130 Section 2. Section **53E-10-310** is amended to read:

131 **53E-10-310 (Effective 07/01/26). Utah first credential program.**

132 (1) As used in this section:

133 (a) "Eligible institution" means an institution of higher education as defined in Section
134 53H-1-101.

135 (b) "First credential" means a certificate awarded by the state board to an eligible student
136 who meets the criteria described in Subsection (7).

137 (c)(i) "Industry-recognized credential" means a credential that is:

138 (A) developed and offered by, or endorsed by, a nationally recognized industry
139 association or organization representing a sizable portion of the industry sector;

140 (B) sought or accepted by employers within the industry or sector as a recognized,
141 preferred, or required credential for recruitment, screening, hiring, retention, or
142 advancement purposes; and

143 (C) regularly reviewed, updated, and validated by the issuing body to ensure
144 ongoing alignment with industry standards and labor market needs.

145 (ii) "Industry-recognized credential" may also include a credential offered through a
146 catalyst center as described in Section 53E-3-507.1.

147 (d) "Master credential list" means the list of approved industry-recognized credentials
148 maintained by the state board in accordance with this section.

149 (e) "Program" means the first credential program described in this section.

150 (f) "Technical college" means the same as that term is defined in Section 53H-1-101.

151 (2) The commissioner of higher education, the state superintendent of public instruction,
152 and the governor's education advisor shall establish the First Credential Oversight
153 Committee comprised of:

154 (a) representatives from industries, including:

155 (i) members of professional associations or trade groups; and

156 (ii) employers from high-demand sectors as the state board determines in
157 collaboration with the Utah Board of Higher Education and the Department of
158 Workforce Services;

159 (b) representatives from education including:

160 (i) members from the state board;

161 (ii) the director of the Catalyst Center Grant Program described in Section
162 53E-3-507.1;

163 (iii) LEA administrators, such as a superintendent or charter school director;

164 (iv) professionals from institutions of higher education, including technical colleges;

165 (v) career and technical education specialists; and

166 (vi) Talent Ready Utah; and

167 (c) workforce development experts, including representatives from the Department of
168 Workforce Services.

169 (3) The state board shall staff the First Credential Oversight Committee.

170 (4) The First Credential Oversight Committee shall develop a first credential master plan,
171 which shall include:

172 (a) a framework for developing and maintaining the master credential list;

173 (b) a comprehensive needs assessment framework that evaluates:

174 (i) resources available through institutions of higher education, including:

175 (A) faculty expertise and availability;

176 (B) facilities and equipment;

177 (C) existing certification programs; and

178 (D) potential for program expansion;

179 (ii) industry partnership opportunities, including:

180 (A) geographical proximity to potential partners;

181 (B) willingness of local industries to participate;

182 (C) capacity for work-based learning placements; and

183 (D) alignment between industry needs and educational capabilities; and

184 (iii) general resource availability, including:

185 (A) current funding streams and potential funding sources;

186 (B) existing technology infrastructure;

187 (C) qualified personnel and staffing needs; and

188 (D) professional development requirements;

189 (c) credential approval processes;

190 (d) methods for ensuring industry demand alignment;

191 (e) wage considerations for occupations associated with approved credentials;

192 (f) clear definitions of industry-recognized credentials;

193 (g) strategies for promoting stackability and sequencing of credentials;

194 (h) approaches to ensure regional relevance of credentials;

195 (i) mechanisms for collaboration between educational institutions, industry partners, and
196 workforce development agencies;

197 (j) strategies for continuous evaluation and improvement of the program;

198 (k) the creation of a credentials review committee, including membership and duties;

199 (l) in accordance with Subsection (17), an established framework of planning,
200 implementation, and student outcome performance funding for an LEA administering

first credential programming;

(m) a weighted system for the master credential list that:

(i) assigns higher values to credentials based on:

(A) alignment with high-demand, high-wage occupations;

(B) incorporation of multiple learning pathways, including coursework, apprenticeships, internships, work-based learning, and related service opportunities;

(C) industry recognition and portability; and

(D) stackability with other credentials or degrees; and

(ii) uses the weighted values to:

(A) determine incentive funding levels;

(B) prioritize program expansion support; and

(C) guide student career planning; and

(n) guidelines for LEAs to procure industry-recognized certification program licenses,

including:

(i) verification that certifications appear on the master credential list;

(ii) requirement for competency-based assessments in proctored environments;

(iii) documentation of local industry endorsement; and

(iv) alignment with state and federal computer science initiatives where applicable,

including the Computer Science for Utah Grant Program described in Section

53H-13-306.

