ENACTS:

53G-7-226, Utah Code Annotated 1953

Be it enacted by the Legislature of the state of Utah:

Section 1. Section **53G-7-226** is enacted to read:

53G-7-226 . Cellular device prohibition.

(1) As used in this section:

- (a) "Cellphone" means a handheld, portable electronic device that is designed to be operated using one or both hands and is capable of transmitting and receiving voice, data, or text communication by means of:
 - (i) a cellular network;
 - (ii) a satellite network; or

- 31 (iii) any other wireless technology.
- 32 (b) "Cellphone" includes:
- 33 (i) a smartphone;
- 34 (ii) a feature phone;
- 35 (iii) a mobile phone;
- 36 (iv) a satellite phone; or
- 37 (v) a personal digital assistant that incorporates capabilities similar to a smartphone,
- 38 feature phone, mobile phone, or satellite phone.
- 39 (c) "Classroom hours" means:
- 40 (i) time during which a student receives scheduled, teacher-supervised instruction
- 41 that occurs:
- 42 (A) in a physical or virtual classroom setting;
- 43 (B) during regular school operating hours; and
- 44 (C) as part of an approved educational curriculum.
- 45 (ii) "Classroom hours" does not include:
- 46 (A) lunch periods;
- 47 (B) recess;
- 48 (C) transit time between classes;
- 49 (D) study halls unless directly supervised by a qualified instructor;
- 50 (E) after-school activities unless part of an approved extended learning program; or
- 51 (F) independent study time occurring outside scheduled instruction.
- 52 (d)(i) "Emerging technology" means any other device that has or will be able to act in
- 53 place of or as an extension of an individual's cellphone.
- 54 (ii) "Emerging technology" does not include school provided or required devices.
- 55 (e) "School day" means the same as the term is defined in Section 53G-6-201.
- 56 (f) "Smart watch" means a wearable computing device that closely resembles a
- 57 wristwatch or other time-keeping device with the capacity to act in place of or as an
- 58 extension of an individual's cellphone.
- 59 (g) "Smart watch" does not include a wearable device that can only:
- 60 (i) tell time;
- 61 (ii) monitor an individual's health informatics;
- 62 (iii) receive and display notifications or information without the capability to
- 63 respond; or
- 64 (iv) track the individual's physical location.

- 65 (2)(a) An LEA:
66 (i) shall establish a policy that allows a student to use a cellphone, smart watch, or
67 emerging technology:
68 (A) to respond to an imminent threat to the health or safety of an individual;
69 (B) to respond to a school-wide emergency;
70 (C) to use the SafeUT Crisis Line described in Title 53B, Chapter 17, Part 12,
71 SafeUT Crisis Line;
72 (D) for a student's IEP or Section 504 accommodation plan; or
73 (E) to address a medical necessity; and
74 (ii) may establish a policy that provides for other circumstances during the school day
75 when a student may use a cellphone, smart watch, or emerging technology.
76 (b) An LEA may establish policies that impose additional limitations on the use of
77 cellphones, smart watches, or emerging technologies beyond those required by this
78 section.
79 (c) An LEA shall provide a designated space for the use of a cellphone, smart watch, or
80 emerging technology during a portion of the school day that is not classroom hours.
81 (3) Except as provided in Subsection (2), a student may not use a cellphone, smart watch, or
82 emerging technology at a school during the school day.
83 (4) The state board may create one or more model policies regarding when a student may
84 use a student's cellphone, smart watch, or emerging technology in a school during the
85 school day consistent with this section.

86 Section 1. **Effective Date.**

87 This bill takes effect on July 1, 2025.
