89 *Be it enacted by the Legislature of the state of Utah:*

90 Section 1. Section **63G-2-305** is amended to read:

91 **63G-2-305.** ~~{(Effective 05/06/26)}~~{(Effective 07/01/26)}**Protected records.**

The following records are protected if properly classified by a governmental entity:

- 92 (1) trade secrets as defined in Section 13-24-2 if the person submitting the trade secret has provided the
governmental entity with the information specified in Section 63G-2-309;
- 94 (2) commercial information or nonindividual financial information obtained from a person if:
- 96 (a) disclosure of the information could reasonably be expected to result in unfair competitive injury
to the person submitting the information or would impair the ability of the governmental entity to
obtain necessary information in the future;
- 99 (b) the person submitting the information has a greater interest in prohibiting access than the public in
obtaining access; and
- 101 (c) the person submitting the information has provided the governmental entity with the information
specified in Section 63G-2-309;
- 103 (3) commercial or financial information acquired or prepared by a governmental entity to the extent that
disclosure would lead to financial speculations in currencies, securities, or commodities that will
interfere with a planned transaction by the governmental entity or cause substantial financial injury
to the governmental entity or state economy;

107

HB0473 compared with HB0473S01

- (4) records, the disclosure of which could cause commercial injury to, or confer a competitive advantage upon a potential or actual competitor of, a commercial project entity as defined in Subsection 11-13-103(4);
- 110 (5) test questions and answers to be used in future license, certification, registration, employment, or academic examinations;
- 112 (6) records, the disclosure of which would impair governmental procurement proceedings or give an unfair advantage to any person proposing to enter into a contract or agreement with a governmental entity, except, subject to Subsections (1) and (2), that this Subsection (6) does not restrict the right of a person to have access to, after the contract or grant has been awarded and signed by all parties:
- 117 (a) a bid, proposal, application, or other information submitted to or by a governmental entity in response to:
- 119 (i) an invitation for bids;
- 120 (ii) a request for proposals;
- 121 (iii) a request for quotes;
- 122 (iv) a grant; or
- 123 (v) other similar document; or
- 124 (b) an unsolicited proposal, as defined in Section 63G-6a-712;
- 125 (7) information submitted to or by a governmental entity in response to a request for information, except, subject to Subsections (1) and (2), that this Subsection (7) does not restrict the right of a person to have access to the information, after:
- 128 (a) a contract directly relating to the subject of the request for information has been awarded and signed by all parties; or
- 130 (b)
- 132 (i) a final determination is made not to enter into a contract that relates to the subject of the request for information; and
- 132 (ii) at least two years have passed after the day on which the request for information is issued;
- 134 (8) records that would identify real property or the appraisal or estimated value of real or personal property, including intellectual property, under consideration for public acquisition before any rights to the property are acquired unless:
- 137 (a) public interest in obtaining access to the information is greater than or equal to the governmental entity's need to acquire the property on the best terms possible;

HB0473 compared with HB0473S01

- 139 (b) the information has already been disclosed to persons not employed by or under a duty of
confidentiality to the entity;
- 141 (c) in the case of records that would identify property, potential sellers of the described property have
already learned of the governmental entity's plans to acquire the property;
- 144 (d) in the case of records that would identify the appraisal or estimated value of property, the potential
sellers have already learned of the governmental entity's estimated value of the property; or
- 147 (e) the property under consideration for public acquisition is a single family residence and the
governmental entity seeking to acquire the property has initiated negotiations to acquire the property
as required under Section 78B-6-505;
- 150 (9) records prepared in contemplation of sale, exchange, lease, rental, or other compensated transaction
of real or personal property including intellectual property, which, if disclosed [~~prior to~~] before
completion of the transaction, would reveal the appraisal or estimated value of the subject property,
unless:
- 154 (a) the public interest in access is greater than or equal to the interests in restricting access, including the
governmental entity's interest in maximizing the financial benefit of the transaction; or
- 157 (b) when prepared by or on behalf of a governmental entity, appraisals or estimates of the value of
the subject property have already been disclosed to persons not employed by or under a duty of
confidentiality to the entity;
- 160 (10) records created or maintained for civil, criminal, or administrative enforcement purposes or audit
purposes, or for discipline, licensing, certification, or registration purposes, if release of the records:
- 163 (a) reasonably could be expected to interfere with investigations undertaken for enforcement, discipline,
licensing, certification, or registration purposes;
- 165 (b) reasonably could be expected to interfere with audits, disciplinary, or enforcement proceedings;
- 167 (c) would create a danger of depriving a person of a right to a fair trial or impartial hearing;
- 169 (d) reasonably could be expected to disclose the identity of a source who is not generally known outside
of government and, in the case of a record compiled in the course of an investigation, disclose
information furnished by a source not generally known outside of government if disclosure would
compromise the source; or
- 173 (e) reasonably could be expected to disclose investigative or audit techniques, procedures, policies, or
orders not generally known outside of government if disclosure would interfere with enforcement or
audit efforts;

HB0473 compared with HB0473S01

- 176 (11) records the disclosure of which would jeopardize the life or safety of an individual;
- 177 (12) records the disclosure of which would jeopardize the security of governmental property,
governmental programs, or governmental recordkeeping systems from damage, theft, or other
appropriation or use contrary to law or public policy;
- 180 (13) records that, if disclosed, would jeopardize the security or safety of a correctional facility, or
records relating to incarceration, treatment, probation, or parole, that would interfere with the
control and supervision of an offender's incarceration, treatment, probation, or parole;
- 184 (14) records that, if disclosed, would reveal recommendations made to the Board of Pardons and
Parole by an employee of or contractor for the Department of Corrections, the Board of Pardons
and Parole, or the Department of Health and Human Services that are based on the employee's or
contractor's supervision, diagnosis, or treatment of any person within the board's jurisdiction;
- 189 (15) records and audit workpapers that identify audit, collection, and operational procedures and
methods used by the State Tax Commission, if disclosure would interfere with audits or collections;
- 192 (16) records of a governmental audit agency relating to an ongoing or planned audit until the final audit
is released;
- 194 (17) records that are subject to the attorney client privilege;
- 195 (18) records prepared for or by an attorney, consultant, surety, indemnitor, insurer, employee, or
agent of a governmental entity for, or in anticipation of, litigation or a judicial, quasi-judicial, or
administrative proceeding;
- 198 (19)
- (a)
- (i) personal files of a state legislator, including personal correspondence to or from a member of the
Legislature; and
- 200 (ii) notwithstanding Subsection (19)(a)(i), correspondence that gives notice of legislative action or
policy may not be classified as protected under this section; and
- 203 (b)
- (i) an internal communication that is part of the deliberative process in connection with the preparation
of legislation between:
- 205 (A) members of a legislative body;
- 206 (B) a member of a legislative body and a member of the legislative body's staff; or
- 207 (C) members of a legislative body's staff; and

HB0473 compared with HB0473S01

- 208 (ii) notwithstanding Subsection (19)(b)(i), a communication that gives notice of legislative action or
policy may not be classified as protected under this section;
- 210 (20)
- (a) records in the custody or control of the Office of Legislative Research and General Counsel, that,
if disclosed, would reveal a particular legislator's contemplated legislation or contemplated course
of action before the legislator has elected to support the legislation or course of action, or made the
legislation or course of action public; and
- 215 (b) notwithstanding Subsection (20)(a), the form to request legislation submitted to the Office of
Legislative Research and General Counsel is a public document unless a legislator asks that the
records requesting the legislation be maintained as protected records until such time as the legislator
elects to make the legislation or course of action public;
- 220 (21) a research request from a legislator to a legislative staff member and research findings prepared in
response to the request;
- 222 (22) drafts, unless otherwise classified as public;
- 223 (23) records concerning a governmental entity's strategy about:
- 224 (a) collective bargaining; or
- 225 (b) imminent or pending litigation;
- 226 (24) records of investigations of loss occurrences and analyses of loss occurrences that may be covered
by the Risk Management Fund, the Employers' Reinsurance Fund, the Uninsured Employers' Fund,
or similar divisions in other governmental entities;
- 229 (25) records, other than personnel evaluations, that contain a personal recommendation concerning
an individual if disclosure would constitute a clearly unwarranted invasion of personal privacy, or
disclosure is not in the public interest;
- 232 (26) records that reveal the location of historic, prehistoric, paleontological, or biological resources
that if known would jeopardize the security of those resources or of valuable historic, scientific,
educational, or cultural information;
- 235 (27) records of independent state agencies if the disclosure of the records would conflict with the
fiduciary obligations of the agency;
- 237 (28) records of an institution of higher education defined in Section 53H-1-101 regarding tenure
evaluations, appointments, applications for admissions, retention decisions, and promotions, which
could be properly discussed in a meeting closed in accordance with Title 52, Chapter 4, Open

HB0473 compared with HB0473S01

and Public Meetings Act, provided that records of the final decisions about tenure, appointments, retention, promotions, or those students admitted, may not be classified as protected under this section;

- 243 (29) records of the governor's office, including budget recommendations, legislative proposals,
and policy statements, that if disclosed would reveal the governor's contemplated policies or
contemplated courses of action before the governor has implemented or rejected those policies or
courses of action or made them public;
- 247 (30) records of the Office of the Legislative Fiscal Analyst relating to budget analysis, revenue
estimates, and fiscal notes of proposed legislation before issuance of the final recommendations in
these areas;
- 250 (31) records provided by the United States or by a government entity outside the state that are given
to the governmental entity with a requirement that they be managed as protected records if the
providing entity certifies that the record would not be subject to public disclosure if retained by it;
- 254 (32) transcripts, minutes, recordings, or reports of the closed portion of a meeting of a public body
except as provided in Section 52-4-206;
- 256 (33) records that would reveal the contents of settlement negotiations but not including final settlements
or empirical data to the extent that they are not otherwise exempt from disclosure;
- 259 (34) memoranda prepared by staff and used in the decision-making process by an administrative law
judge, a member of the Board of Pardons and Parole, or a member of any other body charged by law
with performing a quasi-judicial function;
- 262 (35) records that would reveal negotiations regarding assistance or incentives offered by or requested
from a governmental entity for the purpose of encouraging a person to expand or locate a business
in Utah, but only if disclosure would result in actual economic harm to the person or place the
governmental entity at a competitive disadvantage, but this section may not be used to restrict access
to a record evidencing a final contract;
- 267 (36) materials to which access must be limited for purposes of securing or maintaining the
governmental entity's proprietary protection of intellectual property rights including patents,
copyrights, and trade secrets;
- 270 (37) the name of a donor or a prospective donor to a governmental entity, including an institution of
higher education defined in Section 53H-1-101, and other information concerning the donation that
could reasonably be expected to reveal the identity of the donor, provided that:

HB0473 compared with HB0473S01

- 274 (a) the donor requests anonymity in writing;
- 275 (b) any terms, conditions, restrictions, or privileges relating to the donation may not be classified
protected by the governmental entity under this Subsection (37); and
- 277 (c) except for an institution of higher education defined in Section 53H-1-101, the governmental unit
to which the donation is made is primarily engaged in educational, charitable, or artistic endeavors,
and has no regulatory or legislative authority over the donor, a member of the donor's immediate
family, or any entity owned or controlled by the donor or the donor's immediate family;
- 282 (38) accident reports, except as provided in Sections 41-6a-404, 41-12a-202, and 73-18-13;
- 283 (39) a notification of workers' compensation insurance coverage described in Section 34A-2-205;
- 285 (40) subject to Subsections (40)(g) and (h), the following records of an institution of higher education
defined in Section 53H-1-101, which have been developed, discovered, disclosed to, or received by
or on behalf of faculty, staff, employees, or students of the institution:
- 289 (a) unpublished lecture notes;
- 290 (b) unpublished notes, data, and information:
- 291 (i) relating to research; and
- 292 (ii) of:
- 293 (A) the institution of higher education defined in Section 53H-1-101; or
- 294 (B) a sponsor of sponsored research;
- 295 (c) unpublished manuscripts;
- 296 (d) creative works in process;
- 297 (e) scholarly correspondence; [~~and~~]
- 298 (f) confidential information contained in research proposals;
- 299 (g) this Subsection (40) may not be construed to prohibit disclosure of public information required
[~~pursuant to~~] in accordance with Subsection 53H-14-202(2)(a) or (b); and
- 302 (h) this Subsection (40) may not be construed to affect the ownership of a record;
- 303 (41)
- (a) records in the custody or control of the Office of the Legislative Auditor General that would reveal
the name of a particular legislator who requests a legislative audit prior to the date that audit is
completed and made public; and
- 306 (b) notwithstanding Subsection (41)(a), a request for a legislative audit submitted to the Office of the
Legislative Auditor General is a public document unless the legislator asks that the records in the

HB0473 compared with HB0473S01

custody or control of the Office of the Legislative Auditor General that would reveal the name of a particular legislator who requests a legislative audit be maintained as protected records until the audit is completed and made public;

- 312 (42) records that provide detail as to the location of an explosive, including a map or other document
that indicates the location of:
- 314 (a) a production facility; or
- 315 (b) a magazine;
- 316 (43) information contained in the statewide database of the Division of Aging and Adult Services
created by Section 26B-6-210;
- 318 (44) information contained in the Licensing Information System described in Title 80, Chapter 2, Child
Welfare Services;
- 320 (45) information regarding National Guard operations or activities in support of the National Guard's
federal mission;
- 322 (46) records provided by any pawn or secondhand business to a law enforcement agency or to the

1246 (2)

(a) [~~Pursuant to~~] In accordance with Section 73-3-3, a division may file a permanent change application, a fixed time change application, or a temporary change application, or a person entitled to the use of water may file a fixed time change application or a temporary change application, to provide water within the state for:

1250 (i) an instream flow within a specified section of a natural or altered stream; or

1251 (ii) use on sovereign lands.

1252 (b) The state engineer may not approve a change application filed under this Subsection (2) unless the proposed instream flow or use on sovereign lands will contribute to:

1254 (i) the propagation or maintenance of wildlife;

1255 (ii) the management of state parks; or

1256 (iii) the reasonable preservation or enhancement of the natural aquatic environment.

1257 (c) A division may file a change application on:

1258 (i) a perfected water right:

1259 (A) presently owned by the division;

1260 (B) purchased by the division for the purpose of providing water for an instream flow or use on sovereign lands, through funding provided for that purpose by legislative appropriation; or

1263 (C) secured by lease, agreement, gift, exchange, or contribution; or

1264 (ii) an appurtenant water right acquired with the acquisition of real property by the division.

1266 (d) A division may:

- (a) A person entitled to the use of water shall obtain a division director's approval of the proposed change before filing a fixed time change application or a temporary change application with the state engineer.
- 1275 (b) By approving a proposed fixed time change application or temporary change application, a division director attests that the water that is the subject of the application can be used consistent with the statutory mandates of the director's division.
- 1279 (4)
- (a) [~~Pursuant to~~] In accordance with Section 73-3-3, a person entitled to the use of water may file a fixed time change application or a temporary change application for a project to deliver water to a reservoir located partially or entirely within the Colorado River System in the state in accordance with:
- 1283 (i) Colorado River Drought Contingency Plan Authorization Act, Public Law 116-14;
- 1284 (ii) a water conservation program funded by the Bureau of Reclamation; or
- 1285 (iii) a water conservation program authorized by the state.
- 1286 (b) Before filing a change application under this Subsection (4), a person entitled to the use of water shall obtain the approval from the executive director of the Colorado River Authority of Utah, appointed under Section [~~63M-14-401~~] 73-34-401.
- 1289 (c) By approving a proposed fixed time change application or temporary change application, the executive director of the Colorado River Authority of Utah attests that the water that is the subject of the application can be used consistent with this section.
- 1293 (5) In addition to the requirements of Section 73-3-3, an application authorized by this section shall include:
- 1295 (a) a legal description of:
- 1296 (i) the segment of the natural or altered stream that will be the place of use for an instream flow;
- 1298 (ii) the location where the water will be used on sovereign lands; or
- 1299 (iii) the reservoir located partially or entirely within the Colorado River System in the state that the water will be delivered to; and
- 1301 (b) appropriate studies, reports, or other information required by the state engineer demonstrating:
- 1303 (i) the projected benefits to the public resulting from the change; and
- 1304 (ii) the necessity for the proposed instream flow or use on sovereign lands.
- 1305

(3) Notwithstanding Subsection (2), the Utah water agent, appointed under Section 73-10g-702, has authority over out-of-state negotiations related to water importation in accordance with Chapter 10g, Part 7, Utah Water Agent, except when limited by Section 73-10g-703.

1377 Section 8. Section **73-10-32** is amended to read:

1378 **73-10-32. ~~{(Effective 05/06/26)}~~(Effective 07/01/26)Definitions -- Water conservation plan**
required.

1378 (1) As used in this section:

1379 (a) "Division" means the Division of Water Resources created under Section 73-10-18.

1380 (b) "Water conservancy district" means an entity formed under Title 17B, Chapter 2a, Part 10, Water
Conservancy District Act.

1382 (c) "Water conservation plan" means a written document that contains existing and proposed water
conservation measures describing what will be done by a water provider, and the end user of
culinary water to help conserve water in the state in terms of per capita use of water provided
through culinary water infrastructure owned or operated by the water provider so that adequate
supplies of water are available for future needs.

1388 (d) "Water provider" means:

1389 (i) a retail water supplier, as defined in Section 19-4-102; or

1390 (ii) a water conservancy district.

1391 (2)

(a) A water conservation plan shall contain:

1392 (i)

(A) a clearly stated overall water use reduction goal that is consistent with Subsection (2)(d); and

1394 (B) an implementation plan for each water conservation measure a water provider chooses to use,
including a timeline for action and an evaluation process to measure progress;

1397 (ii) a requirement that a notification procedure be implemented that includes the delivery of the
water conservation plan to the media and to the governing body of each municipality and county
served by the water provider;

1400 (iii) a copy of the minutes of the meeting regarding a water conservation plan and the notification
procedure required in Subsection (2)(a)(ii) that shall be added as an appendix to the water
conservation plan; and

1403

HB0473 compared with HB0473S01

(iv) for a retail water supplier, as defined in Section 19-4-102, the retail water supplier's rate structure that is:

1405 (A) adopted by the retail water supplier's governing body in accordance with Section 73-10-32.5; and

1407 (B) current as of the day the retail water supplier files a water conservation plan.

1408 (b) A water conservation plan may include information regarding:

1409 (i) the installation and use of water efficient fixtures and appliances, including toilets, shower fixtures, and faucets;

1411 (ii) residential and commercial landscapes and irrigation that require less water to maintain;

1413 (iii) more water efficient industrial and commercial processes involving the use of water;

1415 (iv) water reuse systems, both potable and not potable;

1416 (v) distribution system leak repair;

1417 (vi) dissemination of public information regarding more efficient use of water, including public education programs, customer water use audits, and water saving demonstrations;

1420 (vii) water rate structures designed to encourage more efficient use of water;

1421 (viii) statutes, ordinances, codes, or regulations designed to encourage more efficient use of water by means such as water efficient fixtures and landscapes;

1423 (ix) incentives to implement water efficient techniques, including rebates to water users to encourage the implementation of more water efficient measures;

1425 (x) regional conservation planning and shared shortage agreements; and

1426 (xi) other measures designed to conserve water.

