

H.B. 489

Water Infrastructure Amendments

Senate Amendments

Amendment 2

March 06, 2026 12:44 PM

Senator **Lincoln Fillmore** proposes the following amendments:

1. *Line 98a through 100:*

98a drain ← all

99 water [{ ~~as soon as possible~~ }] ← , except that the design of the detention basin may

99a not

100 interfere with **water quality, pollution prevention**, flood control management, or drainage system capacity.
