Representative **Stephanie Gricius** proposes the following amendments:

1. *Line 108 through 115:*

108 (i) contacting the mental health therapist;

109 (ii) facilitating the mental health therapist's enrollment as a Medicaid provider, if

110 applicable; or

111 (iii) **if the mental health therapist is or agrees to become enrolled as a Medicaid provider,**
entering into a contract or agreement, including a single case agreement, with the

112 mental health therapist, **at a rate not to exceed the Medicaid rate,** to provide mental health care to
the child while the child is

113 in the custody of the division.

114 (3) When a child leaves the custody of the division, the division shall take steps to facilitate
115 continuity of care with a mental health therapist providing mental health care to the child
