25      *Be it enacted by the Legislature of the state of Utah:*

26      Section 1. Section 4-2-103 is amended to read:

27      **4-2-103. Functions, powers, and duties of department -- Fees for services -- Marketing orders -- Procedure -- Purchasing and auditing.**

29      (1) The department shall:

30      (a) inquire into and promote the interests and products of agriculture and allied industries;

32      (b) promote methods for increasing the production and facilitating the distribution of the agricultural products of the state;

34      (c)

36      (i) inquire into the cause of contagious, infectious, and communicable diseases among livestock and the means for their prevention and cure; and

38      (ii) initiate, implement, and administer plans and programs to prevent the spread of diseases among livestock;

40      (d) encourage experiments designed to determine the best means and methods for the control of diseases among domestic and wild animals;

41      (e) issue marketing orders for any designated agricultural product to:

42      (i) promote orderly market conditions for any product;

44      (ii) give the producer a fair return on the producer's investment at the marketplace; and

46      (iii) only promote and not restrict or restrain the marketing of Utah agricultural commodities;

47      (f) administer and enforce all laws assigned to the department by the Legislature;

## SB0253S01 compared with SB0253S03

- (g) establish standards and grades for agricultural products and fix and collect reasonable fees for services performed by the department in conjunction with the grading of agricultural products;
- 50 (h) establish operational standards for any establishment that manufactures, processes, produces, distributes, stores, sells, or offers for sale any agricultural product;
- 52 (i) adopt, according to Title 63G, Chapter 3, Utah Administrative Rulemaking Act, rules necessary for the effective administration of the agricultural laws of the state;
- 54 (j) when necessary, make investigations, subpoena witnesses and records, conduct hearings, issue orders, and make recommendations concerning matters related to agriculture;
- 57 (k)
  - (i) inspect any nursery, orchard, farm, garden, park, cemetery, greenhouse, or any private or public place that may become infested or infected with harmful insects, plant diseases, noxious or poisonous weeds, or other agricultural pests;
  - 60 (ii) establish and enforce quarantines;
  - 61 (iii) issue and enforce orders and rules for the control and eradication of pests, wherever they may exist within the state; and
  - 63 (iv) perform other duties relating to plants and plant products considered advisable and not contrary to law;
  - 65 (l) inspect apiaries for diseases inimical to bees and beekeeping;
  - 66 (m) take charge of any agricultural exhibit within the state, if considered necessary by the department, and award premiums at that exhibit;
  - 68 (n) provide for the coordination of state conservation efforts, including by:
    - 69 (i) assisting the Conservation Commission in the administration of Chapter 18, Conservation Commission Act;
    - 71 (ii) implementing Chapter 46, Conservation Coordination Act, including entering into agreements with other state agencies; and
    - 73 (iii) administering and disbursing money available to assist conservation districts in the state in the conservation of the state's soil and water resources;
    - 75 (o) participate in the United States Department of Agriculture certified agricultural mediation program, in accordance with 7 U.S.C. Sec. 5101 and 7 C.F.R. Part 785;
    - 77 (p) promote and support the multiple use of public lands;
  - 78

## SB0253S01 compared with SB0253S03

(q) ensure that any training or certification required of a public official or public employee, as those terms are defined in Section 63G-22-102, complies with Title 63G, Chapter 22, State Training and Certification Requirements, if the training or certification is required:

82 (i) under this title;

83 (ii) by the department; or

84 (iii) by an entity within the department;

85 ~~[r] administer the requirements described in Section 56-1-12 pertaining to livestock damaged by railroad operations;]~~

87 ~~[s]~~ (r) in accordance with Title 73, Chapter 3d, Part 4, Compensation:

88 (i) conduct mediation or arbitration; and

89 (ii) assist in the issuance of loans by the Conservation Commission; and

90 ~~[t]~~ (s) perform any additional functions, powers, and duties provided by law.

91 (2) The department, by following the procedures and requirements of Section 63J-1-504, may adopt a schedule of fees assessed for services provided by the department.

93 (3)

94 (a) A marketing order issued under Subsection (1)(e) may not take effect until:

96 (i) the department gives notice of the proposed order to the producers and handlers of the affected product;

97 (ii) the commissioner conducts a hearing on the proposed order; and

99 (iii) at least 50% of the registered producers and handlers of the affected products vote in favor of the proposed order.

101 (b)

102 (i) The department may establish boards of control to administer marketing orders and the proceeds derived from any order.

104 (ii) A board of control shall:

106 (A) ensure that proceeds are placed in an account in the board of control's name in a depository institution; and

108 (B) ensure that the account is annually audited by an accountant approved by the commissioner.

(4) Money collected by grain grading, as provided by Subsection (1)(g), shall be deposited into the General Fund as dedicated credits for the grain grading program.

(5) In fulfilling the department's duties in this chapter, the department may:

## SB0253S01 compared with SB0253S03

- 109 (a) purchase, as authorized or required by law, services that the department is responsible to provide for  
legally eligible persons;
- 111 (b) take necessary steps, including legal action, to recover money or the monetary value of services  
provided to a recipient who is not eligible;
- 113 (c) examine and audit the expenditures of any public funds provided to a local authority, agency, or  
organization that contracts with or receives funds from those authorities or agencies;
- 116 (d) accept and administer grants from the federal government and from other sources, public or private;  
and
- 118 (e) fund grants using money appropriated by the Legislature or money received from any other source.

120 Section 2. Section **63I-2-256** is amended to read:

**63I-2-256. Repeal dates: Title 56.**

122 [(1) ~~Seetion 56-1-12.1, Injury to livestock -- Notice, is repealed May 7, 2025.~~]

123 [(2) ~~Section 56-1-13.1, Fencing right-of-way -- Gates, is repealed May 7, 2025.~~]

124 Section 3. Section **72-18-102** is amended to read:

**72-18-102. Rail ombudsman -- Duties.**

126 (1) The rail ombudsman shall:

127 (a) develop and maintain expertise in and understanding of laws and regulations relating to rail;

129 (b) coordinate, consult, and provide information to private citizens, government entities, rail operators,  
stakeholders, and other interested parties about rail related issues;

131 (c) on the rail ombudsman's website, provide:

132 (i) updated, easily accessible information about the duties of the rail ombudsman; and

133 (ii) a form that a member of the public, including a railroad company employee, may use to submit a  
report or complaint;

135 (d) provide education and training regarding rail laws and regulations; and

136 (e) arrange and facilitate meetings between a rail company and one or more of the following, to resolve  
a rail dispute described in Subsection (2):

138 (i) a local government entity;

139 (ii) a large public transit district; or

140 (iii) a private property or livestock owner.

141 (2) The rail ombudsman shall facilitate meetings described in Subsection (1)(e) to resolve issues  
relating to:

## SB0253S01 compared with SB0253S03

143 (a) safety;  
144 (b) at-grade and grade-separated rail crossings;  
145 (c) fencing;  
146 (d) injury to or loss of livestock;  
147 (e) railroad maintenance, including maintenance agreements and road closures;  
148 (f) improvements to railroad right-of-way infrastructure;  
149 (g) track realignment;  
150 (h) track consolidation; or  
151 (i) any other issue that has caused a dispute between a rail company and a party described in Subsection  
152 (1)(e).  
153 (3) If the rail ombudsman invites a rail company or another party described in Subsection (1)(e) to a  
154 meeting to resolve a rail dispute, the rail company or other person shall:  
155 (a) attend the meeting; and  
156 (b) attempt to resolve the dispute through the rail ombudsman before filing an action in court or seeking  
157 another remedy.  
158 (4) A rail company and a party described in Subsections (1)(e)(i) through (iii) shall provide notice to the  
159 rail ombudsman before:  
160 (a) closing a highway for railroad maintenance; or  
161 (b) starting a construction project involving:  
162 (i) an at-grade rail crossing; or  
163 (ii) the realignment or consolidation of railroad tracks.  
164 (5) The rail ombudsman may not address nor participate in:  
165 (a) organized labor issues or disputes; or  
166 (b) rail company employee safety issues.  
167 (6) If a report or complaint described in Subsection (1)(c)(ii) is made in regard to a rail company,  
168 the rail ombudsman shall forward the report or complaint to the relevant rail company or other  
169 appropriate agency or entity.

### 170 Section 4. Repeater.
