HB0279 compared with HB0279S01

- 186 (4) To apply for a grant described in Subsection (2)(c), a school district or charter school shall submit a
plan to the State Board of Education for the use of the grant, including a statement of purpose that
describes the methods the school district or charter school proposes to use to incentivize an educator
to earn a computer science endorsement.
- 190 (5) The State Board of Education and the STEM board shall encourage schools to independently pursue
computer science and coding initiatives, subject to local school board or charter school governing
board approval, based on the unique needs of the school's students.
- 194 (6) The STEM board shall include information on the status of the computer science initiative in the
annual report described in Section 9-22-109.
- 200 Section 4. Section **9-22-114** is amended to read:
- 201 **9-22-114. Computing Partnerships Grants program.**
- 198 (1) There is created the Computing Partnerships Grants program consisting of the grants created in this
part to provide for the design and implementation of a comprehensive K-16 computing partnerships
program, based upon the following common elements:
- 201 (a) outreach and student engagement;
- 202 (b) courses and content;
- 203 (c) instruction and instructional support;
- 204 (d) work-based learning opportunities;
- 205 (e) student retention;
- 206 (f) industry engagement;
- 207 (g) stacked credentials that allow for multiple exit and entry points;
- 208 (h) competency-based learning strategies; and
- 209 (i) secondary and post-secondary collaborations.
- 210 (2) The grant program shall incentivize public schools and school districts to work with the STEM
Action Center, staff of the State Board of Education, Talent Ready Utah, industry representatives,
and secondary partners on the design and implementation of comprehensive K-16 computing
partnerships through:
- 214 (a) leveraging existing resources for content, professional learning, and instruction, including existing
career and technical education funds, programs, and initiatives;
- 216 (b) allowing for the support of professional learning for pre- and in-service educators;
- 217 (c) supporting activities that promote and enhance access, diversity, and equity;

HB0279 compared with HB0279S01

- 218 (d) supporting collaborations and partnerships between K-12, institutions of higher education,
private postsecondary educational institutions, cultural and community partners, and industry
representatives;
- 221 (e) identifying the appropriate credentials that align with industry needs and providing the credentials in
a stacked credentials pathway;
- 223 (f) implementing a collaborative network that enables sharing and identification of best practices; and
- 225 (g) providing infrastructure assistance that allows for the support of new courses and the expansion of
capacity for existing courses.
- 227 (3) The grant program shall include the following:
- 228 (a) rigorous and relevant metrics that are shared by all grant participants; and
- 229 (b) an evaluation by the STEM Action Center of the grant program that identifies best practices.
- 231 (4) The STEM Action Center, in consultation with the State Board of Education, shall:
- 232 (a) in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, adopt rules:
- 234 (i) for the administration of the grant program and awarding of grants; and
- 235 (ii) that define outcome-based measures appropriate to the type of grant awarded under this part;
- 237 (b) establish a grant application process;
- 238 (c) in accordance with Subsection (5), establish a review committee to make recommendations for:
- 240 (i) metrics to analyze the quality of a grant application;
- 241 (ii) approval of a grant application; and
- 242 (iii) criteria to establish a requirement for an applicant to demonstrate financial need; and
- 244 (d) with input from the review committee, adopt metrics to analyze the quality of a grant application.
- 246 (5)
- (a) The review committee shall consist of K-16 educators, staff of the State Board of Education,
representatives of Talent Ready Utah, post-secondary partners, and industry representatives.
- 249 (b) The review committee shall:
- 250 (i) review a grant application submitted;
- 251 (ii) make recommendations to a grant applicant to modify the grant application, if necessary; and
- 253 (iii) make recommendations regarding the final disposition of an application.
- 254 (6) The STEM Action Center shall report annually on the grant program to the State Board of Education
and any findings and recommendations on the grant program shall be included in the STEM Action
Center annual report to the Education Interim Committee.

Section 5. Section 53-8-105 is amended to read:

53-8-105. Duties of Highway Patrol.

