Be it enacted by the Legislature of the state of Utah:

Section 1. Section **1** is enacted to read:

53E-3-507.1. Catalyst Center Grant Program.

(1) As used in this section:

(a) "Catalyst center" means a program or facility operated by an LEA that:

(i) provides learning experiences and instruction that replicate professional environments and workplace practices;

(ii) provides profession-based learning experiences by partnering with local industry, business, and community organizations to develop and implement student projects that address specific needs or objectives identified by those partners;

(iii) aligns programs with high-skill, high-demand career pathways and postsecondary education opportunities;

(iv) incorporates industry-standard tools, technologies, and methods into instruction and student work;

(v) prioritizes student activities and profession-based learning projects to build durable professional skills aligned with industry standards and needs;

HB0447S01 compared with HB0447S02

(vi) facilitates mentorship and participation by industry professionals to guide a student and evaluate the student's work;

(vii) includes an advisory board composed of industry, postsecondary, and community representatives to review program direction and ensure alignment with workforce needs; and

(viii) establishes programs or activities that address gaps in training or resources within the local or regional workforce.

(b) "Director" means the employee described in Subsection (3).

(c) "LEA" means:

(i) a school district;

(ii) charter school; or

(iii) the Utah Schools for the Deaf and the Blind.

(d) "Program" means the Catalyst Center Grant Program created in this section.

(2) Subject to legislative appropriation as described in Section 53F-9-204, the state board shall establish the Catalyst Center Grant Program to provide funding to an LEA to create or expand an existing catalyst center.

(3) The state board shall hire a director to oversee the program who:

(a) has demonstrated abilities in:

(i) developing and implementing innovative initiatives that transform traditional education delivery models;

(ii) establishing public-private partnership frameworks that create student pathways into high-growth industries; and

(iii) scaling programs that integrate real-world experiences directly into educational environments;

(b) possesses expertise in:

(i) managing complex multi-stakeholder initiatives across education, industry, and government sectors;

(ii) implementing data-driven organizational change strategies; and

(iii) developing sustainable funding models for innovative education programs;

(c) maintains active leadership roles in:

(i) state or national workforce innovation organizations;

(ii) industry associations focused on talent development; and

(iii) public-private collaboratives addressing workforce transformation;

HB0447S01 compared with HB0447S02

(d) reports directly to the state superintendent or a deputy superintendent to ensure appropriate program oversight and cross-departmental coordination while maintaining distinct program objectives and outcomes;

87 (e) establishes formal collaboration mechanisms with the state board's career and technical education director to align catalyst center initiatives with existing career and technical education programs;
and

90 (f) facilitates training and a collaborative network of experienced catalyst center administrators and instructors across all participating LEAs.

92 (4) The director shall:

93 (a) administer the program;

94 (b) collaborate with the director of career and technical education to align the program with the career and technical education standards described in Section 53E-3-507;

96 (c) collaborate with the Utah System of Higher Education;

96 ~~{(e)}~~ (d) create a web-based application system to streamline submissions and allow for linked supporting documentation;

98 ~~{(d)}~~ (e) ensure that grant funds are used in accordance with this section; and

99 ~~{(e)}~~ (f) allow grant funds to be used for planning, including:

100 (i) feasibility studies;

101 (ii) stakeholder engagement;

102 (iii) labor market analysis;

103 (iv) initial program design and rollout; and

104 (v) teacher and staff training specific to the delivery of profession-based learning.

105 (5) An LEA applying for a grant shall demonstrate capacity for workforce alignment programs within the LEA or provide a plan to establish or enhance alignment by:

107 (a) describing current or planned efforts to align programming with labor market needs and local industry demands;

109 (b) outlining steps to establish or enhance partnerships with:

110 (i) local industries and employers to ensure workforce relevance; or

111 (ii) technical colleges, degree-granting institutions, or other postsecondary entities to support postsecondary transitions for students;

113

HB0447S01 compared with HB0447S02

(c) identifying proposed programming goals and how the goals address gaps in regional workforce training or opportunities; and

(d) as the LEA determines relevant, planning to incorporate:

(i) career and technical student organizations;

(ii) advisory boards with representation from local industries and workforce experts;

(iii) professional learning opportunities for instructors to improve workforce-focused skills; and

(iv) strategies for using labor market data to refine and improve program offerings.

(6)

(a) An LEA may apply for a grant by submitting an application to the state board.

