- 784 (ii) a written statement by the applicant that:

- 800 in a temporary emergency facility, as described in Section 26B-5-334, to be detained for
- 801 the purpose of examination if:
- 802 (a) the court finds from the application, any other statements under oath, or any reports

- 853 (10)(a) The designated examiners shall conduct the examinations separately.
- 854 (b) The designated examiners shall conduct the examinations:
- 855 (i) through telehealth unless the designated examiner determines that:
- 856 (A) a telehealth examination would not be sufficient to properly assess the
- 857 proposed patient;
- 858 (B) a telehealth examination would have a harmful effect on the proposed patient's
- 859 health; or
- 860 (C) an in-person examination can be conducted as effectively, conveniently, and
- 861 timely as an examination through telehealth; and
- 862 (ii) if the designated examiner determines, [~~pursuant to~~] in accordance with Subs

- 864 of the proposed patient, at a hospital or other medical facility, or at any other
- 865 suitable place that is not likely to have a harmful effect on the proposed patient's
- 866 health.
- 867 (c) The designated examiners shall inform the proposed patient, if not represented by an
- 868 attorney:
- 869 (i) that the proposed patient does not have to say anything;
- 870 (ii) of the nature and reasons for the examination;
- 871 (iii) that the examination was ordered by the court;
- 872 (iv) that any information volunteered could form part of the basis for the proposed
- 873 patient's involuntary commitment;
- 874 (v) that findings resulting from the examination will be made available to the court;
- 875 and
- 876 (vi) that the designated examiner may, under court order, obtain the proposed
- 877 patient's mental health records.
- 878 (d) Within 24 hours of examining the proposed patient, a designated examiner shall

- 879 report to the court, orally or in writing, whether the proposed patient is mentally ill,  
880 has agreed to voluntary commitment, as described in Section 26B-5-360, or has  
881 acceptable programs available to the proposed patient without court proceedings.
- 882 (e) If a designated examiner reports orally under Subsection (10)(d), the designated  
883 examiner shall immediately send a written report to the clerk of the court.
- 884 (11) If a designated examiner is unable to complete an examination on the first attempt  
885 because the proposed patient refuses to submit to the examination, the court shall fix a  
886 reasonable compensation to be paid to the examiner.
- 887 (12) If the local mental health authority, the local mental health authority's designee, or a  
888 medical examiner determines before the court hearing that the conditions justifying the  
889 findings leading to a commitment hearing no longer exist, the local mental health  
890 authority, the local mental health authority's designee, or the medical examiner shall  
891 immediately report the determination to the court.
- 892 (13)(a) The court shall terminate the proceedings and dismiss the application before the  
893 hearing if both designated examiners inform the court that the proposed patient does  
894 not meet the criteria in Subsection (16).
- 895 (b) The court may terminate the proceedings and dismiss the application at any time,  
896 including before the hearing, if the designated examiners or the local mental health  
897 authority or the local mental health authority's designee informs the court that the  
898 proposed patient:
- 899 (i) has agreed to voluntary commitment, as described in Section 26B-5-360;  
900 (ii) has acceptable options for treatment programs that are available without court  
901 proceedings; or  
902 (iii) meets the criteria for assisted outpatient treatment described in Section  
903 26B-5-351.
- 904 (14)(a) Before the hearing, the court shall provide the proposed patient an opportunity to  
905 be represented by counsel, and if neither the proposed patient nor others provide  
906 counsel, the court shall appoint counsel and allow counsel sufficient time to consult  
907 with the proposed patient before the hearing.
- 908 (b) In the case of an indigent proposed patient, the county in which the proposed patient  
909 resides or is found shall make payment of reasonable attorney fees for counsel, as  
910 determined by the court.
- 911 (15)(a)(i) The court shall afford the proposed patient, the applicant, and any other  
912 person to whom notice is required to be given an opportunity to appear at the

- 913 hearing, to testify, and to present and cross-examine witnesses.
- 914 (ii) The court may, in the court's discretion, receive the testimony of any other person.
- 915 (iii) The court may allow a waiver of the proposed patient's right to appear for good  
916 cause, which cause shall be set forth in the record, or an informed waiver by the  
917 patient, which shall be included in the record.
- 918 (b) The court is authorized to exclude any person not necessary for the conduct of the  
919 proceedings and may, upon motion of counsel, require the testimony of each  
920 designated examiner to be given out of the presence of any other designated  
921 examiners.
- 922 (c) The court shall:
- 923 (i) conduct the hearing in as informal a manner as may be consistent with orderly  
924 procedure; and
- 925 (ii) while preserving the due process rights of the proposed patient:
- 926 (A) conduct the hearing remotely, in accordance with Utah Rules of Civil  
927 Procedure, Rule 87, unless the court finds good cause under Rule 87 not to  
928 conduct the hearing remotely; or
- 929 (B) if the court finds good cause under Rule 87 not to conduct the hearing  
930 remotely, conduct the hearing in a physical setting that is not likely to have a  
931 harmful effect on the mental health of the proposed patient.
- 932 (d) The court shall consider any relevant historical and material information that is  
933 offered, subject to the rules of evidence, including reliable hearsay under Utah Rules  
934 of Evidence, Rule 1102.
- 935 (e)(i) A local mental health authority or the local mental health authority's designee  
936 or the physician in charge of the proposed patient's care shall, at the time of the  
937 hearing, provide the court with the following information:
- 938 (A) the detention order;
- 939 (B) admission notes;
- 940 (C) the diagnosis;
- 941 (D) any doctors' orders;
- 942 (E) progress notes;
- 943 (F) nursing notes;
- 944 (G) medication records pertaining to the current commitment; and
- 945 (H) whether the proposed patient has previously been civilly committed or under  
946 an order for assisted outpatient treatment.

