150 (6)

HB0191S01 compared with HB0191S02

- (a) As used in this Subsection (6), "generally accepted accounting principles" means a common framework of accounting rules and standards for financial reporting promulgated by the Governmental Accounting Standards Board.
- 152 (b) Subject to Subsections (6)(c) and (d), the state board shall ensure the rules and standards described in Subsections (1)(f) and (g) allow for an LEA to make adjustments to the LEA's general entry ledger, in accordance with generally accepted accounting principles, to accurately reflect the LEA's use of funds for allowable costs and activities:
- 157 (i) during a fiscal year; and
- 158 (ii) at the close of a fiscal year.
- 159 (c) If the state board determines under Subsection (2) that an LEA has not met the minimum standards described in Subsection (1)(f) or (g) or has not properly submitted a required report, the state board shall allow the LEA an opportunity to cure the relevant defect through an adjustment described in Subsection (6)(b).
- 163 (d) An LEA may not, in an adjustment described in Subsection[-] (6)(b), reflect the use of restricted federal or state funds for a cost or activity that is not an allowable cost or activity for the restricted funds.
- 166 (7)
- (a) As used in this Subsection (7):
- 167 (i)
- (A) "Comparable course" means a course that fulfills the same graduation credit requirements as a course for which a student seeks to improve a grade.
- 169 (B) "Comparable course" does not include a course a student completes through the packet method.
- 171 (ii) "Grade replacement" means credit a student earns by retaking a teacher-led course for a letter grade to improve a previous grade, which:
- 173 (A) may raise the student's grade point average if the new grade is higher; and
- 174 (B) replaces the lower grade on the student's transcript.
- 171 {~~(ii)~~} (iii) "Original credit" means credit a student earns through the successful completion of a course for the first time.
- 173 {~~(iii)~~} (iv) "Packet" means a collection of instructional materials and assessments used to receive credit through the packet method.
- 175 {~~(iv)~~} (v) "Packet method" means an educational approach where:

HB0191S01 compared with HB0191S02

- 176 (A) a high school student receives a collection of instructional materials from an institution,
organization, or LEA;
- 178 (B) the high school student works through the materials independently with minimal or no direct
instruction from a teacher; and
- 180 (C) assessment is primarily based on completion of assignments within the instructional materials.
- 182 {~~(v)~~} (vi) "Replacement credit" means a pass-fail credit a student earns {~~through retaking a course~~
~~to improve a previous grade or to receive credit~~} for a course the student did not pass or
complete{~~;~~} , which:
- 188 (A) does not affect the student's grade point average; and
- 189 (B) allows the student to fulfill high school graduation requirements.
- 185 (b) An LEA may award a grade for original credit or {a pass-fail} replacement credit through the
packet method if the packet adheres to the standards prescribed in state board rule and:
- 188 (i) the LEA approves the packet for use as an instructional material in accordance with:
- 190 (A) Subsection 53G-4-402(27) for a district school; or
- 191 (B) Section 53G-5-404 for a charter school; or
- 192 (ii) the state board recommends the packet after going through the state instructional materials process
described in Title 53E, Chapter 4, Part 4, State Instructional Materials.
- 195 (c) An LEA may not use the packet method, or classify a packet as original credit, to improve a
previous course grade of a high school student as described in Subsection (7)(d).
- 198 (d) A high school student may {to} improve a grade {the student received} through grade replacement
by:
- 199 (i) {~~repeat~~} repeating a course one or more times; or
- 200 (ii) {~~enroll~~} enrolling in and {~~complete~~} completing a comparable coursethat is teacher-led.
- 201 (e) The state board shall:
- 202 (i) in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, make rules or
policies that:
- 204 (A) establish standards for the use of the packet method to award original credit and replacement credit;
- 206 (B) include alignment with core standards the state board establishes under Sections 53E-3-501 and
53E-4-202; and
- 208 (C) maintain a comprehensive list of state board approved packets in the state board's Recommended
Instructional Materials System on the state board's website; and

HB0191S01 compared with HB0191S02

- 211 (ii) report annually to the Education Interim Committee the number of students in each LEA who
receive academic credit through the packet method.
- 213 (f) An LEA shall:
- 214 (i) assign a distinct course name and number for credit earned through the packet method to easily
identify the use of the packet method on a student transcript; and
- 216 (ii) track and record the number of packets an LEA uses to award original credit or replacement credit
each school year.

223 Section 3. **Effective date.**

This bill takes effect on July 1, 2025.
