## HB0307 compared with HB0307S01

- 159 (i) money deposited into the disaster recovery account in accordance with Section 63J-1-314;
- 161 (ii) money appropriated to the disaster recovery account by the Legislature; and
- 162 (iii) any other public or private money received by the division that is:
- 163 (A) given to the division for purposes consistent with this section; and
- 164 (B) deposited into the disaster recovery account at the request of:
- 165 (I) the division; or
- 166 (II) the person or entity giving the money.
- 167 (c) The Division of Finance shall deposit interest or other earnings derived from investment of account money into the General Fund.
- 169 (2) Money in the disaster recovery account may only be expended or committed to be expended as follows:
- 171 (a)
- . (i) subject to Section 53-2a-606, in any fiscal year the division may expend or commit to expend an amount that does not exceed \$500,000, in accordance with Section 53-2a-604, to fund costs to the state of emergency disaster services in response to a declared disaster;
- 175 (ii) subject to Section 53-2a-606, in any fiscal year the division may expend or commit to expend an amount that exceeds \$500,000, but does not exceed \$3,000,000, in accordance with Section 53-2a-604, to fund costs to the state of emergency disaster services in response to a declared disaster if the division:
- 179 (A) before making the expenditure or commitment to expend, obtains approval for the expenditure or commitment to expend from the governor;
- 181 (B) subject to Subsection (5), provides written notice of the expenditure or commitment to expend to the speaker of the House of Representatives, the president of the Senate, the Division of Finance, the Executive Offices and Criminal Justice Appropriations Subcommittee, the Legislative Management Committee, and the Office of the Legislative Fiscal Analyst no later than 72 hours after making the expenditure or commitment to expend; and
- 187 (C) makes the report required by Subsection 53-2a-606(2);
- 188 (iii) subject to Section 53-2a-606, in any fiscal year the division may expend or commit to expend an amount that exceeds \$3,000,000, but does not exceed \$5,000,000, in accordance with Section 53-2a-604, to fund costs to the state of emergency disaster services in response to a declared disaster if, before making the expenditure or commitment to expend, the division:

## HB0307 compared with HB0307S01

- 193 (A) obtains approval for the expenditure or commitment to expend from the governor; and
- 195 (B) submits the expenditure or commitment to expend to the Executive Appropriations Committee in  
accordance with Subsection 53-2a-606(3);
- 197 (iv) in any fiscal year the division may expend or commit to expend an amount that does not exceed  
\$500,000 to fund expenses incurred by the National Guard if:
- 199 (A) in accordance with Section 39A-3-103, the governor orders into active service the National Guard  
in response to a declared disaster; and
- 201 (B) the money is not used for expenses that qualify for payment as emergency disaster services; and
- 203 (v) in any fiscal year, the division may expend an amount that does not exceed \$750,000 to fund  
expenses incurred to develop or enhance emergency management capabilities if:
- 206 (A) the money is used for personnel, equipment, supplies, contracts, training, exercises, or other  
expenses deemed reasonable and necessary to:
- 208 (I) promote and strengthen the state's level of resiliency through mitigation, preparedness, response, or  
recovery activities; or
- 210 (II) meet federal grant matching requirements; and
- 211 (B) the disaster recovery account has a balance of funds available to be utilized while maintaining a  
minimum balance of \$5,000,000;
- 213 (b) money not described in Subsections (2)(a)(i), (ii), and (iii) may be expended or committed to be  
expended to fund costs to the state directly related to a declared disaster that are not costs related to:
- 216 (i) emergency disaster services;
- 217 (ii) emergency preparedness; or
- 218 (iii) notwithstanding whether a county participates in the [~~Wildland Fire Suppression Fund created  
in Section 65A-8-204~~] Utah Wildfire Fund created in Section 65A-8-216, any fire suppression or  
presuppression costs that may be paid for from the [~~Wildland Fire Suppression~~] Utah Wildfire Fund  
if the county participates in the [~~Wildland Fire Suppression~~] Utah Wildfire Fund;
- 223 (c) to fund:
- 224 (i) the Local Government Emergency Response Loan Fund created in Section 53-2a-607; and
- 226 (ii) the Response, Recovery, and Post-disaster Mitigation Restricted Account created in Section  
53-2a-1302;
- 228 (d) the division may provide advanced funding from the disaster recovery account to recognized agents  
of the state when:

## HB0307 compared with HB0307S01

- 230 (i) Utah has agreed, through the division, to enact the Emergency Management Assistance Compact  
with another member state that has requested assistance during a declared disaster;
- 233 (ii) Utah agrees to provide resources to the requesting member state;
- 234 (iii) the agent of the state who represents the requested resource has no other funding source available at  
the time of the Emergency Management Assistance Compact request; and
- 237 (iv) the disaster recovery account has a balance of funds available to be utilized while maintaining a  
minimum balance of \$5,000,000;
- 239 (e) to fund up to \$500,000 for the governor's emergency appropriations described in Subsection  
63J-1-217(4); and
- 241 (f) to pay the state's deductible in the event of an earthquake.
- 242 (3) All funding provided in advance to an agent of the state and subsequently reimbursed shall be  
credited to the account.
- 244 (4) The state treasurer shall invest money in the disaster recovery account according to Title 51, Chapter  
7, State Money Management Act.
- 246 (5)
- . (a) Except as provided in Subsections (1) and (2), the money in the disaster recovery account may not  
be diverted, appropriated, expended, or committed to be expended for a purpose that is not listed in  
this section.
- 249 (b) Notwithstanding Section 63J-1-410, the Legislature may not appropriate money from the disaster  
recovery account to eliminate or otherwise reduce an operating deficit if the money appropriated  
from the disaster recovery account is expended or committed to be expended for a purpose other  
than one listed in this section.
- 253 (c) The Legislature may not amend the purposes for which money in the disaster recovery account may  
be expended or committed to be expended except by the affirmative vote of two-thirds of all the  
members elected to each house.
- 256 (6) The division:
- 257 (a) shall provide the notice required by Subsection (2)(a)(ii) using the best available method under the  
circumstances as determined by the division; and
- 259 (b) may provide the notice required by Subsection (2)(a)(ii) in electronic format.
- 242 Section 3. Section **59-21-2** is amended to read:
- 243

- 517 (c) "General Fund revenue surplus" means a situation where actual General Fund revenues collected in a completed fiscal year exceed the estimated revenues for the General Fund for that fiscal year that were adopted by the Executive Appropriations Committee of the Legislature.
- 521 (d) "Medicaid growth savings" means the Medicaid growth target minus Medicaid program expenditures, if Medicaid program expenditures are less than the Medicaid growth target.
- 524 (e) "Medicaid growth target" means Medicaid program expenditures for the previous year multiplied by 1.08.
- 526 (f) "Medicaid program" is as defined in Section 26B-3-101.
- 527 (g) "Medicaid program expenditures" means total state revenue expended for the Medicaid program from the General Fund, including restricted accounts within the General Fund, during a fiscal year.
- 530 (h) "Medicaid program expenditures for the previous year" means total state revenue expended for the Medicaid program from the General Fund, including restricted accounts within the General Fund, during the fiscal year immediately preceding a fiscal year for which Medicaid program expenditures are calculated.

534

## HB0307 compared with HB0307S01

- (i) "Operating deficit" means that, at the end of the fiscal year, the unassigned fund balance in the General Fund is less than zero.
- 536 (j) "State revenue" means revenue other than federal revenue.
- 537 (k) "State revenue expended for the Medicaid program" includes money transferred or appropriated to the Medicaid Growth Reduction and Budget Stabilization Account only to the extent the money is appropriated for the Medicaid program by the Legislature.
- 541 (2) There is created within the General Fund a restricted account to be known as the Medicaid Growth Reduction and Budget Stabilization Account.
- 543 (3)
- . (a) The following shall be deposited into the Medicaid Growth Reduction and Budget Stabilization Account:
- 545 (i) deposits described in Subsection (4);
- 546 (ii) beginning July 1, 2024, any general funds appropriated to the department for the state plan for medical assistance or for Medicaid administration by the Division of Integrated Healthcare that are not expended by the department in the fiscal year for which the general funds were appropriated and which are not otherwise designated as nonlapsing shall lapse into the Medicaid Growth Reduction and Budget Stabilization Account;
- 552 (iii) beginning July 1, 2024, any unused state funds that are associated with the Medicaid program from the Department of Workforce Services;
- 554 (iv) beginning July 1, 2024, any penalties imposed and collected under:
- 555 (A) Section 17B-2a-818.5;
- 556 (B) Section 19-1-206;
- 557 (C) Section 63A-5b-607;
- 558 (D) Section 63C-9-403;
- 559 (E) Section 72-6-107.5; or
- 560 (F) Section 79-2-404; and
- 561 (v) at the close of fiscal year 2024, the Division of Finance shall transfer any existing balance in the Medicaid Restricted Account created in Section 26B-1-309 into the Medicaid Growth Reduction and Budget Stabilization Account.
- 564 (b) In addition to the deposits described in Subsection (3)(a), the Legislature may appropriate money into the Medicaid Growth Reduction and Budget Stabilization Account.