947 (ii) The local mental health authority or the local mental health authority's designee  
948 or the physician in charge of the proposed patient's care shall also supply the  
949 information described in Subsection (15)(e)(i) to the proposed patient's counsel at  
950 the time of the hearing, and at any time prior to the hearing upon request by the  
951 proposed patient's counsel.

952 (16)(a) The court shall order commitment of an adult proposed patient to a local mental  
953 health authority if, upon completion of the hearing and consideration of the  
954 information presented, the court finds by clear and convincing evidence that:

955 (i)(A) the proposed patient has a mental illness;

956 (B) because of the proposed patient's mental illness the proposed patient poses a  
957 substantial danger to self or others;

958 (C) the proposed patient lacks the ability to engage in a rational decision-making  
959 process regarding the acceptance of mental treatment as demonstrated by  
960 evidence of inability to weigh the possible risks of accepting or rejecting  
961 treatment;

962 (D) there is no appropriate less-restrictive alternative to a court order of  
963 commitment; and

964 (E) the local mental health authority can provide the proposed patient with  
965 treatment that is adequate and appropriate to the proposed patient's conditions  
966 and needs; or

967 (ii)(A) the proposed patient has been charged with a criminal offense;

968 (B) with respect to the charged offense, the proposed patient is found incompetent  
969 to proceed as a result of a mental illness;

970 (C) the proposed patient has a mental illness;

971 (D) the proposed patient has a persistent unawareness of their mental illness and  
972 the negative consequences of that illness, or within the preceding six months  
973 has been requested or ordered to undergo mental health treatment but has  
974 unreasonably refused to undergo that treatment;

975 (E) there is no appropriate less-restrictive alternative to a court order of  
976 commitment; and

977 (F) the local mental health authority can provide the proposed patient with  
978 treatment that is adequate and appropriate to the proposed patient's conditions  
979 and needs.

980 (b)(i) If, at the hearing, the court determines that the proposed patient has a mental

981 illness but does not meet the other criteria described in Subsection (16)(a), the  
982 court may consider whether the proposed patient meets the criteria for assisted  
983 outpatient treatment under Section 26B-5-351.

984 (ii) The court may order the proposed patient to receive assisted outpatient treatment  
985 in accordance with Section 26B-5-351 if, at the hearing, the court finds the  
986 proposed patient meets the criteria for assisted outpatient treatment under Section  
987 26B-5-351.

988 (iii) If the court determines that neither the criteria for commitment under Subsection  
989 (16)(a) nor the criteria for assisted outpatient treatment under Section 26B-5-351  
990 are met, the court shall dismiss the proceedings after the hearing.

991 (17)(a)(i) The court shall notify the appropriate mental health authority and the  
992 division no later than two business days after the day on which the court enters an  
993 order of commitment, including an order to extend the patient's treatment period.

994 [(i)] (ii) The order of commitment shall designate the period for which the patient  
995 shall be treated.

996 [(ii)] (iii) If the patient is not under an order of commitment at the time of the hearing,  
997 the patient's treatment period may not exceed six months without a review hearing.

998 [(iii)] (iv) Upon a review hearing, to be commenced before the expiration of the  
999 previous order of commitment, an order for commitment may be for an  
1000 indeterminate period, if the court finds by clear and convincing evidence that the  
1001 criteria described in Subsection (16) will last for an indeterminate period.

1002 (b)(i) The court shall maintain a current list of all patients under the court's order of  
1003 commitment and review the list to determine those patients who have been under  
1004 an order of commitment for the court designated period.

1005 (ii) At least two weeks before the expiration of the designated period of any order of  
1006 commitment still in effect, the court that entered the original order of commitment  
1007 shall inform the appropriate local mental health authority or the local mental  
1008 health authority's designee of the expiration.

1009 (iii) Upon receipt of the information described in Subsection (17)(b)(ii), the local  
1010 mental health authority or the local mental health authority's designee shall  
1011 immediately reexamine the reasons upon which the order of commitment was  
1012 based.

1013 (iv) If, after reexamination under Subsection (17)(b)(iii), the local mental health  
1014 authority or the local mental health authority's designee determines that the

1015 conditions justifying commitment no longer exist, the local mental health  
1016 authority or the local mental health authority's designee shall discharge the patient  
1017 from involuntary commitment and immediately report the discharge to the court  
1018 and the division.

