102       Section 2. Section **53B-7-107** is enacted to read:

103       **53B-7-107 . Higher education strategic reinvestment.**

104       (1) As used in this section:

- 105       (a) "Reinvestment funds" means the amount of money the Legislature appropriates to  
 106       the board for strategic reinvestment in accordance with this section.  
 107       (b) "Strategic reinvestment plan" means a plan described in Subsection (3) that each  
 108       degree-granting institution develops to reallocate reinvestment funds to certain  
 109       strategic investments.

110       (2) The board may transfer to a degree-granting institution the reinvestment funds dedicated  
 111       to the institution if:

- 112       (a) for the 2026 fiscal year:  
 113           (i) the respective degree-granting institution provides to the board the institution's  
 114           strategic reinvestment plan;  
 115           (ii) the board approves the institution's strategic reinvestment plan; and  
 116           (iii) after receiving a report from the board regarding the strategic reinvestment plan  
 117           in the meeting of the Executive Appropriations Committee in September 2025, the  
 118           Executive Appropriations Committee makes a determination that the relevant  
 119           institution's strategic reinvestment plan satisfies the requirements of this section;  
 120           and  
 121       (b) for each of the 2027 and 2028 fiscal years:  
 122           (i) the respective degree-granting institution provides to the board a report on the  
 123           institution's progress in executing the institution's strategic reinvestment plan; and  
 124           (ii) after receiving a report from the board regarding the institution's execution of the  
 125           strategic reinvestment plan in the meeting of the Executive Appropriations  
 126           Committee in September of 2026 and 2027, respectively, the Executive  
 127           Appropriations Committee makes a determination that the relevant institution has

128                   progressed in executing the institution's strategic reinvestment plan in accordance  
129                   with this section.

130 (3) Each degree-granting institution shall:

131       (a) prepare and submit the institution's strategic reinvestment plan in accordance with  
132       Subsections (3)(b) and (c) based on:

133           (i) demonstrated enrollment data;

134           (ii) completion rate and timely completion;

135           (iii) discipline-related professional outcomes, including placement, employment,  
136           licensure, and wage outcomes;

137           (iv) current and future localized and statewide workforce demands;

138           (v) program-level cost; and

139           (vi) the institution's mission and role within the statewide system;

140       (b) in consultation with the board, develop a strategic reinvestment plan that:

141           (i) identifies programs, courses, degrees, departments, colleges, or other divisions of  
142           the institution, operational efficiencies, and other components of the institution's  
143           instruction and administrative functions, including dean positions and other  
144           administration positions, that merit further investment;

145           (ii) identifies programs, courses, degrees, departments, colleges or other divisions of  
146           the institution, operational inefficiencies, and other components of the institution's  
147           instruction and administrative functions, including dean positions and other  
148           administration positions, that the institution will reduce or eliminate to shift  
149           resources, in an amount at least equal to the amount of reinvestment funds  
150           dedicated to the institution, to the strategic investments described in Subsection  
151           (3)(b)(i); and

152           (iii) includes an accounting demonstrating the reallocation of resources from the  
153           reduced or eliminated items described in Subsection (3)(b)(ii) to the strategic  
154           investments described in Subsection (3)(b)(i) in the following amounts:

155           (A) for fiscal year 2026, at least 30% of the total of the reinvestment funds  
156           dedicated to the institution;

157           (B) for fiscal year 2027, at least 70% of the total of the amount of reinvestment  
158           funds dedicated to the institution; and

159           (C) for fiscal year 2028, 100% of the total of the reinvestment funds dedicated to  
160           the institution; and

161       (c) before a date that the board identifies in each of 2026 and 2027, submit to the board a

162 report on the institution's progress in executing the institution's strategic reinvestment  
163 plan, which may include modifications to the plan if the modified plan meets the  
164 requirements of this section.

165 (4) The board shall:

166 (a) during the 2025 fiscal year:

167 (i) establish standards for the reallocations described in the strategic reinvestment  
168 plans; and

169 (ii) provide guidance to the institutions of higher education on metrics and evaluative  
170 processes for the institutions to use in analyzing programs and budgets to develop  
171 the strategic reinvestment plan;

172 (b) review each institution's strategic reinvestment plan and approve plans that meet the  
173 requirements of this section; and

174 (c) report on each institution's strategic reinvestment plan to:

175 (i) in August of 2025, 2026, and 2027, the Higher Education Appropriations  
176 Subcommittee; and

177 (ii) in September of 2025, 2026, and 2027, the Executive Appropriations Committee.

178 (5)(a) Each year, after receiving the board report described in Subsection (4)(c)(i), the  
179 Higher Education Appropriations Subcommittee shall make a recommendation to the  
180 Executive Appropriations Committee regarding each institution's strategic  
181 reinvestment plan and compliance with this section.

182 (b) Each year, after receiving the board report described in Subsection (4)(c)(ii), the  
183 Executive Appropriations Committee shall make a determination, for each institution  
184 individually, regarding:

185 (i) for fiscal year 2026, whether the institution's strategic reinvestment plan satisfies  
186 the requirements of this section; and

187 (ii) for each of fiscal years 2027 and 2028, whether the institution has progressed in  
188 executing the institution's strategic reinvestment plan in accordance with this  
189 section.

