REPEALS:
9-4-921, as renumbered and amended by Chapter 241, Laws of Utah 1992

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 9-4-901 is amended to read:

Part 9. Utah Housing Corporation Act

9-4-901. Title.

This part is known as the "Utah Housing [~~Finance Agency~~] Corporation Act."

Section 2. Section 9-4-902 is amended to read:

9-4-902. Policy -- Finding and declaration.

(1) It is declared that the policy of the state of Utah is to assure the health, safety, and welfare of its citizens, that an adequate supply of decent, safe, and sanitary housing is essential to the well-being of the citizens of the state, and that an adequate supply of mortgage funds for housing at reasonable interest rates is in the public interest.

(2) It is found and declared that:

(a) there continues to exist throughout the state a seriously inadequate supply of safe and sanitary dwelling accommodations within the financial means of persons and families of low or moderate income who wish to purchase or rent residential housing[~~. From~~]; and

(b) from time to time the high rates of interest charged by mortgage lenders seriously restrict the transfer of existing housing and new housing starts.

(3) It is found and declared that the reduction in residential construction starts associated with the high rates causes a condition of substantial unemployment and underemployment in the construction industry which impedes the economy of the state and affects the welfare and prosperity of all the people of the state.

(4) It is found and declared that:

(a) these conditions associated with the recurrent shortages of residential mortgage funds contribute to slums and blight in the cities and rural areas of the state and ultimately to the deterioration of the quality of living conditions within the state [~~of Utah. In~~]; and

(b) in accordance with the purpose of this part to assist in providing housing for low and moderate income persons who otherwise could not achieve decent, safe, and sanitary housing, the agency shall

make every effort to make housing available in rural, inner city, and other areas experiencing difficulty in securing construction and mortgage loans, and to make decent, safe, and sanitary housing available to low income persons and families.

(5) It is found and declared that in order to assure an adequate fund of private capital into this housing, the cooperation between private enterprise and state government is essential and is in the public interest.

(6) It is found and declared that low and moderate income persons in Utah have a wide range of housing needs, which necessitates the development of many different kinds of programs to address those needs, including programs providing mortgage loans, nontraditional loans, grants, and other forms of financial assistance, and combinations of these forms.

(7) It is found and declared that there are private organizations and governmental entities throughout Utah that are endeavoring to improve the availability of housing for low and moderate income, but many [~~such~~] of these organizations and entities lack expertise and financial resources to act efficiently and expeditiously in [~~such~~] these efforts.

(8) It is found and declared that innovative programs that bring together resources from the public, nonprofit, and private sector are necessary in order to increase the supply of housing for low and moderate individuals, but these programs usually need advice and financial assistance to become established.

(9) It is declared that all of the foregoing are public purposes and uses for which moneys may be borrowed, expended, advanced, loaned, or granted, and that these activities serve a public purpose in improving or otherwise benefiting the people of this state, and that the necessity of enacting the provisions [~~set forth~~] in this part is in the public interest and is [~~hereby~~] so declared as a matter of express legislative determination.

(10) It is found and declared that the compelling need within the state for the creation of an adequate supply of mortgage funds at reasonable interest rates and for other kinds of financial assistance to help provide affordable housing for low and moderate income individuals can be best met by the establishment of an independent [~~state agency and a~~] body corporate and politic, constituting a public corporation, vested with the powers and duties specified in this part.

(11) It is declared that the corporation is intended to operate:

(a) with the power to issue tax exempt bonds to finance the purchase of mortgage loans to qualified buyers;

(b) as a financially independent body; and

(c) so that its debts shall be payable solely from payments received by the corporation from mortgage borrowers and other revenues generated internally by the corporation.

If an existing facility has obtained an exemption from the requirement to submit preliminary and working drawings, or other information regarding compliance with applicable construction rules, the Department may conduct a detailed on–site inspection in lieu of the plan review. The fee for this will be $100.00, plus mileage reimbursement at the approved state rate. A facility that uses plans and specifications previously reviewed and approved by the Department will be charged 60 percent of the scheduled plan review fee. Thirty cents per square foot will be charged for review of facility additions or remodels that house special equipment such as CAT scanner or linear accelerator. If a project is terminated or delayed during the plan review process, a fee based on services rendered will be retained as follows: Preliminary drawing review–25% of the total fee. Working drawings and specifications review–80% of the total fee. If the project is delayed beyond 12 months from the date of the State's last review the applicant must re–submit plans and pay a new plan review fee in order to renew the review action.
Plan Review and Inspection Fees – Health Care Facility Licensing Rules – cost plus mailing
Plan Review and Inspection Fees – Child Care Licensing Rules – cost plus mailing
Plan Review and Inspection Fees – (Licensees receive one copy of each newly published edition of applicable Facility Rules. Additional copies of the rules will reflect the cost of printing and mailing.)
Plan Review and Inspection Fees – Certificate of Authority – Health Maintenance Organization 500.00Review of Application
Change Fee – New Provider/Change in Ownership Applications for Health Care facilities 500.00
A $500.00 fee will be assessed for services rendered providers seeking initial licensure to or change of ownership to cover the cost of processing the application, staff consultation, review of facility policies, initial inspection, etc. This fee will be due at the time of application.

Other: The Laboratory performs a variety of tests under contract and in volume to other agencies of government. The charge for these services is determined according to the type of services and the test volume, and is based on the cost to the Laboratory and therefore may be lower than the fee schedule. Because of changing needs, the Laboratory receives requests for new tests or services that are impossible to anticipate and list fully in a standard fee schedule. Charges for these services are authorized and are to be based on costs.

Children with Special Health Care Needs
Note: The schedule of charges for Children with Special Health Care Needs services provided by the Division of Community and Family Health Services represents commonly performed procedures by CPT code and is consistent with charges by the private sector. The list is not intended to be comprehensive as the Division is mandated to assign a charge for all services performed and there is potentially an unlimited number of procedures that could be provided. If unlisted services are performed, charges consistent with the private sector will be assigned. For FY 2001, the Utah Department of Health, Division of Health Care Financing (Medicaid) is not increasing rates based on the projected Medical inflation rate for physician services. Accordingly, CFHS proposed rates are increased by 0%.

The Division assigns a charge to all services performed regardless of the client's or third party insurer's financial responsibility or the likelihood of receiving payment for the services. Projected numbers of units of services are based on past experiences but are subject to significant variation determined by the actual needs of patients and changes in medical practices. Hence, it is not possible to calculate the change in revenue resulting from a change in the charge for a given service.

(8) When monies appropriated under this chapter fund the foundation weighted pupil units, as outlined in Subsection (7)(a), growth WPUs shall be added to the prior year special education add-on WPUs, and growth WPUs shall be determined as follows:

(a) The special education student growth factor is calculated by comparing S-3 total special education ADM of two years previous to the current year to the S-3 total special education ADM three years previous to the current year, not to exceed the official October total district growth factor from the prior year.

(b) When calculating and applying the growth factor, a district's S-3 total special education ADM for a given year is limited to 12.18% of the district's S-3 total student ADM for the same year.

(c) Growth ADMs are calculated by applying the growth factor in Subsection (8)(a) to the S-3 total special education ADM of two years previous to the current year.

(d) Growth ADMs for each district in Subsection (8)(c) are multiplied by 1.53 weighted pupil units and added to the prior year special education add-on WPU to determine each district's total allocation.

(9) If monies appropriated under this chapter for programs for students with disabilities do not meet the costs of districts for those programs, each district shall first receive the amount generated for each student with a disability under the basic program.

(2) (a) To establish a voted leeway program, a majority of the electors of a district voting at an election in the manner set forth in Section 53A-16-110 must vote in favor of a special tax.

(b) The district may maintain a school program which exceeds the cost of the program referred to in Section 53A-17a-145 with this voted leeway.

(c) In order to receive state support the first year, a district must receive voter approval no later than December 1 of the year prior to implementation.

(d) The additional program is the state-supported voted leeway program of the district.

(3) (a) [~~(i)~~] Under the voted leeway program, the state shall contribute an amount sufficient to guarantee [~~$12~~] $17.14 per weighted pupil unit for each .0001 of the first [~~.0004~~] .0016 per dollar of taxable value.

