

Senator **Ann Millner** proposes the following amendments:

1. *Line 89:*

- 89 [~~(i) include equivalent funding value for secondary and adult students; and]~~
- 90 [~~(ii) reflect the full responsibility of the technical college's statutorily-required~~
- 91 ~~services.]~~

(4) The board shall:

(a) complete a technical college capacity funding framework study for institutions described in Subsection 53H-3-602(1)(b)(iv) that contemplates:

(i) a process for identifying specific technical college programs eligible for state-funded capacity expansion;

(ii) identifying, validating, and quantifying, by institution and program, unmet:

(A) student demand, including secondary and postsecondary students; and

(B) employer demand for graduates;

(iii) methodology for establishing the amount and timing of state-funded capacity appropriations, including whether the appropriations are retrospective or prospective;

(iv) the availability of alternative funding sources to support capacity expansions;

(v) mechanisms for the return of state funds if an institution does not achieve capacity gains; and

(vi) how the capacity framework comports with:

(A) enrollment funding, as described in Section 53H-8-211; and

(B) performance funding, as described in Chapter 8, Part 3, Performance Funding; and

(b) report the results of the study described in this Subsection (4), including any corresponding recommendations, to the Higher Education Appropriations Subcommittee before October 1, 2026.
