(3) At the reasonable request of the Governor's Office of Planning and Budget, the Office

of the Legislative Fiscal Analyst, or the Division of Finance, the office shall provide additional information about the tax credit, new incremental jobs and high paying jobs, costs, and economic benefits related to this part, if the information is part of a public record as defined in Section 63G-2-103.

~~[(4) By October 1, the office shall submit to the Economic Development and Workforce Services Interim Committee, the Business, Economic Development, and Labor Appropriations Subcommittee, and the governor, a written report that provides an overview of the implementation and efficacy of the statewide economic development strategy, including an analysis of the extent to which the office's programs are aligned with the prevailing economic conditions expected in the next fiscal year.]~~

Section 20. Section **63N-16-302** is amended to read:

**63N-16-302 . Proactive regulatory relief efforts.**

(1) As used in this section:

- (a) "Regulatory framework" means a framework for determining the risk level to the public if a law or regulation that inhibits the creation or success of new and existing companies or industries were to be permanently removed or temporarily waived.
- (b) "Risk level" means a level of risk categorized from low, medium, and high.

(2) The regulatory relief office may:

- (a) review, at any time, any existing state laws or regulations that may unnecessarily inhibit the creation or success of companies or industries other than the occupational regulations of individuals reviewed by the Office of Professional Licensure Review under Title 13, Chapter 1b, Office of Professional Licensure Review; and
- (b) provide recommendations to the governor and the Legislature on modifying those state laws and regulations described in Subsection (2)(a).

(3) The regulatory relief office shall:

- (a) create a regulatory framework; and
- (b) annually study the laws and regulations of at least two industries selected from:
  - (i) an industry targeted for economic development by the ~~[Unified Economic Opportunity Commission]~~ office as described in Section ~~[63N-1a-202]~~ 63N-1a-302; or
  - (ii) an industry designated by the General Regulatory Sandbox Program Advisory Committee for study by the regulatory relief office.

(4) In undertaking the review described in Subsection ~~[(3),]~~ (2), the regulatory relief office shall:

- 981 (a) identify any law or regulation that the regulatory relief office determines inhibits the  
982 creation or success of new and existing companies or industries;  
983 (b) apply the regulatory framework to the identified law or regulation; and  
984 (c) consider:  
985 (i) the history of the identified regulation or law, including the reasons why the  
986 regulation or law was originally enacted;  
987 (ii) whether the identified regulation or law:  
988 (A) creates an unnecessary barrier to industry for businesses; or  
989 (B) imposes an unnecessary cost to businesses or consumers;  
990 (iii) whether the penalty for violation of the regulation or law, if any, is proportional  
991 to the potential harm; and  
992 (iv) if there are potentially less burdensome alternatives to the existing regulation or  
993 law and apply the regulatory framework to that alternative.

994 (5) The regulatory relief office shall submit as part of the report described in Section  
995 63N-16-105:

- 996 (a) a detailed overview of the regulatory relief office's study of the laws and regulations  
997 as described in this section, including the reasons why the laws and regulations of a  
998 particular industry were selected for study and the strategy the office implemented to  
999 study the laws and regulations of that industry; and  
1000 (b) recommended changes to a law or regulation identified by the regulatory relief office  
1001 in Subsection (4) that the regulatory relief office determines:  
1002 (i) is inhibiting the success of businesses, companies, or industries; and  
1003 (ii) would not present a high risk level to the public if the law or regulation were  
1004 permanently removed or temporarily waived.

1005 Section 21. Section **72-1-203** is amended to read:

1006 **72-1-203 . Deputy director -- Appointment -- Qualifications -- Other assistants**  
1007 **and advisers -- Salaries.**

- 1008 (1) The executive director shall appoint the following deputy directors, who shall serve at  
1009 the discretion of the executive director:  
1010 (a) the deputy director of engineering and operation, who shall be a registered  
1011 professional engineer in the state, and who shall be the chief engineer of the  
1012 department; and  
1013 (b) the deputy director of planning and investment.  
1014 (2) As assigned by the executive director, the deputy directors described in Subsection (1)

- may assist the executive director with the following departmental responsibilities:

1242 and amended to read:

### 1243 **Part 3. Broadband Access Grant Program**

#### 1244 **[~~63N-17-301~~] 72-19-301 . Creation of Broadband Access Grant Program.**

- 1245 (1) As used in this part:
- 1246 (a) "Eligible applicant" means:
- 1247 (i) a telecommunications provider or an Internet service provider;
- 1248 (ii) a local government entity and one or more private entities, collectively, who are
- 1249 parties to a public-private partnership established for the purpose of expanding
- 1250 affordable broadband access in the state; or
- 1251 (iii) a tribal government.