## HB0307 compared with HB0307S01

- 567 (4)  
. (a)  
. (i) Except as provided in Subsection (7), if, at the end of a fiscal year, there is a General Fund revenue surplus, the Division of Finance shall transfer an amount equal to Medicaid growth savings from the General Fund to the Medicaid Growth Reduction and Budget Stabilization Account.
- 571 (ii) If the amount transferred is reduced to prevent an operating deficit, as provided in Subsection (7), the Legislature shall include, to the extent revenue is available, an amount equal to the reduction as an appropriation from the General Fund to the account in the base budget for the second fiscal year following the fiscal year for which the reduction was made.
- 576 (b) If, at the end of a fiscal year, there is not a General Fund revenue surplus, the Legislature shall include, to the extent revenue is available, an amount equal to Medicaid growth savings as an appropriation from the General Fund to the account in the base budget for the second fiscal year following the fiscal year for which the reduction was made.
- 581 (c) Subsections (4)(a) and (4)(b) apply only to the fiscal year in which the department implements the proposal developed under Section 26B-3-202 to reduce the long-term growth in state expenditures for the Medicaid program, and to each fiscal year after that year.
- 585 (5) The Division of Finance shall calculate the amount to be transferred under Subsection (4):  
587 (a) before transferring revenue from the General Fund revenue surplus to:  
588 (i) the General Fund Budget Reserve Account under Section 63J-1-312;  
589 [(ii)  
. (A) ~~the Wildland Fire Suppression Fund created in Section 65A-8-204, as described in Section 63J-1-314; or]~~

593 (ii) the Utah Wildfire Fund created in Section 65A-8-216, as described in Section 63J-1-314; and  
594 (iii) the State Disaster Recovery Restricted Account under Section 63J-1-314;  
595 (b) before earmarking revenue from the General Fund revenue surplus to the Industrial Assistance Account under Section 63N-3-106; and  
597 (c) before making any other year-end contingency appropriations, year-end set-asides, or other year-end transfers required by law.

## HB0307 compared with HB0307S01

- 599 (6)
- . (a) If, at the close of any fiscal year, there appears to be insufficient money to pay additional debt service for any bonded debt authorized by the Legislature, the Division of Finance may hold back from any General Fund revenue surplus money sufficient to pay the additional debt service requirements resulting from issuance of bonded debt that was authorized by the Legislature.
- 604 (b) The Division of Finance may not spend the hold back amount for debt service under Subsection (6) (a) unless and until it is appropriated by the Legislature.
- 606 (c) If, after calculating the amount for transfer under Subsection (4), the remaining General Fund revenue surplus is insufficient to cover the hold back for debt service required by Subsection (6) (a), the Division of Finance shall reduce the transfer to the Medicaid Growth Reduction and Budget Stabilization Account by the amount necessary to cover the debt service hold back.
- 611 (d) Notwithstanding Subsections (4) and (5), the Division of Finance shall hold back the General Fund balance for debt service authorized by this Subsection (6) before making any transfers to the Medicaid Growth Reduction and Budget Stabilization Account or any other designation or allocation of General Fund revenue surplus.
- 615 (7) Notwithstanding Subsections (4) and (5), if, at the end of a fiscal year, the Division of Finance determines that an operating deficit exists and that holding back earmarks to the Industrial Assistance Account under Section 63N-3-106, transfers to the [~~Wildland Fire Suppression Fund~~] Utah Wildfire Fund and State Disaster Recovery Restricted Account under Section 63J-1-314, transfers to the General Fund Budget Reserve Account under Section 63J-1-312, or earmarks and transfers to more than one of those accounts, in that order, does not eliminate the operating deficit, the Division of Finance may reduce the transfer to the Medicaid Growth Reduction and Budget Stabilization Account by the amount necessary to eliminate the operating deficit.
- 624 (8) The Legislature may appropriate money from the Medicaid Growth Reduction and Budget Stabilization Account only:
- 626 (a) for the Medicaid program; and
- 627 (b)
- . (i) if Medicaid program expenditures for the fiscal year for which the appropriation is made are estimated to be 108% or more of Medicaid program expenditures for the previous year; or
- 630

## HB0307 compared with HB0307S01

- (ii) if the amount of the appropriation is equal to or less than the balance in the Medicaid Growth Reduction and Budget Stabilization Account that comprises deposits described in Subsections (3)(a)(ii) through (v) and appropriations described in Subsection (3)(b).

634 (9) The Division of Finance shall deposit interest or other earnings derived from investment of Medicaid Growth Reduction and Budget Stabilization Account money into the General Fund.