[~~(ii) The guarantee shall apply to the first .0006 per dollar of taxable value beginning July 1, 1996, and shall apply to an additional .0002 per dollar of taxable value each year thereafter so that the guarantee shall apply to the first .0016 of taxable value beginning July 1, 2001, and for each year thereafter.~~]

(b) [~~(i)~~] The same dollar amount guarantee per weighted pupil unit for the [~~.0004~~] .0016 per dollar of taxable value under Subsection (3)(a) shall apply to the board-approved leeway authorized in Section 53A-17a-134, so that the guarantee shall

apply up to a total of [~~.0008~~] .002 per dollar of taxable value if a school district levies a tax rate [~~of up to .0004 in~~] under both programs.

[~~(ii) Beginning July 1, 1996, if a district levies up to.0006 in the voted leeway program and up to .0004 in the board leeway program, the guarantee shall apply up to a total of .001 for both programs and shall apply to an additional .0002 per dollar of taxable value each year thereafter through July 1, 2001, as described in Subsection (3)(a)(ii) so that the guarantee shall apply up to a total of.002 per dollar of taxable value beginning July 1, 2001, and for each year thereafter.~~]

(ii) Subsection (3)(d)(i) applies for a period of two years following any such change in the certified tax rate.

(4) (a) An election to modify an existing voted leeway program is not a reconsideration of the existing program unless the proposition submitted to the electors expressly so states.

(b) A majority vote opposing a modification does not deprive the district of authority to continue an existing program.

(c) If adoption of a leeway program is contingent upon an offset reducing other local school board levies, the board must allow the electors, in an election, to consider modifying or discontinuing the program prior to a subsequent increase in other levies that would increase the total local school board levy.

(d) Nothing contained in this section terminates, without an election, the authority of a school district to continue an existing voted leeway program previously authorized by the voters.

(4) As an exception to Section 53A-17a-133, the board-authorized levy does not require voter approval, but the board may require voter approval if requested by a majority of the board.

(5) An election to consider disapproval of the board-authorized levy is required, if within 60 days after the levy is established by the board, referendum petitions signed by the number of legal voters required in Section 20A-7-301, who reside within the school district, are filed with the school district.

(6) (a) A local school board shall establish its board-approved levy by April 1 to have the levy apply to the fiscal year beginning July 1 in that same calendar year except that if an election is required under this section, the levy applies to the fiscal year beginning July 1 of the next calendar year.

The school district shall pay for the cost of a special election.

(7) (a) Modification or termination of a voter-approved leeway rate authorized under this section is governed by Section 53A-17a-133.

(b) A board-authorized leeway rate may be modified or terminated by a majority vote of the board subject to disapproval procedures specified in this section.

(8) A board levy election does not require publication of a voter information pamphlet.

(e) For the calendar year beginning on January 1, 1998, and ending December 31, 1998, the certified revenue levy shall be increased by the amount necessary to offset the decrease in revenues from uniform fees on tangible personal property under Section 59-2-405 as a result of the decrease in uniform fees on tangible personal property under Section 59-2-405 enacted by the Legislature during the 1997 Annual General Session.

(f) For the calendar year beginning on January 1, 1999, and ending on December 31, 1999, the certified revenue levy shall be adjusted by the amount necessary to offset the adjustment in revenues from uniform fees on tangible personal property under Section 59-2-405.1 as a result of the adjustment in uniform fees on tangible personal property under Section 59-2-405.1 enacted by the Legislature during the 1998 Annual General Session.

(2) (a) The state shall contribute to each district toward the cost of the basic program in the district that portion which exceeds the proceeds of the levy authorized under Subsection (1).

(b) In accord with the state strategic plan for public education and to fulfill its responsibility for the development and implementation of that plan, the Legislature instructs the State Board of Education, the governor, and the Office of Legislative Fiscal Analyst in each of the coming five years to develop budgets that will fully fund student enrollment growth.

(3) (a) If the proceeds of the levy authorized under Subsection (1) equal or exceed the cost of the basic program in a school district, no state contribution shall be made to the basic program.

This act modifies provisions related to the State System of Public Education by increasing the value of the state guarantee for voted and board leeways. The act increases the guarantee from .0075 times the value of the prior year's weighted pupil unit to .008044 and by .0005 for each succeeding year until the guarantee is equal to .010544 times the value of the prior year's weighted pupil unit. The act takes effect July 1, 2001.

This act affects sections of Utah Code Annotated 1953 as follows:

AMENDS:
53A-17a-133, as last amended by Chapter 8, Laws of Utah 1996, Second Special Session
53A-17a-134, as last amended by Chapter 1, Laws of Utah 1994

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 53A-17a-133 is amended to read:

53A-17a-133. State-supported voted leeway program authorized -- Election requirements -- State guarantee -- Reconsideration of the program.

(1) An election to consider adoption or modification of a voted leeway program is required if initiative petitions signed by 10% of the number of electors who voted at the last preceding general election are presented to the local school board or by action of the board.

(2) (a) To establish a voted leeway program, a majority of the electors of a district voting at an election in the manner set forth in Section 53A-16-110 must vote in favor of a special tax.

(b) The district may maintain a school program which exceeds the cost of the program referred to in Section 53A-17a-145 with this voted leeway.

(c) In order to receive state support the first year, a district must receive voter approval no later than December 1 of the year prior to implementation.

(d) The additional program is the state-supported voted leeway program of the district.

(3) (a) [~~(i)~~] Under the voted leeway program, the state shall contribute an amount sufficient to guarantee [~~$12~~] $17.14 per weighted pupil unit for each .0001 of the first [~~.0004~~] .0016 per dollar of taxable value.

[~~(ii) The guarantee shall apply to the first .0006 per dollar of taxable value beginning July 1, 1996, and shall apply to an additional .0002 per dollar of taxable value each year thereafter so that the guarantee shall apply to the first .0016 of taxable value beginning July 1, 2001, and for each year thereafter.~~]

(b) [~~(i)~~] The same dollar amount guarantee per weighted pupil unit for the [~~.0004~~] .0016 per dollar of taxable value under Subsection (a) shall apply to the board-approved leeway authorized in Section 53A-17a-134, so that the guarantee shall apply up to a total of [~~.0008~~] .002 per dollar of taxable value if a school district levies a tax rate [~~of up to .0004 in~~] under both programs.

[~~(ii) Beginning July 1, 1996, if a district levies up to.0006 in the voted leeway program and up to .0004 in the board leeway program, the guarantee shall apply up to a total of .001 for both programs and shall apply to an additional .0002 per dollar of taxable value each year thereafter through July 1, 2001, as described in Subsection (3)(a)(ii) so that the guarantee shall apply up to a total of.002 per dollar of taxable value beginning July 1, 2001, and for each year thereafter.~~]

(c) (i) Beginning July 1, [~~1997~~] 2002, the [~~$12~~] $17.14 guarantee under Subsections (3)(a) and (b) shall be indexed each year to the value of the weighted pupil unit by making the value of the guarantee equal to [~~.0075~~] .008544 times the value of the prior year's weighted pupil unit.

(ii) The guarantee shall increase by .0005 times the value of the prior year's weighted pupil unit for

each succeeding year until the guarantee is equal to .010544 times the value of the prior year's weighted pupil unit.

(d) (i) The amount of state guarantee money to which a school district would otherwise be entitled to under Subsection (3) may not be reduced for the sole reason that the district's levy is reduced as a consequence of changes in the certified tax rate under Section 59-2-924 pursuant to changes in property valuation.

(ii) Subsection (3)(d)(i) applies for a period of two years following any such change in the certified tax rate.

(4) (a) An election to modify an existing voted leeway program is not a reconsideration of the existing program unless the proposition submitted to the electors expressly so states.

(b) A majority vote opposing a modification does not deprive the district of authority to continue an existing program.

(c) If adoption of a leeway program is contingent upon an offset reducing other local school board levies, the board must allow the electors, in an election, to consider modifying or discontinuing the program prior to a subsequent increase in other levies that would increase the total local school board levy.

(d) Nothing contained in this section terminates, without an election, the authority of a school district to continue an existing voted leeway program previously authorized by the voters.

Section 2. Section 53A-17a-134 is amended to read:

53A-17a-134. Board-approved leeway -- Purpose -- State support -- Disapproval.

(1) Each local school board may levy a tax rate of up to .0004 per dollar of taxable value to maintain a school program above the cost of the basic school program as follows:

(a) a local school board shall use the monies generated by the tax for class size reduction within the school district;

(b) if a local school board determines that the average class size in the school district is not excessive, it may use the monies for other school purposes but only if the board has declared the use for other school purposes in a public meeting prior to levying the tax rate; and

(c) a district may not use the monies for other school purposes under Subsection (1)(b) until it has certified in writing that its class size needs are already being met and has identified the other school purposes for which the monies will be used to the State Board of Education and the state board has approved their use for other school purposes.

(2) (a) The state shall contribute an amount sufficient to guarantee [~~$21.50~~] $17.14 per weighted pupil unit for each [~~.0002~~] .0001 per dollar of taxable value.

(b) The guarantee shall increase in the same [~~years and for the same amounts~~] manner as provided for the voted leeway guarantee in [~~Section~~] Subsections 53A-17a-133(3)(c)(i) and (ii).

(3) The levy authorized under this section is not in addition to the maximum rate of .002 authorized in Section 53A-17a-133, but is a board-authorized component of the total tax rate under that section.

(4) As an exception to Section 53A-17a-133, the board-authorized levy does not require voter approval, but the board may require voter approval if requested by a majority of the board.

(5) An election to consider disapproval of the board-authorized levy is required, if within 60 days after the levy is established by the board, referendum petitions signed by the number of legal voters required in Section 20A-7-301, who reside within the school district, are filed with the school district.

(6) (a) A local school board shall establish its board-approved levy by April 1 to have the levy apply to the fiscal year beginning July 1 in that same calendar year except that if an election is required under this section, the levy applies to the fiscal year beginning July 1 of the next calendar year.

(b) The approval and disapproval votes authorized in Subsections (4) and (5) shall occur at a general election in even-numbered years, except that a vote required under this section in odd-numbered years shall occur at a special election held on a day in odd-numbered years that corresponds to the general election date. The school district shall pay for the cost of a special election.

(7) (a) Modification or termination of a voter-approved leeway rate authorized under this section is governed by Section 53A-17a-133.

(b) A board-authorized leeway rate may be modified or terminated by a majority vote of the board subject to disapproval procedures specified in this section.

(8) A board levy election does not require publication of a voter information pamphlet.

Section 3. Effective date.

This act takes effect on July 1, 2001.

RURAL PHARMACY CHANGES

Sponsor: Loraine T. Pace

This act modifies the Occupational and Professional Licensing Code by amending provisions related to supervision of a pharmacy located in remote rural hospitals or clinics. The act uses defined terms to describe required supervision. The act appropriates $100,000 for fiscal year 2001-02, from the General Fund to the Department of Health Bureau of Primary Care, Rural and Ethnic Health, to establish and oversee a rural telepharmacy system.

This act affects sections of Utah Code Annotated 1953 as follows:

AMENDS:
58-17a-611, as enacted by Chapter 247, Laws of Utah 1996

This act enacts uncodified material.

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 58-17a-611 is amended to read:

58-17a-611. Supervision -- Pharmacist-in-charge.

(1) (a) A drug outlet, except a wholesaler, distributor, or out-of-state mail service pharmacy, shall be under the general supervision of [~~not less than~~] at least one pharmacist licensed to practice in Utah. One pharmacist licensed in Utah shall be designated as the pharmacist-in-charge.

(b) Notwithstanding the provisions of Subsection 58-17a-102(17), a supervising pharmacist does not have to be in the pharmacy or facility in which the drug outlet is located but shall be available via a telepharmacy system for immediate contact with the supervised pharmacy technician or pharmacy intern if:

(i) the drug outlet is located in:

(A) a remote rural hospital as defined in Section 26-21-13.6; or

The Legislature finds that:

(1) rural citizens of the state need access to hospitals and pharmacy services;

(2) hospitals and clinics in remote rural areas of the state have limited resources to provide 24-hour, on-site supervision of a hospital or clinic pharmacy by a licensed pharmacist; and

(3) a telepharmacy system in which a consulting pharmacist can oversee the delivery of pharmacy services by a supervised pharmacy technician or pharmacy intern when the remote rural hospital or clinic pharmacist is not available is essential to the viability of rural access to pharmacy services.

Section 3. Appropriation.

(1) There is appropriated from the General Fund for fiscal year 2001-02 only, $100,000 to the Department of Health Bureau of Primary Care, Rural and Ethnic Health.

(2) It is the intent of the Legislature that the Department of Health Bureau of Primary Care, Rural and Ethnic Health, use the University of Utah Telemedicine Outreach Program to establish and give oversight to a hospital and clinic telepharmacy system by using $45,000 for one pharmacy dispensing unit located in a general hospital or clinic in San Juan County, and by using $15,000 to assist with the cost of providing on-line telepharmacy services to San Juan County, and $40,000 to assist with staff support and oversight of the telepharmacy system.

(i) [~~Package agencies~~] A package agency established for operation during a summer time [~~periods are~~] period is known as a "Seasonal A" package [~~agencies~~] agency. The period of operation for a "Seasonal A" agency may begin as early as February 1 and may continue until October 31.

(ii) [~~Package agencies~~] A package agency established for operation during a winter time [~~periods are~~] period is known as a "Seasonal B" package [~~agencies~~] agency. The period of operation for a "Seasonal B" agency may begin as early as September 1 and may continue until May 31.

(C) the total number of months that each combined pair may be established for operation may not exceed 12 months for each calendar year.

[~~(b)~~] (d) (i) If the location, design, and construction of a hotel may require more than one package agency sales location to serve the public convenience, the commission may authorize a single package agent to sell liquor at as many as three locations within the hotel under one package agency if:

(A) the hotel has a minimum of 150 guest rooms; and [~~if~~]

(I) within the same hotel facility; and

(II) on premises that are managed or operated and owned or leased by the package agent.

(ii) Facilities other than hotels may not have more than one sales location under a single package agency.

(3) (a) [~~A~~] As measured by the method in Subsection (4), a package agency may not be established within 600 feet of any:

(i) [~~The~~] If the commission finds after full investigation that the premises are located within a

city of the third class or a town, and compliance with the distance requirements would result in peculiar and exceptional practical difficulties or exceptional and undue hardships in the establishment of a package agency[~~. In that event~~], the commission may[~~,~~] authorize a variance from the distance requirement to relieve the difficulties or hardships:

(A) after giving full consideration to all of the attending circumstances[~~,~~];

(B) following a public hearing in:

(I) the city or town[~~,~~] concerned; and

(II) where practical, in the neighborhood concerned[~~, authorize a variance from the distance requirements to relieve the difficulties or hardships~~]; and

(II) substantially impairing the intent and purpose of this title.

(ii) With respect to the establishment of a package agency in any location, the commission may[~~,~~] reduce the proximity requirements in relation to a church:

(II) where practical, in the neighborhood concerned[~~, reduce the proximity requirements in relation to a church~~]; and

(C) if the local governing body of the church in question gives its written approval.

(4) With respect to any public or private school, church, public library, public playground, or park, the 600 foot limitation is measured from the nearest entrance of the package agency by following the shortest route of either ordinary pedestrian traffic, or where applicable, vehicular travel along public thoroughfares, whichever is the closer, to the property boundary of the public or private school, church, public library, public playground, school playground, or park.

(5) (a) Nothing in this section prevents the commission from considering the proximity of any educational, religious, and recreational facility, or any other relevant factor in reaching a decision on a proposed location.

(i) a nursery [~~schools,~~] school;

(6) (a) The package agent, under the direction of the department, shall be responsible for implementing and enforcing this title and the rules adopted under this title to the extent they relate to the conduct of the agency and its sale of liquor.

(b) A package agent may not be, or construed to be, a state employee nor be otherwise entitled to any benefits of employment from the state [~~of Utah~~].

(c) A package agent, when selling liquor from a package agency, is considered an agent of the state [~~of Utah~~] only to the extent specifically expressed in the package agency agreement.

POWER OF ATTORNEY AMENDMENTS

Sponsor: Patricia W. Jones

This act modifies sections of the Probate Code to allow for the appointment of a conservator for a person who is disabled even though there may be a valid power of attorney in force. This act also provides that the person holding the power of attorney should be bound by the same standards for trustees.

This act affects sections of Utah Code Annotated 1953 as follows:

AMENDS:
75-5-401, as last amended by Chapter 142, Laws of Utah 1999
75-5-501, as last amended by Chapter 179, Laws of Utah 1992

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 75-5-401 is amended to read:

75-5-401. Protective proceedings.