(5) In accordance with the Utah First Credential Master Plan, the state board shall:

(a) ensure that the credentials review committee membership reflects a balance of perspectives and expertise;

(b) develop an online application and submission system for credentialing organizations and providers to submit programs for inclusion in the master credential list;

(c) establish and maintain the master credential list based on the recommendations of the credentials review committee:

(d) develop clear mechanisms for students to understand how earning one credential can lead to higher-level certifications or degrees; and

(e) foster partnerships between high schools, technical colleges, employers, and apprenticeship programs to ensure students have access to meaningful work-

learning opportunity

235 (a) automatically include on the initial master credential list any existing credential that:
236 (i) meets the definition of industry-recognized credential under this section; and
237 (ii) is currently recognized by the state board or Utah Board of Higher Education as
238 of July 1, 2024; and
239 (b) review all automatically included credentials within one year to ensure ongoing
240 compliance with program requirements.

241 (7) The state board shall award a first credential certificate to an eligible student who
242 completes one of the following:

243 (a) concurrent enrollment courses, composed of:
244 (i) between 12 and 18 core general education credits, or as industry standards dictate,
245 with courses from different general education categories; or
246 (ii) a prescribed set of courses as the Utah Board of Higher Education designates;
247 (b) an industry-recognized credential included on the master credential list;
248 (c) 300 hours of completion through a youth apprenticeship program that:
249 (i) is described in Sections 35A-6-102 and 35A-6-104.5; and
250 (ii) includes courses that fulfill the requirements for an industry-recognized credential
251 included on the master credential list;
252 (d) completion of a technical college certificate; or
253 (e) completion of a Career and Technical Education Pathway program.

254 (8) The Utah Board of Higher Education shall ensure that credits earned for a first
255 credential certificate are:

256 (a) accepted and transferable to institutions of higher education, including technical
257 colleges;
258 (b) applicable towards relevant degree programs; and
259 (c) recognized by relevant industries as adequate preparation for employment.

260 (9) Subject to legislative appropriations, the Utah Board of Higher Education shall award a
261 first credential scholarship to each student who earns a first credential certificate.

262 (10) The first credential scholarship may be used at the following institutions:

263 (a) an institution of higher education as defined in Section 53H-1-101; or
264 (b) a private, nonprofit college or university in the state that is accredited by the
265 Northwest Commission on Colleges and Universities.

266 (11) The commissioner of higher education, in consultation with the Utah Board of Higher
267 Education, shall annually determine the first credential scholarship amount based on:

268 (a) the number of eligible students; and

269 (b) appropriations made by the Legislature.

270 (12) A student may use the first credential scholarship for:

271 (a) tuition and fees;

272 (b) books and supplies; or

273 (c) other educational expenses as the Utah Board of Higher Education determines.

274 (13) The Utah Board of Higher Education shall ensure the scholarship is valid for use
275 within three years from the date the student graduates from high school.

276 (14) A student may earn the first credential scholarship in addition to any other
277 state-sponsored scholarships for which the student may be eligible.

278 (15) The first credential oversight committee shall present the master plan described in
279 Subsection (4) to the Education Interim Committee by the November 2025 interim
280 committee meeting.

281 (16) Every three years, the First Credential Oversight Committee shall:

282 (a) review the Utah First Credential Master Plan;

283 (b) as needed, create a list of recommendations and update the Utah First Credential
284 Master Plan;

285 (c) report the list of recommendations and the updated Utah First Credential Master Plan
286 to:

287 (i) the state board;

288 (ii) the Utah Board of Higher Education;

289 (iii) the Department of Workforce Services;

290 (iv) the Education Interim Committee; and

291 (v) the Economic Development and Workforce Services Interim Committee.