(1) In addition to the duties in this chapter, the Highway Patrol shall:

(a) enforce the state laws and rules governing use of the state highways;

(b) regulate traffic on all highways and roads of the state;

(c) assist the governor in an emergency or at other times at his discretion;

(d) in cooperation with federal, state, and local agencies, enforce and assist in the enforcement of all state and federal laws related to the operation of a motor carrier on a highway, including all state and federal rules and regulations;

(e) inspect certain vehicles to determine road worthiness and safe condition as provided in Section 41-6a-1630;

(f) upon request, assist with any condition of unrest existing or developing on a campus or related facility of an institution of higher education or private postsecondary educational institution;

(g) assist the Alcoholic Beverage Services Commission in an emergency to enforce the state liquor laws;

(h) provide security and protection for both houses of the Legislature while in session as the speaker of the House of Representatives and the president of the Senate find necessary;

(i) enforce the state laws and rules governing use of capitol hill; and

(j) carry out the following for the Supreme Court and the Court of Appeals:

(i) provide security and protection to those courts when in session in the capital city of the state;

(ii) execute orders issued by the courts; and

(iii) carry out duties as directed by the courts.

(2)

(a) The division and the department shall annually:

(i) evaluate the inventory of new and existing state highways, in coordination with relevant local law enforcement agencies, to determine which law enforcement agency is best suited to patrol and enforce state laws and regulate traffic on each state highway; and

(ii) before October 1 of each year, report to the Transportation Interim Committee and the Criminal Justice Appropriations Subcommittee regarding:

(A) significant changes to the patrol and enforcement responsibilities resulting from the evaluation described in Subsection (2)(a)(i); and

HB0279 compared with HB0279S01

- 291 (B) any budget request necessary to accommodate additional patrol and enforcement responsibilities.
293 (b) The division and the department shall, before July 1 of each year, coordinate with the Department
of Transportation created in Section 72-1-201 regarding patrol and enforcement responsibilities
described in Subsection (2)(a) and incident management services on state highways.
- 297 (3)
(a) A district court and a justice court shall collect and maintain data regarding violations in Sections
41-6a-1712, 41-6a-1713, and 72-7-409.
- 299 (b) Each court shall transmit dispositions described in Subsection (3)(a) electronically to the
department.
- 305 Section 6. Section 53H-3-1303 is amended to read:
306 **53H-3-1303. Restrictions on higher education entities bidding on architect or engineering
services in public procurement projects.**
- 308 (1) As used in this section:
309 (a) "Architect-engineer services" means those professional services within the scope of the practice
of architecture as defined in Section 58-3a-102, or professional engineering as defined in Section
58-22-102.
- 312 (b) "Contribution" means the same as that term is defined in Section 63G-6a-2402.
313 ~~[(b)]~~ (c) "Government entity" means a state agency, an institution of higher education, a county, a
municipality, a local school district, a special district, or a special service district.
- 316 (d) "Solicitation" means the same as that term is defined in Section 63G-6a-103.
317 (e) "Solicitation response" means the same as that term is defined in Section 63G-6a-103.
318 (f) "Standard procurement process" means the same as that term is defined in Section 63G-6a-103.
320 (g) "Vendor" means the same as that term is defined in Section 63G-6a-103.
- 321 (2) When a government entity elects to obtain architect or engineering services by using a competitive
procurement process and has provided public notice of the government entity's competitive
procurement process:
324 (a) a higher education entity, or any part of one, may not submit a proposal in response to the
government entity's competitive procurement process; and
326 (b) the government entity may not award a contract to perform the architect or engineering services
solicited in the competitive procurement process to a higher education entity or any part of one.
- 329 (3)

HB0279 compared with HB0279S01

- (a) Subject to the prohibition contained in Subsection (3)(b), an employee of a higher education entity may, in a private capacity, submit a proposal in response to the competitive procurement process.
- (b) An employee of a higher education entity may not use any supplies, materials, or other resources owned by, or any persons matriculating at, attending, or employed by, the higher education entity in:
- (i) preparing a response to the competitive procurement process; or
- (ii) completing any work, assignment, or contract awarded to the employee resulting from that competitive procurement process.
- (4) Notwithstanding Title 63G, Chapter 6a, Utah Procurement Code, as part of a standard procurement process conducted by an institution:
- (a) the institution or an institution employee acting on the institution's behalf may:
- (i) request a contribution or sponsorship in the institution's solicitation;
- (ii) accept a contribution or sponsorship offered by a vendor; or
- (iii) based on whether a vendor is a sponsor or a donor of the institution:
- (A) award a contract or grant;
- (B) make a procurement decision; or
- (C) take an action relating to the administration of a contract or grant; and
- (b) a vendor may offer a contribution or sponsorship in the vendor's solicitation response.

