House Amendments

Amendment 1

January 26, 2026 10:47 AM

Representative **Kay J. Christofferson** proposes the following amendments:

1. *Line 973 through 976:*

973 **41-1a-901 (Effective 07/01/26)**Odometer required.

974 (1) [Each-]Except as provided in Subsection (2), each motor vehicle required to be
975 registered under this chapter shall be equipped with a properly functioning odometer.

976 (2) Subsection (1) does not apply to a street-legal all-terrain vehicle **that was not equipped with**
an odometer by the manufacturer.

2. *Line 1618 through 1625:*

1618 (h) factory branch and representative;

1619 (i) distributor branch and representative;

1620 (j) crusher;

1621 (k) remanufacturer; {or}

1622 (l) body shop {-} ; or
(m) motor vehicle auction license.

1623 (3) (a) Except as provided in Subsection (3)(c), a person may not bid on or purchase a
1624 vehicle with a nonrepairable or salvage certificate as defined in Section 41-1a-1001 at
1625 or through a motor vehicle auction unless the person is a licensed salvage vehicle