292 (17)(a) The state board shall administer a first credential grant program for an LEA and
293 award a grant in accordance with the following process.

294 (b) The First Credential Oversight Committee shall establish:

295 (i) a needs assessment tool that evaluates:

296 (A) an LEA's current first credential offering;

297 (B) an LEA's capacity to develop or expand a first credential pathway;

298 (C) resources and support needed for a first credential program, including
299 resources available through institutions of higher education, industry
300 partnership opportunities, and general resource availability; and

301 (D) each potential barrier to implementation; and

302 (ii) a continuum of need to place each applying LEA.

303 (c) An LEA seeking a first credential grant shall submit to the First Credential Oversight
304 Committee:
305 (i) a completed needs assessment; and
306 (ii) a grant application that contains:
307 (A) current first credential data, including current credentials offered;
308 (B) preliminary goals for creating or expanding first credential opportunities
309 within the LEA; and
310 (C) if applicable, plans for procurement of industry certification program licenses,
311 including certification details and alignment with master credential list,
312 documentation of employer endorsements, assessment and proctoring
313 procedures, and integration with existing computer science programs.

314 (d) The First Credential Oversight Committee shall:
315 (i) review each submitted application and needs assessment;
316 (ii) assign the LEA a placement on the continuum of need; and
317 (iii) provide to the LEA a specific requirement for an implementation plan based on:
318 (A) the LEA's continuum placement;
319 (B) each identified area for growth;
320 (C) each available resource; and
321 (D) each additional factor the First Credential Oversight Committee determines
322 relevant.

323 (e) An LEA shall submit to the First Credential Oversight Committee an implementation
324 plan that includes:
325 (i) specific goals for expanding a first credential opportunity;
326 (ii) each implementation step and timeline;
327 (iii) a detailed cost projection; and
328 (iv) each additional element the committee requires based on the needs assessment
329 results.

330 (f) The First Credential Oversight Committee shall:
331 (i) review the implementation plan;
332 (ii) direct technical assistance to the LEA in accordance with the LEA's
333 implementation plan;
334 (iii) provide feedback to the LEA to improve the implementation plan;
335 (iv) approve each implementation plan that meets the established criteria; and
336 (v) award an implementation grant for each approved plan.

337 (g) Subject to legislative appropriations, the state board shall:

338 (i) award an incentive grant to an LEA that:

339 (A) has implemented an approved plan;

340 (B) increases the number of students who earn a first credential certificate; and

341 (C) achieves each established implementation goal; and

342 (ii) in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act,

343 and in collaboration with the First Credential Oversight Committee, establish by

344 rule:

345 (A) tiers for incentive grant awards;

346 (B) performance metrics for continued funding;

347 (C) reporting requirements for a grant recipient;

348 (D) requirements for reporting certification program outcomes and industry

349 alignment;

350 (E) procedures for coordinating with computer science initiative grants; and

351 (F) guidelines for certification program procurement and implementation.

352 (18) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, and in

353 collaboration with the Utah Board of Higher Education and the Department of

354 Workforce Services, the state board shall make rules to implement the provisions of this

355 section.

356 Section 3. Section **53H-1-402** is amended to read:

462 (i) the number and type of approved research projects under the program, categorized
463 by institution; and
464 (ii) highlights of the impact of the approved research projects.
465 Section 5. Section **53H-11-402** is amended to read:
466 **53H-11-402 (Effective 07/01/26). Opportunity Scholarship Program.**
467 (1) As used in this section:
468 (a) "Eligible institution" means:
469 (i) an institution; or
470 (ii) a private, nonprofit institution of higher education in the state.
471 (b) "Eligible student" means a student who:
472 (i) applies to the board in accordance with the rules described in Subsection (5);

- (ii) is enrolled in an eligible institution; and
- (iii) meets the criteria established by the board in rules described in Subsection (5).

