19

WHEREAS, the Great Salt Lake is the largest lake in the {~~West~~} Western United States, the largest {~~saline lake in the~~} saline lake in the Western Hemisphere, and one of America's most important natural resources;

WHEREAS, the Great Salt Lake is a vital source of critical minerals for {~~American~~} U.S. industry,

national security, and energy;

WHEREAS, fertilizer extracted from the Great Salt Lake supports farmers across the country;

WHEREAS, brine shrimp from the Great Salt Lake support the production of 10 million metric tons of seafood annually;

WHEREAS, the Great Salt Lake {~~supports~~} sustains more than 10 million migratory birds {~~annually, as~~} that make well as the production of 10 million metric tons of seafood;

their way to every state in the nation and to every country in the Western Hemisphere;

WHEREAS, the federal and state government {~~has~~} have invested billions of dollars in {~~infrastructure near~~} infrastructure near the Great Salt Lake, including investments in the Hill Air Force Base, a {~~federal prison, federal~~} federal prison, federal buildings home to the federal judiciary and federal agencies, federal {~~interstates, highways, and~~} interstates, highways, and the Salt Lake City International Airport;

interstates, highways, the international airport, and other critical infrastructure;

WHEREAS, the Great Salt Lake has lost more than half of its area and water volume, with years of drought, population growth, and other increasing demands on the lake's tributaries threatening to drive the Great Salt Lake to {~~a new record low this year or next~~} record lows;

WHEREAS, the Great Salt Lake's decline, if not reversed, threatens the homes and businesses of millions of citizens along with trillions of dollars invested in {~~Utah's~~} the region's infrastructure;

WHEREAS, the dust blown off {~~one thousand square miles of the Great Salt Lake's~~} the dried lakebed may contribute to melting mountain snow

HCR009S01 compared with HCR009S02

~~{lakebed melts mountain snow}~~ and ~~{exposes}~~ may potentially expose Utahns and those in surrounding states to dangerous air pollutants;

dangerous air pollutants;

WHEREAS, ~~{while no saline lake has been restored once it has begun to decline,}~~ Utah ~~{is}~~ will represent the nation when hosting the 2034 Olympic and Paralympic

Games;

WHEREAS, Utah is determined to make the Great Salt Lake ~~{the first such}~~ a restoration success story;

WHEREAS, due to its resolve, Utah has undertaken significant efforts to conserve water, ~~{modernize water}~~

modernize water policy, invest in restoration initiatives, and increase inflows to the Great Salt ~~{Lake;}~~

Lake;

WHEREAS, Utah's ~~{philanthropy}~~ philanthropic and business leaders have pledged \$200 million of ~~{private}~~

private investment in the Great Salt Lake's restoration;

~~{investment in the Great Salt Lake's restoration}~~ WHEREAS, along with other water acquisitions, the Church of Jesus Christ of Latter-day

Saints is donating tens of thousands of acre-feet of water to the lake in perpetuity;

WHEREAS, with Utah hosting the 2034 Winter Olympic Games, Utah's efforts in restoring

WHEREAS, restoring the Great Salt Lake ~~{will be seen by}~~ may cost the ~~{world;}~~ state a significant investment of

state and federal dollars;

WHEREAS, ~~{despite Utah's efforts, experts estimate that saving}~~ the rescue of the Great Salt Lake will stimulate American innovation in

cost the state between \$2-\$10 billion;

technology, agriculture, and water infrastructure, benefiting the nation;

WHEREAS, there is strong precedent for federal-state partnerships and investment in

Western water projects, including Bureau of Reclamation projects and cost-sharing for major restoration projects ~~{in}~~ across the ~~{Colorado River Basin}~~ country, that provide an established model ~~{and}~~ for federal assistance

HCR009S01 compared with HCR009S02

~~{ authority for federal assistance }~~ in restoring the Great Salt Lake;

WHEREAS, on February 21, 2026, President Donald J. Trump publicly recognized the rescue of the Great Salt Lake as an urgent national priority and described the lake's decline as an environmental hazard that must be addressed immediately;

WHEREAS, President Trump expressed his willingness to support Utah in saving the lake and making the Great Salt Lake Great Again; and

WHEREAS, Utah ~~{ welcomes }~~ praises the President's recognition and assistance and stands ready

to

partner with the federal government and regional states to restore the Great Salt Lake ~~{ ; and }~~ :

WHEREAS, the rescue of the lake will stimulate American innovation in technology, agriculture, and water infrastructure, benefiting the country:

NOW, THEREFORE, BE IT RESOLVED that the Legislature of the state of Utah, the

Governor concurring therein, urges the President, Congress, and federal ~~{ agencies to provide }~~

executive branch

agencies to provide substantial and timely assistance dedicated to stabilizing and restoring the ~~{ Great Salt Lake. }~~

Great Salt Lake.

BE IT FURTHER RESOLVED that the Legislature asks the federal government to work with Utah to find a local solution that works for the people of Utah.

BE IT FURTHER RESOLVED that the Legislature requests the federal government to negotiate with Utah a federal-state memorandum of understanding with cost-sharing commitments and timelines, including a 2034 milestone, for the Great Salt Lake's recovery.

BE IT FURTHER RESOLVED that the Legislature emphasizes that federal assistance be structured to supplement, rather than supplant, the state's initiatives, prioritize voluntary and market-based solutions, respect state water law and local decision making, and focus on protecting jobs, property values, national security interests, public health, integrity of our wildlife, and critical federal investments in Utah.

BE IT FURTHER RESOLVED that the Legislature affirms Utah's commitment to partnership with President Trump and other federal leaders, along with leaders from Utah's local governments and Utah's business, philanthropy, and religious communities, to restore the

HCR009S01 compared with HCR009S02

Great Salt Lake ahead of the 2034 {~~Winter~~} Olympics and to preserve {~~it~~} the lake for future generations.

BE IT FURTHER RESOLVED that the Legislature encourages Utah's congressional delegation to pursue authorizing legislation and appropriations to implement the above, including expedited emergency funding and the acceptance and allocation of funds necessary to restore the Great Salt Lake.

BE IT FURTHER RESOLVED that a copy of this resolution be sent to the President of the United States, the Majority and Minority Leader of the United States Senate, the Speaker and Minority Leader of the United States House of Representatives, {~~and~~} the members of Utah's congressional delegation, and appropriate federal executive branch agencies.
