

1st Sub. S.B. 150
Healthcare Providers Scope of Practice Amendments

Senator **Evan J. Vickers** proposes the following amendments:

1. *Line 137 through 148:*

137 (b) When selecting the individuals for the group described in Subsection (3)(a), the
138 office:

139 (i) in consultation with the applicable board appointed in accordance with Section
140 58-1-201, shall select at least:

(A) {~~two individuals~~} **one individual that the applicable board approves** from {~~each~~} **the**
regulated occupation that
141 the proposed expansion of scope will affect; and

(B) **one other individual from the regulated occupation that the proposed expansion of**
scope will affect; and

142 (ii) may select one or more of the following individuals:

143 (A) a representative of an entity that employs healthcare practitioners; {~~and~~}

144 (B) a representative of an institution of higher education that provides training to
145 prospective and current healthcare practitioners {~~:~~} **; and**

(C) **an individual with technical expertise relevant to the scope of practice review.**

146 (c) In consultation with the group described in Subsection (3)(a), the office shall:

147 (i) consider the criteria described in Section 13-1b-403; and

148 (ii) determine whether to provide a recommendation that a regulated healthcare