Section 7. Section 53H-11-306 is amended to read:

53H-11-306. Police officer's and firefighter's survivor tuition waiver.

- (1) As used in this section:
- (a) "Child" means an individual who:
- (i) is a natural or adopted child of a deceased peace officer or deceased firefighter; and
- (ii) was under the age of 25 at the time of the peace officer's or firefighter's death.
- (b) "Department" means the Department of Public Safety.
- (c)
- (i) "Fees" means general course fees, in addition to tuition, that are:
- (A) imposed by an institution of higher education; and
- (B) required to be paid by a student to engage in a course of study at the institution of higher education.
- (ii) "Fees" does not include a special course fee.

HB0279 compared with HB0279S01

- (d) "Killed" means that the peace officer's or firefighter's death is the direct and proximate result of a traumatic injury incurred in the line of duty.
- 316 (e) "Line of duty" means an action that a peace officer or firefighter is obligated or authorized to perform by rule, regulation, condition of employment or service, or law, including a social, ceremonial, or athletic function that the peace officer or firefighter is assigned to or compensated for by the public agency being served.
- 320 (f) "Occupational disease" means a disease that routinely constitutes a special hazard in, or is commonly regarded as concomitant of, the peace officer's or firefighter's occupation.
- 323 (g) "Traumatic injury" means a wound or the condition of the body caused by external force, including an injury inflicted by bullet, explosive, sharp instrument, blunt object, or other physical blow, fire, smoke, chemical, electricity, climatic condition, infectious disease, radiation, or bacteria, but excluding an occupational disease.
- 327 (h) "Tuition" means tuition and fees at the rate charged for residents of the state.
- 328 (i)
- (i) "Utah firefighter" or "firefighter" means a member, including volunteer members and members paid on call, of a fire department or other organization that provides fire suppression and other fire-related services, of a political subdivision who is responsible for or is in a capacity that includes responsibility for the extinguishment of fires.
- 333 (ii) "Utah firefighter" or "firefighter" does not include a person whose job description, duties, or responsibilities do not include direct involvement in fire suppression.
- 336 (j) "Utah peace officer" or "peace officer" means an employee of a law enforcement agency that is part of or administered by a private postsecondary educational institution, the state, or any of its political subdivisions, and whose duties consist primarily of the prevention and detection of crime and the enforcement of criminal statutes or ordinances of this state or any of its political subdivisions.
- 341 (2) Subject to the limitations in Subsections (3), (4), and (5), an institution of higher education shall waive tuition for each child and surviving spouse of a Utah peace officer or Utah firefighter who has been killed or is killed in the line of duty if the individual meets the following requirements:
- 345 (a) applies, qualifies, and is admitted as a full-time, part-time, or summer school student in a program of study leading to a degree or certificate;
- 347 (b) is a resident student of the state as determined under Section 53H-11-202;
- 348

HB0279 compared with HB0279S01

(c) applies to the department for a waiver of tuition under this section and provides evidence satisfactory to the department that:

(i) the applicant is the surviving spouse or child of a peace officer or firefighter who was killed in the line of duty;

(ii) the course or courses for which the applicant is seeking a tuition waiver meet the requirements of Subsection (3); and

(iii) the applicant meets the other requirements of this section;

(d) for a child of a peace officer or firefighter killed in the line of duty, applies under Subsection (2)(c) for the first time before turning 25 years old;

(e) maintains satisfactory academic progress, as defined by the institution of higher education, for each term or semester in which the individual is enrolled, which may be measured by the definition used for federal student assistance programs under Title IV of the Higher Education Act of 1965; and

(f) has not achieved a bachelor's degree and has received tuition reimbursement under this section for less than 124 semester credits or 180 quarter credits at an institution of higher education.

(3) A child or surviving spouse of a peace officer or firefighter who was killed in the line of duty is eligible for a tuition waiver under this section of not more than nine semesters or the equivalent number of quarters.

(4) Tuition shall be waived only to the extent that the tuition is not covered or paid by any scholarship, trust fund, statutory benefit, or any other source of tuition coverage available for a waiver under this section.

(5) An institution of higher education shall waive tuition under this section only for courses that are applicable toward the degree or certificate requirements of the program in which the child or surviving spouse is enrolled.

(6) Upon receiving an application under Subsection (2)(c), the department shall determine whether the applicant and the courses for which tuition waiver is sought meet the requirements of this section and, if so, shall approve the application and notify the institution that the application has been approved.

(7) The department shall provide the necessary forms and applications and cooperate with the institution of higher education in developing efficient procedures for the implementation of this section.

HB0279 compared with HB0279S01

- (8) The Legislature may annually appropriate the funds necessary to implement this section, including money to offset the tuition waivers at each institution.

Section 8. Section **58-37-3.5** is amended to read:

58-37-3.5. Drugs for behavioral health treatment.

- (1) As used in this section:

(a) "Drug" means any form of psilocybin or methylenedioxymethamphetamine that is in federal Food and Drug Administration Phase 3 testing for an investigational drug described in 21 C.F.R. Part 312.

(b) "Healthcare system" means:

(i) a privately-owned, non-profit, vertically-integrated healthcare system that operates at least 15 licensed hospitals in the state; ~~[-{f} or]~~

(ii) a health care system closely affiliated with an institution of higher education listed in Section 53H-1-102[-] ; or

(iii) a health care system closely affiliated with a private postsecondary educational institution as defined in Section 53H-1-101.

(2) A healthcare system may develop a behavioral health treatment program that includes a treatment based on a drug that the healthcare system determines is supported by a broad collection of scientific and medical research.

(3) A healthcare system described in Subsection (2):

(a) shall ensure that a drug used under the exclusive authority of this section is used by a patient only under the direct supervision and control of the healthcare system and the healthcare system's health care providers who are licensed under this title; and

(b) may not provide treatments that are authorized exclusively under this section to an individual who is not at least 18 years old.

(4) Before July 1, 2026, a healthcare system that creates a behavioral health treatment program under this section shall provide a written report to the Health and Human Services Interim Committee regarding:

(a) drugs used;

(b) health outcomes of patients;

(c) side effects of any drugs used; and

(d) any other information necessary for the Legislature to evaluate the medicinal value of any drugs.

HB0279 compared with HB0279S01

- (5) An individual or entity that complies with this section when using, distributing, possessing, administering, or supervising the use of, a drug is not guilty of a violation of this title.

HB0279 compared with HB0279S01

- 609 (b) collect and distribute reliable information regarding the mineral industry and mineral resources,
topography, paleontology, and geology of the state;
- 611 (c) survey the geology of the state, including mineral occurrences and the ores of metals, energy
resources, industrial minerals and rocks, mineral-bearing waters, and surface and ground water
resources, with special reference to their economic contents, values, uses, kind, and availability in
order to facilitate their economic use;
- 615 (d) investigate the kind, amount, and availability of mineral substances contained in lands owned and
controlled by the state, to contribute to the most effective and beneficial administration of these
lands for the state;
- 618 (e) determine and investigate areas of geologic and topographic hazards that could affect the safety of,
or cause economic loss to, the citizens of the state;
- 620 (f) assist local and state agencies in their planning, zoning, and building regulation functions by
publishing maps, delineating appropriately wide special earthquake risk areas, and, at the request of
state agencies or other governmental agencies, review the siting of critical facilities;
- 624 (g) cooperate with state agencies, political subdivisions of the state, quasi-governmental agencies,
federal agencies, schools of higher education, and others in fields of mutual concern, which may
include field investigations and preparation, publication, and distribution of reports and maps;
- 628 (h) collect and preserve data pertaining to mineral resource exploration and development programs
and construction activities, such as claim maps, location of drill holes, location of surface and
underground workings, geologic plans and sections, drill logs, and assay and sample maps,
including the maintenance of a sample library of cores and cuttings;
- 633 (i) study and analyze other scientific, economic, or aesthetic problems as, in the judgment of the board,
should be undertaken by the survey to serve the needs of the state and to support the development of
natural resources and utilization of lands within the state;
- 637 (j) prepare, publish, distribute, and sell maps, reports, and bulletins, embodying the work accomplished
by the survey, directly or in collaboration with others, and collect and prepare exhibits of the
geological and mineral resources of this state and interpret their significance;
- 641 (k) collect, maintain, and preserve data and information in order to accomplish the purposes of this
section and act as a repository for information concerning the geology of this state;
- 644 (l) stimulate research, study, and activities in the field of paleontology;
- 645 (m) mark, protect, and preserve critical paleontological sites;