(b) The application shall include:

(i) a plan to:

(A) create or expand one or more catalyst centers; or

(B) create or expand current career and technical education offerings within the LEA to bring the LEA's career and technical education offerings in alignment with the definition of a catalyst center in Subsection (1);

(ii) a detailed multi-year budget, identifying proposed expenditures for each year of the grant;

(iii) justification for any capital expenditures, including plans for building use;

(iv) a description of how the grant will be used to improve student outcomes, including:

(A) increased access to career pathway offerings;

(B) measurable improvements in career readiness, including certifications, credentials, or apprenticeships;

(C) increased offerings that advance students' progression toward postsecondary education or advanced training; and

(D) plans for enhanced student engagement through real-world, profession-based learning;

(v) evidence of any existing partnerships with industry, including letters of collaboration;

(vi) evidence of alignment with {the LEA's strategic plan and local labor market needs;} :

(A) the LEA's strategic plan; and

(B) the LEA's First Credential needs assessment described in Subsection 53E-10-310(17);

(vii) a copy of the LEA's draft plan to each institution that, as defined in Utah Board of Higher Education policy, is responsible for providing higher education in the LEA's county;

{(vii)} (viii) an explanation of how awarded funds will be used without unnecessary carryforward;

HB0447S01 compared with HB0447S02

- 145 ~~{(viii)}~~ (ix) as applicable, a description of how the catalyst center programming will align with or
enhance programs funded by the weighted pupil unit add-on described in Section 53F-2-311;
- 148 ~~{(ix)}~~ (x) for applications submitted by a consortium of LEAs, a description of how:
- 149 (A) the catalyst center will serve students across the consortium;
- 150 (B) costs and resources will be shared; and
- 151 (C) economies of scale will be achieved; and
- 152 ~~{(x)}~~ (xi) a description of any proposed planning activities, including expected timelines and outcomes.
- 154 (7) The director shall:
- 155 (a) prioritize an LEA that:
- 156 (i) proposes innovative programming supported by local labor market data;
- 157 (ii) collaborates with local postsecondary institutions and industry;
- 158 (iii) demonstrates the ability to sustain the catalyst center after the grant period;
- 159 (iv) demonstrates a strong focus on student outcomes and workforce alignment;
- 160 (v) addresses gaps in high-demand, high-skill career pathways;
- 161 (vi) ensures funds are used to enhance programming quality before expansion; and
- 162 (vii) provides for a large number of students to participate in catalyst center programs without limiting
 participation to students based on socio-economic challenges;
- 164 (b) allow an LEA to apply for:
- 165 (i) smaller grants to bring existing career and technical education programs to high-quality standards the
 state board establishes;
- 167 (ii) larger multi-year grants for capital expenditures and program expansion; and
- 168 (iii) ensure that grant funding does not duplicate existing resources provided by other state or local
 entities;
- 170 (c) consider the unique challenges and opportunities faced by rural LEAs in developing and sustaining a
 career and technical education program or catalyst center, including:
- 172 (i) encouraging collaborative applications from rural consortia or regional education service agencies
 described in Section 53G-4-410 to maximize resources and impact; and
- 175 (ii) grant awards that consider both rural and non-rural applicants, recognizing regional workforce
 needs and program readiness; and

177

HB0447S01 compared with HB0447S02

(d) allow an LEA to propose a catalyst center collocated on the campus of an institution of higher education if the application includes evidence of an agreement between the LEA and the institution of higher education.

(8)

(a) An LEA that receives a grant:

(i) may coordinate and collaborate with the Utah Board of Higher Education or an individual institution of higher education; and

(ii) shall submit an annual report to the state board.

(b) The report shall include:

(i) the use of grant funds;

(ii) progress in meeting proposed goals and benchmarks;

(iii) updates on partnerships with industry and postsecondary institutions;

(iv) a demonstration of the alignment of programming with labor market data; and

(v) a description of student participation and outcomes.

(c) The state board shall ensure that awarded funds:

(i) are used in accordance with an LEA's application; and

(ii) that are not used are returned for reallocation.

(d) Upon request, the director shall submit a report on the program to the Education Interim Committee and the Public Education Appropriations Subcommittee.

(9) The Talent Ready Utah Program described in Section 53B-34-103 and the Utah Leading through Effective, Actionable, and Dynamic Education established in Section 53E-10-702, shall collaborate with the state board to develop and execute a marketing and outreach plan for the Catalyst Center Grant Program.

(10) Talent Ready Utah and the Utah Leading through Effective, Actionable, and Dynamic Education shall:

(a) execute the marketing and outreach plan described in Subsection (9); and

(b) submit an annual report to the state board that includes:

(i) the number of LEAs reached through marketing efforts;

(ii) a description of outreach activities and events conducted; and

(iii) feedback from LEAs regarding program accessibility and clarity.

(11) The state board:

HB0447S01 compared with HB0447S02

- 207 (a) may provide up to 1% of the funds appropriated by the Legislature as described in Section
53F-9-204 to administer the program;
- 209 (b) in fiscal year 2026, shall provide up to 1% of the funds appropriated by the Legislature as described
in Section 53F-9-204 to Talent Ready Utah and the Utah Leading through Effective, Actionable, and
Dynamic Education for the purposes described in Subsections (9) and (10); and
- 213 (c) shall make rules in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, to
implement this Subsection (11).

