### Section 2. Section 73-5-1 is amended to read:

#### **73-5-1. Appointment of water commissioners -- Procedure.**

- (1)
- (a) If, in the judgment of the state engineer or the district court, it is necessary to appoint a water commissioner for the distribution of water from any river system or water source, the commissioner shall be appointed for a four-year term by the state engineer.
- (b) The state engineer shall determine whether all or a part of a river system or other water source shall be served by a commissioner, and if only a part is to be served, the state engineer shall determine the boundaries of that part.
- (c) The state engineer may appoint:
- (i) more than one commissioner to distribute water from all or a part of a water source; or
- (ii) a single commissioner to distribute water from several separate and distinct water sources.
- (d) A water commissioner appointed by the state engineer under this section is:
- (i) an employee of the Division of Water Rights;
- (ii) an appointed officer under Subsection 49-13-102(5)(b)(iii), if the water commissioner meets the requirements for a regular full-time employee under Subsection 49-13-102(5)(a);
- (iii) eligible for health and retirement benefits as determined by the water commissioner's distribution system committee, if the water commissioner is a regular full-time employee as that term is defined in Section 49-13-102; and

- (2)

## HB0311S01 compared with HB0311S03

(a) The state engineer shall consult with the water users before appointing a commissioner. The form of consultation and notice to be given shall be determined by the state engineer so as to best suit local conditions, while providing for full expression of majority opinion.

(b) The state engineer shall act in accordance with the recommendation of a majority of the water users, if the majority of the water users:

(i) agree upon:

(A) a qualified individual to be appointed as a water commissioner;

(B) the duties the individual shall perform; and

(C) subject to the requirements of Title 49, Utah State Retirement and Insurance Benefit Act, the compensation the individual shall receive; and

(ii) submit a recommendation to the state engineer on the items described in Subsection (2)(b)(i).

(c) If a majority of water users do not agree on the appointment, duties, or compensation, the state engineer shall make a determination for them.

(3)

(a)

(i) The salary and expenses of the commissioner and all other expenses of distribution, including printing, postage, equipment, water users' expenses, and any other expenses considered necessary by the state engineer, shall be borne pro rata by the users of water from the river system or water source in accordance with a schedule to be fixed by the state engineer.

(ii) The schedule shall be based on the established rights of each water user, and the pro rata share shall be paid by each water user to the state engineer on or before May 1 of each year.

(b) The payments shall be deposited in the Water Commissioner Fund created in Section 73-5-1.5.

(c) If a water user fails to pay the assessment as provided by Subsection (3)(a), the state engineer may do any or all of the following:

(i) create a lien upon the water right affected by filing a notice of lien in the office of the county recorder in the county where the water is diverted and bring an action to enforce the lien;

(ii) forbid the use of water by the delinquent water user or the delinquent water user's successors or assignees, while the default continues; or

(iii) bring an action in the district court for the unpaid expense and salary.

## HB0311S01 compared with HB0311S03

(d) In any action brought to collect any unpaid assessment or to enforce any lien under this section, the delinquent water user shall be liable for the amount of the assessment, interest, any penalty, and for all costs of collection, including all court costs and a reasonable attorney fee.

(4)

(a) A commissioner may be removed by the state engineer for cause.

(b) The users of water from any river system or water source may petition the district court for the removal of a commissioner and after notice and hearing, the court may order the removal of the commissioner and direct the state engineer to appoint a successor.

Section 3. Section **73-10-4** is amended to read:

### **73-10-4. Powers and duties of board.**

(1) The board shall have the following powers and duties to:

(a) authorize studies, investigations, and plans for the full development, use, and promotion of the water and power resources of the state, including preliminary surveys, stream gauging, examinations, tests, and other estimates either separately or in consultation with federal, state and other agencies;

(b) enter into contracts subject to the provisions of this chapter for the construction ~~{f}~~ [of conservation projects] {-} or purchase of a project that in the opinion of the board will conserve and use for the best advantage of the people of this state the water and power resources of the state, including projects beyond the boundaries of the state of Utah located on interstate waters when the benefit of such projects accrues to the citizens of the state;

(c) sue and be sued in accordance with applicable law;

(d) enter into a contract that the Utah water agent, appointed under Section 73-10g-702, recommends for a water augmentation project under Section 73-10g-703;

~~[(d)]~~ (e) cooperate with the Utah water agent, appointed under Section 73-10g-702, in matters affecting interstate compact negotiations and the administration of the compacts affecting the waters of interstate rivers, lakes and other sources of supply, with the exception of:

(i) the waters of the Colorado River system that are governed by Title 63M, Chapter 14, Colorado River Authority of Utah Act; or

(ii) state representation under:

(A) the Bear River Compact as provided in Section 73-16-4; or

(B) the Columbia Interstate Compact as provided in Section 73-19-9;

## HB0311S01 compared with HB0311S03

[~~(e)~~] (f) contract with federal and other agencies and with the National Water Resources Association and to make studies, investigations and recommendations and do all other things on behalf of the state for any purpose that relates to the development, conservation, protection and control of the water and power resources of the state;

74 [~~(f)~~] (g) consult and advise with the Utah Water Users' Association and other organized water users' associations in the state;

76 [~~(g)~~] (h) consider and make recommendations on behalf of the state of reclamation projects or other water development projects for construction by any agency of the state or United States and in so doing recommend the order in which projects shall be undertaken; or

80 [~~(h)~~] (i) review, approve, and revoke an application to create a water bank under Chapter 31, Water Banking Act, collect an annual report, maintain the water banking website, and conduct any other function related to a water bank as described in Chapter 31, Water Banking Act.

84 (2) Nothing contained in this section shall be construed to impair or otherwise interfere with the authority of the state engineer granted by this title, except as specifically otherwise provided in this section.

164 Section 4. Section **73-10g-701** is amended to read:
