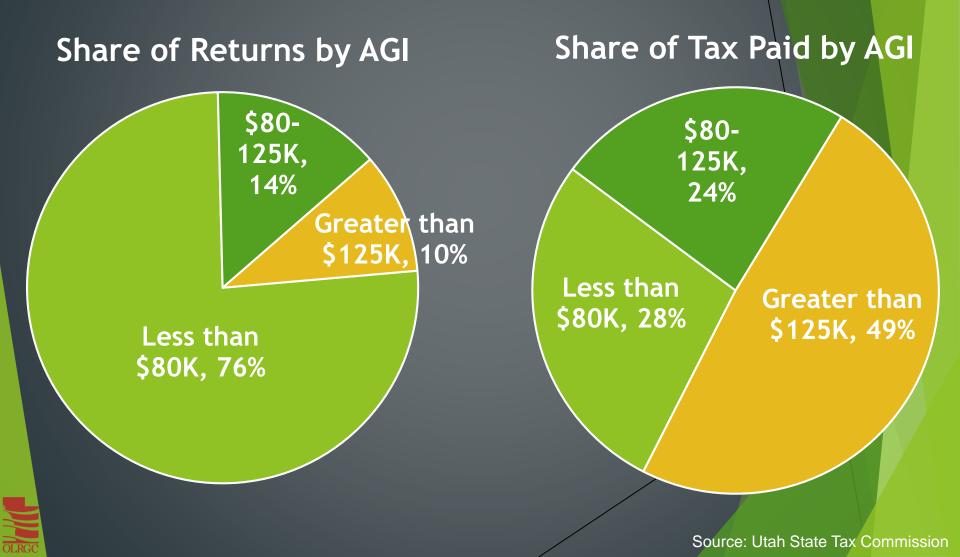

- 30+ other credits
- Returns with other credits \approx 150 thousand (9%)
- Total value of other credits ≈ \$175 million

Utah's Income Tax System Remains Progressive Tax Year 2015

Distribution of Returns and Income Tax Paid Who pays? Tax Year 2015

Why Does the Individual Income Tax Matter?

Earmarked for public and higher education

Adjustable

- Ability to pay
- Offset regressivity of other taxes

Detailed information on taxpayers

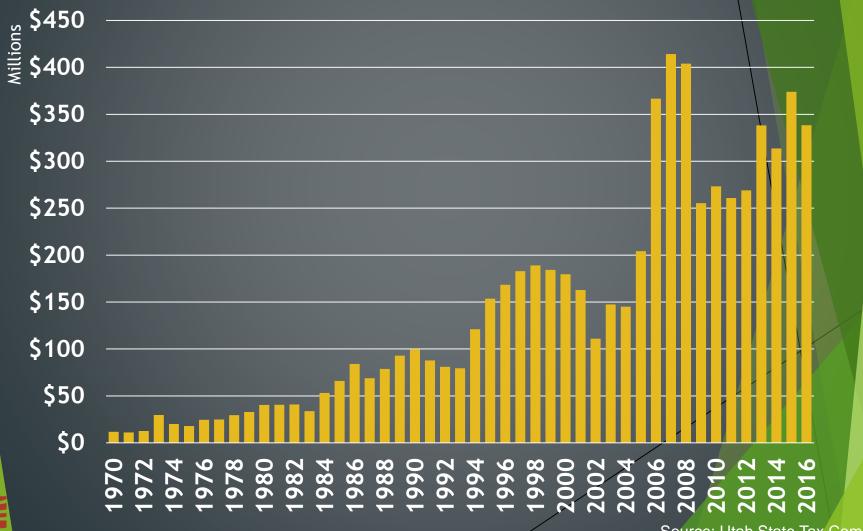

Visible

- \$ withheld from paychecks
- Annual tax return

Tax on Income

- Individuals
- "Pass-through" business entities
- Trusts and estates

Corporate Franchise & Income Tax Revenues FY 1970 to FY 2016

Source: Utah State Tax Commission

Corporate Franchise & Income Tax Revenue Who pays? Tax Year 2012

Businesses that conduct 0% to 5% of their total business in Utah pay **69%** of total Corporate Income Taxes

69% Businesses with 0% to 5% of total business in Utah

31% Businesses with 5% to 100% of total business in Utah

Why Does the Corporate Franchise & Income Tax Matter?

Earmarked for public and higher education

Volatile revenues

Tax on income

- Generally C-corporations
- Note: Income from other types of businesses (partnerships, LLC, S-Corporations, etc.) is generally passed through to owners who then pay individual income taxes on the income.