(1) Upon petition and after notice and hearing in accordance with the provisions of this part, the court may appoint a conservator or make other protective order for cause as follows:

(a) Appointment of a conservator or other protective order may be made in relation to the estate and affairs of a minor if the court determines that a minor owns money or property that requires management or protection which cannot otherwise be provided, has or may have business affairs which may be jeopardized or prevented by minority, or that funds are needed for the minor's support and education and protection is necessary or desirable to obtain or provide funds.

(b) The provisions of Subsection (1)(a) may be applied to a person beyond minority up to age 21 under special circumstances as determined by the court.

(2) Appointment of a conservator or other protective order may be made in relation to the estate and affairs of a person if the court determines that the person:

(a) is unable to manage the person's property and affairs effectively for reasons such as mental illness, mental deficiency, physical illness or disability, chronic use of drugs, chronic intoxication, confinement, detention by a foreign power, or disappearance; and

(b) has property which will be wasted or dissipated unless proper management is provided or that funds are needed for the support, care, and welfare of the person or those entitled to be supported by the person and protection is necessary or desirable to obtain or provide funds.

(3) Appointment of a conservator or other protective order may not be denied solely on the basis that the person for whom the conservatorship or other protective order is sought has a valid power of attorney in effect.

Section 2. Section 75-5-501 is amended to read:

75-5-501. When power of attorney not affected by disability or lapse of time.

(1) Whenever a principal designates another his attorney-in-fact or agent by a power of attorney in writing and the writing contains the words "This power of attorney shall not be affected by disability of the principal," or "This power of attorney shall become effective upon the disability of the principal," or similar words showing the intent of the principal that the authority conferred shall be exercisable notwithstanding his disability, the authority of the attorney-in-fact or agent is exercisable by him as provided in the power on behalf of the principal notwithstanding:

(a) later disability or incapacity of the principal at law or later uncertainty as to whether the principal is dead or alive; or

(b) the lapse of time since the execution of the instrument, unless the instrument states a time of termination.

(2) All acts done by the attorney-in-fact or agent pursuant to the power during any period of disability or incompetence or uncertainty as to whether the principal is dead or alive have the same effect and inure to the benefit of and bind the principal or his heirs, devisees, and personal representative as if the principal were alive, competent, and not disabled. If a conservator thereafter is appointed for the principal, the attorney-in-fact or agent, during the continuance of the appointment, shall account to the conservator rather than the principal. The conservator has the same power the principal would have had if he were not disabled or incompetent to revoke, suspend, or terminate all or any part of the power of attorney or agency.

(3) If a power of attorney remains in effect or becomes effective as a result of a principal's incapacity or disability, the attorney-in-fact or agent holding the power of attorney shall be bound by the duties, liabilities, and standard of care in Title 75, Chapter 7, Part 3, Duties and Liabilities of Trustees.

(4) In applying the duties, liabilities, and standard of care of Part 3, Duties and Liabilities of Trustees, to this section:

(a) "beneficiary" means any person entitled to a part of the principal's estate from the principal's will or through the intestacy laws, whichever is applicable; and

RESOLUTION ON SOCIAL SECURITY

This joint resolution of the Legislature urges Congress to enact legislation which enhances and modernizes Social Security, allowing workers, in addition to the existing public option, a private option to direct their Social Security tax contributions to individually owned separate accounts.

Be it resolved by the Legislature of the state of Utah:

WHEREAS, Social Security is a federal program that requires almost unanimous participation by employed workers in the state of Utah and throughout the United States;

WHEREAS, the retirement portion of the Social Security tax is high, having risen from an initial rate of 1% of the first $3,000 of a worker's income, up to a maximum of $30 per year, to the present rate of 12.4% of the first $80,400 of employee wages or self-employment income up to a maximum of $830.80 per month or $9,969.60 per year;

WHEREAS, the maximum Social Security retirement tax, paid by almost 11 million workers, has risen 5.51% in 2001 over the year 2000, and is now 57% higher than in 1990;

WHEREAS, because neither the employee's direct tax contribution to Social Security nor the

employer's contribution on the employee's behalf appears on the employee's federal tax return, few employees understand the amount of Social Security retirement tax they actually pay each month;

WHEREAS, individuals can estimate their own Social Security tax cost by estimating 1% of annual compensation paid each month -- for example, an annual income of $30,000 would yield an estimated monthly Social Security retirement tax cost of $300 per month;

WHEREAS, the Social Security retirement tax consumes nearly every dollar that many workers of modest income might otherwise be able to save and invest;

WHEREAS, because higher income workers are better able to save and invest over and above the amounts paid in Social Security taxes, escaping Social Security dependence, but modest income workers cannot, the system creates disproportionate dependence on the system by low and middle-income workers;

WHEREAS, for many lower income American workers, the Social Security retirement tax represents virtually all of the monthly retirement savings they assemble;

WHEREAS, with the individual retirement benefit currently ranging from a low of just a few dollars per month to a high of approximately $1,400 per month, and the average monthly retirement benefit currently at about $845 per month, Social Security retirement benefits amount to a below poverty level subsistence for many retirees;

WHEREAS, although Social Security was originally intended to merely supplement other core retirement income sources, the high tax rate prohibits many workers from ever adequately saving and investing, and as a consequence, Social Security has become the core retirement income source for many Americans;

WHEREAS, national demographics have shifted significantly since the system was created as a part of President Roosevelt's New Deal policies;

WHEREAS, in 1945, 41.9 workers supported each retiree, and today just 3.3 workers support each retiree;

WHEREAS, the ratio is expected to dwindle to 2 workers per retiree within the next 30 years, making the current system unsustainable;

WHEREAS, tax receipts currently exceed benefit payments, yet, Social Security Trustees estimate that benefit payments will exceed tax receipts, producing annual deficits, beginning in approximately 15 years, or the year 2015;

WHEREAS, the Social Security Trustees estimate the cumulative annual deficits for years 2015 through 2075 to reach $21.6 trillion;

WHEREAS, it is unethical to perpetuate a system that accrues benefits for a current generation of retirees at the expense of younger workers who will likely never collect benefits but will inherit the mounting debt;

WHEREAS, the current system is unfair to future retirees because after a lifetime of paying into the system, a worker retains no legal right nor claim to any amount or benefit, but is subject to future congresses who will set the benefit rates;

WHEREAS, the current system is unfair to those who die prematurely because it is possible to pay for a lifetime into the system yet draw only minimal benefit or even no benefit prior to death and leave no residual value to any heir;

WHEREAS, the current system is unfair to widows and widowers because they must forego either their own benefit or their deceased spouse's benefit ("widow(er)" benefit), and may claim the widow(er) benefit only after attaining qualification age themselves regardless of the age of the deceased spouse;

WHEREAS, the current system is unfair to women who leave employment to raise families because many women in Utah and throughout the United States work and pay retirement taxes into the system for many years but never complete the required 10 years or 40 quarters, before leaving employment, making them ineligible for retirement benefits;

WHEREAS, the system is unfair to some ethnic minorities, including African-Americans, whose life expectancies are shorter and will typically collect benefits for a shorter time period;

WHEREAS, retirement security is best achieved by regularly saving and investing one's own money over a lifetime of work, and public policy regarding Social Security should support, facilitate, and encourage saving rather than discourage or deter it;

WHEREAS, the objective of Social Security privatization is for individual workers to have legal ownership in a retirement asset that can be used and ultimately passed on to heirs;

WHEREAS, even with modest return assumptions, the private, individually owned account can be expected to produce a significantly enhanced retirement income;

WHEREAS, private, individually owned accounts accrue value and future benefits to the workers regardless of future congressional actions;

WHEREAS, private, individually owned accounts grow on behalf of the worker whether or not the worker completes 40 quarters of contributions;

WHEREAS, private, individually owned accounts can be passed on by inheritance to spouses, children, or grandchildren, affording an opportunity for long-term inter-generational wealth accumulation;

WHEREAS, a national system of private, individual accounts can be perpetuated without end and without concern for projected dates of insolvency;

WHEREAS, private, individual accounts afford workers the opportunity to select from among multiple investment options, including government bonds or prudent, diversified investment models like those used by large pension or endowment funds;

WHEREAS, workers around the world are embracing privatized systems as a workable solution to an overburdened government Social Security program;

WHEREAS, the successful pioneer Chilean model was commenced 20 years ago with at least seven other Latin American countries following suit;

WHEREAS, Great Britain, Australia, and Singapore have also adopted private options, similar reforms are underway in Russia, Hungary, Poland, and Kazakhstan, and the People's Republic of China have embraced a private option with workers contributing one-half of their retirement funds into an individual account system since 1996;

WHEREAS, some U. S. workers have enjoyed a private account system as certain municipalities, including Galveston, Texas were allowed to opt out of Social Security in favor of a privatized system prior to 1981; and

WHEREAS, since many Americans are unable to save and invest for retirement beyond the 12.4% payroll tax, a privatized Social Security option may be the only hope for many lower income or economically disadvantaged Americans to achieve financial empowerment and retirement security:

NOW, THEREFORE, BE IT RESOLVED that the Legislature of the state of Utah urge the United States Congress to enact legislation to allow individual workers to choose to remain in the current system or to select a private account option.