1019 (v) If, after reexamination under Subsection (17)(b)(iii), the local mental health  
1020 authority or the local mental health authority's designee determines that the  
1021 conditions justifying commitment continue to exist, the court shall immediately  
1022 appoint two designated examiners and proceed under Subsections (8) through (14).

1023 (c)(i) The local mental health authority or the local mental health authority's designee  
1024 responsible for the care of a patient under an order of commitment for an  
1025 indeterminate period shall, at six-month intervals, reexamine the reasons upon  
1026 which the order of indeterminate commitment was based.

1027 (ii) If the local mental health authority or the local mental health authority's designee  
1028 determines that the conditions justifying commitment no longer exist, the local  
1029 mental health authority or the local mental health authority's designee shall  
1030 discharge the patient from the local mental health authority's or the local mental  
1031 health authority designee's custody and immediately report the discharge to the  
1032 court and the division.

1033 (iii) If the local mental health authority or the local mental health authority's designee  
1034 determines that the conditions justifying commitment continue to exist, the local  
1035 mental health authority or the local mental health authority's designee shall send a  
1036 written report of the findings to the court.

1037 (iv) The local mental health authority or the local mental health authority's designee  
1038 shall notify the patient and the patient's counsel of record in writing that the  
1039 involuntary commitment will be continued under Subsection (17)(c)(iii), the  
1040 reasons for the decision to continue, and that the patient has the right to a review  
1041 hearing by making a request to the court.

1042 (v) Upon receiving a request under Subsection (17)(c)(iv), the court shall  
1043 immediately appoint two designated examiners and proceed under Subsections (8)  
1044 through (14).

1045 (18)(a) Any patient committed as a result of an original hearing or a patient's legally  
1046 designated representative who is aggrieved by the findings, conclusions, and order of  
1047 the court entered in the original hearing has the right to a new hearing upon filing a  
1048 petition with the court within 30 days after the day on which the court entered the

- 1049 order.
- 1050 (b) The petition shall allege error or mistake in the findings, in which case the court shall
- 1051 appoint three impartial designated examiners previously unrelated to the case to
- 1052 conduct an additional examination of the patient.
- 1053 (c) Except as provided in Subsection (18)(b), the court shall, in all other respects,
- 1054 conduct the new hearing in the manner otherwise permitted.
- 1055 (19) The county in which the proposed patient resides or is found shall pay the costs of all
- 1056 proceedings under this section.
- 1057 (20)(a) A local mental health authority or the local mental health authority's designee
- 1058 shall provide discharge instructions to each individual committed under this section
- 1059 at or before the time the individual is discharged from the local mental health
- 1060 authority's custody, regardless of the circumstances under which the individual is
- 1061 discharged.
- 1062 (b) Discharge instructions provided under Subsection (20)(a) shall include:
- 1063 (i) a safety plan for the individual based on the individual's mental illness or mental
- 1064 or emotional state, if applicable;
- 1065 (ii) notification to the individual's primary care provider, if applicable;
- 1066 (iii) if the individual is discharged without food, housing, or economic security, a
- 1067 referral to appropriate services, if such services exist in the individual's

- 1069 (iv) the phone number to call or text for a crisis services hotline, and information
- 1070 about the availability of peer support services;
- 1071 (v) a copy of any psychiatric advance directive, if applicable;
- 1072 (vi) information about how to establish a psychiatric advance directive if one has not
- 1073 been completed;
- 1074 (vii) as applicable, information about medications that were changed or discontinued
- 1075 during the commitment;
- 1076 (viii) information about how to contact the local mental health authority or
- 1077 established provider as appropriate; and
- 1078 (ix) information about how to request a copy of the individual's medical record and
- 1079 how to access the electronic patient portal for the individual's medical record.
- 1080 (c) If an individual's medications were changed, or if an individual was prescribed new
- 1081 medications while committed under this section, discharge instructions provided
- 1082 under Subsection (20)(a) shall include a clinically appropriate supply of medications,

- 1083 as determined by a licensed health care provider, to allow the individual time to  
1084 access another health care provider or follow-up appointment.
- 1085 (d) Discharge instructions shall be provided in paper or electronic format based on the  
1086 individual's preference.
- 1087 (e) If an individual refuses to accept discharge instructions, the local mental health  
1088 authority shall document the refusal in the individual's medical record.
- 1089 (f) If an individual's discharge instructions include referrals to services under Subsection

1091 individual's medical record.
- 1092 (g) The local mental health authority shall attempt to follow up with a discharged  
1093 individual at least 48 hours after discharge, when appropriate, and may use peer

- 1096 (21) If any provision of Subsection (16)(a)(ii) or the application of any provision of  
1097 Subsection (16)(a)(ii) to any person or circumstance is held invalid by a court with  
1098 jurisdiction, the remainder of Subsection (16)(a)(ii) shall be given effect without the  
1099 invalid provision or application. The provisions of Subsection (16)(a)(ii) are severable.