HB0279 compared with HB0279S01

- 646 (n) collect, preserve, and administer critical paleontological specimens until the specimens are placed in
a repository or curation facility;
- 648 (o) administer critical paleontological site excavation records;
- 649 (p) edit and publish critical paleontological records and reports; and
- 650 (q) collect the land use permits described in Sections 10-20-611 and 17-79-608.
- 651 (2)
- (a) The survey may maintain as confidential, and not as a public record, information provided to the
survey by any source.
- 653 (b) The board shall adopt rules in order to determine whether to accept the information described in
Subsection (2)(a) and to maintain the confidentiality of the accepted information.
- 656 (c) The survey shall maintain information received from any source at the level of confidentiality
assigned to it by the source.
- 658 (3) Upon approval of the board, the survey shall undertake other activities consistent with Subsection
(1).
- 660 (4)
- (a) Subject to the authority granted to the department, the survey may enter into cooperative agreements
with the entities specified in Subsection (1)(g), if approved by the board, and may accept or commit
allocated or budgeted funds in connection with those agreements.
- 664 (b) The survey may undertake joint projects with private entities if:
- 665 (i) the action is approved by the board;
- 666 (ii) the projects are not inconsistent with the state's objectives; and
- 667 (iii) the results of the projects are available to the public.
- 715 Section 13. Section **79-6-106** is amended to read:
- 716 **79-6-106. Hydrogen advisory council.**
- 670 (1) The department shall create a hydrogen advisory council within the office that consists of seven to
nine members appointed by the executive director, in consultation with the director. The executive
director shall appoint members with expertise in:
- 673 (a) hydrogen energy in general;
- 674 (b) hydrogen project facilities;
- 675 (c) technology suppliers;
- 676 (d) hydrogen producers or processors;

HB0279 compared with HB0279S01

- 677 (e) renewable and fossil based power generation industries; and
678 (f) fossil fuel based hydrogen feedstock providers.
679 (2)
(a) Except as required by Subsection (2)(b), a member shall serve a four-year term.
680 (b) The executive director shall, at the time of appointment or reappointment, adjust the length of
terms to ensure that the terms of council members are staggered so that approximately half of the
hydrogen advisory council is appointed every two years.
683 (c) When a vacancy occurs in the membership for any reason, the replacement shall be appointed for
the unexpired term.
685 (3)
(a) A majority of the members appointed under this section constitutes a quorum of the hydrogen
advisory council.
687 (b) The hydrogen advisory council shall determine:
688 (i) the time and place of meetings; and
689 (ii) any other procedural matter not specified in this section.
690 (4) A member may not receive compensation or benefits for the member's service, but may receive per
diem and travel expenses in accordance with:
692 (a) Section 63A-3-106;
693 (b) Section 63A-3-107; and
694 (c) rules made by the Division of Finance pursuant to Sections 63A-3-106 and 63A-3-107.
696 (5) The office shall staff the hydrogen advisory council.
697 (6) The hydrogen advisory council may:
698 (a) develop hydrogen facts and figures that facilitate use of hydrogen fuel within the state;
700 (b) encourage cross-state cooperation with states that have hydrogen programs;
701 (c) work with state agencies, the private sector, and other stakeholders, such as environmental groups,
to:
703 (i) recommend realistic goals for hydrogen development that can be executed within realistic time
frames; and
705 (ii) educate, discuss, consult, and make recommendations in hydrogen related matters that benefit the
state;

707

HB0279 compared with HB0279S01

(d) promote hydrogen research at an institution of higher education or a private postsecondary educational institution, as defined in Section 53H-1-101;

709 (e) make recommendations regarding how to qualify for federal funding of hydrogen projects, including hydrogen related projects for:

711 (i) the state;

712 (ii) a local government;

713 (iii) a privately commissioned project;

714 (iv) an educational project;

715 (v) scientific development; and

716 (vi) engineering and novel technologies;

717 (f) make recommendations related to the development of multiple feedstock or energy resources in the state such as wind, solar, hydroelectric, geothermal, coal, natural gas, oil, water, electrolysis, coal gasification, liquefaction, hydrogen storage, safety handling, compression, and transportation;

721 (g) make recommendations to establish statewide safety protocols for production, transportation, and handling of hydrogen for both residential and commercial applications;

724 (h) facilitate public events to raise the awareness of hydrogen and hydrogen related fuels within the state and how hydrogen can be advantageous to all forms of transportation, heat, and power generation;

727 (i) review and make recommendations regarding legislation; and

728 (j) make other recommendations to the director related to hydrogen development in the state.

777 Section 14. **Effective date.**
