## Digital Skills Amendments

House Amendments

Amendment 1

February 04, 2026 12:13 PM

Representative **Jordan D. Teuscher** proposes the following amendments:

1. *Line 50 through 67:*

- 50 communities;  
51 (xii) intellectual property rights, fair use, and creative commons in digital  
52 environments;  
53 {(xiii) digital accessibility and inclusive design principles;}  
54 {(xiv) emerging technology awareness and adaptation skills;}  
55 {(xv)} (xiii) critical thinking in digital environments and information evaluation;  
56 {(xvi)} (xiv) digital content creation and responsible sharing practices;  
57 {(xvii)} (xv) traditional and digital media literacy, including critical evaluation of television,  
58 film, music, streaming content, and short-form video platforms; and  
59 {(xviii)} (xvi) economic and career implications of digital literacy in a technology-driven  
60 society.  
61 (c) "Digital skills course" means a course offered in grade 7 or 8 that incorporates digital  
62 skills concepts.  
63 (2) Beginning with the 2027-2028 school year, the state board shall {offer} have established  
64 standards for a digital skills  
65 course that an LEA offers {taught} in grade 7 or 8.  
66 (3) (a) The state superintendent may establish an advisory tech council to provide  
67 guidance and recommendations on technology education in the state's public  
education system.
