47 *Be it enacted by the Legislature of the state of Utah:*

48 Section 1. Section **63B-34-101** is amended to read:

49 **63B-34-101 . Transportation bonds -- Maximum amount -- Use for**
50 **transportation projects related to affordable housing initiatives.**

51 (1)(a) Subject to the restriction in Subsection (1)(c), the total amount of bonds issued
52 under this section may not exceed [~~\$70,000,000~~] \$140,000,000.

53 (b) When the Department of Transportation certifies to the commission the amount of
54 bond proceeds that the commission needs to provide funding for the projects
55 described in Subsection (2), the commission may issue and sell general obligation
56 bonds in an amount equal to the certified amount plus costs of issuance.

57 (c) The commission may not issue general obligation bonds authorized under this
58 section if the issuance for general obligation bonds would result in the total current
59 outstanding general obligation debt of the state exceeding 50% of the limitation
60 described in Utah Constitution, Article XIV, Section 1.

61 (2)(a) Proceeds from the bonds issued under this section shall be provided to the
62 Department of Transportation through the Transportation Investment Fund of 2005

- 63 created in Section 72-2-124 to pay for or to provide funds to public entities for costs
 64 related to affordable housing initiatives as described in Subsection (2)(b).
- 65 (b) Bond proceeds described under Subsection (2)(a) shall be used to pay for
 66 infrastructure to assist in affordable housing related grants and allocated as described
 67 in Title 72, Chapter 2, Part 5, Affordable Housing Infrastructure Grants.
- 68 (c) The costs under this Subsection (2) may include the costs of acquiring land, interests
 69 in land, easements and rights-of-way, the costs of improving sites, making all
 70 improvements necessary, incidental, or convenient to the facilities, and the costs of
 71 interest estimated to accrue on these bonds during the period to be covered by
 72 construction of the projects plus a period of six months after the end of the
 73 construction period, interest estimated to accrue on any bond anticipation notes
 74 issued under the authority of this title, and all related engineering, architectural, and
 75 legal fees.
- 76 (3) The executive director of the Department of Transportation may allocate bond proceeds
 77 under this section as provided in Title 72, Chapter 2, Part 5, Affordable Housing
 78 Infrastructure Grants.

79 Section 2. Section **63N-3-1801** is enacted to read:

192 Subdivisions Interim Committee that includes:
- 193 (a) information regarding the activities of the board;
194 (b) the number and types of infrastructure loans made;
195 (c) a list of qualifying political subdivisions that received an infrastructure loan;
196 (d) the number of constructed housing units that each infrastructure loan facilitated; and
197 (e) any recommendations for legislation.
- 198 (3) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the

199 board may make rules governing:

200 (a) management of the fund; and

201 (b) infrastructure loan application requirements and eligibility review criteria.

202 Section 6. Section **63N-3-1805** is enacted to read:

203 **63N-3-1805 . Infrastructure loans to qualifying political subdivisions --**

204 **Application -- Loan requirements.**

205 (1) A qualifying political subdivision may receive an infrastructure loan under this part to
206 finance a system improvement that will facilitate the construction of a housing
207 development.

208 (2) To receive an infrastructure loan, a qualifying political subdivision shall submit an
209 application to the board that:

210 (a) demonstrates:

211 (i) the qualifying political subdivision has approved or will approve a housing
212 development;

213 (ii) the infrastructure loan will accelerate the completion of the housing development;

214 (iii) the builder or developer of the housing development has agreed to, or will agree
215 to, a specific timeline to complete the housing development if the board approves
216 the infrastructure loan;

217 (iv) the qualifying political subdivision will provide matching funds for the system
218 improvement in an amount determined by the board;

219 (v) the qualifying political subdivision has a primary revenue source for repaying the
220 infrastructure loan; and

221 (vi) if the qualifying political subdivision is a municipality or county, the qualifying
222 political subdivision has adopted a moderate income housing plan that complies
223 with Section 10-21-202 or 17-80-202;

224 (b) identifies the qualifying political subdivision's current bonding capacity; and

225 (c) includes any other information the board requires.

