32 Section 2. Section **2** is enacted to read:

33

CHAPTER 10. AERONAUTICS AND SPACE ACT

34

Part 13. Spaceport Exploration Committee

35 **72-10-1301. Definitions.**

As used in this part:

37 (1) "Committee" means the Spaceport Exploration Committee created in Section 72-10-1302.

39 (2) "Spaceport feasibility study" means a study to determine the feasibility of establishing a spaceport and that includes:

41 (a) a market analysis that evaluates the demand for space launch services, including potential government, commercial, and international customers and competitors;

43 (b) an economic impact assessment that analyzes the projected economic benefits of developing a spaceport, including job creation, local business growth, revenue generation, and an analysis of projected customers that could use the spaceport;

46 (c) a business case that describes how the spaceport could meet customer needs and attract private financing for the spaceport;

48 (d) detailed cost estimates for construction, operation, and maintenance of a spaceport, including infrastructure, technology, and human resources;

50 (e) consideration of the activities at the spaceport that the committee identifies the spaceport should support; and

52

SB0062 compared with SB0062S01

- (f) in consultation with the Utah National Guard and the Utah Test and Training Range, an assessment of opportunities to leverage military airspace and infrastructure and uses the military might have for a spaceport.
- 55 (3) "Spaceport siting assessment" means an assessment that is informed by the results of a spaceport feasibility study to determine potential locations for a spaceport that includes an analysis of:
- 58 (a) the extent to which the site can accomplish the spaceport objectives that the committee identifies;
- 60 (b) geographic and environmental considerations, including the site's size, location, and environmental impact;
- 62 (c) whether the site is remote enough to minimize risk to populated areas and complies with environmental regulations;
- 64 (d) infrastructure needs, including existing infrastructure and upgrades needed to support spaceport resources including launchpads, control centers, roads, utilities, and facilities;
- 67 (e) potential sources of significant infrastructure upgrades;
- 68 (f) accessibility, including consideration for the site's accessibility for transportation and logistics;
- 70 (g) connections to major highways, airports, and ports;
- 71 (h) regulatory compliance with applicable federal law, including regulations from the Federal Aviation Administration and Environmental Protection Agency;
- 73 (i) resources the state may leverage for a particular site, including tax benefits, land ownership, land use authority, and regulatory benefits; and
- 75 (j) activities that the committee identifies that the spaceport should support.
- 76 (4) "Supported activities" means the types of activities that could occur at a spaceport including:
- 78 (a) satellite launches;
- 79 (b) scientific missions;
- 80 (c) national defense missions;
- 81 (d) commercial space flights;
- 82 (e) space exploration;
- 83 (f) space cargo and resupply missions;
- 84 (g) space tourism; and
- 85 (h) space industry research and development.
- 86 Section 3. Section 3 is enacted to read:
- 87 **72-10-1302. Spaceport Exploration Committee creation.**

SB0062 compared with SB0062S01

- 88 (1) There is created the Spaceport Exploration Committee, comprising of the following members:
- 90 (a) two members of the Senate, whom the president of the Senate appoints;
- 91 (b) two members of the House of Representatives, whom the speaker of the House of Representatives
appoints;

- 112 (C) specializes in defense and aerospace matters{.} ; and
- 110 (i) the executive director of the Governor's Office for Economic Opportunity or the executive director's
designee, as a nonvoting member.
- 113 (2) The following shall co-chair the committee:
- 114

SB0062 compared with SB0062S01

- (a) a committee member that is a legislator described in Subsection (1)(a) or (1)(b) whom the speaker of the House of Representatives and the president of the Senate jointly designate; and
- 117 (b) a committee member whom the governor selects.
- 118 (3) When a vacancy occurs in the membership for any reason, the appointing authority or qualification described in Subsection (1) applies to the replacement in the same manner as the filling of the original position.
- 121 (4) A majority of members of the committee constitutes a quorum.
- 122 (5) A member may not receive compensation or benefits for the member's service, but may receive per diem and travel expenses as allowed in:
- 124 (a) Section 63A-3-106;
- 125 (b) Section 63A-3-107; and
- 126 (c) rules made by the Division of Finance according to Sections 63A-3-106 and 63A-3-107.
- 128 (6) The {~~department, in conjunction with the~~} entity described in Subsection {~~(1)(g)~~} **(1)(e)**, shall provide staffing and administrative support to the committee.
- 129 Section 4. Section 4 is enacted to read:
- 130 **72-10-1303. Spaceport Exploration Committee duties.**
- 132 (1) The committee shall:
- 133 (a) establish key objectives that the state should pursue in establishing a spaceport;
- 134 (b) evaluate the supported activities that would be most feasible for a spaceport in the state;
- 136 (c) conduct a spaceport feasibility study;
- 137 (d) conduct a spaceport siting assessment;
- 138 (e) evaluate the advantages and disadvantages the state has in establishing a spaceport; and
- 140 (f) make recommendations to the Legislature regarding whether it is in the state's best interest to establish a spaceport.
- 142 (2) The committee may:
- 143 (a) **authorize the department to** contract with one or more consultants to perform research, analysis, and legal work, or to provide other assistance necessary to accomplish the committee's duties; {**and**}
- 145 (b) establish any advisory committees or working groups needed to fulfill the committee's responsibilities{-} ;
- 147 (c) **by majority vote, add up to three non-voting committee members; and**
- 148 (d) **appoint one or more working groups to advise and assist the committee.**

SB0062 compared with SB0062S01

- 147 (3) The committee shall:
148 (a) create a report that:
149 (i) details the committee's conclusions on the items described in Subsection (1); and
150 (ii) includes recommendations on legislation needed to implement the committee's conclusions; and
151 (b) report to the Economic Development and Workforce Services Interim Committee and the
152 Transportation Interim Committee no later than September 30, 2026.