(c) "Fee" means:

- (i) for an eligible institution that is a degree-granting institution, a fee approved by the board; or
- (ii) for an eligible institution that is a technical college or a degree-granting institution acting in the degree-granting institution's technical education role described in Section 53H-3-608, a fee approved by the eligible institution.

(d) "Program" means the Opportunity Scholarship Program described in this section.

(2)(a) Subject to legislative appropriations, the board shall annually distribute money for the Opportunity Scholarship Program described in this section to each eligible institution to award as Opportunity scholarships to eligible students.

(b) The commissioner, in consultation with the board, shall annually determine the amount of an Opportunity scholarship based on:

- (i) the number of eligible students in the state; and
- (ii) money available for the program.

(c) The board may not use more than 3% of the money appropriated to the program for administrative costs and overhead.

(3)(a) Except as provided in this Subsection (3), an eligible institution shall provide to an eligible student an Opportunity scholarship in the amount determined by the board described in Subsection (2)(b).

(b) For an Opportunity scholarship for which an eligible student applies on or before July 1, 2019, an eligible institution may reduce the amount of the Opportunity scholarship based on other state aid awarded to the eligible student for tuition and fees.

(c) For an Opportunity scholarship for which an eligible student applies after July 1, 2019:

- (i) an eligible institution shall reduce the amount of the Opportunity scholarship so that the total amount of state aid awarded to the eligible student, including tuition or fee waivers and the Opportunity scholarship, does not exceed the cost of the eligible student's tuition and fees; and
- (ii) the eligible student may only use the Opportunity scholarship for tuition and fees.

(d) An institution described in Subsection (1)(a)(ii) may not award an Opportunity scholarship to an eligible student in an amount that exceeds the average total cost of

tuition and fees among the eligible institutions described in Subsection (1)(a)(i).

(e) If the allocation for an eligible institution described in Subsection (1)(a)(ii) is insufficient to provide the amount described in Subsection (2)(b) to each eligible student, the eligible institution may reduce the amount of an Opportunity scholarship.

(4) The board may:

- (a) audit an eligible institution's administration of Opportunity scholarships;
- (b) require an eligible institution to repay to the board money distributed to the eligible institution under this section that is not provided to an eligible student as an Opportunity scholarship; and
- (c) require an eligible institution to enter into a written agreement with the board in which the eligible institution agrees to provide the board with access to information and data necessary for the purposes of the program.

(5) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the board shall make rules that establish:

- (a) requirements related to an eligible institution's administration of Opportunity scholarships;
- (b) a process for a student to apply to the board to determine the student's eligibility for an Opportunity scholarship;
- (c) criteria to determine a student's eligibility for an Opportunity scholarship, including:
 - (i) minimum secondary education academic performance standards; and
 - (ii) the completion of a Free Application for Federal Student Aid or a process approved by the board in lieu of the Free Application for Federal Student Aid;
- (d) a requirement for each eligible institution to annually report to the board on all Opportunity scholarships awarded by the eligible institution; and
- (e) a process for a student to apply to the board for an Opportunity scholarship who would have likely received the scholarship but for an irreconcilable error in the application process described in Subsection (5)(b).

(6) The board shall annually report on the program to the Higher Education Appropriations Subcommittee.

(7) The State Board of Education, a school district, or a public high school shall cooperate with the board and eligible institutions to facilitate the program, including by exchanging relevant data where allowed by law.

Section 6. Section **53H-11-403** is amended to read:

53H-11-403 (Effective 07/01/26). Karen Mayne Public Safety Officer Scholarship

541 **Program.**

542 (1) As used in this section:

543 (a) "Peace officer" means the same as that term is defined in Section 53H-11-306.

544 (b) "POST" means the Peace Officer Standards and Training Division created in Section

545 53-6-103.

546 (c) "Program" means the Karen Mayne Public Safety Officer Scholarship Program that

547 this section creates.

548 (2) This section creates the Karen Mayne Public Safety Officer Scholarship Program.