226 (3) In considering an application for an infrastructure loan, the board shall:

227 (a) give preference to a housing development that includes, as a substantial component,
228 the construction of detached single-family owner-occupied starter homes; and

229 (b) consider criteria including:

230 (i) the number of housing units that may be built compared to the requested
231 infrastructure loan amount;

232 (ii) geographic diversity, including whether the applicant is urban or rural;

- 233 (iii) the inclusion of affordable housing in the housing development;
234 (iv) the inclusion of for-sale owner-occupied housing units in the housing
235 development;
236 (v) the likelihood that the housing development will be completed in accordance with
237 the timeline described in Subsection (2)(a)(iii);
238 (vi) the amount of matching funds the qualifying political subdivision will provide
239 for the system improvement;
240 (vii) other available sources of funding that may be used to construct the system
241 improvement; and
242 (viii) existing public facilities and services nearby the housing development.
- 243 (4) The board shall ensure that each infrastructure loan:
- 244 (a) is secured by any combination of revenue sources for the loan recipient, whether the
245 revenue is actualized or anticipated, and which may include revenue the loan
246 recipient receives from:
- 247 (i) the imposition of property taxes;
248 (ii) the collection of impact fees;
249 (iii) the issuance of bonds; or
250 (iv) any other revenue source the board determines to be sufficient for securing the
251 infrastructure loan;
- 252 (b) has a term that does not exceed 20 years, except as provided in Subsection (5)(b)(ii);
- 253 (c) charges interest:
- 254 (i) to a presumed repayment date established by the board, regardless of the actual
255 repayment date; and
- 256 (ii) at a rate that is within 1.5% of the federal funds rate target:
- 257 (A) established by the Federal Open Market Committee; and
258 (B) in effect on January 1 of the year in which the loan is made; and
- 259 (d) specifies the terms and revenue sources for the loan recipient's repayment of the loan.
- 260 (5)(a) The board may make one infrastructure loan to the Point of the Mountain State
261 Land Authority created in Section 11-59-201.
- 262 (b) The infrastructure loan described in Subsection (5)(a) may not exceed:
- 263 (i) an amount of \$18,000,000; and
264 (ii) a term of three years.
- 265 (6) In making infrastructure loans, the board may:
- 266 (a) restructure all or part of a loan recipient's liability to repay an infrastructure loan for

267 extenuating circumstances, subject to the requirements of Subsections (4) and (5); and
268 (b) condition approval of an infrastructure loan on whatever assurances the board
269 considers necessary to ensure that loan proceeds are used in accordance with this part.

270 Section 7. Section **72-2-121** is amended to read:

271 **72-2-121 . County of the First Class Highway Projects Fund.**

- 272 (1) There is created a special revenue fund within the Transportation Fund known as the
273 "County of the First Class Highway Projects Fund."
274 (2) The fund consists of money generated from the following revenue sources:
275 (a) any voluntary contributions received for new construction, major renovations, and
276 improvements to highways within a county of the first class;
277 (b) the portion of the sales and use tax described in Subsection 59-12-2214(3)(b)
278 deposited into or transferred to the fund;
279 (c) the portion of the sales and use tax described in Section 59-12-2217 deposited into or
280 transferred to the fund;
281 (d) a portion of the local option highway construction and transportation corridor
282 preservation fee imposed in a county of the first class under Section 41-1a-1222
283 deposited into or transferred to the fund; and
284 (e) the portion of the sales and use tax transferred into the fund as described in
285 Subsections 59-12-2220(4)(a) and 59-12-2220(11)(b).
286 (3)(a) The fund shall earn interest.
287 (b) All interest earned on fund money shall be deposited into the fund.
288 (4) Subject to Subsection (11), the executive director shall use the fund money only:
289 (a) to pay debt service and bond issuance costs for bonds issued under Sections
290 63B-16-102, 63B-18-402, and 63B-27-102;
291 (b) for right-of-way acquisition, new construction, major renovations, and improvements
292 to highways within a county of the first class and to pay any debt service and bond
293 issuance costs related to those projects, including improvements to a highway located
294 within a municipality in a county of the first class where the municipality is located
295 within the boundaries of more than a single county;
296 (c) for the construction, acquisition, use, maintenance, or operation of:
297 (i) an active transportation facility for nonmotorized vehicles;
298 (ii) multimodal transportation that connects an origin with a destination; or
299 (iii) a facility that may include a:
300 (A) pedestrian or nonmotorized vehicle trail;

- 301 (B) nonmotorized vehicle storage facility;
- 302 (C) pedestrian or vehicle bridge; or
- 303 (D) vehicle parking lot or parking structure;
- 304 (d) to transfer to the 2010 Salt Lake County Revenue Bond Sinking Fund created by
- 305 Section 72-2-121.3 the amount required in Subsection 72-2-121.3(4)(c) minus the
- 306 amounts transferred in accordance with Subsection 72-2-124(4)(a)(v);
- 307 (e) for a fiscal year beginning on or after July 1, 2013, to pay debt service and bond
- 308 issuance costs for \$30,000,000 of the bonds issued under Section 63B-18-401 for the
- 309 projects described in Subsection 63B-18-401(4)(a);
- 310 (f) for a fiscal year beginning on or after July 1, 2013, and after the department has
- 311 verified that the amount required under Subsection 72-2-121.3(4)(c) is available in
- 312 the fund, to transfer an amount equal to 50% of the revenue generated by the local
- 313 option highway construction and transportation corridor preservation fee imposed
- 314 under Section 41-1a-1222 in a county of the first class:
- 315 (i) to the legislative body of a county of the first class; and
- 316 (ii) to be used by a county of the first class for:
- 317 (A) highway construction, reconstruction, or maintenance projects; or
- 318 (B) the enforcement of state motor vehicle and traffic laws;
- 319 (g) for a fiscal year beginning on or after July 1, 2015, after the department has verified
- 320 that the amount required under Subsection 72-2-121.3(4)(c) is available in the fund
- 321 and the transfer under Subsection (4)(e) has been made, to annually transfer an
- 322 amount of the sales and use tax revenue imposed in a county of the first class and
- 323 deposited into the fund in accordance with Subsection 59-12-2214(3)(b) equal to an
- 324 amount needed to cover the debt to:
- 325 (i) the appropriate debt service or sinking fund for the repayment of bonds issued
- 326 under Section 63B-27-102; and
- 327 (ii) the appropriate debt service or sinking fund for the repayment of bonds issued
- 328 under Sections 63B-31-102 and 63B-31-103;
- 329 (h) after the department has verified that the amount required under Subsection
- 330 72-2-121.3(4)(c) is available in the fund and after the transfer under Subsection (4)(d),
- 331 the payment under Subsection (4)(e), and the transfer under Subsection (4)(g)(i) has
- 332 been made, to annually transfer \$2,000,000 to a public transit district in a county of
- 333 the first class to fund a system for public transit;
- 334 (i) for a fiscal year beginning on or after July 1, 2018, after the department has verified

- 335 that the amount required under Subsection 72-2-121.3(4)(c) is available in the fund
336 and after the transfer under Subsection (4)(d), the payment under Subsection (4)(e),
337 and the transfer under Subsection (4)(g)(i) has been made, through fiscal year 2027,
338 to annually transfer 20%, and beginning with fiscal year 2028, and each year
339 thereafter for 20 years, to annually transfer 33% of the amount deposited into the
340 fund under Subsection (2)(b) to the legislative body of a county of the first class for
341 the following purposes:
- 342 (i) to fund parking facilities in a county of the first class that facilitate significant
343 economic development and recreation and tourism within the state; and
 - 344 (ii) to be used for purposes allowed in Section 17-78-702;
- 345 (j) subject to Subsection (5), for a fiscal year beginning on or after July 1, 2021, and for
346 15 years thereafter, to annually transfer the following amounts to the following cities
347 and the county of the first class for priority projects to mitigate congestion and
348 improve transportation safety:

- 411 (l) for a fiscal year beginning on or after July 1, 2026, and for 15 years thereafter, to pay
412 debt service and bond issuance costs for [~~\$70,000,000~~] \$140,000,000 of the bonds
413 issued under Section 63B-34-201 for the grants awarded under Part 5, Affordable
414 Housing Infrastructure Grants.
- 415 (5)(a) If revenue in the fund is insufficient to satisfy all of the transfers described in
416 Subsection (4)(j), the executive director shall proportionately reduce the amounts
417 transferred as described in Subsection (4)(j).
- 418 (b) A local government may not use revenue described in Subsection (4)(j) to supplant
419 existing class B or class C road funds that a local government has budgeted for
420 transportation projects.
- 421 (6) The revenues described in Subsections (2)(b), (c), and (d) that are deposited into the
422 fund and bond proceeds from bonds issued under Sections 63B-16-102, 63B-18-402,
423 and 63B-27-102 are considered a local matching contribution for the purposes described
424 under Section 72-2-123.
- 425 (7) The department may expend up to \$3,000,000 of revenue deposited into the account as
426 described in Subsection 59-12-2220(11)(b) for public transit innovation grants, as
427 provided in Part 4, Public Transit Innovation Grants.
- 428 (8) The additional administrative costs of the department to administer this fund shall be
429 paid from money in the fund.
- 430 (9) Subject to Subsection (11), and notwithstanding any statutory or other restrictions on
431 the use or expenditure of the revenue sources deposited into this fund, the Department of
432 Transportation may use the money in this fund for any of the purposes detailed in
433 Subsection (4).
- 434 (10) Subject to Subsection (11), any revenue deposited into the fund as described in
435 Subsection (2)(e) shall be used to provide funding or loans for public transit projects,
436 operations, and supporting infrastructure in the county of the first class.

437 (11) For the first three years after a county of the first class imposes a sales and use tax
 438 authorized in Section 59-12-2220, revenue deposited into the fund as described in
 439 Subsection (2)(e) shall be allocated as follows:

- 440 (a) 10% to the department to construct an express bus facility on 5600 West; and
 441 (b) 90% into the County of the First Class Infrastructure Bank Fund created in Section
 442 72-2-302.

443 Section 8. Section **72-2-501** is amended to read:

444 **72-2-501 . Definitions.**

445 As used in this part:

446 (1) "Affordable housing unit" means a dwelling that:

- 447 (a) is offered for rent at a rental price affordable to a household with a gross income of
 448 no more than 80% of the area median income for the county in which the residential
 449 unit is offered for rent; or
 450 (b) is offered for sale to an owner-occupier at a purchase price affordable to a household
 451 with a gross income of no more than 120% of the area median income for the county
 452 in which the residential unit is offered for sale and is deed restricted for no fewer than
 453 five years.

454 (2) "Board" means the [~~affordable housing infrastructure grant board~~] State Housing
 455 Infrastructure Partnership Board created in Section [~~72-2-503~~] 63N-3-1803.

456 (3) "Grant" means a grant issued to a public entity in a county of the first class as provided
 457 in this part.

458 Section 9. Section **72-2-503** is amended to read:

459 **72-2-503 . Affordable housing infrastructure grant administration.**

460 [~~(1) There is created the affordable housing infrastructure grant board consisting of the~~
 461 ~~following members:]~~

- 462 [~~(a) the executive director of the department, or the executive director's designee;]~~
 463 [~~(b) the executive director of the Governor's Office of Economic Opportunity appointed~~
 464 ~~under Section 63N-1a-302, or the executive director's designee; and]~~
 465 [~~(c) an employee of the governor's office that is an expert or advisor on housing strategy,~~
 466 ~~appointed by the governor.]~~

467 [(2)] (1)(a) The Governor's Office of Economic Opportunity shall provide staff support
 468 for the board and the grant program.