BE IT FURTHER RESOLVED that the Legislature urge that the legislation not disrupt the benefits paid to existing Social Security recipients.

BE IT FURTHER RESOLVED that the legislation create private accounts to be owned and controlled by individual employees or workers, allow the individual employee or worker discretion to invest among multiple prudent and diversified investment options, and create minimum guaranteed income, disability, and death benefits in the private account.

BE IT FURTHER RESOLVED that a copy of this resolution be sent to the Speaker of the United States House of Representatives, the President of the United States Senate, and the members of Utah's congressional delegation.

RESOLUTION URGING CONGRESS TO REGULATE POLL CLOSING

Sponsor: Carl R. Saunders

This joint resolution of the Legislature urges Congress to require that the nation's polling places in the Eastern, Central, Mountain, and Pacific time zones close at the same time when participating in a general election. The Legislature urges that Congress review the various problems with the 2000 General Election vote for the Presidency.

Be it resolved by the Legislature of the state of Utah:

WHEREAS, during election night in 2000, television networks made declarations of victory for both candidates for President of the United States before the polls had closed;

WHEREAS, in one erroneous declaration, the winner of the eventually decisive state of Florida was announced hours before polls in the western region of the nation were closed and before all polls in western Florida had closed;

WHEREAS, when news services declare winners before the nation's polls close, voters in states where polls are not yet closed may conclude that their vote will not affect the outcome and choose not to vote;

WHEREAS, releasing the vote count results for states whose polls are closed before the closure of polling places in other regions of the country can distort the results of an election by suggesting that votes not yet cast will have no bearing on the outcome;

WHEREAS, in close races like the most recent election of President of the United States, declarations of victory before polls close can affect the outcome of the vote;

WHEREAS, a uniform poll closing time would prevent the publicizing of early election returns in one region of the nation from impacting the vote in other regions;

WHEREAS, if a uniform poll closing time was established for the Eastern, Central, Mountain, and Pacific time zones, polling places in western regions of the country could open earlier on the morning of election day to compensate for their earlier closing time; and

WHEREAS, uniform poll closing times in these time zones would significantly reduce the possibility that an election could be tainted by premature declarations of victory:

NOW, THEREFORE, BE IT RESOLVED that the Legislature of the state of Utah urge the United States Congress to institute uniform poll closing times for states in the Eastern, Central, Mountain, and Pacific time zones.

BE IT FURTHER RESOLVED that the United States Congress review the factors that contributed to the problems in the 2000 General Election vote for the Presidency of the United States.

BE IT FURTHER RESOLVED that a copy of this resolution be presented to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of Utah's congressional delegation.

This joint resolution of the Legislature designates December 15, 2001 as Bill of Rights Day in the state of Utah. The resolution urges government entities in the state to appropriately observe Bill of Rights Day, and that the Bill of Rights be read in public schools and in the Legislature.

Be it resolved by the Legislature of the state of Utah:

WHEREAS, the first ten amendments to the United States Constitution are referred to as the Bill of Rights, which limit and define the powers of government;

WHEREAS, the Bill of Rights recognizes, affirms, and protects fundamental, individual human rights for which the human race has struggled for thousands of years;

WHEREAS, the Bill of Rights secures freedom to speak, print, read, assemble, pray, petition the government, and keep and bear arms;

WHEREAS, the Bill of Rights protects Americans from unreasonable arrests, searches, excessive bail, double jeopardy, coerced confessions, and cruel and unusual punishment;

WHEREAS, the Bill of Rights secures rights to due process, jury trials, counsel, and to present witnesses;

WHEREAS, designating a Bill of Rights Day would help prevent the Bill of Rights from being forgotten;

WHEREAS, since many Americans are not familiar with the Bill of Rights, Bill of Rights Day would encourage schools to instruct students about this vital aspect of American heritage;

WHEREAS, designating a Bill of Rights Day would demonstrate to the world Utah's commitment to fundamental human rights;

WHEREAS, just as celebrating religious holidays reminds Americans of their religious beliefs and traditions, Bill of Rights Day would remind Utahns of the manner in which its history and philosophy have secured the rights for which oppressed people everywhere still yearn;

WHEREAS, Bill of Rights Day would remind elected and appointed officials and employees of the state and local executive, legislative, and judicial branches of government that their authority and powers are limited;

WHEREAS, Bill of Rights Day would remind all members of government that they serve the citizens and that the citizens always hold the right to restrain government;

WHEREAS, the rights and freedoms guaranteed by the Bill of Rights deserve celebration, and the sacrifices made to protect the Bill of Rights deserve remembrance; and

WHEREAS, the Bill of Rights of the United States Constitution was ratified on December 15, 1791:

NOW, THEREFORE, BE IT RESOLVED that the Legislature of the state of Utah designate December 15, 2001 as Bill of Rights Day in the state of Utah.

BE IT FURTHER RESOLVED that the Legislature urges all governmental entities in Utah to observe Bill of Rights Day in a manner that brings to mind the meaning and importance of each of the ten provisions contained in the Bill of Rights.

BE IT FURTHER RESOLVED that the

Legislature urges that on Bill of Rights Day, or on the first business day afterwards, the Bill of Rights be read in all public schools and in all government meetings and courtrooms.

BE IT FURTHER RESOLVED that on the first day of the 2002 General Session of the Legislature, the Bill of Rights be read aloud in its entirety in both houses of the Legislature.

BE IT FURTHER RESOLVED that a copy of this resolution be sent to Governor Michael O. Leavitt, the Utah Supreme Court, the Utah Association of Counties, and the Utah League of Cities and Towns.

This joint resolution of the Legislature urges the repealing, rescinding, and superseding of any and all existing applications to Congress for a constitutional convention previously made by the Legislature of the state of Utah. The resolution urges other states to take the same action.

Be it resolved by the Legislature of the state of Utah:

WHEREAS, the Legislature of the state of Utah, acting with the best of intentions, has, at various times, previously made applications to the Congress of the United States of America for one or more constitutional conventions for general purposes or for the limited purposes of considering amendments to the Constitution of the United States of America on various subjects and for various purposes;

WHEREAS, former Justices of the United States Supreme Court and other leading constitutional scholars are in general agreement that a constitutional convention, notwithstanding whatever limitations have been specified in the applications of the several states for a convention, would have within the scope of its authority the complete redrafting of the Constitution of the United States of America, thereby creating an imminent peril to the well-established rights of the people and to the constitutional principles under which we are presently governed;

WHEREAS, the Constitution of the United States of America has been amended many times in the

history of the nation and may yet be amended many more times, and has been interpreted for 200 years and been found to be a sound document which protects the rights and liberties of the people without the need for a constitutional convention;

WHEREAS, there is no need for--rather, there is great danger in--a new constitution, the adoption of which would only create legal chaos in America and only begin the process of another two centuries of litigation over its meaning and interpretation; and

WHEREAS, such changes or amendments as may be needed in the present Constitution may be proposed and enacted, pursuant to the process provided therein and previously used throughout the history of this nation, without resort to a constitutional convention:

NOW, THEREFORE, BE IT RESOLVED by the Legislature of the state of Utah that any and all existing applications to the Congress of the United States of America for a constitutional convention or conventions heretofore made by the Legislature of the state of Utah under Article V of the Constitution of the United States of America for any purpose, whether limited or general, be hereby repealed, rescinded, and canceled and rendered null and void to the same effect as if the applications had never been made.

BE IT FURTHER RESOLVED that the Legislature of the state of Utah urges the legislatures of each and every state which have applied to Congress for either a general or a limited constitutional convention to repeal and rescind the applications.

BE IT FURTHER RESOLVED that a copy of this resolution be sent to presiding officers of both houses of the legislatures of each of the other states of the Union, to the President of the United States Senate, to the Speaker of the United States House of Representatives, and to the members of Utah's congressional delegation.

