873 (6) "Rain check" means the seller allows the purchaser to purchase an item at a certain price at a later time because the particular item was out of stock.

875 (7) "Sales tax exemption" means an exemption from the taxes imposed by this chapter.

889 **59-12-2303. Items purchased under layaway sales -- Rain checks -- Bundled transactions --**
Sale of items normally sold as single unit.

891 (1) A sale of eligible property under a layaway sale qualifies for a sales tax holiday under this part if:

tax holiday under this part regardless of when the rain check was issued.

911 **59-12-2304. Discounts -- Exchanges -- Returns.**

912 (1)

(a) A discount by a seller reduces the sales price of eligible property and the discounted sales price
determines whether the sales price is within any price threshold established for the sales tax holiday.

915 (b) A coupon reducing the sales price of eligible property is treated as a discount if the seller is not
reimbursed for the coupon amount by a third-party.

917

HB0143S01 compared with HB0143S02

(c) If a discount applies to the total amount paid by a purchaser rather than to the sales price of a particular item and the purchaser has purchased both eligible property and taxable property, the seller shall allocate the discount based on the total sales prices of the taxable property compared to the total sales prices of all property sold in that same transaction.

922 (2)

(a) If eligible property purchased during the exemption period is exchanged for another item that qualifies as eligible property, no additional tax is due, even if:

924 (i) the exchanged item has different features than the item originally purchased; and

925 (ii) the exchange is made after the exemption period.

926 (b) If eligible property purchased during the exemption period is returned after the exemption period in exchange for credit on the purchase of a different item, the appropriate sales tax is due on the sale of the newly-purchased item.

929 (c) If eligible property purchased before the exemption period is returned during the exemption period in exchange for credit on the purchase of a different item of eligible property, no sales tax is due on the sale of the new item if the new item is purchased during the exemption period.

933 (3)

(a) Subject to Subsection (3)(b), for eligible property returned to the seller during the 60-day period immediately following the exemption period, the purchaser may not receive a credit or refund of sales tax paid on the eligible property unless:

938 (ii) the seller has sufficient documentation indicating that sales tax was paid on the specific item.

940 (b) This Subsection (3):

delayed as a result of a backlog or because stock is currently unavailable or on back order by the
seller.
963 (5) If a seller and purchaser are located in different time zones, the time zone of the seller's location
