

1st Sub. H.B. 420

Halogen Emissions Amendments

House Amendments

Amendment 1

February 24, 2025 03:22 PM

Representative **Andrew Stoddard** proposes the following amendments:

1. *Line 39 through 41:*

39 reduction plan to reduce halogen emissions for all major halogen sources.

40 (b) The division shall require { **a** } **an operating** major halogen source to implement a plan
described in

41 Subsection (2)(a) with an implementation date determined by the division.
