LONG TITLE

4

General Description:

5

This bill addresses state facilities.

6

Highlighted Provisions:

7

This bill:

8

- establishes the Higher Education Appropriations Subcommittee as the subcommittee to hear and prioritize requests for state funding of capital facility projects within the Utah System of Higher Education;

11

- establishes requirements for the proposal of a technical college or degree-granting institution for a capital facility project funding request;

13

- requires compliance with the dedicated and non-dedicated project approval process for higher education capital facility projects;

15

- clarifies the process for requesting capital development appropriations by distinguishing between architectural programming and design-and-construction phases;

17

- authorizes an agency to request funding for architectural programming without requiring the submission of a feasibility study;

HB0508S02

HB0508S02 compared with HB0508S03

- 19 ▸ requires an agency to complete architectural programming before requesting an appropriation for
the design and construction of a capital development project;
- 21 ▸ increases, from \$100,000 to \$1,500,000, the maximum project cost for which a state entity may
directly supervise the design and construction of a state facility and establishes higher supervisory
thresholds for certain institutions within the Utah System of Higher Education;
- 25 ▸ requires a state entity that elects to directly supervise the design and construction of a
state facility project to enter into a memorandum of understanding with the Division of Facilities
Construction and Management (division) that addresses compliance with division standards;
- 29 ▸ prohibits a state entity described above from accessing the division's statewide contingency
reserve or project reserve for the state facility project;
- 31 ▸ authorizes the director of the division to assume control of a project described above when
division inspection or review determines that the work is deficient or noncompliant with division design,
construction, or code inspection standards;
- 34 ▸ aligns revocation authority for delegated projects by allowing the director of the division to
revoke delegation to address inspection-based deficiencies;
- 36 ▸ requires that design criteria exceeding the state construction code to be appropriate for the
facility's intended use and cost-effective over the facility's expected useful life;
- 38 ▸ adds required components to a capital development feasibility study by requiring inclusion of a
space utilization plan and capital budget estimate approved by the division;
- 40 ▸ authorizes the Legislature to transfer any excess amount from the statewide contingency reserve
to the General Fund or the Income Tax Fund;
- 42 ▸ if the excess amount described above is attributable to a higher education or technical college
capital project, requires the Legislature to transfer the excess amount to the applicable capital project
fund;
- 45 ▸ requires the division to submit an annual request for appropriation to the Legislature for each
year covered by the five-year building plan;
- 47 ▸ authorizes the director of the division to approve certain design modifications for capital
development projects of institutions of higher education and to allocate resulting construction cost
savings between the institution and the state; {and}
- 50 ▸ **exempts construction contracts administered by the division from statutory performance
and payment bond requirements;**

HB0508S02 compared with HB0508S03

▸ authorizes the division to require a performance or payment bond when necessary to protect the division from financial loss or performance risk; and

▸ makes technical and conforming changes.

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 14-1-19 is amended to read:

14-1-19. Failure of government entity to obtain payment bond -- Right of action -- Notice.

- (1) If the state or a political subdivision fails to obtain a payment bond, it shall, upon demand by a person who has furnished labor or supplied materials to the contractor or subcontractor for the work provided for in a contract which is subject to Section 14-1-18, promptly make payment to that person.
- (2) A person described in Subsection (1):
 - (a) shall have a direct right of action against the state or the political subdivision in any court having jurisdiction in any county in which the contract was to be performed, upon giving written notice to the state or political subdivision within 90 days from the date on which such person performed the last of the labor or supplied the last of the material for which claim is made;
 - (b) shall state in the notice a designation of the construction project and its location, the amount claimed, and the name of the party for whom the labor was performed or to whom the material was supplied; and
 - (c) shall serve the notice by registered or certified mail, postage prepaid, on the state agency or political subdivision that is a party to the contract.
- (3) An action described in this section may not be commenced later than one year after the day on which the last of the labor was performed or material was supplied by the person bringing the action.
- (4) Unless otherwise specified in a lawful contract between the state or the political subdivision against which the claim is made and the person demanding payment, the interest rate applicable to the payment or claim is the rate described in Subsection 15-1-1(2).

HB0508S02 compared with HB0508S03

(5) This section does not apply to a construction contract administered by the Division of Facilities Construction and Management.

(6) Subsection (5) does not affect a right of action that accrued under this section with respect to a construction contract executed before the effective date of this bill.

