\*House Rules preclude passing legislation without a House Standing Committee recommendation and require legislation to be on the third reading calendar for at least one day before it can be read a third time. Because of these rules and because the House may not consider House legislation after Day 42, it is recommended that House Standing Committees consider only Senate legislation during each committee's last meeting. (See [HR3-2-401](#), [HR4-3-101](#), and [HR4-3-104](#))