RESOLUTION URGING AVAILABILITY OF TRANSPLANT ORGANS THROUGH COMMUNITY PLEDGE PROGRAMS

Sponsor: Mike Dmitrich

This concurrent resolution of the Legislature and the Governor urges Utah's communities, businesses, educators, service clubs, and interfaith organizations to lead the way in organizing efforts to raise public awareness and education regarding organ and tissue donation to save lives.

Be it resolved by the Legislature of the state of Utah, the Governor concurring therein:

WHEREAS, Utah's Coalition for Organ, Eye and Tissue Donation, in partnership with The Quest for the Gift of Life Foundation, is implementing a statewide, community-based pledge program to involve local governments, businesses, communities, service clubs, educators, and interfaith councils to combine efforts in accomplishing meaningful initiatives that will raise public awareness and education regarding organ transplantation;

WHEREAS, the National Coalition for Organ, Eye and Tissue Donation published statistics that show 70,000 people are currently waiting for a life-saving organ transplant with only 6,000 organ donations taking place annually, resulting in 12-16 lives lost daily due to lack of a needed organ;

WHEREAS, 30% of driver's license donor registrants, upon an unexpected death, do not become donors because their next of kin were unaware of their desire to donate or their next of kin chose not to donate regardless of the signed donor registration card; and

WHEREAS, enough organs are available but cannot be accessed due to a lack of education and a clear understanding about organ and tissue donation, including the misconception that donations are incompatible with religious beliefs:

NOW, THEREFORE, BE IT RESOLVED that the Legislature of the state of Utah, the Governor concurring therein, urges Utah's local governments, communities, businesses, educators, service clubs, and interfaith organizations to pledge to join in "leading the way" by helping to raise public awareness and education regarding organ and tissue donation for the purpose of saving lives.

BE IT FURTHER RESOLVED that the Legislature and the Governor support a spring media event announcing that Utah is committed to lead the way as a model for other states to follow in raising public awareness and education, through meaningful organ transplant initiatives, to help eliminate the existing shortage of transplant organs and to provide all potential recipients a second chance of life.

BE IT FURTHER RESOLVED that a copy of this resolution be sent to the Utah Association of Counties, the Utah League of Cities and Towns, Utah's Chambers of Commerce, the Utah State Office of Education, the Utah Department of Health, the Utah Coalition for Organ, Eye and Tissue Donation, the Quest for the Gift of Life Foundation, the Utah Attorney General's Office, the Salt Lake City Mayor's Office, and the Salt Lake County Mayor's Office.

(d) For purposes of Subsection (2)(l) and in accordance with Title 63, Chapter 46a, Utah Administrative Rulemaking Act, the commission may make rules:

(ii) For purposes of notice to a noncustodial parent, if a good faith attempt was made by the school to notify the noncustodial parent, failure to notify shall be considered to be due to circumstances beyond the control of the school and may not be construed to permit a new defense to any action under this chapter, or to interfere with any rights, procedures, or investigations provided for in this chapter.

(2) (a) Each local school board shall provide for the distribution of a copy of a school's discipline and conduct policy to each student upon enrollment in the school.

(b) A copy of the policy shall be posted in a prominent location in each school.

[~~(a)~~] (i) that the minor has been taken into protective custody;

[~~(b)~~] (ii) the reasons for removal and placement in protective custody;

If the noncustodial parent cannot be located in the national database, the division shall make reasonable effort to provide notice to the noncustodial parent within five days after the shelter hearing.

(2) The attorney general's office shall adopt, print, and distribute a form for the written statement described in Subsection (1)[~~(c)~~](a)(iii). The statement shall be made available to the division and for distribution in schools, health care facilities, local police and sheriff's offices, the division, and any other appropriate office within the Department of Human Services. The notice shall be in simple language and include at least the following information:

(b) the rights of a minor and of the parent or guardian to legal counsel and to appeal.

(3) If a good faith attempt was made by the peace officer or caseworker to notify the parent or guardian in accordance with the requirements of Subsection (1), failure to notify shall be considered to be due to circumstances beyond the control of the peace officer or caseworker and may not be construed to permit a new defense to any juvenile or judicial proceeding or to interfere with any rights, procedures, or investigations provided for by this chapter or Title 62A.

Section 3. Section 78-3a-113 is amended to read:

78-3a-113. Minor taken into custody by peace officer, private citizen, or probation officer -- Grounds -- Notice requirements -- Release or detention -- Grounds for peace officer to take adult into custody.

(1) A minor may be taken into custody by a peace officer without order of the court if:

(a) in the presence of the officer the minor has violated a state law, federal law, local law, or municipal ordinance;

(b) there are reasonable grounds to believe the minor has committed an act which if committed by an adult would be a felony;

(c) the minor is seriously endangered in his surroundings or if the minor seriously endangers others, and immediate removal appears to be necessary for his protection or the protection of others;

(d) there are reasonable grounds to believe the minor has run away or escaped from his parents, guardian, or custodian; or

(e) there is reason to believe the minor is subject to the state's compulsory education law and that the minor is absent from school without legitimate or valid excuse, subject to Section 53A-11-105.

(2) (a) A private citizen or a probation officer may take a minor into custody if under the circumstances he could make a citizen's arrest if the minor was an adult.

(b) A probation officer may also take a minor into custody under Subsection (1) or if the minor has violated the conditions of probation, if the minor is under the continuing jurisdiction of the juvenile court or in emergency situations in which a peace officer is not immediately available.

(3) (a) If an officer or other person takes a minor into temporary custody, he shall without unnecessary delay notify the parents, including a noncustodial parent, guardian, or custodian. The minor shall then be released to the care of his parent or other responsible adult, unless his immediate welfare or the protection of the community requires his detention.

(b) Before the minor is released, the parent or other person to whom the minor is released shall be required to sign a written promise on forms supplied by the court to bring the minor to the court at a time set or to be set by the court.

(4) (a) A minor may not be held in temporary custody by law enforcement any longer than is reasonably necessary to obtain his name, age, residence, and other necessary information and to contact his parents, guardian, or custodian.

(b) If the minor is not released under Subsection (3), he shall be taken to a place of detention or shelter without unnecessary delay.

(5) (a) The person who takes a minor to a detention or shelter facility shall promptly file with the detention or shelter facility a written report on a form provided by the division stating the details of the presently alleged offense, the facts which bring the minor within the jurisdiction of the juvenile court, and the reason the minor was not released by law enforcement.

(b) (i) The designated youth corrections facility staff person shall immediately review the form and determine, based on the guidelines for detention admissions established by the Division of Youth Corrections under Sections 62A-7-104 and 62A-7-205, whether to admit the minor to secure detention, admit the minor to home detention, place the minor in a placement other than detention, or return the minor home upon written promise to bring the minor to the court at a time set, or without restriction.

(ii) If the designated youth corrections facility staff person determines to admit the minor to home detention, that staff person shall notify the juvenile court of that determination. The court shall order that notice be provided to the designated persons in the local law enforcement agency and the school or transferee school, if applicable, which the minor attends of the home detention. The designated persons may receive the information for purposes of the minor's supervision and student safety.

(iii) Any employee of the local law enforcement agency and the school which the minor attends who discloses the notification of home detention is not:

(A) civilly liable except when disclosure constitutes fraud or malice as provided in Section 63-30-4; and

(B) civilly or criminally liable except when disclosure constitutes a knowing violation of Section 63-2-801.

(c) A minor may not be admitted to detention unless the minor is detainable based on the guidelines or the minor has been brought to detention pursuant to a judicial order or division warrant pursuant to Subsection 62A-7-112(8).

(d) If a minor taken to detention does not qualify for admission under the guidelines established by the division under Sections 62A-7-104 and 62A-7-205, detention staff shall arrange appropriate placement.

(e) If a minor is taken into custody and admitted to a secure detention or shelter facility, facility staff shall immediately notify the minor's parents, including a noncustodial parent, guardian, or custodian and shall promptly notify the court of the placement.

(f) If the minor is admitted to a secure detention or shelter facility outside the county of his residence and it is determined in the hearing held under Subsection 78-3a-114(3) that detention shall continue, the judge or commissioner shall direct the sheriff of the county of the minor's residence to transport the minor to a detention or shelter facility as provided in this section.

(6) A person may be taken into custody by a peace officer without a court order if the person is in apparent violation of a protective order or if there is reason to believe that a minor is being abused by the person and any of the situations outlined in Section 77-7-2 exist.

