49 *Be it enacted by the Legislature of the state of Utah:*

50 Section 1. Section 41-1a-401 is amended to read:

51 **41-1a-401. License plates -- Number of plates -- Reflectorization -- Indicia of registration in**  
52 **lieu of or used with plates.**

53 (1)

(a) Except as provided in Subsections (1)(c), (d), and (e), the division upon registering a vehicle shall  
54 issue to the owner:

55 (i) one license plate for a motorcycle, trailer, or semitrailer;

56 (ii) one registration decal for a park model recreational vehicle, in lieu of a license plate, which  
57 shall be attached in plain sight to the rear of the park model recreational vehicle;

58 (iii) one registration decal for a camper, in lieu of a license plate, which shall be attached in plain  
59 sight to the rear of the camper; and

60 (iv) one license plate for every other vehicle.

61 (b) The license plate or registration decal issued under Subsection (1)(a) is for the particular vehicle  
62 registered and may not be removed during the term for which the license plate or registration decal  
63 is issued or used upon any other vehicle than the registered vehicle.

64 (c)

65 (i) Notwithstanding Subsections (1)(a) and (b) and except as provided in Subsection (1)(c)(ii), the  
66 division, upon registering a motor vehicle that has been sold, traded, or the ownership of which has  
67 been otherwise released, shall transfer the license plate issued to the person applying to register the  
68 vehicle if:

69  
70

## HB0324S02 compared with HB0324S06

- (A) the previous registered owner has included the license plate as part of the sale, trade, or ownership release; and
- 72 (B) the person applying to register the vehicle applies to transfer the license plate to the new registered owner of the vehicle.
- 74 (ii) The division may not transfer a personalized or special group license plate to a new registered owner under this Subsection (1)(c) if the new registered owner does not meet the qualification or eligibility requirements for that personalized or special group license plate under this part or Part 16, Sponsored Special Group License Plates.
- 79 (d)
- (i) For a vehicle described in Section 41-1a-301, the division upon registering a vehicle shall issue a license plate or set of license plates as provided in that section.
- 81 (ii) For any [~~commercial vehicle that operates intrastate~~] vehicle not described in Subsection (1)(d)(i), at the request of the registrant, the division upon registering a vehicle may issue two license plates, for display on both the front and rear of the [~~intrastate commercial~~] vehicle.
- 85 (e) The division upon registering a vehicle may, until inventory of license plate sets is exhausted, but no later than December 31, 2025, issue a set of two plates.
- 87 (f) The division shall ensure that license plates are distributed from a central location as soon as practicable, but no later than July 1, 2025.
- 89 (2) The division may receive applications for registration renewal, renew registration, and issue a new license plate or registration decal at any time prior to the expiration of registration.
- 92 (3)
- (a)
- (i) Except as provided in Subsection (3)(a)(ii), all license plates to be manufactured and issued by the division shall be treated with a fully reflective material on the plate face that provides effective and dependable reflective brightness during the service period of the license plate.
- 96 (ii) Notwithstanding Subsection (3)(a)(i), a historical support special group license plate may be treated with a place face that is partially reflective and provides effective and dependable reflective brightness during the service period of the license plate.
- 100 (b) The division shall prescribe all license plate material specifications and establish and implement procedures for conforming to the specifications.
- 102

## HB0324S02 compared with HB0324S06

(c) The specifications for the materials used such as the aluminum plate substrate, the reflective sheeting, and glue shall be drawn in a manner so that at least two manufacturers may qualify as suppliers.

105 (d) The granting of contracts for the materials shall be by public bid.

106 (4)

(a) The commission may issue, adopt, and require the use of indicia of registration it considers advisable in lieu of or in conjunction with license plates as provided in this part.

109 (b) All provisions of this part relative to license plates apply to these indicia of registration, so far as the provisions are applicable.

111 (5) A violation of this section is an infraction.

381 [~~(3)~~] (5) The state auditor may audit each private nonprofit organization or major league sports team sponsoring organization that elects to use funds for a charitable purpose to verify that the money the private nonprofit organization collects from contributors is used for the private nonprofit organization's charitable purpose in accordance with this part.

386 Section 9. Section 41-1a-1607 is amended to read:

387 **41-1a-1607. State agency special group license plates.**

388 (1) A sponsoring organization that is a state agency:

389 [~~(1)~~] (a) shall only use funds received through the sponsored special group license plate program for the implementation or administration of the state agency's designated program; and

392 [~~(2)~~] (b) may not direct funds received through the sponsored special group license plate program to a nongovernmental entity.

394 (2)

(a) For a classic support special group license plate described in Section 41-1a-419, the division shall require each applicant to pay a \$25 contribution to obtain the classic support special group license plate.

397 (b) The division shall transfer revenue from the classic support special group license plate into the General Fund.

399 Section 10. Section 41-1a-1608 is amended to read:

## HB0324S02 compared with HB0324S06

### 400 **41-1a-1608. Review -- Discontinuance -- Consolidation -- Report.**

- 401 (1) The division shall annually review each sponsored special group license plate to determine the  
number of registered vehicles with each type of sponsored special group license plate during the  
preceding calendar year.
- 404 (2)
- (a) The division shall discontinue a type of sponsored special group license plate if for three  
consecutive calendar years, the division's annual review shows that fewer than 500 registered  
vehicles have that type of sponsored special group license plate.
- 407 (b) The division shall discontinue a sponsored special group license plate under Subsection (2)(a)  
beginning January 1 of the calendar year following the year of the third annual review.
- 410 (3) If the division discontinues a type of sponsored special group license plate in accordance with  
this section, the division may not reinstate the sponsored special group license plate unless the  
sponsoring organization submits a request for the discontinued sponsored special group license  
plate in the same manner as a request for a new type of sponsored special group license plate under  
Section 41-1a-1604.
- 415 (4)
- (a) A registered owner to whom the division issued an existing special group license plate or a  
sponsored special group license plate that the division discontinues in accordance with this section  
may continue to display the license plate upon renewing the motor vehicle's registration.
- 419 (b) A registered owner described in Subsection (4)(a) is not required to pay a required contribution to  
the sponsoring organization associated with the sponsored special group license plate.
- 422 (5) The division may not transfer to a new registered owner a special group license plate that is  
discontinued under this part.
- 424 (6) Subsection (2) does not apply to a state agency recognition special group license plate that is an  
existing special group license plate.
- 426 (7) If two or more special group license plates collect required contributions that are distributed to the  
same entity or fund, the sponsoring organization or organizations may request to consolidate the  
license plate types for purposes of meeting the minimum threshold described in this section.
- 430 (8) On or before November 1 of each year, the State Tax Commission shall provide a report to the  
Revenue and Taxation Interim Committee, including:
- 432 (a) data on the amount of revenue allocated from each license plate issued under this part;
