---

29 *Be it enacted by the Legislature of the state of Utah:*

31       Section 1. Section **73-10g-104** is amended to read:

32       **73-10g-104 . Authorized use of the Water Infrastructure Restricted Account.**

33       Money in the restricted account is to be used, subject to appropriation, for:

34       (1)(a) the development of the state's undeveloped share of the [Bear and Colorado rivers,

35       

~~pursuant to~~ Colorado River in accordance with existing interstate compacts

36       governing [both rivers as described in Chapter 26, Bear River Development Act, and]

37       the Colorado River as described in Chapter 28, Lake Powell Pipeline Development

38       Act; and

39       (b) to the extent the state has committed the money as of July 1, 2026, the development

40       of the state's undeveloped share of the Bear River, in accordance with an existing

41       interstate compact governing the Bear River as described in Chapter 26, Bear River

42       Development Act;

43       (2) repair, replacement, or improvement of federal water projects for local sponsors in the  
44       state when federal funds are not available;

45       (3) study and development of rules, criteria, targets, processes, and plans, as described in  
46       Subsection 73-10g-105(3);

47       (4) a project that benefits the Colorado River drainage in Utah, including projects for water  
48       reuse, desalinization, building of dams, or water conservation, if a county or  
49       municipality that benefits from the project:

50       (a) requires a new residential subdivision follow the regional conservation level of .59  
51       acre-feet regardless of whether the outside water is potable, reuse, or secondary water;

52       (b) adopts and implements the local water conservancy district's emergency drought  
53       contingency plan;

54       (c) adopts and implements the local water conservancy district's grass rebate program's  
55       maximum grass restrictions;

56       (d) prohibits grass in new retail, industrial, or commercial facility landscaping;

57       (e) has reuse water be managed by the local water conservancy district;

58       (f) does not withdraw water from an aquifer in excess of the safe yield of the aquifer as  
59       defined in Section 73-5-15;

60       (g) adopts and implements excess water use surcharges;

61       (h) prohibits private water features in new development, such as a fountain, pond, or ski  
62       lake; and

63       (i) prohibits large grassy areas in new development, unless the large grassy area is open  
64       to the general public; and

65 (5) a project recommended to the Legislature by the Water District Water Development  
66 Council, created in Section 11-13-228, for generational water infrastructure, as defined  
67 in Section 11-13-228.

68 Section 2. Section **73-32-304** is amended to read:

69 **73-32-304 . Great Salt Lake Account.**

70 (1) As used in this section[;]:

71 (a) "Mineral" includes a chemical compound that includes an element or mineral.

72 (b) "Mining" means the process of producing, extracting, leaching, evaporating, or  
73 otherwise removing a mineral from a natural deposit of the mineral.

74 (2)(a) There is created within the General Fund a restricted account known as the "Great  
75 Salt Lake Account" consisting of:

76 (i) revenues deposited into the account under Subsection (3);

77 (ii) appropriations from the Legislature; and

78 (iii) interest and other earnings described in Subsection (2)(b).

79 (b) The Office of the Treasurer shall deposit interest and other earnings derived from  
80 investment of money in the account into the account.

81 (3) The Division of Forestry, Fire, and State Lands shall deposit into the account the royalty  
82 income received by the state from mining that occurs on or after July 1, 2022, of a  
83 mineral from the sovereign lands of the Great Salt Lake if during the fiscal year  
84 beginning July 1, 2020, the state did not receive royalty income from the mining of that  
85 same mineral from the sovereign lands of the Great Salt Lake.

86 (4)(a) Upon appropriation by the Legislature, money in the account may be used to:

87 [(a)] (i) manage the water levels of the Great Salt Lake; [and] or

88 [ (b) fund the activities of the commissioner and office under this chapter.]

89 (ii) make payments to negotiate agreements, leases, or other means to acquire or lease  
90 water or water rights for the Great Salt Lake.

91 (b) Money deposited into the account under Subsection (2)(a)(ii) or appropriations  
92 transferring money from the Water Infrastructure Restricted Account may only be  
93 used for the purpose outlined in Subsection (4)(a)(ii).

94 **Section 3. FY 2027 Appropriations.**

95 The following sums of money are appropriated for the fiscal year beginning July 1,  
96 2026, and ending June 30, 2027. These are additions to amounts previously appropriated for  
97 fiscal year 2027.

98 **Subsection 3(a). Operating and Capital Budgets**

Under the terms and conditions of Title 63J, Chapter 1, Budgetary Procedures Act, the Legislature appropriates the following sums of money from the funds or accounts indicated for the use and support of the government of the state of Utah.

**ITEM 1 To Department of Natural Resources - Office of the Great Salt Lake Commissioner**

From General Fund 1,500,000

## Schedule of Programs:

1,500,000

## GSL Commissioner Administration

1,500,000

### **Subsection 3(b). Restricted Fund and Account Transfers**

The Legislature authorizes the State Division of Finance to transfer the following amounts between the following funds or accounts as indicated. Expenditures and outlays from the funds to which the money is transferred must be authorized by an appropriation.

ITEM 2 To General Fund Restricted - Great Salt Lake Account

From General Fund (1,500,000)

From Water Infrastructure Restricted Account, One-time

200,000,000

## Schedule of Programs:

198,500,000

The Legislature intends that the money

transferred from the Water Infrastructure Restricted

Account under this Item 2 be used for the acquisition or

lease of water or water rights for the Great Salt Lake as

provided in Subsection 73-32-304(4)(a)(ii).

#### **Section 4. Effective Date.**

This bill takes effect on July 1, 2026.