222 Section 2. Section **53E-6-204** is amended to read:

223 **53E-6-204. Exemptions from licensure.**

- 217 (1) Except as otherwise provided by statute or rule, a spouse of an individual serving in the armed
forces of the United States while the individual is stationed within this state may work as an
educator without being licensed under this title if:
- 220 [(4)] (a) the spouse holds a valid educator license issued by any other state or jurisdiction recognized by
the state board; and
- 222 [(2)] (b) the license is current and the spouse is in good standing in the state or jurisdiction of licensure.
- 224 (2) An individual with industry experience as an LEA determines, may work as an educator {without
being licensed under this title if the individual:} under the LEA specific license as described in state
board rule.
- 226 {~~(a) {demonstrates expertise related to a career and technical education course or catalyst center~~
- 228 ~~program;}~~}
- 229 {~~(b) {passes a criminal background check as required by Section 53G-11-402; and}~~}
- 229 {~~(c) {completes any training required by the LEA prior to or during the teaching assignment.}~~}
- 231 (3) Notwithstanding any other provision of state law, an educator employed pursuant to Subsection (2)
shall be considered qualified in determining the state funding distribution of career and technical
education funding.

236 Section 3. Section **53F-9-204** is amended to read:

237 **53F-9-204. Public Education Economic Stabilization Restricted Account.**

- 236 (1) There is created within the Uniform School Fund a restricted account known as the "Public
Education Economic Stabilization Restricted Account."
- 238 (2)

HB0447S01 compared with HB0447S02

(a) Except as provided in Subsection (2)(b), the account shall be funded from the following revenue sources:

(i) 15% of the difference between, as determined by the Office of the Legislative Fiscal Analyst:

(A) the estimated amount of ongoing Income Tax Fund and Uniform School Fund revenue available for the Legislature to appropriate for the next fiscal year; and

(B) the amount of ongoing appropriations from the Income Tax Fund and Uniform School Fund in the current fiscal year; and

(ii) other appropriations as the Legislature may designate.

(b) If the appropriation described in Subsection (2)(a) would cause the ongoing appropriations to the account to exceed 11% of Uniform School Fund appropriations described in Section 53F-9-201.1 for the same fiscal year, the Legislature shall appropriate only those funds necessary to ensure that the ongoing appropriations to the account equal 11% of Uniform School Fund appropriations for that fiscal year.

(3) Subject to the availability of ongoing appropriations to the account, in accordance with

Utah Constitution, Article X, Section 5, Subsection (4), the ongoing appropriation to the account shall be used to fund:

(a) except for a year described in Subsection (3)(b), one-time appropriations to the public education system~~[-and]~~ , including at least \$65,000,000 to the Catalyst Center Grant Program described in Section 53E-3-507.1; and

(b) the Minimum School Program for a year in which Income Tax Fund revenue and Uniform School Fund revenue are insufficient to fund:

(i) ongoing appropriations to the public education system; and

(ii) enrollment growth and inflation estimates, as defined in Section 53F-9-201.1.

(4)

(a) The account shall earn interest.

(b) All interest earned on account money shall be deposited in the account.

(5) On or before December 31, 2023, and every three years thereafter, the Office of the Legislative Fiscal Analyst shall:

(a) review the percentages described in Subsections (2)(a)(i) and (2)(b); and

(b) recommend to the Executive Appropriations [~~Subcommittee~~] Committee any changes based on the review described in Subsection (5)(a).

HB0447S01 compared with HB0447S02

(6) In preparing budget bills for a given fiscal year, the Executive Appropriations Committee shall make the one-time appropriations described in Subsection (3)(a) by appropriating at least the lesser of 10% of the total amount of the one-time appropriations~~;~~ ~~or~~ to:

(a) the cost of providing 32 paid professional hours for teachers in accordance with Section 53F-7-203; and

(b) the amount to make the distribution required under Section 53F-2-527.

Section 4. Section 4 is enacted to read:

Part 3. Miscellaneous Curriculum and Credit Requirements

53G-10-307. Art or fine arts education -- Definition -- Credit requirements.

(1) As used in this section, "art" or "fine arts" means:

(a) courses, instruction, or experiences in visual arts, music, dance, or theater;

(b) courses, instruction, or experiences in applied crafts and technical arts that incorporate artistic elements, including:

(i) woodworking;

(ii) metalworking and welding;

(iii) traditional handcrafts;

(iv) architectural trades, including carpentry, plumbing, masonry, and stonework;

(v) automotive design and customization;

(vi) digital design and animation; or

(vii) other similar courses that combine technical skill with artistic expression; and

(c) other forms of creative or interpretive expression as an LEA determines.

(2) For purposes of meeting art or fine arts credit requirements the state board {~~or an LEA~~} establishes, the LEA shall accept for an art or fine arts credit any course listed in Subsection (1) that:

(a) incorporates artistic or creative elements in the curriculum;

(b) includes instruction in principles of design, form, or aesthetic expression; and

(c) provides students opportunities for creative expression and artistic application of technical skills.

(3) Nothing in this section:

(a) prevents an LEA from:

(i) establishing the LEA's own additional criteria for artistic and creative elements in courses accepted for fine arts credit; or

(ii) offering additional courses for fine arts credit; or

HB0447S01 compared with HB0447S02

303 (b) requires an LEA to offer all courses listed in Subsection (1).

305 Section 5. **Effective date.**

This bill takes effect on May 7, 2025.