Section 2. Section 53H-1-402 is amended to read:

53H-1-402. ~~{(Effective 05/06/26)} {(Partially Repealed 07/01/27)}~~{(Effective upon governor's approval) (Partially Repealed 07/01/27)} Reports to and actions of the Higher Education Appropriations Subcommittee.

(1) In accordance with applicable provisions and Section 68-3-14, the following recurring reports are due to the Higher Education Appropriations Subcommittee:

(a) the reports described in Sections 53H-1-502, 53H-1-503, and 53H-1-504;

(b) the reports described in Section 53H-1-203 by the board on:

(i) system wide responses to changing demographics and workforce; and

(ii) the board's activities and performance against the board's goals and metrics;

(c) the report described in Section 53H-5-205;

(d) the report described in Section 53H-8-202 by the board on recommended appropriations for higher education institutions and the board, including the report described in Section 53H-11-406 by the board on the effects of offering nonresident partial tuition scholarships;

(e) the report described in Section 53H-8-306 by the Department of Workforce Services and the Governor's Office of Economic Opportunity on targeted jobs;

(f) the reports described in Section 53H-8-303 by the board on performance;

(g) the report described in Section 53H-11-402 by the board on the Opportunity Scholarship Program;

(i) the report described in Section 53H-11-414 by the board on the Utah Promise Program;

(j) the report described in Section 53H-6-202 by the board on an institution compensating a student athlete for the use of the student athlete's name, image, or likeness;

(k) the report described in Section 53H-1-604 regarding the Higher Education and Corrections Council; and

(l) the report described in Section 53E-10-308 by the State Board of Education and board on student participation in the concurrent enrollment program.

HB0508S02 compared with HB0508S03

(2) In accordance with applicable provisions and Section 68-3-14, the following occasional report is due to the Higher Education Appropriations Subcommittee: the board's report regarding each institution's strategic reinvestment plan described in Section 53H-8-210.

(3) In accordance with applicable provisions, the Higher Education Appropriations Subcommittee shall complete the following:

(a) an appropriation recommendation described in Section 53H-1-504 regarding compliance with Subsections 53H-1-504(5) and (14); and

(b) as required by Section 53H-8-304, the review of performance funding described in Section 53H-8-304.

(4) The Higher Education Appropriations Subcommittee shall hear and prioritize any requests for capital facilities within the Utah System of Higher Education described in Section 53H-1-102, in accordance with Chapter 9, Part 5, General Capital Developments, and Chapter 9, Part 6, Technical College Leasing and Capital Development.

~~[(4)]~~ (5) In consultation with the board, the Higher Education Appropriations Subcommittee shall study a re-design of:

(a) the performance funding model described in Chapter 8, Part 3, Performance Funding, to better ensure:

(i) institutional alignment with the statewide system of higher education and the institution's mission within the statewide system; and

(ii) investment in meeting localized and statewide workforce demands and securing post-graduation employment outcomes; and

(b) enrollment-based funding, including, for technical colleges, funding distribution models that:

(i) include equivalent funding value for secondary and adult students; and

(ii) reflect the full responsibility of the technical college's statutorily-required services.

Section 3. Section 53H-9-402 is amended to read:

53H-9-402. ~~{(Effective 05/06/26)}~~{Effective upon governor's approval}Buildings and facilities -- Board approval of construction and purchases -- Rules.

(1) The board shall approve all new construction, repair, or purchase of educational and general buildings and facilities financed from any source at all institutions subject to the jurisdiction of the board.

(2) An institution may not[-] :

HB0508S02 compared with HB0508S03

- 139 (a) submit plans or specifications to the Division of Facilities Construction and Management for the
construction or alteration of buildings, structures, or facilities or for the purchases of equipment or
143 fixtures for the structure without the authorization of the board[-] ; or
(b) request state funding for a dedicated or non-dedicated project except as provided in Part 5, General
Capital Developments, and Part 6, Technical College Leasing and Capital Development.
146 (3) The board shall make rules establishing the conditions under which facilities may be eligible to
request state funds for operations and maintenance.
148 (4) Before approving the purchase of a building, the board shall:
149 (a) determine whether or not the building will be eligible for state funds for operations and maintenance
by applying the rules adopted under Subsection (3); and
151 (b) if the annual request for state funding for operations and maintenance will be greater than \$100,000,
notify the speaker of the House, the president of the Senate, and the cochair of the Transportation
and Infrastructure Appropriations Subcommittee.