(7) If a good faith attempt was made by the peace officer to notify the noncustodial parent in accordance with the requirements of Subsections (3)(a) and (5)(e), failure to notify shall be considered due to circumstances beyond the control of the peace officer and may not be construed to permit a new defense to any juvenile or judicial proceeding or to interfere with any rights, procedures, or investigations provided for by this chapter or Title 62A.

Be it enacted by the people of the State of Utah:

Section 1. Section 24-1-1 is enacted to read:

24-1-1. Title.

This chapter shall be cited as the "Utah Uniform Forfeiture Procedures Act."

Section 2. Section 24-1-2 is enacted to read:

24-1-2. Purpose.

It is the intent of this chapter to:

(1) provide for a uniform set of procedures and substantive standards for the criminal and civil forfeiture of property within the State of Utah;

(2) permit law enforcement personnel to deter crime by lawfully seizing and forfeiting contraband and the instrumentalities and proceeds of criminal conduct;

(3) protect innocent owners from the wrongful taking of their property;

(4) ensure that seizures and forfeitures of property from private citizens are not disproportionate to the violation or crime committed;

(5) ensure direct control and accountability over the use and sale of forfeited property and the proceeds generated therefrom; and

(6) direct that any and all revenues resulting from the sale of forfeited property be contributed to the Uniform School Fund.

Section 3. Section 24-1-3 is enacted to read:

24-1-3. Definitions.

As used in this section:

(1) "Agency" shall mean any agency of municipal, county, or state government, including law enforcement agencies, law enforcement personnel, and multi-jurisdictional task forces.

(2) "Contraband" shall mean any property which is unlawful to produce or to possess under state or federal law.

(3) "Multi-jurisdictional task force" shall mean a law enforcement task force or other agency comprised of persons who are employed by or acting under the authority of different governmental authorities, including federal, state, county or municipal governments, or any combination thereof.

(4) "Owner" shall mean any person or entity that possesses a legal or equitable interest in real or personal property, including a security interest.

(5) "Property" shall mean all property, whether real or personal, tangible or intangible.

(6) "Prosecuting Attorney" shall mean the public attorney authorized by a specific provision of state law to initiate forfeiture proceedings under this chapter.

(7) "State law" means all Utah law, including municipal, county and state law.

Section 4. Section 24-1-4 is enacted to read:

24-1-4. Civil Procedures.

(1) An agency which seizes property under any provision of state law subjecting an owner's property to civil forfeiture shall, as soon as practicable, but in no case more than 30 days after seizure:

(a) prepare a detailed inventory of all property seized and transfer the seized property to a designated official within the agency, who shall be responsible for holding and maintaining seized property pending a court order of release or final determination of forfeiture and disposition of property under this chapter;

(b) notify the prosecuting attorney responsible for initiating civil forfeiture proceedings under this chapter of the items of property seized, the place of the seizure and any persons arrested at the time of seizure; and

(c) give written notice to all owners known, or reasonably discoverable after due diligence, of the following items:

(i) the date of the seizure and the property seized;

(ii) the owner's rights and obligations under this chapter, including the availability of counsel and hardship relief in appropriate circumstances; and

(iii) an outline of the steps in the proceedings by which property is forfeited under this chapter.

(2) If the seizing agency fails to provide notice as required in subparagraph (1)(c), an owner entitled to notice who does not receive notice may void the forfeiture with respect to the owner's interest in the property by bringing a motion before the appropriate district court and serving it upon the seizing agency. Such motion may be brought at any time prior to the final disposition of the property under this chapter. If an owner brings a motion to void the forfeiture for lack of notice under subparagraph (1)(c), the court shall void the forfeiture unless the seizing agency demonstrates:

(a) good cause for the failure to give notice to that owner; or

(b) that the owner otherwise had actual notice of the seizure.

(3) (a) Within 90 days of any seizure, the prosecuting attorney shall file a complaint for forfeiture in the appropriate district court and serve a copy of the complaint upon all owners known to the prosecuting attorney to have an interest in the property by one of the following methods:

(i) personal service upon each owner whose name and address is known, or by mailing a copy to the last known address; or

(ii) upon all other owners whose addresses are not known, by publication in a newspaper of general circulation in the county where the seizure was made for a period of two consecutive weeks.

(b) The complaint shall describe with reasonable particularity:

(i) the property which is the subject matter of the forfeiture proceeding;

(ii) the date and place of seizure; and

(iii) the allegations which constitute a basis for forfeiture.

(4) If the prosecuting attorney does not timely file a complaint for forfeiture of the property in accordance with subparagraph (3), the agency shall promptly return the property to its owner and the prosecuting attorney shall take no further action to effect the forfeiture of such property. If the agency knows of more than one owner, it shall return the property to the owner who was in possession at the time of the seizure.

(5) In any case where the prosecuting attorney files a complaint for forfeiture of property, an owner may file a claim and an answer to the complaint. The claim and answer shall be filed within 30 days after the complaint is served in person or by mail, or where applicable, within 30 days after publication under subparagraph (3)(a)(ii).

(6) (a) Except as otherwise provided in this chapter, civil forfeiture proceedings are governed by the Utah Rules of Civil Procedure.

(b) The court shall take all reasonable steps to expedite forfeiture proceedings and shall give such proceedings the same priority as is given to criminal cases.

(c) In all suits or actions brought for the civil forfeiture of any property under this chapter, the burden of proof is on the prosecuting attorney to establish, by clear and convincing evidence, to what extent, if any, property is subject to forfeiture.

(d) The right to trial by jury applies to civil forfeiture proceedings.

Section 5. Section 24-1-5 is enacted to read:

24-1-5. No bond required in civil cases.

Any person may assert an interest in seized property or file an answer to a complaint for civil forfeiture without posting bond with respect to the property which is the subject of the seizure or forfeiture action.

Section 6. Section 24-1-6 is enacted to read:

24-1-6. Innocent owners.

(1) An innocent owner's interest in property shall not be forfeited civilly under any provision of state law.

(2) The prosecuting attorney shall have the burden of establishing by clear and convincing

evidence that an individual is not an innocent owner.

(3) With respect to an ownership interest in existence at the time the conduct subjecting the property to seizure took place, the term "innocent owner" means an owner who:

(a) did not have actual knowledge of the conduct subjecting the property to seizure; or

(b) upon learning of the conduct subjecting the property to seizure, took reasonable steps to prohibit such use of the property.

(4) For purposes of subparagraph (3)(b), no owner shall be required to take steps that he reasonably believes would be likely to subject any person (other than the person whose conduct gave rise to the forfeiture) to physical harm or danger. An owner may demonstrate that he took reasonable action to prohibit such use of the property by, for example:

(a) timely notifying a law enforcement agency of information that led the owner to know that conduct subjecting the property to seizure would occur, was occurring, or has occurred; or

(b) timely revoking or attempting to revoke permission for those engaging in such conduct to use the property; or

(c) taking reasonable actions to discourage or prevent the illegal use of the property.

(5) With respect to an ownership interest acquired after the conduct subjecting the property to seizure has occurred, the term "innocent owner" means a person who, at the time he acquired the interest in the property, had no knowledge that the illegal conduct subjecting the property to seizure had occurred or that the property had been seized for forfeiture, and:

(a) acquired the property in a bona fide transaction for value;

(b) was a person, including a minor child, who acquired an interest in property through probate or inheritance; or

(c) was a spouse who acquired an interest in property through dissolution of marriage or by operation of law.

(6) No owner may assert, under this paragraph, an ownership interest in contraband.

Section 7. Section 24-1-7 shall be enacted to read:

Section 24-1-7. Hardship Release of Seized Property.

(1) An owner is entitled to the immediate release of seized property from the seizing agency pending the final determination of civil forfeiture if:

(a) the owner has a possessory interest in the property;

(b) continued possession by the agency or the state pending the final disposition of the forfeiture proceedings will cause substantial hardship to the owner, such as:

(i) preventing the functioning of a legitimate business;

(ii) preventing any individual from working;

(iii) preventing any minor child or student from attending school;

(iv) preventing or hindering any person from receiving necessary medical care;

(v) hindering the care of an elderly or disabled dependent child or adult;

(vi) preventing an owner from retaining counsel to provide a defense in the forfeiture proceeding; or

(vii) leaving any individual homeless, or any other condition that the court determines causes a substantial hardship; and

(c) the hardship from the continued possession by the agency of the seized property outweighs the risk that the property will be destroyed, damaged, lost, concealed, or transferred if it is returned to the owner during the pendency of the proceeding.