190 (6)(a) A degree-granting institution may use reinvestment funds:

191 (i) for the strategic investments described in Subsection (3)(b)(i); and

192 (ii) for the reduced or eliminated items described in Subsection (3)(b)(ii) in the  
193 following amounts:

194 (A) for fiscal year 2026, no more than 70% of the total of the reinvestment funds  
195 dedicated to the institution; and

196 (B) for fiscal year 2027, no more than 30% of the total of the reinvestment funds  
 197 dedicated to the institution.

198 (b) A degree-granting institution may not supplant or supplement the cost of a reduced  
 199 or eliminated item described in Subsection (3)(b)(ii):

200 (i) through a tuition increase; or

201 (ii) with any state funds, except in fiscal year 2028, to the extent necessary to allow a  
 202 student to complete the students' academic program as outlined in the institution's  
 203 approved strategic reinvestment plan.

204 (7) If a degree-granting institution fails to reallocate resources in accordance with the  
 205 institution's reinvestment plan and this section, in preparing the higher education budgets  
 206 immediately following the institution's failure, the Executive Appropriations Committee  
 207 shall reduce appropriations for the institution's instruction and administration in an  
 208 amount equal to the amount the institution failed to properly reallocate.

212 Section 3. Section **53B-16-102** is amended to read:

213 **53B-16-102 . Changes in curriculum -- Substantial alterations in institutional**  
 214 **operations -- Program approval -- Periodic review of programs -- Career and technical**  
 215 **education curriculum changes.**

216 (1) As used in this section:

217 **Œ→** ~~(2)~~ **(a)** ←Œ "Institution of higher education" means an institution described in  
 217a Section  
 217a 53B-1-102.

218 **Œ→** ~~(a)~~ **(b)** ←Œ "Program of instruction" means a program of curriculum that  
 218a leads to the  
 218a completion  
 219 of a degree, diploma, certificate, or other credential.

220 **Œ→** ~~(b)~~ **(2)**~~(c)~~ **(a)** ←Œ Under procedures and policies approved by the board and  
 220a developed in  
 221 consultation with each institution of higher education, each institution of higher  
 222 education may make such changes in the institution of higher education's curriculum  
 223 as necessary to better effectuate the institution of higher education's primary role; and  
 224 (b) subject to Subsection (2)(a), an institution of higher education's faculty shall  
 225 establish and have primary responsibility for the curriculum of a course within a  
 226 program of instruction at the institution.

227 (3) The board shall establish criteria for whether an institution of higher education may  
 228 approve a new program of instruction, including criteria related to whether:

229 (a) the program of instruction meets identified workforce needs;

230 (b) the institution of higher education is maximizing collaboration with other institutions  
 231 of higher education to provide for efficiency in offering the program of instruction;

232 (c) the new program of instruction is within the institution of higher education's mission  
233 and role; and

234 (d) the new program of instruction meets other criteria determined by the board.

235 (4)(a) Except as board policy permits, an institution of higher education may not  
236 establish a branch, extension center, college, or professional school.

237 (b) The president of an institution of higher education may, with the approval of the  
238 institution of higher education's board of trustees, establish a new program of  
239 instruction that meets the criteria described in Subsection (3), subject to board review  
240 for pathway articulation.

241 ~~[(5)] (c)[(a)]~~ An institution of higher education shall notify the board of a proposed  
242 new program of instruction, including how the proposed new program of  
243 instruction meets the criteria described in Subsection (3).

244 ~~[(b)] (d)~~ The board shall establish procedures and guidelines for institutional boards of  
245 trustees to consider an institutional proposal for a new program of instruction  
246 described in Subsection (4)(b).

247 (5)(a)(i) Except as provided in Subsection (5)(a)(ii), a degree-granting institution  
248 may not offer a degree with a credit-hour requirement, comprising general  
249 education and degree-specific requirements, that exceeds 120 total credit hours.

250 (ii) The board may authorize a degree-granting institution to exceed the credit-hour  
251 limit described in Subsection (5)(a)(i) ~~§~~ → [by six additional credit hours to no  
251a more] ←~~§~~

252 ~~§~~ → [than 126 credit hours if the institution demonstrates to the board that a] ←~~§~~

253 ~~§~~ → [professional licensing or accrediting body requires additional coursework  
253a or credit] ←~~§~~

254 ~~§~~ → [hours in excess of the limit described in Subsection (5)(a)(i).]

254a if the degree:

254b (A) is required for professional licensure; or

254c (B) has a nationally recognized accreditation standard that mandates a higher

254d credit-hour minimum, including circumstances where additional coursework is

254e necessary to protect public health, safety, and welfare. ←~~§~~

255 (b) The board shall develop a process to grant conditional approval of accelerated  
256 three-year degrees to allow for the implementation of an accelerated degree upon  
257 accreditation.

