

1st Sub. S.B. 49
Natural Organic Reduction Amendments

Senate Amendments

Amendment 1

January 26, 2026 08:46 PM

Senator **Todd Weiler** proposes the following amendments:

1. *Line 796:*

796 the written consent of the property owner before disposal of the remains.

797 (4) The knowing use of remains in growing food for human consumption is unlawful

798 conduct as described in Section 58-9-501.

(5) (a) A person that disposes of remains under this section shall record the property where the person conducts the disposal of remains with the county recorder of the county in which the person disposes of the remains.

(b) If a person records the disposal of remains in accordance with Subsection (5)(a), a county recorder shall mark the property where the person disposes of the remains as property that contains remains.