469 (b) The Governor's Office of Economic Opportunity may use and the department shall
 470 transfer grant funds for the costs of the Governor's Office of Economic Opportunity

- 471 to administer the grant program under this part.
- 472 (c) The Governor's Office of Economic Opportunity and the department shall enter into
 473 a memorandum of understanding to facilitate the calculation and transfer of funds for
 474 the administrative costs described in Subsection [~~(2)(b)~~] (1)(b).
- 475 [~~(3)~~] (2) The Governor's Office of Economic Opportunity, in consultation with the board,
 476 shall develop a process for the prioritization of grant proposals that includes:
- 477 (a) instructions on making and submitting a grant proposal;
 478 (b) methodology for selecting grants; and
 479 (c) methodology for awarding grants.
- 480 [~~(4)~~] (3) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the
 481 Governor's Office of Economic Opportunity shall make rules to establish the process
 482 described in Subsection [~~(3)~~] (2) and as otherwise necessary to implement this part.
- 483 [~~(5)~~] (4) The board shall:
- 484 (a) accept grant applications;
 485 (b) rank grant proposals; and
 486 (c) award grants in accordance with this part.
- 487 [~~(6)~~] (5) A grant applicant shall ensure that each grant proposal includes:
- 488 (a) information about the proposed project, including the projected number of affordable
 489 housing units, which may not be less than 50 units of affordable housing;
 490 (b) the projected time line of the proposed project;
 491 (c) data and information regarding the proposed types of affordable housing; and
 492 (d) information about the public infrastructure and other improvements needed.
- 493 [~~(7)~~] (6)(a) In considering a grant proposal, the board shall:
- 494 (i) give priority to a project that includes, as a substantial component, the
 495 construction of detached single-family owner-occupied starter homes; and
 496 (ii) consider criteria including:
- 497 [(i)] (A) the value and number of housing units the project will produce;
 498 [(ii)] (B) the value of any matching contribution from the grant applicant,
 499 including information about how the public entity determined the value of the
 500 matching assets; and
 501 [(iii)] (C) any other criteria the board determines relevant.
- 502 (b) For a grant proposal including highway infrastructure, the board may not award a
 503 grant unless the grant applicant provides a minimum matching contribution of the
 504 right-of-way needed for the highway improvements.

505 (c) If a grant proposal includes highway infrastructure, the board shall give priority to
 506 the construction of public highways that are highways of regional significance that
 507 connect to other highways or points of regional significance.

508 ~~[(8)]~~ (7)(a) Subject to available funding, and subject to Subsection ~~[(8)(b)]~~ (7)(b), the
 509 board may award a grant to a recipient that the board determines advisable.

510 (b) For every \$20,000 of grant funding awarded to a recipient, the infrastructure shall
 511 support at least one unit of affordable housing.

512 (c) The board may not award a grant to a recipient if the board determines that the
 513 recipient will not be able to satisfy the requirement under Subsection ~~[(8)(b)]~~ (7)(b).

514 ~~[(9)]~~ (8) If the board approves the award of a grant as provided in this part, the department
 515 shall transfer the money to the grant recipient in accordance with Subsection ~~[(10)]~~ (9).

516 ~~[(10)]~~ (9)(a) Before the department may provide grant money to a public entity for a
 517 project related to a grant awarded by the board, the public entity shall provide a
 518 detailed cost estimate of costs to complete the planning and design of the project.

519 (b) If the executive director approves the cost estimate described in Subsection ~~[(10)(a)]~~
 520 (9)(a), the department may provide to the public entity grant money reasonably
 521 necessary to complete the planning and design of the project.

522 (c) After completion of the planning and design of a project related to a grant awarded
 523 by the board, the public entity shall provide to the department a detailed estimate of
 524 the costs to construct and complete the project described in Subsection ~~[(10)(b)]~~ (9)(b).

525 (d) If the executive director approves the cost estimates described in Subsection ~~[(10)(e)]~~
 526 (9)(c), the department may provide grant money to a public entity to construct and
 527 complete the project described in Subsection ~~[(10)(b)]~~ (9)(b).

528 Section 10. **FY 2027 Appropriations.**

529 The following sums of money are appropriated for the fiscal year beginning July 1,
 530 2026, and ending June 30, 2027. These are additions to amounts previously appropriated for