(b) "Underserved area" means an area of the state that is underserved in terms of the area's access to broadband service, as further defined by rule made by the department in coordination with the broadband center.

(c) "Unserved area" means an area of the state that is unserved in terms of the area's access to broadband service, as further defined by rule made by the department in coordination with the broadband center.

(2) There is established a grant program known as the Broadband Access Grant Program that is administered by the broadband center in accordance with this part.

(3)(a) The broadband center may award a grant under this part to an eligible applicant that submits to the broadband center an application that includes a proposed project to extend broadband service to individuals and businesses in an unserved area or an underserved area by providing last-mile connections to end users.

(b) Subsection (3)(a) does not prohibit the broadband center from awarding a grant for a proposed project that also includes middle-mile elements that are necessary for the last-mile connections.

(4) In awarding grants under this part, the broadband center shall:

(a) based on the following criteria and in the order provided, prioritize proposed projects:

(i) located in unserved areas;

(ii) located in underserved areas;

(iii)(A) that the eligible applicant developed after meaningful engagement with the impacted community to identify the community's needs and innovative means of providing a public benefit that addresses the community's needs; and

(B) that include, as a component of the proposed project, a long-term public benefit to the impacted community developed in response to the eligible applicant's engagement with the community;

(iv) located in an economically distressed area of the state, as measured by indices of unemployment, poverty, or population loss;

(v) that make the greatest investment in last-mile connections;

(vi) that provide higher speed broadband access to end users; and

(vii) for which the eligible applicant provides at least 25% of the money needed for the proposed project, with higher priority to proposed projects for which the eligible applicant provides a greater percentage of the money needed for the proposed project; and

(b) consider the impact of available funding for the proposed project from other sources,

including money from matching federal grant programs.

(5) For a project that the eligible applicant cannot complete in a single fiscal year, the broadband center may distribute grant proceeds for the project over the course of the project's construction.

(6)(a) Before awarding a grant under this part, the broadband center shall present the application described in Subsection (3) to the Transportation Commission for approval.

(b) In awarding a grant under this part, the broadband center shall ensure that grant funds are not used by a subgrantee in a manner that causes competition among projects that are substantially supported by state funds or federal funds subgranted by the state[, as determine in accordance with rules made by the broadband center in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act].

(7) As provided in and subject to the requirements of Title 63G, Chapter 2, Government Records Access and Management Act, a record submitted to the broadband center that contains a trade secret or confidential commercial information described in Subsection 63G-2-305(2) is a protected record.

Section 28. Section **72-19-302**, which is renumbered from Section 63N-17-302 is renumbered and amended to read:

**[63N-17-302] 72-19-302 . Duties of the broadband center.**

(1) The broadband center shall:

(a) establish an application process by which an eligible applicant may apply for a grant under this part, which application shall include:

(i) a declaration, signed under penalty of perjury, that the application is complete, true, and correct; and

(ii) an acknowledgment that the eligible applicant is subject to audit;

(b) establish a method for the broadband center to determine which eligible applicants qualify to receive a grant;

(c) establish a formula to award grant funds; and

(d) report the information described in Subsections (1)(a) through (c) to the director of the Division of Finance.

(2) Subject to appropriation, the broadband center shall:

(a) collect applications for grant funds from eligible applicants;

(b) determine which applicants qualify for receiving a grant; and

(c) award the grant funds in accordance with the process established under Subsection (1)

and in accordance with Section ~~[63N-17-301]~~ 72-19-301.

- (3) ~~[In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the broadband center may make rules to administer the grant program]~~ The department, in coordination with the broadband center, may make rules in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, to administer the grant program.
