**Genetic Information Amendments**  
2025 GENERAL SESSION  
STATE OF UTAH  
**Chief Sponsor: Walt Brooks**  
Senate Sponsor:

2

3 **LONG TITLE**

4 **General Description:**

5 This bill addresses the use of genetic sequencing tools and the storage of genetic  
6 sequencing data.

7 **Highlighted Provisions:**

8 This bill:

- 9 ▶ defines terms;
- 10 ▶ prohibits the use of certain genetic sequencers and genetic sequencing software;
- 11 ▶ prohibits genetic sequencing data from being stored within the boundaries of a foreign adversary;
- 13 ▶ requires relevant entities to certify compliance with genetic sequencing requirements and imposes security requirements for the storage of genetic data;
- 15 ▶ authorizes the attorney general to investigate alleged violations of genetic sequencing requirements, and initiate civil actions for those violations; and
- 17 ▶ provides protections for an employee who reports a suspected violation of genetic sequencing requirements to the attorney general.

19 **Money Appropriated in this Bill:**

**HB0548S02**

## HB0548S02 compared with HB0548S03

20 None

21 **Other Special Clauses:**

22 This bill provides a special effective date.

24 ENACTS:

25 **26B-2-244** , Utah Code Annotated 1953 , Utah Code Annotated 1953

26

27 *Be it enacted by the Legislature of the state of Utah:*

28 Section 1. Section 1 is enacted to read:

29 **26B-2-244. Genetic sequencing -- Storage of genetic information -- Enforcement.**

30 (1) As used in this section:

31 (a) "DNA" means deoxyribonucleic acid.

32 (b) "Domicile" means the country where:

33 (i) a company is registered and headquartered;

34 (ii) a company's affairs are primarily completed; or

35 (iii) the majority of a company's ownership share is held.

36 (c) "Foreign adversary" means a foreign adversary identified in 15 C.F.R. Sec. 791.4.

37 (d) "Genetic sequencer" means a device or platform used to conduct genetic sequencing, resequencing, isolation, or other similar genetic research.

39 (e) "Genetic sequencing" means a method to determine the identity and order of nucleotide bases in the human genome.

41 (f) "Genomic research facility" means a facility that conducts research on, with, or relating to genetic sequencing or the human genome.

43 (g) "Human genome" means a complete set of nucleic acid sequences for a human, encoded as the DNA within each of the 23 distinct chromosomes in the cell nucleus.

45 (h) "Medical facility" means a facility for the delivery of health services that:

46 (i) receives public funds, including pass-through appropriations from the federal government;

48 (ii) is registered to provide health care services in the state; or

49 (iii) conducts research or testing on, with, or relating to genetic sequencing or the human genome.

51 (i) "Operational and research software" means a computer program used for the operation, control, analysis, or other necessary functions of genetic sequencing or a genetic sequencer.

54 (j) "RNA" means ribonucleic acid.

## HB0548S02 compared with HB0548S03

- 55 (k) "Software" means a program or routine, or a set of one or more programs or routines, used  
or intended for use to cause one or more computers or pieces of computer-related peripheral  
equipment, to perform a task or set of tasks related to genetic sequencing or a genetic sequencer.
- 59 (2)
- (a) A medical facility or genomic research facility may not use a genetic sequencer or operational and  
research software that is produced in or by a foreign adversary, a foreign adversary's state-owned  
enterprise, a person domiciled within a foreign adversary, or an owned or controlled subsidiary or  
affiliate of a person domiciled within a foreign adversary.
- 64 (b) A medical facility or genomic research facility with a genetic sequencer or genetic sequencing  
device prohibited under Subsection (2)(a) that is not permanently disabled shall:
- 67 (i) remove or permanently disable the genetic sequencer or genetic sequencing device; and
- 69 (ii) use a genetic sequencer or genetic sequencing device that is not prohibited by Subsection (2)(a).
- 71 (3)
- (a) A medical facility, genomic research facility, or other person that stores genetic sequencing data  
may not store the data within the boundaries of a foreign adversary.
- 73 (b) Remote access to genetic sequencing data storage, other than open data, from outside the United  
States is prohibited unless approved in writing by the department.
- 75 (c) A medical facility, genomic research facility, or other person that stores genetic sequencing data,  
including through a contract with a third-party data storage provider, shall ensure the security of the  
genetic sequencing data by using reasonable encryption methods, restrictions on access, and other  
cybersecurity best practices.
- 79 (4)
- (a) Beginning December 31, 2025, and by December 31 of each subsequent year, each medical facility  
and genomic research facility that is subject to this section shall provide a sworn statement to the  
attorney general and the department confirming that the medical facility or genomic research facility  
is in compliance with the requirements of this section.
- 84 (b) A person that violates Subsection (2) is subject to a fine of \$10,000 per violation, enforceable  
beginning July 1, 2025.
- 86 (c) For the purposes of Subsection (4)(b), each unique instance of a human genome undergoing genetic  
sequencing or analysis using a prohibited genetic sequencer or prohibited operational and research  
software is a separate violation.

## HB0548S02 compared with HB0548S03

- 89 (d) A person that knowingly violates the provisions of Subsection (3) by storing genetic sequencing  
data outside of the United States is subject to a fine of \$10,000 per violation, enforceable beginning  
July 1, 2025.
- 92 (5)
- (a) The attorney general has the sole authority to enforce the provisions of this section.
- 93 (b) Any person may notify the attorney general of a violation or potential violation of this section, and  
the attorney general may investigate an alleged violation of this section and institute appropriate  
actions regarding suspected violations.
- 96 (c) The attorney general may initiate a civil action against a person for violating Subsection (2) or (3).
- 98 (d) In an action to enforce Subsection (2) or (3), the attorney general may recover:
- 99 (i) actual damages;
- 100 (ii) costs;
- 101 (iii) attorney fees; and
- 102 (iv) \$10,000 for each violation of Subsection (2) or (3).
- 103 (6) An employer may not take an adverse employment action against an employee if:
- 104 (a) the employee notifies the attorney general of a violation or potential violation of this section; and
- 106 (b) the adverse employment action is based on the employee notifying the attorney general regarding  
the violation.
- 108 (7) If any provision of this section, or the application of any provision to any person or circumstance, is  
held to be invalid, that holding does not affect the remainder of this section or the application of this  
section's provisions to any other person or circumstance.

111 Section 2. **Effective date.**

This bill takes effect on May {~~7, 2025~~} 1, 2026.
