542 Section 4. Section 11-17-1.5 is amended to read:

543 **11-17-1.5. Purpose of chapter.**

- 544 (1)
- (a) The purposes of this chapter are to stimulate the economic growth of the state, to promote
employment and achieve greater industrial development in the state, to maintain or enlarge domestic
or foreign markets for Utah industrial products, to authorize municipalities and counties in the
state to facilitate capital formation, finance, acquire, own, lease, or sell projects for the purpose
of reducing, abating, or preventing pollution and to protect and promote the health, welfare, and
safety of the citizens of the state and to improve local health and the general welfare by inducing
corporations, persons, or entities engaged in health care services, including hospitals, nursing
homes, extended care facilities, facilities for the care of persons with a physical or mental disability,
and administrative and support facilities, to locate, relocate, modernize, or expand in this state and
to assist in the formation of investment capital with respect thereto.

HB0475 compared with HB0475S01

- 556 (b) The Legislature declares that the acquisition or financing, or both, of projects under [~~the Utah~~
Industrial Facilities and Development Act] this chapter and the issuance of bonds under [it] this
chapter constitutes a proper public purpose.
- 559 (2)
- (a) It is declared that the policy of the state is to encourage the development of free enterprise and
entrepreneurship for the purpose of the expansion of employment opportunities and economic
development.
- 562 (b) It is declared that there exists in the state an inadequate amount of locally managed, pooled venture
capital in the private sector available to invest in early stage businesses having high growth potential
and that can provide jobs for Utah citizens.
- 565 (c) It is found that venture capital is required for healthy economic development of sectors of the
economy having high growth and employment potential.
- 567 (d) It is further found that the public economic development purposes of the state, [~~and its~~] counties,
and municipalities can be fostered by the sale of industrial revenue bonds for the purpose of
providing funding for locally managed, pooled new venture and economic development funds in
accordance with the provisions of this chapter.
- 571 (e) It is declared that in order to assure adequate investment of private capital for these uses,
cooperation between private enterprise and state and local government is necessary and in the public
interest and that the facilitation of capital accumulation is the appropriate activity of [~~the counties~~
~~and municipalities of this state and also of~~] :
- 575 (i) a county;
- 576 (ii) a municipality; and
- 577 (iii) the Governor's Office of Economic [Opportunity] Development.
- 578 (f) It is found that venture capital funds historically, because of the more intensive nature of their
relationship with companies in which [they] the funds invest, tend to concentrate [~~their~~] investments
within a relatively close geographical area to their headquarters location.
- 582 (g)
- (i) It is found and declared that investors in economic development or new venture investment funds
require for the overall security of their investments reasonable diversification of investment
portfolios and that, in the course of this diversification, investments are often syndicated or jointly
made among several financial institutions or funds.

HB0475 compared with HB0475S01

- 587 (ii) It is expressly found and declared that an economic development or new venture investment fund shall, from time to time for ~~[its]~~optimal profitability and efficiency, ~~[{]which are important for the security and profit of bond purchasers providing funds therefor[}]~~ , cooperate with others who may be located outside of ~~[Utah]~~ the state or the county or municipality where the fund is headquartered in the making of investments; and ~~[that the fund shall]~~be free in the interests of reciprocal relationships with other financial institutions and diversification of risks to invest from time to time in enterprises that are located outside of ~~[Utah]~~ the state or the counties or municipalities.
- 596 (iii) It is specifically found that ~~[such]~~activity by a locally managed fund, funded in whole or in part with the proceeds of bonds sold under this chapter, is within the public purposes of the state and any county or municipality offering the bonds, provided that the fund locates within ~~[Utah]~~ the state or the county or municipality ~~[its]~~ the fund's headquarters where ~~[its]~~ the fund's actual investment decisions and management functions occur and limits the aggregate amount of ~~[its]~~ the fund's investments in companies located outside of ~~[Utah]~~ the state to an amount that in the aggregate does not exceed the aggregate amount of investments made by institutions and funds located outside of ~~[Utah]~~ the state in Utah companies, that the locally managed fund has sponsored or in which ~~[it]~~ the locally managed fund has invested and that ~~[it]~~ the locally managed fund has brought to the attention of investors outside of ~~[Utah]~~ the state.

608 Section 5. Section 11-17-18 is amended to read:

609 **11-17-18. Powers of Governor's Office of Economic Development.**

- 611 (1) For purposes of this chapter and for the purposes of the Utah Interlocal Cooperation Act, the Governor's Office of Economic ~~[Opportunity]~~ Development, created in Section 63N-1a-301, has all the powers set out in this chapter of, and is subject to the same limitations as, a municipality as though the office were defined as a municipality for purposes of this chapter, but it shall have such powers with respect to economic development or new venture investment fund projects only. ~~[It]~~
- 617 (2) The Governor's Office of Economic Development is not authorized to exercise such powers in any manner which will create general obligations of the state or any agency, department, division, or political subdivision ~~[thereof]~~ of the state.
