69 **53-2d-503 (Effective 01/01/27) (Repealed 07/01/27). Establishment of maximum**  
70 **rates.**

- 71 (1) As used in this section:

72 (a)(i) "Balance bill" means the practice of a health care provider billing an individual  
73 for the difference between the individual's billed charges and the amount the  
74 individual's health benefit plan allows for a covered service.

75 (ii) "Balance bill" does not include ~~[billing]~~:

76 (A) billing an uninsured individual for services provided;

77 (B) ~~[an individual for the difference of the amount allowed by a health benefit~~  
78 ~~plan for a billed service and the amount paid by the health benefit plan for the~~  
79 ~~billed service; and]~~ if an individual's health benefit plan or other health  
80 insurance does not allow the total of the base rate and the mileage rate as an  
81 allowable expense, billing the individual for the total of the following:

82 (I) the base rate plus the mileage rate; and

83 (II) subtracting the amount actually paid by the health benefit plan or other  
84 third party; and

85 (C) billing an individual for a service that was denied by the health benefit plan  
86 because the service was an uncovered service under the health benefit plan.

87 (b)(i) "Base rate" means the rate described in Subsection (5)(a) that a ground  
88 ambulance provider charges for:

89 (A) transporting an individual to a hospital or patient receiving facility;

90 (B) supplies used when transporting the individual;

91 (C) providing procedures during transport; ~~[and]~~

92 (D) administering medications during transport~~[-]~~ ; and

93 (E) the cost of medication.

94 (ii) "Base rate" includes an adjusted rate published by the bureau in rule in  
95 accordance with Subsection (2)(b).

96 ~~[(iii)]~~ (iii) "Base rate" does not include charges for~~[-]~~ mileage.

- 97                   ~~[(A) the cost of a medication; or]~~  
98                   ~~[(B) mileage.]~~
- 99       (c) "Medical care consumer price index" means the unadjusted 12-month medical  
100           services rate published each December by the United States Bureau of Labor  
101           Statistics to measure inflation.
- 102       ~~[(e) "Medication maximum cost" means a cost for a medication that equals the lower of~~  
103           ~~the:]~~
- 104           ~~[(i) national average drug acquisition cost; and]~~  
105           ~~[(ii) Utah maximum allowable cost established in the Utah Medicaid program.]~~
- 106       (2)(a) The bureau shall establish a maximum mileage rate for ground ambulance  
107           providers and paramedic providers that is just and reasonable.
- 108       (b) Beginning July 1, 2027, and in accordance with Title 63G, Chapter 3, Utah  
109           Administrative Rulemaking Act, on or before July 1 of each year, the bureau shall  
110           publish an adjusted base rate for each transport type described in Subsection (5)(a) in  
111           rule.
- 112       (c) The bureau shall adjust the base rate published under Subsection (2)(b) to be the total  
113           of the currently operative base rate multiplied by the medical care consumer price  
114           index.
- 115       (d) The bureau may not adjust the base rate more than once each calendar year.
- 116       (3) The committee may make recommendations to the bureau on the maximum mileage rate  
117           set under Subsection (2).
- 118       (4)(a) Ground ambulance providers and paramedic providers may not charge fees for  
119           transporting a patient when the provider does not transport the patient.
- 120       (b) The provisions of Subsection (4)(a) do not apply to ambulance providers or  
121           paramedic providers in a geographic service area which contains a town as defined in  
122           Subsection 10-2-301(2)(f).
- 123       (5)(a) ~~[The]~~ Subject to adjustments published in rule under Subsection (2)(b), the base
