ENACTS:

19

**53F-2-402.5**, Utah Code Annotated 1953

20

---

*Be it enacted by the Legislature of the state of Utah:*

21

Section 1. Section **53F-2-402.5** is enacted to read:

22

**53F-2-402.5 . Rural school district transportation grants.**

23

(1) **As used in this section:**

24

(a) **"Eligible school"** means a public school within a school district;

- (i) located in a county of the fourth, fifth, or sixth class, as defined in Section 17-50-501; or
- (ii) with fewer than 3,000 students enrolled in the school district.

(b) "Extended trip" means a school bus trip to a school-sponsored event, including an athletic competition, academic competition, or club activity, that requires a student in grades 7 through 12 to travel more than 60 minutes one-way.

(c) "Rural school district" means a school district that operates one or more eligible schools.

2) Subject to legislative appropriations, the state board shall distribute grant money to rural school districts to install and operate internet connectivity systems on school buses used for extended trips.

3) A rural school district may apply to the state board for a grant under this section.

4) The state board may award a grant to a rural school district that:

- (a) operates one or more school bus routes that qualify as extended trips under Subsection (1)(b);
- (b) submits an application in accordance with state board rule; and
- (c) agrees to the requirements in Subsection (7).

5) In awarding grants under this section, the state board shall give preference to rural school districts that do not currently have internet connectivity systems on school buses used for extended trips.

6) Notwithstanding Subsection (5):

- (a) subject to legislative appropriations, the state board shall ensure each eligible rural school district receives funding for at least two school buses; and
- (b) the state board may not award a grant to a district in an amount that exceeds the total cost to:
  - (i) retrofit two school buses with internet connectivity systems; and
  - (ii) pay for internet connectivity services for two school buses for one year.

7) A rural school district that receives a grant under this section shall:

- (a) use grant money to:
  - (i) retrofit school buses with internet connectivity systems; and
  - (ii) provide internet access through a terrestrial wireless provider or a satellite internet service provider;
- (b) assume responsibility for the cost of internet connectivity services after the grant money for services described in Subsection (7)(a)(ii) is expended;

65 (c) maintain internet connectivity systems and services on the retrofitted school buses  
66 for at least three years after receiving the grant;  
67 (d) where applicable, coordinate with the Utah Education and Telehealth Network in the  
68 implementation and operation of internet connectivity systems;  
69 (e) ensure that internet connectivity provided on school buses under this section  
70 complies with the same content filtering and internet safety policies that apply to  
71 internet access in the district's school buildings; and  
72 (f) comply with reporting requirements established by the state board in rule under  
73 Subsection (10).

74 (8) A rural school district may:

75 (a) use grant money awarded under this section in combination with the district's own  
76 funds to:  
77 (i) retrofit more than two school buses with internet connectivity systems; or  
78 (ii) pay for more than one year of internet connectivity services for school buses; and  
79 (b) if the cost of internet connectivity systems and services is less than the grant award  
80 amount, use remaining grant funds to:  
81 (i) retrofit additional school buses with internet connectivity systems;  
82 (ii) pay for additional years of internet connectivity services; or  
83 (iii) retrofit school buses other than those used for extended trips, after at least two  
84 school buses used for extended trips have been retrofitted.

85 (9) If a grant recipient fails to maintain internet connectivity systems and services for the  
86 three-year period required under Subsection (7)(c), the state board may require the  
87 district to repay all or a portion of the grant money.

88 (10) The state board shall make rules in accordance with Title 63G, Chapter 3, Utah  
89 Administrative Rulemaking Act, to implement this section, including rules that establish:  
90 (a) the grant application process and timeline;  
91 (b) required elements of a grant application;  
92 (c) a methodology for determining:  
93 (i) the total cost to retrofit two school buses with internet connectivity systems; and  
94 (ii) the annual cost for internet connectivity services for two school buses for one  
95 year for purposes of the cap described in Subsection (6)(b); and  
96 (d) reporting requirements for grant recipients.

97 **Section 2. FY 2027 Appropriations.**

98 The following sums of money are appropriated for the fiscal year beginning July 1,

99 2026, and ending June 30, 2027. These are additions to amounts previously appropriated for  
100 fiscal year 2027.

## **Subsection 2(a). Operating and Capital Budgets**