1427 (c) The division may be contacted for information and technical resources regarding measures listed in Subsection (2)(b).

1429 (d)

(i) The division shall adopt by rule, made in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, regional water conservation goals that:

1431 (A) are developed by the division;

1432 (B) take into consideration goals established in the Colorado River management plan adopted ~~[pursuant to]~~ in accordance with Section ~~[63M-14-204]~~ 73-34-204;

1434 (C) for areas in the Great Salt Lake watershed, take into consideration the Great Salt Lake, including the water budget associated with the integrated surface and ground water assessment described in Section 73-10g-402;

HB0473 compared with HB0473S01

- 1437 (D) take into consideration how growth and regional conservation goals impact agriculture water
use;
- 1439 (E) are reevaluated by December 31, 2030, and every 10 years after December 31, 2030; and
- 1441 (F) define what constitutes "water being conserved" under a water conservation goal after
considering factors such as depletion, diversion, use, consumption, or return flows.
- 1444 (ii) As part of a water conservation plan, a water provider shall adopt one of the following:
- 1446 (A) the regional water conservation goal applicable to the water provider;
- 1447 (B) a water conservation goal that would result in more water being conserved than would be conserved
under the regional water conservation goal; or
- 1449 (C) a water conservation goal that would result in less water being conserved than would be conserved
under the regional water conservation goal with a reasonable justification as to why the different
water conservation goal is adopted and an explanation of the factors supporting the reasonable
justification, such as demographics, geography, lot sizes, make up of water service classes, or
availability of secondary water.
- 1455 (3)
- (a) A water provider shall:
- 1456 (i) prepare and adopt a water conservation plan; and
- 1457 (ii) file a copy of the water conservation plan with the division.
- 1458 (b)
- (i) Before adopting or amending a water conservation plan, a water provider shall hold a public hearing
with reasonable, advance public notice in accordance with this Subsection (3)(b).
- 1461 (ii) The water provider shall provide public notice at least 14 days before the date of the public hearing.
- 1463 (iii) A water provider meets the requirements of reasonable notice required by this Subsection (3)(b) if
the water provider posts notice of the public hearing:
- 1465 (A) for the service area of the water provider, as a class A notice under Section 63G-30-102, for at least
14 days; and
- 1467 (B) if the water provider is a private entity and has a public website, on the water provider's public
website.
- 1469 (iv) Proof that notice described in Subsection (3)(b)(iii) was given is prima facie evidence that notice
was properly given.
- 1471

HB0473 compared with HB0473S01

(v) If notice given under authority of this Subsection (3)(b) is not challenged within 30 days from the date of the public hearing for which the notice was given, the notice is considered adequate and proper.

1474 (c) A water provider shall:

1475 (i) post the water provider's water conservation plan on a public website; or

1476 (ii) if the water provider does not have a public website, make the water provider's water conservation plan publicly available for inspection upon request.

1478 (4)

(a) The division shall:

1479 (i) provide guidelines and technical resources to help water providers prepare and implement water conservation plans;

1481 (ii) assist water providers by identifying water conservation methods upon request; and

1483 (iii) provide an online submission form that allows for an electronic copy of the water conservation plan to be filed with the division under Subsection (3)(a)(ii).

1485 (b) The division shall post an annual report at the end of a calendar year listing water providers in compliance with this section.

1487 (5) A water provider may only receive state funds for water development if the water provider complies with the requirements of this section.

1489 (6) A water provider specified under Subsection (3)(a) shall:

1490 (a) update the water provider's water conservation plan no less frequently than every five years; and

1492 (b) follow the procedures required under Subsection (3) when updating the water conservation plan.

1494 (7) It is the intent of the Legislature that the water conservation plans, amendments to existing water conservation plans, and the studies and report by the division be handled within the existing budgets of the respective entities or agencies.
