10 **Other Special Clauses:**

11 None

---

---

12 *Be it resolved by the Legislature of the state of Utah:*

13 WHEREAS, more than 55 years ago, January was designated as National Blood Donor Month, as an annual observance to honor voluntary blood donors and encourage more people to donate blood at a time when blood supplies are historically low;

14 WHEREAS, the American Red Cross has been serving the community with the collection 15 and distribution of lifesaving blood and blood products to patients for more than 100 years;

16 WHEREAS, in our communities, the need for a diverse blood supply is constant, but the 17 supply is not, making volunteer blood donors the foundation for ensuring a safe and stable 18 supply of blood available to help meet the medical needs of patients;

19 WHEREAS, a blood transfusion occurs in the U.S. every two seconds, but only 3% of the 20 age-eligible population donates blood;

21 WHEREAS, type O blood is often used in trauma situations, making it the most needed 22 blood type and most likely to be in short supply during a blood emergency; and

23 WHEREAS, patients requiring blood transfusions include cancer patients, accident, burn, 24 and trauma victims, newborn babies and their mothers, transplant recipients, surgery patients, 25 chronically transfused patients suffering from sickle cell disease or thalassemia, and many 26 more:

31        NOW, THEREFORE, BE IT RESOLVED that the Legislature of the state of Utah hereby  
32        recognizes the month of January as National Blood Donor Month in the state of Utah.

33        BE IT FURTHER RESOLVED that the Legislature urges all citizens to celebrate the cause  
34        of blood donation and recognize volunteer blood donors for their generous gifts.

35        BE IT FURTHER RESOLVED that the Legislature urges all eligible blood donors to  
36        donate regularly, and encourages businesses and organizations throughout the state of Utah to  
37        sponsor community-based blood drives with the American Red Cross, among other blood  
38        collection institutions, and provide citizens of our state with the opportunity to give.
