ENACTS:

58-89-101, Utah Code Annotated 1953

Be it enacted by the Legislature of the state of Utah:

Section 1. Section **58-89-101** is enacted to read:

CHAPTER 89. HEALTH CARE SERVICES PLATFORMS

58-89-101 . Health care services platforms -- Registration.(1) As used in this section:

(a) "Health care facility" means the same as that term is defined in Section 26B-4-501.

(b) "Health care services platform" means a person that operates or offers for use a platform.

(c) "Health care worker" means an individual who provides or delivers a health care service, or assists in the provision or delivery of a health care service, including a service for which no license or certification under this title is required.

(d) "Platform" means an electronic program, system, or application through which a health care worker may accept a shift to perform a health care service or role, as an independent contractor, at a health care facility.

(2)(a) No later than September 1, 2025, the division shall establish the registration system described in Subsection (5)(a).

(b) Beginning January 1, 2026, no person shall operate a health care services platform in the state without a valid registration issued by the division.

(3) A health care services platform shall:

(a) register with the division, and pay the applicable registration and renewal fees established by the division under Subsection (5)(a);

(b) retain records demonstrating that, for each shift a health care worker using the platform seeks to accept:

(i) the health care worker meets all minimum applicable, state and federal:

(A) licensing standards;

(B) training standards, including supervised training requirements; and

(C) continuing education standards;

(ii) the health care worker has completed and passed applicable background checks for any shift a health care worker using the platform seeks to accept; and

(iii) the health care services platform maintains general liability or professional liability insurance; and

(c) meet any additional requirements the division establishes in rule.

(4) A health care services platform may not:

(a) require a health care worker to enter into a non-compete agreement;

(b) accept a fee, payment, or benefit from a health care worker, a health care provider, or a health care facility, as compensation for a health care worker accepting an offer of employment from a health care provider or facility; or

62 (c) restrict a health care worker from:

63 (i) finding or accepting a shift using another platform; or

64 (ii) finding or accepting a shift or employment with a health care provider or facility.

65 (5)(a) The division shall, in accordance with this section:

66 (i)(A) establish and maintain a registration program for health care services
67 platforms; and

68 (B) review and issue a decision on each application for registration or renewal as a
69 health care services platform no later than 30 days after the day on which the
70 application is submitted;

71 (ii) establish, impose, and collect an initial registration fee, and an annual renewal
72 registration fee:

73 (A) in accordance with Section 63J-1-504;

74 (B) each of which amounting to not more than \$500; and

75 (C) that generate sufficient revenue, when paid by all registrants, to cover or
76 substantially cover the costs for the establishment and maintenance of the
77 registration program described in this Subsection (5)(a); and

78 (iii) adopt rules, in accordance with Title 63G, Chapter 3, Utah Administrative
79 Rulemaking Act, to effectuate and administer this section.

80 (b) The division may deny, refuse to renew, revoke, place conditions on, or suspend the
81 registration of a health care services platform for failure to comply with the
82 requirements of this section, or of division rule adopted under Subsection (5)(a)(iii).

83 **Section 2. Effective Date.**

84 This bill takes effect on May 7, 2025.