549 (3)(a) Subject to legislative appropriations, the board shall award a scholarship to a

550 qualified applicant who:

551 (i) is a high school graduate;

552 (ii) submits an application to the board with a copy of the student's high school

553 diploma;

554 (iii) when eligible, enrolls in a basic training course at a state certified academy as

555 defined in Section 53-6-202;

556 (iv) subject to Subsection (3)(b), is enrolled in a qualifying post-secondary program

557 from:

558 (A) an institution of higher education listed in Section 53H-1-102; or

559 (B) a private postsecondary educational institution; and

560 (v) commits to working as a peace officer for no less than five years after the day on

561 which POST certifies the scholarship recipient.

562 (b) For purposes of Subsection (3)(a)(iv), the board shall determine the programs that

563 qualify for a scholarship award, including criminal justice, police administration,

564 criminology, social sciences, and other disciplines.

565 (4)(a) The commissioner, in consultation with the board, shall determine the amount of a

566 scholarship award, ensuring that the amount does not exceed the combined cost of

567 tuition, fees, and required textbooks.

568 (b) A scholarship award described in Subsection (4)(a) is limited to:

569 (i) POST training and certification in accordance with Title 53, Chapter 6, Peace

570 Officer Standards and Training Act; and

571 (ii) a maximum of four academic years in a post-secondary program.

572 (5) The board shall design the scholarship program to ensure that participating institutions

573 combine state or federal loans or grants, internships, student employment, and family

574 and individual contributions toward financing the cost of attendance.

575 (6) A scholarship recipient shall:

576 (a) notify the board of the scholarship recipient's POST certification within 15 days after
577 the day on which POST certifies the scholarship recipient;

578 (b) submit verification of the scholarship recipient's employment to the board within 15
579 days after the day on which the scholarship recipient is employed as a peace officer,
580 including:

581 (i) the employer's name, address, and telephone number;

582 (ii) the date of the scholarship recipient's hiring; and

583 (iii) the scholarship recipient's job title; and

584 (c) notify the board within 15 days after the day on which the employer terminates the
585 scholarship recipient.

586 (7)(a) The board may require a scholarship recipient to repay the full amount of the
587 scholarship award that the scholarship recipient received under the program,
588 including money paid for tuition, fees, and required textbooks, if the scholarship
589 recipient fails to:

590 (i) meet the requirements for POST certification as described in Title 53, Chapter 6,
591 Part 2, Peace Officer Training and Certification Act;

592 (ii) work as a peace officer for five years after the day on which POST certifies the
593 scholarship recipient; or

594 (iii) subject to Subsection (3), earn a degree in a post-secondary program.

595 (b) Notwithstanding Subsection (7)(a), a scholarship recipient is not required to repay
596 any amount of the scholarship award if the scholarship recipient:

597 (i) is unable to secure employment as a peace officer within 12 months after the day
598 on which the scholarship recipient is POST certified; and

599 (ii) provides documentation from a prospective employer that the scholarship
600 recipient was not extended an offer of employment.

601 (8) The board may use up to 2% of the money appropriated for the scholarship program for
602 administrative costs.

603 (9)(a) The board shall make rules, in accordance with Title 63G, Chapter 3, Utah
604 Administrative Rulemaking Act, to:

605 (i) set deadlines for receiving scholarship applications and supporting documentation;

606 (ii) establish an application process and appeal process for the program;

607 (iii) establish policies and procedures for cancellation or repayment of scholarship
608 awards if the scholarship recipient fails to meet the requirements under this

609 section;

610 (iv) collaborate with POST and other law enforcement and correction agencies to
611 provide high school students information on law enforcement careers; and
612 (v) notify POST when a student receives a scholarship under the program.

613 (b) The board shall include a disclosure on all applications and materials related to the
614 program that the amount of the awarded scholarship may be subject to funding
615 availability or reduction in accordance with Subsection (10).

616 (10) If an appropriation under this section is insufficient to cover the costs associated with
617 the program, the board may:

618 (a) reduce the amount of a scholarship award; and
619 (b) distribute scholarship awards on a pro rata basis to all eligible applicants who
620 submitted a complete application before the application deadline.