## HB0307 compared with HB0307S01

- (b) A county or municipality that is not covered by a cooperative agreement with the division, as described in this section, shall be responsible for wildland fire costs within the county or municipality's jurisdiction, as described in Section 65A-8-203.2.
- 825 (4) To enter into a cooperative agreement with the division, [~~the eligible entity~~] an agreement entity shall:
- 827 (a) if the [eligible] agreement entity is a county, adopt and enforce on unincorporated land a wildland fire ordinance based upon minimum standards established by the division or Uniform Building Code Commission;
- 830 (b) require that the fire department or equivalent fire service provider under contract with, or delegated by, the [eligible] agreement entity on unincorporated land meet minimum standards for wildland fire training, certification, and suppression equipment based upon nationally accepted standards as specified by the division;
- 834 (c) invest in prevention, preparedness, and mitigation efforts, as agreed to with the division, that will reduce the [eligible] agreement entity's risk of catastrophic wildfire;
- 836 (d)
- . (i) file with the division an annual accounting of wildfire prevention, preparedness, mitigation actions, and associated costs;
- 838 (ii) meet the [eligibility] agreement entity's participation commitment by making direct payments to the division; or
- 840 (iii) do a combination of Subsections (4)(d)(i) and (ii);
- 841 (e) return the financial statement described in Subsection (6), signed by the chief executive of the [eligible] agreement entity, to the division on or before the date set by the division; and
- 844 (f) if the [eligible] agreement entity is a county, have a designated fire warden as described in Section 65A-8-209.1.
- 846 (5)
- . (a) The state forester may execute a cooperative agreement with [~~the eligible~~] an agreement entity.
- 848 (b) The division shall make rules, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, governing the:
- 850 (i) cooperative agreements described in this section;
- 851 (ii) manner in which an [eligible] agreement entity shall provide proof of compliance with Subsection (4);

## HB0307 compared with HB0307S01

- 853 (iii) manner by which the division may revoke a cooperative agreement if an [eligible] agreement entity  
ceases to meet the requirements described in this section;
- 855 (iv) accounting system for determining suppression costs;
- 856 (v) manner in which the division shall determine the [eligible] agreement entity's participation  
commitment; and
- 858 (vi) manner in which an [eligible] agreement entity may appeal a division determination of participation  
commitment.
- 860 (6)
- . (a) The division shall send a financial statement to each [eligible] agreement entity participating in a  
cooperative agreement that details the [eligible] agreement entity's participation commitment for the  
coming fiscal year, including the prevention, preparedness, and mitigation actions agreed to under  
Subsection (4)(c).
- 864 (b) [~~Each eligible~~] An agreement entity participating in a cooperative agreement shall:
- 865 (i) have the chief executive of the [eligible] agreement entity sign the financial statement, or the  
legislative body of the [eligible] agreement entity approve the financial statement by resolution,  
confirming the [eligible] agreement entity's participation for the upcoming year; and
- 869 (ii) return the financial statement to the division, on or before a date set by the division.
- 871 (c) A financial statement shall be effective for one calendar year, beginning on the date set by the  
division, as described in Subsection (6)(b).
- 873 (7)
- . (a) An [eligible] agreement entity may revoke a cooperative agreement before the end of the  
cooperative agreement's term by:
- 875 (i) informing the division, in writing, of the [eligible] agreement entity's intention to revoke the  
cooperative agreement; or
- 877 (ii) failing to sign and return its annual financial statement, as described in Subsection (6)(b), unless  
the director grants an extension.
- 879 (b) An [eligible] agreement entity may not revoke a cooperative agreement before the end of the term of  
a signed annual financial statement, as described in Subsection (6)(c).
- 882 (8)
- . (a) The division shall develop and maintain a wildfire risk assessment mapping tool that is online and  
publicly accessible.

## HB0307 compared with HB0307S01

- 884 (b)
- . [(†)] The division shall analyze adding an additional high-risk category within the wildfire risk assessment mapping tool described in Subsection (8)(a):
- 886 [(A)] (i) using a scientific assessment; and
- 887 [(B)] (ii) that is focused on the risk to dwellings within the wildland-urban interface area.
- 889 [(ii) ~~The division shall report the results of the division's analysis under this Subsection (8)(b) to the Natural Resources, Agriculture, and Environment Interim Committee by no later than the 2024 November interim meeting of that committee.~~]
- 892 (c) With regard to the categories used within the wildfire risk assessment mapping tool described in Subsection (8)(a), the division may adjust the assessment for participation commitments if the adjustment is based on the Consumer Price Index for All Urban Consumers as published by the Bureau of Labor Statistics of the United States Department of Labor, in accordance with a formula established by the division by rule made in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act.
- 899 (9)
- . (a) The division may by rule, made in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, establish criteria for community wildfire preparedness plans addressing wildland-urban interface. The criteria shall require action that is:
- 903 (i) qualitative and quantitative; and
- 904 (ii) leads to reduced wildfire risk.
- 905 (b) An eligible entity shall agree to implement prevention, preparedness, and mitigation actions identified in a community wildfire preparedness plan addressing wildland-urban interface that is approved by the division.