258 (6) The president of an institution of higher education may discontinue a program of

- 259 instruction in accordance with criteria that the president and the institution of higher  
260 education's board of trustees establish.
- 261 (7)(a) The board shall conduct a periodic review of all new programs of instruction,  
262 including those funded by gifts, grants, and contracts, no later than two years after the  
263 first cohort to begin the program of instruction completes the program of instruction.
- 264 (b) The board may conduct a periodic review of any program of instruction at an  
265 institution of higher education, including a program of instruction funded by a gift,  
266 grant, or contract.
- 267 (c) The board shall conduct:
- 268 (i) at least once every [~~seven~~] five years, at least one review described in Subsection  
269 (7)(b) of each program of instruction at each institution; and
- 270 (ii) annually, a qualitative and quantitative review of academic disciplines across the  
271 system, including enrollment, graduation rates, and workforce placement,  
272 ensuring that the board conducts a review of all disciplines within the system at  
273 least once every [~~seven~~] five years.
- 274 (d) Following a review described in this Subsection (7) that finds that a program is  
275 underperforming, as the board defines, across the system of higher education or at an  
276 individual institution, and after providing the relevant institution of higher education  
277 an opportunity to respond to the board's review of a given program of instruction, the  
278 board[ ~~may~~ ] :
- 279 (i) shall modify, consolidate, or terminate the program of instruction[-] ; and  
280 (ii) may require an institution to develop a performance improvement plan and  
281 annually report back to the board regarding the plan.
- 282 (e) The board shall:
- 283 (i) develop qualitative and quantitative standards for program review under this  
284 Subsection (7); and
- 285 (ii) ensure the application of the standards the board develops under Subsection  
286 (7)(e)(i) in each program review.
- 287 (8) In making decisions related to career and technical education curriculum changes, the  
288 board shall coordinate on behalf of the boards of trustees of higher education institutions  
289 a review of the proposed changes by the State Board of Education to ensure an orderly  
290 and systematic career and technical education curriculum that eliminates overlap and  
291 duplication of course work with high schools and technical colleges.
- 292 (9) The board shall demonstrate compliance with Subsection (7) by:

- 293 (a) creating a list of programs and corresponding review schedules;  
 294 (b) upon request of the Higher Education Appropriations Subcommittee, providing the  
 295 list described in Subsection (9)(a); and  
 296 (c) providing a written report on or before October 1 to the Higher Education  
 297 Appropriations Subcommittee of each year regarding relevant findings from the  
 298 reviews conducted under Subsection (7).

299 (10) On or before October 1, 2026, if the Higher Education Appropriations Subcommittee  
 300 finds the board to be out of compliance with Subsection (9), the Legislature shall:

- 301 (a) deduct 10% of the appropriation described in Section 53B-7-703 for the following  
 302 fiscal year; and  
 303 (b) deduct an additional 10% of the appropriation described in Section 53B-7-703 for  
 304 each subsequent year of noncompliance up to a maximum deduction of 30%.

305 Section 4. Section **63J-1-206** is amended to read:

306 **63J-1-206 . Appropriations governed by chapter -- Restrictions on expenditures**  
 307 **-- Transfer of funds -- Exclusion.**

308 (1)(a) Except as provided in Subsections (1)(b) and (2)(e), or where expressly exempted  
 309 in the appropriating act:

- 310 (i) all money appropriated by the Legislature is appropriated upon the terms and  
 311 conditions set forth in this chapter; and  
 312 (ii) any department, agency, or institution that accepts money appropriated by the  
 313 Legislature does so subject to the requirements of this chapter.

314 (b) This section does not apply to:

- 315 (i) the Legislature and its committees; and  
 316 (ii) the Investigation Account of the Water Resources Construction Fund, which is  
 317 governed by Section 73-10-8.

318 (2)(a) Each item of appropriation is to be expended subject to any schedule of programs  
 319 and any restriction attached to the item of appropriation, as designated by the  
 320 Legislature.

321 (b) Each schedule of programs or restriction attached to an appropriation item:

- 322 (i) is a restriction or limitation upon the expenditure of the respective appropriation  
 323 made;  
 324 (ii) does not itself appropriate any money; and  
 325 (iii) is not itself an item of appropriation.

326 (c)(i) An appropriation or any surplus of any appropriation may not be diverted from

- 327 any department, agency, institution, division, or line item to any other department,  
328 agency, institution, division, or line item.
- 329 (ii) If the money appropriated to an agency to pay lease payments under the program  
330 established in Section 63A-5b-703 exceeds the amount required for the agency's  
331 lease payments to the Division of Facilities Construction and Management, the  
332 agency may:
- 333 (A) transfer money from the lease payments line item to other line items within  
334 the agency; and
- 335 (B) retain and use the excess money for other purposes.
- 336 (d) The money appropriated subject to a schedule of programs or restriction may be used  
337 only for the purposes authorized.
- 338 (e) In order for a department, agency, or institution to transfer money appropriated to it  
339 from one program to another program, the department, agency, or institution shall  
340 revise its budget execution plan as provided in Section 63J-1-209.
