36 Section 63J-1-315.37 (b)(i) The amount of public funds that the state treasurer may invest in precious
38 metals in an account described in Subsection (2)(a) may not, at the time the
39 investment is made, exceed 10% of the total amount of public funds in that
40 account.41 (ii) The requirements of Subsections 51-7-14(2) and (3) apply to the state treasurer's
42 investments in precious metals under Subsection (2)(a).43 (iii) Any public funds in an account described in Subsection (2)(a) not invested by
44 the state treasurer in precious metals under this Subsection (2) shall be invested as
45 provided in Title 51, Chapter 7, State Money Management Act.46 (3) The state treasurer may deduct any administrative costs incurred by investing in
47 precious metals under Subsection (2)(a), including delivery and vaulting costs, from
48 earnings generated by the investments in the funds described in Subsections (2)(a)(i)
49 through (iv).50 (4) In calendar years 2026 and 2027, the state treasurer shall:51 (a) conduct an annual study analyzing the role of precious metals in augmenting,

52 stabilizing, and ensuring the economic security and prosperity of the state, the
53 families and residents of the state, and businesses in the state; and
54 (b) submit any legislative recommendations resulting from the study described in
55 Subsection (4)(a) to the Revenue and Taxation Interim Committee on or before the
56 committee's October interim committee meeting.

57 Section 2. Section **67-4-20** is enacted to read:

58 **67-4-20 . Precious metals-backed electronic payment system.**

59 (1) As used in this section:

- 60 (a) "Contractor" means the same as that term is defined in Section 63G-6a-103.
61 (b) "Participating contractor" means a contractor that chooses to receive payment from
62 the state through a precious metals-backed electronic payment system.
63 (c) "Precious metals-backed electronic payment system" means an electronic payment
64 system that:
65 (i) uses physical gold or silver held in vault facilities within the state as backing for
66 electronic transactions;
67 (ii) enables a system participant to redeem physical gold or silver; and
68 (iii) enables the state to make payments to a participating contractor.
69 (d)(i) "System participant" means a person who:

- 70 (A) maintains an account within a precious metals-backed electronic payment
71 system;
72 (B) conducts one or more transactions using a precious metals-backed electronic
73 payment system; or
74 (C) holds redemption rights for physical gold or silver within a precious
75 metals-backed electronic payment system.
76 (ii) "System participant" includes a participating contractor.

77 (2) The state treasurer shall:

- 78 (a) in consultation with the Division of Finance, contract with one or more third parties
79 to establish and operate a precious metals-backed electronic payment system on the
80 state's behalf;
81 (b) ensure that the precious metals-backed electronic payment system complies with all
82 applicable provisions of Title 51, Chapter 7, State Money Management Act;
83 (c) consult with the State Tax Commission on potential tax implications of the precious
84 metals-backed electronic payment system;
85 (d) evaluate the options and implications for allowing state employees to receive

86 compensation through the precious metals-backed electronic payment system; and
87 (e) annually submit a written report to the Revenue and Taxation Interim Committee
88 describing the status and performance of the precious metals-backed electronic
89 payment system.

90 (3) The Division of Finance shall:

91 (a) make rules in accordance with Title 63G, Chapter 3, Utah Administrative
92 Rulemaking Act, governing the use of the precious metals-backed electronic payment
93 system by participating contractors;

94 (b) evaluate the options for and implications of integration of the precious metals-backed
95 electronic payment system into the statewide accounting system; and

96 (c) evaluate the options and implications of allowing state employees to receive
97 compensation through the precious metals-backed electronic payment system.

98 (4) To select a contractor described in Subsection (2)(a), the state treasurer shall:

99 (a) issue a request for proposals in accordance with Title 63G, Chapter 6a, Part 7,
100 Request for Proposals;

101 (b) include security, efficiency, and cost-effectiveness in the request for proposal's
102 evaluation criteria; and

103 (c) ensure that the final contract requires that the precious metals-backed electronic
104 payment system:

105 (i) is publicly available; and

106 (ii) complies with all applicable state and federal laws and regulations.

107 (5) When a system participant receives a payment or redeems physical gold or silver
108 through the precious metals-backed electronic payment system, the system participant
109 shall pay any transactional costs associated with the transaction.

110 (6) Nothing in this section:

111 (a) requires a contractor to participate in the precious metals-backed electronic payment
112 system;

113 (b) requires a state entity to participate in the precious metals-backed electronic payment
114 system; or

115 (c) prevents the state from using other forms of payment or currency for the state's
116 operations.

117 **Section 3. Effective Date.**

118 This bill takes effect on May 6, 2026.
