

**2nd Sub. S.B. 157**  
**New Motorboat Distributor Act**

Senate Amendments

Amendment 1

February 27, 2026 11:06 AM

---

Senator **Chris H. Wilson** proposes the following amendments:

1. *Line 125 through 132:*

125 than 150 engine hours.

126 (14) "New motorboat distributee" means a person that is registered to sell a new motorboat  
127 under Section 13-14c-103.

128 (15) "Notice area" means the { **geographic area that is within a radius of 50 miles from the** }  
129 { **site of an existing dealership of the same line-make** } **same geographic area as the market**  
**territory or the area of responsibility under the distributorship agreement.**

130 (16) "Personal watercraft" means the same as that term is defined in Section 73-18-2.

131 (17) "Primary market area" means:

132 (a) for an existing dealership, the geographic area a distributor establishes for an existing

2. *Line 422 through 428:*

422 (C) assisting a customer with retrieving the customer's motorboat from the  
423 dealership after the distributee completes the repair; and

424 (D) handling administrative or documentation tasks, including paperwork.

425 (g) { **If a warranty repair requires an** } **If a distributor approves an** on-water performance  
evaluation to verify the

426 effectiveness of the repair or to properly perform a diagnosis, the distributor shall

427 compensate the distributee for reasonable costs the distributee incurs in conducting

428 the test, including:
