

Representative **Matthew H. Gwynn** proposes the following amendments:

1. *Line 57 through 62:*

57        (1) An employer may not:  
58            (a) charge an individual a fee for a medical examination; or  
59            (b) require an individual to obtain a medical examination unless the employer pays the  
60        costs the health care provider charges the individual { } ; or  
      (c) **(i) require an employee to receive a medical exam that the employer requires outside of**  
      **the employee's shift without pay; or**  
      **(ii) require an employee to use leave to receive a medical exam that the employer requires.**  
61            (2) An employer may not require an individual to pay for a medical examination even if  
62        the employer reimburses the individual.

2. *Line 85 through 93:*

85        (ii) the penalty for a period not to exceed 20 days.  
86        (d) The division shall:  
87            (i) retain 50% of the money the division receives from a penalty payment under  
88        Subsection (3)(b) for the costs of administering this chapter; and  
89            **{(ii) pay the sum the division retains under Subsection (3)(d)(i) to the state treasurer; }**  
90            **{and}**  
91            **{(iii)} (ii) pay the 50% not retained under Subsection (3)(d)(i) to the individual.**  
92            (4) The commission may make rules in accordance with Title 63G, Chapter 3, Utah  
93        Administrative Rulemaking Act, to enforce this chapter.
