- 3453 (A) a parking fee or hour restriction is not considered a permanent reduction of parking stalls on a block face; and
- 3455 (B) if a strategy that reduces on-street parking provides additional parking due to construction or access to a new parking structure, the proposed project is not considered a reduction in on-street parking if the aggregate availability of parking does not decrease.
- 3459 (iii) The city shall follow the requirements and guidelines of the agreement described in Subsection (1) (a) with regard to permanent parking reduction.