196 Section 4. Section 53H-9-504 is amended to read:

212 (A) recommendation, for the list described in Subsection (3)(b)(i); or
213 (B) recommendation and prioritization, for the list described in Subsection (3)(b)(ii).
215 (4) A dedicated project:
216 (a) is subject to the recommendation of the Division of Facilities Construction and Management as
described in Section 63A-5b-403; and
218 (b) is not subject to the prioritization of the Division of Facilities Construction and Management as
described in Section 63A-5b-403.
220 (5)
(a) Subject to Subsection (6), the board shall prioritize institution requests for funding for nondedicated
projects based on:
222 (i) capital facility need;
223 (ii) utilization of facilities;
224 (iii) maintenance and condition of facilities; and
225 (iv) any other factor determined by the board.
226 (b) The board shall establish how the board will prioritize institution requests for funding for
nondedicated projects, including:
228 (i) how the board will measure each factor described in Subsection (5)(a); and
229 (ii) procedures for prioritizing requests.
230 (6)
(a) Subject to Subsection (6)(b), and in accordance with Subsection (5), the board may annually
prioritize:
232 (i) up to three nondedicated projects if the ongoing appropriation to the fund is less than
\$50,000,000;
234 (ii) up to two nondedicated projects if the ongoing appropriation to the fund is at least \$50,000,000
but less than \$100,000,000; or
236 (iii) one nondedicated project if the ongoing appropriation to the fund is at least \$100,000,000.
238 (b) For each calendar year, the dollar amounts described in Subsection (6)(a) shall be adjusted by an
amount equal to the percentage difference between:

314 (A) recommendation, for the list described in Subsection (4)(b)(i); or
315 (B) recommendation and prioritization, for the list described in Subsection (4)(b)(ii).
317 (5) A dedicated project:
318 (a) is subject to the recommendation of the Division of Facilities Construction and Management as
described in Section 63A-5b-403; and
320 (b) is not subject to the prioritization of the Division of Facilities Construction and Management as
described in Section 63A-5b-403.
322 (6)
(a) Subject to Subsection (7), the board shall prioritize funding requests for capital development
projects described in this section based on:
324 (i) growth and capacity;
325 (ii) effectiveness and support of critical programs;
326 (iii) cost effectiveness;
327 (iv) building deficiencies and life safety concerns; and
328 (v) alternative funding sources.
329 (b) The board shall establish:
330 (i) how the board will measure each factor described in Subsection (6)(a); and
331 (ii) procedures for prioritizing funding requests for capital development projects described in this
section.
333 (7)
(a) Subject to Subsection (7)(b), and in accordance with Subsection (6), the board may annually
prioritize:
335 (i) up to three nondedicated projects if the ongoing appropriation to the fund is less than
\$7,000,000;
337 (ii) up to two nondedicated projects if the ongoing appropriation to the fund is at least \$7,000,000
but less than \$14,000,000; or
339 (iii) one nondedicated project if the ongoing appropriation to the fund is at least \$14,000,000.

Legislature.
- 409 (3) The division may not transmit to the Legislature a request described in Subsection (2)(c) unless the
agency submits a program document for the capital development project.
- 411 [(3)] (4)
- (a) The division shall, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act,
make rules that establish standards and requirements for[a capital development project request and
feasibility study.] :
- 414 (i) a capital development project; and
- 415 (ii) if submitted, a feasibility study.
- 416 (b) The rules shall include:
- 417 (i) a deadline by which an agency is required to submit a capital development project request;
- 419 (ii) conditions under which an agency may modify the agency's capital development project request
after the agency submits the request, and requirements applicable to a modification; and
- 422 (iii) requirements for the contents of a feasibility study, including:
- 423 (A) the need for the capital development project;
- 424 (B) the appropriateness of the scope of the capital development project;
- 425 (C) any private funding for the capital development project;[and]
- 426 (D) the economic and community impacts of the capital development project[-] ;
- 427 (E) a space utilization plan developed in accordance with rules made by the division under Title 63G,
Chapter 3, Utah Administrative Rulemaking Act; and
- 429 (F) a capital budget estimate approved by the division.
- 430 [(4)] (5) The division shall verify the completion and accuracy of a feasibility study or program
document that an agency submits under Subsection (2) prior to submitting capital development
project recommendations and priorities under Subsection (1).
- 475 Section 8. Section **63A-5b-501** is amended to read:
- 476 **63A-5b-501. {(Effective 05/06/26)}(Effective upon governor's approval)Five-year building**

- 435 (1) The director shall:
- 436 (a) in cooperation with agencies, prepare a master plan of structures built or contemplated;

HB0508S02 compared with HB0508S03

- 438 (b) submit to the governor and the Legislature a comprehensive five-year building plan for the state
containing the information required by Subsection (2);
- 440 (c) amend and keep current the five-year building plan that complies with the requirements described in
Subsection (2), for submission to the governor and subsequent legislatures;~~[-and]~~
- 443 (d) as part of the long-range plan, recommend to the governor and Legislature any changes in the law
that are necessary to ensure an effective, well-coordinated building program for all agencies[:]; and
- 446 (e) for each fiscal year covered by the five-year building plan, submit to the Legislature a request for
appropriation for that fiscal year.
- 448 (2)
- (a) The director shall ensure that the five-year building plan required by Subsection (1)(b) includes:
- 450 (i) a list that prioritizes construction of new buildings for all structures built or contemplated based
upon each agency's present and future needs;
- 452 (ii) information and space use data for all state-owned and leased facilities;
- 453 (iii) substantiating data to support the adequacy of any projected plans;
- 454 (iv) a summary of all statewide contingency reserve and project reserve balances as of the end of
the most recent fiscal year;
- 456 (v) a list of buildings that have completed a comprehensive facility evaluation by an architect or
engineer or are scheduled to have an evaluation;
- 458 (vi) for those buildings that have completed the evaluation, the estimated costs of needed
improvements; and
- 460 (vii) for projects recommended in the first two years of the five-year building plan:
- 461 (A) detailed estimates of the cost of each project;
- 462 (B) the estimated cost to operate and maintain the building or facility on an annual basis;
- 464 (C) the cost of capital improvements to the building or facility, estimated at 1.1% of the replacement
cost of the building or facility, on an annual basis;
- 466 (D) the estimated number of new agency full-time employees expected to be housed in the building or
facility;
- 468 (E) the estimated cost of new or expanded programs and personnel expected to be housed in the
building or facility;
- 470 (F) the estimated lifespan of the building with associated costs for major component replacement over
the life of the building; and

HB0508S02 compared with HB0508S03

(G) the estimated cost of any required support facilities.

(b) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the director may make rules prescribing the format for submitting the information required by this Subsection (2).

(3) To provide adequate information to enable the director to make a recommendation described in Subsection (1), an agency requesting new full-time employees for the next fiscal year shall report those anticipated requests to the director at least 90 days before the annual general session in which the request is made.

526 ~~[(3)]~~ (2) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the director
 may make rules:

528 (a) establishing the types of projects for which programming and a program document are required;

530 (b) establishing the scope of programming required for defined categories of projects;

531 (c) establishing the circumstances under which an agency must obtain authorization from the director to
 engage in programming;

533 (d) governing the funding of programming;

534 (e) relating to the administration of programming; and

535 (f) regarding any restrictions that may be imposed on a person involved in programming from
 participating in the preparation of construction documents for a project that is the subject of the
 programming.

580 Section 10. Section **63A-5b-602** is amended to read:

581 **63A-5b-602. ~~{(Effective 05/06/26)}~~{Effective upon governor's approval}Design criteria,**
standards, and procedures.

HB0508S02 compared with HB0508S03

- 540 (1) The director shall establish design criteria, standards, and procedures for the planning, design, and
construction of a new facility and for improvements to an existing facility, including life-cycle
costing, cost-effectiveness studies, and other methods and procedures that address:
- 544 (a) the need for the facility;
- 545 (b) the effectiveness of the facility's design;
- 546 (c) the efficiency of energy use; and
- 547 (d) the usefulness of the facility over the facility's lifetime.
- 548 (2) Before proceeding with construction, the director and the officials charged with the administration
of the affairs of the particular agency shall approve the location, design, plans, and specifications.
- 551 (3) The director shall prepare or have prepared by one or more private persons the designs, plans, and
specifications for the projects administered by the division.
- 553 (4) Before construction may begin, the director shall review the design of projects exempted from the
division's administration under Section 63A-5b-604 to determine if the design:
- 556 (a) complies with any restrictions placed on the project by the director; and
- 557 (b) is appropriate for the purpose and setting of the project.
- 558 (5) Notwithstanding the requirements of Title 63J, Chapter 1, Budgetary Procedures Act, the director
may:
- 560 (a) accelerate the design of a project funded by an appropriation act passed by the Legislature in the
Legislature's annual general session;
- 562 (b) use an unencumbered existing account balance to fund that design work; and
- 563 (c) reimburse the account balance from the amount funded for the project when the appropriation act
funding the project becomes effective.
- 565 (6) If the director establishes design criteria or standards that exceed the minimum requirements of
the State Construction Code adopted under Title 15A, State Construction and Fire Codes Act, the
director shall ensure that the additional criteria or standards are:
- 569 (a) appropriate for the intended use and setting of the facility; and
- 570 (b) cost-effective over the expected useful life of the facility.

614 Section 11. Section **63A-5b-604** is amended to read:

615 **63A-5b-604. ~~{(Effective 05/06/26)}~~(Effective upon governor's approval)Construction,**
alteration, and repair of state facilities -- Powers of director -- Exceptions -- Expenditure of

HB0508S02 compared with HB0508S03

- 575 (1)
- (a) Except as provided in this section and Section 63A-5b-1101, the director shall exercise direct supervision over the design and construction of all new facilities, and all alterations, repairs, and improvements to existing facilities, if the total project construction cost, regardless of the funding source, is greater than [\$100,000] \$1,500,000.
- 580 (b) [A] Subject to Subsections (1)(c) and (d), a state entity may exercise direct supervision over the design and construction of all new facilities, and over all alterations, repairs, and improvements to existing facilities, if:
- 583 (i) except as provided in Subsection (1)(e), the total project construction cost{f, regardless of the funding sources, is }[\$100,000] \$1,500,000{ or less{f} :}
- 585 {(A) {is \$1,500,000 or less; and}
- 586 {(B)} the project is not funded, in whole or in part, as a capital improvement project under Section 63A-5b-405}; and
- 588 (ii) the state entity assures compliance with the division's forms and contracts and the division's design, construction, alteration, repair, improvement, and code inspection standards.
- 591 (c) Before exercising direct supervision under Subsection (1)(b), a state entity shall enter into a memorandum of understanding with the division, in a form developed by the division, that addresses:
- 594 (i) the state entity's compliance with Subsection (1)(b)(ii); and
- 595 (ii) other matters the division considers necessary and appropriate to facilitate the state entity's supervision of the project, including provisions governing the use of capital improvement funds to ensure expenditures are consistent with legislative appropriations and the five-year building plan.
- 597 (d) The director may assume direct supervision over the design and construction of a project described in Subsection (1)(b) if the division determines, through inspection or review conducted in accordance with the division's design, construction, or code inspection standards, that the work is deficient, substandard, or noncompliant.
- 601 (e) For purposes of Subsection (1)(b)(i), a state entity that is an institution of higher education described in Subsection 53H-1-102(1)(a) or (b) may exercise direct supervision if the total project construction cost is:
- 604 (i) \$30,000,000 or less for the University of Utah;
- 605 (ii) \$10,000,000 or less for Utah State University;

HB0508S02 compared with HB0508S03

- 606 (iii) \$2,500,000 or less for a university described in Subsections 53H-1-102(1)(a)(iii), (iv), (vi), or (vii);
607 or
- 608 (iv) \$1,000,000 or less for:
- 609 (A) Snow College;
- 610 (B) Salt Lake Community College; or
- 611 (C) a technical college described in Subsection 53H-1-102(1)(b).
- 612 (f) A state entity that exercises direct supervision under Subsection (1)(b) may not access, for the
supervised project, the division's statewide contingency reserve or project reserve authorized in
Section 63A-5b-609.
- 615 (2) The director may enter into a capital improvement partnering agreement with an institution of higher
education that permits the institution of higher education to exercise direct supervision for a capital
improvement project with oversight from the division.
- 618 (3)
- (a) Subject to Subsection (3)(b), the director may delegate control over design, construction, and other
aspects of any project to entities of state government on a project-by-project basis.
- 621 (b) With respect to a delegation of control under Subsection (3)(a), the director may:
- 622 (i) impose terms and conditions on the delegation that the director considers necessary or advisable to
protect the interests of the state; and
- 624 (ii) revoke the delegation and assume control of the design, construction, or other aspect of a delegated
project if the director considers the revocation and assumption of control to be necessary to:
- 627 (A) address a circumstance described in Subsection (1)(d); or
- 628 (B) otherwise protect the interests of the state.
- 629 (4)
- (a) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the director may
delegate control over design, construction, and all other aspects of any project to entities of state
government on a categorical basis for projects within a particular dollar range and a particular
project type.
- 633 (b) Rules adopted by the director under Subsection (4)(a) may:
- 634 (i) impose the terms and conditions on categorical delegation that the director considers necessary or
advisable to protect the interests of the state;

636

HB0508S02 compared with HB0508S03

- (ii) provide for the revocation of the delegation on a categorical basis and for the division to assume control of the design, construction, or other aspect of a category of delegated projects or a specific delegated project if the director considers revocation of the delegation and assumption of control to be necessary to protect the interests of the state;
 - (iii) require that a categorical delegation be renewed by the director on an annual basis; and
 - (iv) require the division's oversight of delegated projects.
- (5)
- (a) A state entity to which project control is delegated under this section shall:
 - (i) assume fiduciary control over project finances;
 - (ii) assume all responsibility for project budgets and expenditures; and
 - (iii) receive all funds appropriated for the project, including any contingency funds contained in the appropriated project budget.
 - (b) Notwithstanding a delegation of project control under this section, a state entity to which control is delegated is required to comply with the division's codes and guidelines for design and construction.
 - (c) A state entity to which project control is delegated under this section may not access, for the delegated project, the division's statewide contingency reserve and project reserve authorized in Section 63A-5b-609.
 - (d) For a facility that will be owned, operated, maintained, and repaired by an entity that is not an agency and that is located on property that the state owns or leases as a tenant, the director may authorize the facility's owner to administer the design and construction of the project relating to that facility.
- (6)
- (a) A project for the construction of a new facility and a project for alterations, repairs, and improvements to an existing facility are not subject to Subsection (1) if the project:
 - (i) occurs on property under the jurisdiction of the State Capitol Preservation Board;
 - (ii) is within a designated research park at the University of Utah or Utah State University;
 - (iii) occurs within the boundaries of This is the Place State Park and is administered by This is the Place Foundation; or
 - (iv) is for the creation and installation of art under Title 9, Chapter 6, Part 4, Utah Percent-for-Art Act.

HB0508S02 compared with HB0508S03

(b) Notwithstanding Subsection (6)(a)(iii), the This is the Place Foundation may request the director to administer the design and construction of a project within the boundaries of This is the Place State Park.

(7)

(a) The role of compliance agency under Title 15A, State Construction and Fire Codes Act, shall be filled by:

(i) the director, for a project administered by the division;

(ii) the entity designated by the State Capitol Preservation Board, for a project under Subsection (6)(a)(i);

(iii) the local government, for a project that is:

(A) not subject to the division's administration under Subsection (6)(a)(ii); or

(B) administered by This is the Place Foundation under Subsection (6)(a)(iii);

(iv) the compliance agency designated by the director, for a project under Subsection (2), (3), (4), or (5)(d); and

(v) for the installation of art under Subsection (6)(a)(iv), the entity that is acting as the compliance officer for the balance of the project for which the art is being installed.

(b) A local government acting as the compliance agency under Subsection (7)(a)(iii) may:

(i) only review plans and inspect construction to enforce the state construction code or an approved code under Title 15A, State Construction and Fire Codes Act; and

(ii) charge a building permit fee of no more than the amount the local government could have charged if the land upon which the improvements are located were not owned by the state.

(8)

(a) The zoning authority of a local government under Title 10, Chapter 20, Municipal Land Use, Development, and Management Act, or Title 17, Chapter 79, County Land Use, Development, and Management Act, does not apply to the use of property that the state owns or any improvements constructed on property that the state owns, including improvements constructed by an entity other than a state entity.

(b) A state entity controlling the use of property that the state owns shall consider any input received from a local government in determining how the property is to be used.

Section 12. Section **63A-5b-609** is amended to read:

- 703 (1) The director shall:
- 704 (a)
- (i) supervise the expenditure of funds in providing plans, engineering specifications, sites, and construction of the buildings for which legislative appropriations are made; and
- 707 (ii) specifically allocate money appropriated if more than one project is included in any single appropriation without legislative directive;
- 709 (b)
- (i) expend the amount necessary from appropriations for planning, engineering, and architectural work; and
- 711 (ii)
- (A) allocate amounts from appropriations necessary to cover expenditures previously made from the planning fund under Section 63A-5b-503 in the preparation of plans, engineering, and specifications; and
- 714 (B) return the amounts described in Subsection (1)(b)(ii)(A) to the planning fund; and
- 716 (c) hold in a statewide contingency reserve the amount budgeted for contingencies:
- 717 (i) in appropriations for the construction or remodeling of facilities; and
- 718 (ii) that are over and above all amounts obligated by contract for planning, engineering, architectural work, sites, and construction contracts.
- 720 (2)
- (a) The director shall base the amount budgeted for contingencies on a sliding scale percentage of the construction cost ranging from:
- 722 (i) 4.5% to 6.5% for new construction; and
- 723 (ii) 6% to 9.5% for remodeling projects.
- 724 (b) The director shall hold the statewide contingency funds to cover:
- 725 (i) costs of change orders; and
- 726 (ii) unforeseen, necessary costs beyond those specifically budgeted for the project.
- 727 (c)

HB0508S02 compared with HB0508S03

[(i)] The Legislature shall annually review the percentage and the amount held in the statewide contingency reserve.

729 [(ii) ~~The Legislature may reappropriate to other building needs, including the cost of administering building projects, any amount from the statewide contingency reserve that is in excess of the reserve required to meet future contingency needs.~~]

732 (d) If any amount from the statewide contingency reserve is in excess of the amount required to meet future contingency needs, the Legislature:

734 (i) may reappropriate the excess amount to other building needs, including the cost of administering building projects;

736 (ii) may transfer the excess amount to the General Fund or the Income Tax Fund, in proportion to the amounts originally appropriated from each fund for the projects to which the excess amount is attributable; or

739 (iii) if the excess amount is attributable to an appropriation for the programming or design and construction of a project described in Title 53H, Chapter 9, Part 5, General Capital Developments, or Title 53H, Chapter 9, Part 6, Technical College Leasing and Capital Development, shall, instead of taking the action described in Subsection (2)(d)(i) or (ii), transfer the excess amount, as applicable, to:

744 (A) the Higher Education Capital Projects Fund, created in Section 53H-9-502; or

745 (B) the Technical Colleges Capital Projects Fund, created in Section 53H-9-605.

746 (3)

(a) The director shall hold in a separate project reserve state appropriated funds accrued through bid savings and project residual.

748 (b) The director shall account for the funds accrued under Subsection (3)(a) in separate accounts as follows:

750 (i) bid savings and project residual from a capital improvement project, as defined in Section 63A-5b-401; and

752 (ii) bid savings and project residual from a capital development project, as defined in Section 63A-5b-401.

754 (c) The director may use project reserve funds in the account described in Subsection (3)(b)(i) for a capital improvement project:

756 (i) approved under Section 63A-5b-405; and

HB0508S02 compared with HB0508S03

- 757 (ii) for which funds are not allocated.
- 758 (d) The director may:
- 759 (i) authorize the use of project reserve funds in the accounts described in Subsection (3)(b) for the
award of contracts in excess of a project's construction budget if the use is required to meet the
intent of the project;
- 762 (ii) transfer money from the account described in Subsection (3)(b)(i) to the account described in
Subsection (3)(b)(ii) if a capital development project has exceeded its construction budget; and
- 765 (iii) use project reserve funds for any emergency capital improvement project, whether or not the
emergency capital improvement project is related to a project that has exceeded its construction
budget.
- 768 (e) The director shall report to the Office of the Legislative Fiscal Analyst within 30 days:
- 770 (i) an expenditure under Subsection (3)(c); or
- 771 (ii) a transfer under Subsection (3)(d).
- 772 (f) The Legislature shall annually review the amount held in the project reserve for possible reallocation
by the Legislature to other building needs, including the cost of administering building projects.
- 775 (4) If any part of the appropriation for a building project, other than the part set aside for the Utah
Percent-for-Art Program under Title 9, Chapter 6, Part 4, Utah Percent-for-Art Act, remains
unencumbered after the award of construction and professional service contracts and establishing
a reserve for fixed and moveable equipment, the balance of the appropriation is dedicated to the
project reserve and does not revert to the General Fund.
- 780 (5)
- (a)
- (i) One percent of the amount appropriated for the construction of any new state building or facility
may be appropriated and set aside for the Utah Percent-for-Art Program administered by the
Division of Fine Arts under Title 9, Chapter 6, Part 4, Utah Percent-for-Art Act.
- 784 (ii) The total amount appropriated and set aside under Subsection (5)(a)(i) may not exceed:
- 786 (A) \$200,000, if the new state building or facility is not located in a county of the first class; and
- 788 (B) \$250,000, if the new state building or facility is located in a county of the first class.
- 790 (b) The director shall release to the Division of Fine Arts any funds included in an appropriation to the
division that are designated by the Legislature for the Utah Percent-for-Art Program.
- 793 (c) Funds from appropriations for a state building or facility may not be set aside:

HB0508S02 compared with HB0508S03

- 794 (i) if any part of the funds is derived from the issuance of bonds; and
795 (ii) to the extent the set aside of funds would jeopardize the federal income tax exemption otherwise
allowed for interest paid on bonds.
- 797 (6)
(a) After funds are appropriated for a non-dedicated project of an institution of higher education, {but
before construction begins,} the director may approve a modification to the design of the project
before final project closeout if:
(i) the modification is requested by the institution of higher education; and
843 (ii) the modification does not:
801 (ii){(A)} {the modification does not} result in a material reduction in the {scope} legislatively
approved program scope, capacity, performance standards, durability, intended useful life, or
intended use of the project{.} ; or
- 847 (B) eliminate or defer legislatively approved program elements, including through downsizing or
removal of project components.
- 803 (b) If a modification approved under Subsection (6)(a) results in a {reduction to the amount
appropriated for construction} documented reduction in the total project cost attributable to
efficiencies in design refinement, engineering optimization, procurement strategy, material
selection, scheduling, or construction methodology, the director shall distribute the resulting cost
savings as follows:
(i) an amount, as determined by the director, not to exceed 50% of the cost savings:
807 (A) for a degree-granting institution described in Subsection 53H-1-102(1)(a), to the institution's
allocation within the Higher Education Capital Projects Fund; or
810 (B) for a technical college described in Subsection 53H-1-102(1)(b), to the technical college for use on
a capital improvement project; and
812 (ii) the remaining amount to the state, to be deposited into the General Fund or the Income Tax Fund in
proportion to the amounts originally appropriated from each fund for the project.
- 815 (c) Cost savings allocated under Subsection (6)(b) are not bid savings , including bid savings that result
from competitive procurement, or project residual under Subsection (3).
- 865 Section 13. Section 63G-6a-1103 is amended to read:
866 **63G-6a-1103. Bonds or security necessary when contract is awarded -- Waiver -- Action --

HB0508S02 compared with HB0508S03

- 868 (1) ~~[When]~~ Except as provided in Subsection (5), if a construction contract is awarded under this
chapter, the contractor to whom the contract is awarded shall deliver the following bonds or security
to the procurement unit, which shall become binding on the parties upon the execution of the
contract:
- 872 (a) a performance bond satisfactory to the procurement unit that is in an amount equal to 100% of the
price specified in the contract and is executed by a surety company authorized to do business in the
state or any other form satisfactory to the procurement unit; and
- 876 (b) a payment bond satisfactory to the procurement unit that is in an amount equal to 100% of the price
specified in the contract and is executed by a surety company authorized to do business in the state
or any other form satisfactory to the procurement unit, which is for the protection of each person
supplying labor, service, equipment, or material for the performance of the work provided for in the
contract.
- 881 (2)
- (a) When a construction contract is awarded under this chapter, the procurement official responsible for
carrying out the construction project may not require a contractor to whom a contract is awarded
to obtain a bond of the types ~~[referred to]~~ described in Subsection (1) from a specific insurance or
surety company, producer, agent, or broker.
- 886 (b) A person who violates Subsection (2)(a) is guilty of an infraction.
- 887 (3) Rules of a rulemaking authority may provide for waiver of the requirement of a bid, performance, or
payment bond for circumstances in which the procurement official considers any or all of the bonds

HB0508S02 compared with HB0508S03

[5] (b) An action upon a payment bond may only be brought in a court of competent jurisdiction in a county where the construction contract was to be performed.

(c) The action is barred if not commenced within one year after the last day on which the claimant performed the labor or service or supplied the equipment or material on which the claim is based.

(d) The obligee named in the bond need not be joined as a party to the action.

[6] (e) In any suit upon a payment bond, the court shall award reasonable attorney fees to the prevailing party, which fees shall be taxed as costs in the action.

(5)

(a) As used in this Subsection (5), "division" means the Division of Facilities Construction and Management created in Section 63A-5b-301.

(b) The division is not required to obtain from a contractor a performance bond or payment bond for a construction contract administered by the division.

(c) Subject to Subsection (2), the division may require a performance bond, payment bond, or both for a construction contract administered by the division if the division determines that the bond is necessary to protect the division from financial loss or performance risk.

(6) Subsection (5)(b) does not affect the validity or enforceability of a performance bond or payment bond required under this section with respect to a construction contract executed before the effective date of this bill.
