

1 **Concurrent Resolution Regarding Nuclear Energy**

2026 GENERAL SESSION

STATE OF UTAH

Chief Sponsor: Derrin R. Owens

House Sponsor: Colin W. Jack

2 **LONG TITLE**3 **Committee Note:**

4 The Public Utilities, Energy, and Technology Interim Committee recommended this bill.

5 Legislative Vote: 13 voting for 0 voting against 5 absent

6 **General Description:**7 This resolution expresses support and intent for Utah to pursue Agreement State status with
the Nuclear Regulatory Commission for additional elements of the nuclear fuel cycle.8 **Highlighted Provisions:**

9 This resolution:

10

- 11 ▶ highlights Utah's support for nuclear energy development and deployment; and
- 12 ▶ expresses Utah's intent to pursue agreement state status for additional elements of the
- 13 nuclear fuel cycle.

14 **Money Appropriated in this Bill:**

15 None

16 **Other Special Clauses:**

17 None

18

*Be it resolved by the Legislature of the state of Utah, the Governor concurring therein:*19 WHEREAS, under Section 274 of the Atomic Energy Act, 42 U.S.C. Sec. 2021, the
20 Nuclear Regulatory Commission is authorized to enter into agreements with states to assume
21 regulatory authority over certain nuclear materials and activities;22 WHEREAS, Utah desires to expand its regulatory authority to include elements of the
23 nuclear fuel cycle that are not prohibited by federal statute;24 WHEREAS, increased state participation in these regulatory areas would enhance local
25 oversight, improve coordination with industry and federal partners, and support Utah's broader
26 energy development goals;27 WHEREAS, certain elements of the nuclear fuel cycle may be appropriate for state
28 management;

31 WHEREAS, Utah intends to work collaboratively with the Nuclear Regulatory
32 Commission to develop the technical, legal, and administrative framework necessary to
33 support an Agreement State application for additional eligible portions of the fuel cycle;

34 WHEREAS, the governor, through the support and facilitation of the Division of Waste
35 Management and Radiation Control, may submit a letter of intent to the Nuclear Regulatory
36 Commission to begin the process toward establishing that status; and

37 WHEREAS, the Legislature recognizes the importance of maintaining high standards for
38 nuclear safety and environmental protection while enabling states to participate responsibly in
39 regulatory oversight:

40 NOW, THEREFORE, BE IT RESOLVED that the Legislature of the state of Utah
41 expresses intent to pursue Agreement State status for elements of the nuclear fuel cycle not
42 expressly prohibited and encourages the Nuclear Regulatory Commission to clarify which
43 portions of the fuel cycle are reserved by statute versus policy.

44 BE IT FURTHER RESOLVED that the Legislature supports the governor and the
45 Department of Environmental Quality in coordinating with the Nuclear Regulatory
46 Commission to initiate the Agreement State application process for eligible activities.

47 BE IT FURTHER RESOLVED that copies of this resolution be sent to the chairman of the
48 Nuclear Regulatory Commission, the governor of Utah, and Utah's congressional delegation.
