

# H.B. 298

## School Design Amendments

House Amendments

Amendment 1

February 04, 2026 09:37 AM

Representative **Kay J. Christofferson** proposes the following amendments:

1. *Line 125 through 135:*

- 125        (iii) construction industry professionals;
- 126        (iv) educators and school administrators; and
- 127        (v) the Division of Facilities Construction and Management Administration.
- 128        (3) (a) **To promote cost-effective school construction and facilitate sharing of successful**  
**designs among LEAs,** {When} **when** an LEA enters into a contract for architectural or engineering  
services for
- 129        school construction using public funds, the LEA {shall} **may**:
- 130        (i) **negotiate to** require in the contract that the LEA owns all plans, specifications, and design
- 131        documents produced under the contract; and
- 132        (ii) **if negotiated,** retain all intellectual property rights to the design.
- 133        (b) An LEA that completes a school building design shall submit the final design
- 134        documents to the state board for inclusion in the design library.
- 135        (c) The state board shall:
