21 *Be it enacted by the Legislature of the state of Utah:*

22 Section 1. Section **26B-8-114** is amended to read:

23 **26B-8-114. Certificate of death -- Execution and registration requirements -- Information**
24 **provided to lieutenant governor.**

24 (1)

(a) A certificate of death for each death that occurs in this state shall be filed with the local registrar of the district in which the death occurs, or as otherwise directed by the state registrar, within five days after death and prior to the decedent's interment, any other disposal, or removal from the registration district where the death occurred.

28 (b) A certificate of death shall be registered if the certificate of death is completed and filed in accordance with this part.

30 (2)

(a) If the place of death is unknown but the dead body is found in this state:

31 (i) the certificate of death shall be completed and filed in accordance with this section; and

33 (ii) the place where the dead body is found shall be shown as the place of death.

34 (b) If the date of death is unknown, the date shall be determined by approximation.

35 (3)

(a) When death occurs in a moving conveyance in the United States and the decedent is first removed from the conveyance in this state:

37 (i) the certificate of death shall be filed with:

38 (A) the local registrar of the district where the decedent is removed; or

39 (B) a person designated by the state registrar; and

40 (ii) the place where the decedent is removed shall be considered the place of death.

41 (b) When a death occurs on a moving conveyance outside the United States and the decedent is first removed from the conveyance in this state:

43 (i) the certificate of death shall be filed with:

44 (A) the local registrar of the district where the decedent is removed; or

45 (B) a person designated by the state registrar; and

HB0493 compared with HB0493S01

- 46 (ii) the certificate of death shall show the actual place of death to the extent it can be determined.
48 (4)
- (a) Subject to Subsections (4)(d) and (10), a custodial funeral service director or, if a funeral service director is not retained, a dispositioner shall sign the certificate of death.
- 51 (b) The custodial funeral service director, an agent of the custodial funeral service director, or, if a funeral service director is not retained, a dispositioner shall:
- 53 (i) file the certificate of death prior to any disposition of a dead body or fetus; and
54 (ii) obtain the decedent's personal data from the next of kin or the best qualified person or source available, including the decedent's social security number, if known.
- 57 (c) The certificate of death may not include the decedent's social security number.
- 58 (d) A dispositioner may not sign a certificate of death, unless the signature is witnessed by the state registrar or a local registrar.
- 60 (5)
- (a) Except as provided in Section 26B-8-115 or when inquiry is required by Part 2, Utah Medical Examiner, a health care professional who was in charge of the decedent's care for the illness or condition which resulted in death shall complete, sign, and return the medical section of the certificate of death within three business days from the day on which the death occurred to:
- 65 (i) the funeral service director; or
66 (ii) if a funeral service director is not retained, a dispositioner.
- 67 (b) In the absence of the health care professional or with the health care professional's approval, the certificate of death may be completed and signed by an associate physician, the chief medical officer of the institution in which death occurred, or a physician who performed an autopsy upon the decedent, if:
- 71 (i) the person has access to the medical history of the case;
72 (ii) the person views the decedent at or after death; and
73 (iii) the death is not due to causes required to be investigated by the medical examiner.
- 75 (c) When completing the immediate cause of death section of a certificate of death, a health care professional may indicate that the immediate cause of death is unknown if the immediate cause of death is unknown.

78

HB0493 compared with HB0493S01

- (d) The department shall create instructions for completing a certificate of death that inform a health care professional that the health care professional may indicate that the immediate cause of death is unknown in accordance with Subsection (5)(c).
- 81 (e)
- (i) The department shall develop and maintain an online system that allows the health care professional that is required to complete the death certificate to complete a death certificate online.
- 84 (ii) The online system described in Subsection (5)(e)(i) shall:
- 85 (A) allow a health care professional completing a death certificate to choose a diagnoses for the cause of death from a list of commonly used International Classification of Diseases codes or a similar system of medical diagnoses codes;
- 89 (B) notify the health care professional in real time whether the completed death certificate will be considered complete and correct or whether the medical examiner may need to review the death certificate;
- 92 (C) if the death certificate is filled out in a manner that requires further review by the medical examiner, provide information to the health care provider indicating which portions of the death certificate may require further review; and
- 96 (D) if the death certificate requires further review, notify the health care provider in real time {what the fee} that the family {of the decedent will need} may be subject to {pay} a fee described in Section 26B-8-230 if the family {of} chooses to cremate or otherwise make the {decedent is responsible} body unavailable for {paying the medical examiner review} postmortem investigation and the amount of the fee that the family of the decedent may need to pay.
- 99 (6) When death occurs more than 365 days after the day on which the decedent was last treated by a health care professional, the case shall be referred to the medical examiner for investigation to determine and certify the cause, date, and place of death.
- 102 (7) When inquiry is required by Part 2, Utah Medical Examiner, the medical examiner shall make an investigation and complete and sign the medical section of the certificate of death within 72 hours after taking charge of the case.
- 105 (8) If the cause of death cannot be determined within 72 hours after death:
- 106 (a) the medical section of the certificate of death shall be completed as provided by department rule;
- 108 (b) the attending health care professional or medical examiner shall give the funeral service director, or, if a funeral service director is not retained, a dispositioner, notice of the reason for the delay; and