(2) The right to appointed counsel under Section 24-1-9 applies throughout civil forfeiture proceedings, including an owner's motion for hardship release. An owner may file a motion for hardship release:

(i) in the court in which forfeiture proceedings have commenced; or

(ii) in any district court having jurisdiction over the property, if forfeiture proceedings have not yet commenced.

(3) The court shall render a decision on a motion or complaint filed under subparagraph (2) not later than 10 days after the date of filing, unless the ten-day period is extended by the consent of the parties or by the court for good cause shown.

(4) If the owner demonstrates substantial hardship pursuant to subparagraph (1), the court shall order the property immediately released to the owner pending completion of proceedings by the government to obtain forfeiture of the property. The court may place such conditions on release of the property as it finds are necessary and appropriate to preserve the availability of the property or its equivalent for forfeiture.

(5) Subparagraph (1) shall not apply if the seized property is:

(a) contraband;

(b) currency or other monetary instrument or electronic funds, unless such property is used to pay for the costs of defending against the forfeiture proceeding or constitutes the assets of a legitimate business; or

(c) likely to be used to commit additional illegal acts if returned to the owner.

Section 8. Section 24-1-8 is enacted to read:

24-1-8. Criminal Procedures.

(1) In cases where an owner is criminally prosecuted for conduct giving rise to forfeiture, the prosecuting attorney may elect to forfeit the owner's interest in the property civilly or criminally, provided that no civil forfeiture judgment may be entered with respect to the property of a defendant who is acquitted of the offense on which the forfeiture claim is based.

(2) If the prosecuting attorney elects to criminally forfeit the owner's interest in the property, the information or indictment must state that the owner's interest in the specifically described property is subject to criminal forfeiture and the basis for the forfeiture.

(3) (a) Upon application of the prosecuting attorney, the court may enter restraining orders or injunctions, or take other reasonable action to preserve for forfeiture under this section any forfeitable property if, after notice to persons known, or discoverable after due diligence, to have an interest in the property and after affording them an opportunity for a hearing, the court determines that:

(i) there is a substantial probability that the state will prevail on the issue of forfeiture and that failure to enter the order will result in the property being sold, transferred, destroyed or removed from the jurisdiction of the court or otherwise made unavailable for forfeiture; and

(ii) the need to preserve the availability of the property or prevent its sale, transfer, destruction or removal through the entry of the requested order outweighs the hardship against any party against whom the order is to be entered.

(b) A temporary restraining order may be entered ex parte upon application of the prosecuting attorney before or after an information or indictment has been filed with respect to the property, if the prosecuting attorney demonstrates that:

(i) there is probable cause to believe that the property with respect to which the order is sought would, in the event of a conviction, be subject to forfeiture under this section; and

(ii) provision of notice would jeopardize the availability of the property for forfeiture or would jeopardize an ongoing criminal investigation.

(c) The temporary order expires not more than 10 days after entry unless extended for good cause shown or unless the party against whom it is entered consents to an extension. An adversarial hearing concerning an order entered under this paragraph shall be held as soon as practicable and prior to the expiration of the temporary order.

(d) The court is not bound by the Utah Rules of Evidence regarding evidence it may receive and consider at any hearing under this paragraph.

(4) (a) Upon conviction by a jury of an owner for conduct giving rise to criminal forfeiture, the jury shall be instructed and asked to return a special verdict as to the extent of the property identified in the information or indictment, if any, that is forfeitable.

(b) Whether property is forfeitable shall be proven beyond a reasonable doubt.

(5) Upon conviction of a person for violating any provision of state law subjecting an owner's property to forfeiture and upon the jury's special verdict that the property is forfeitable, the court shall enter a judgment and order the property forfeited to the state treasurer upon the terms stated by the court in its order. Following the entry of an order declaring property forfeited, the court may, upon application of the prosecuting attorney, enter appropriate restraining orders or injunctions, require the execution of satisfactory performance bonds, appoint receivers, conservators, appraisers, accountants, or trustees, or take any other action to protect the interest of the state in property ordered forfeited.

(6) (a) After property is ordered forfeited under this section, the state treasurer shall direct the disposition of the property under Section 24-1-16. Any property right or interest not exercisable by or transferable for value to the state expires and does not revert to the defendant. The defendant or any person acting in concert with or on behalf of the defendant is not eligible to purchase forfeited property at any sale held by the state treasurer unless approved by the judge.

(b) The court may stay the sale or disposition of the property pending the conclusion of any appeal of the criminal case giving rise to the forfeiture if the defendant demonstrates that proceeding with the sale or disposition of the property may result in irreparable injury, harm or loss to him.

(7) Except under Subparagraphs (3) or (10), a party claiming an interest in property subject to criminal forfeiture under this section:

(a) may not intervene in a trial or appeal of a criminal case involving the forfeiture of property under this section; and

(b) may not commence an action at law or equity against the state or the county concerning the validity of his alleged interests in the property subsequent to the filing of an indictment or an information alleging that the property is subject to forfeiture under this section.

(8) The district court of the state which has jurisdiction of a case under this part may enter orders under this section without regard to the location of any property which may be subject to forfeiture under this section, or which has been ordered forfeited under this section.

(9) To facilitate the identification or location of property declared forfeited and to facilitate the disposition of petitions for remission or mitigation of forfeiture, after the entry of an order declaring property forfeited to the state treasurer, the court, may upon application of the prosecuting attorney, order that the testimony of any witness relating to the property forfeited be taken by deposition, and that any book, paper, document, record, recording, or other material not privileged shall be produced

as provided for depositions and discovery under the Utah Rules of Civil Procedure.

(10) (a) Following the entry of an order of forfeiture under this section, the prosecuting attorney shall publish notice of the order's intent to dispose of the property as the court may direct. The prosecuting attorney shall also provide direct written notice to any person known to have an alleged interest in the property subject to the order of forfeiture.

(b) Any person, other than the defendant, asserting a legal interest in property which has been ordered forfeited to the state treasurer under this section may, within 30 days of the final publication of notice or his receipt of written notice under subparagraph (a), whichever is earlier, petition the court for a hearing to adjudicate the validity of his alleged interest in the property. Any genuine issue of material fact, including issues of standing, is triable to a jury upon demand of any party.

(c) The petition shall be in writing and signed by the petitioner under penalty of perjury. It shall set forth the nature and extent of the petitioner's right, title, or interest in the property, the time and circumstances of the petitioner's acquisition of the right, title, or interest in the property, and any additional facts supporting the petitioner's claim and the relief sought.

(d) The trial or hearing on the petition shall be expedited to the extent practicable. The court may consolidate a trial or hearing on the petition and any petition filed by any other person under this section other than the defendant. The court shall permit the parties to conduct pretrial discovery pursuant to the Utah Rules of Civil Procedure.

(e) At the trial or hearing, the petitioner may testify and present evidence and witnesses on his own behalf and cross-examine witnesses who appear at the hearing. The prosecuting attorney may present evidence and witnesses in rebuttal and in defense of the claim to the property and cross-examine witnesses who appear. In addition to testimony and evidence presented at the trial or hearing, the court may consider the relevant portion of the record of the criminal case which resulted in the order of forfeiture. Any trial or hearing shall be conducted pursuant to the Utah Rules of Evidence.

(f) The court shall amend the order of forfeiture in accordance with its determination, if after the trial or hearing, the court or jury determines that the petitioner has established by a preponderance of the evidence that:

(i) the petitioner has a legal right, title, or interest in the property, and the right, title, or interest renders the order of forfeiture invalid in whole or in part because the right, title, or interest was vested in the petitioner rather than the defendant or was superior to any right, title, or interest of the defendant at the time of the commission of the acts or conduct which gave rise to the forfeiture of the property under this section; or

(ii) the petitioner acquired the right, title or interest in the property in a bona fide transaction for value and, at the time of such acquisition, the petitioner did not know that the property was subject to forfeiture.

(g) Following the court's disposition of all petitions filed under this paragraph, or if no petitions are filed following the expiration of the period provided in subparagraph (b) for the filing of petitions, the state treasurer has clear title to property subject to the order of forfeiture and may warrant good title to any subsequent purchaser or transferee.

Section 9. Section 24-1-9 is enacted to read:

24-1-9. Appointment of counsel for indigent claimants in civil and criminal forfeiture proceedings.

(1) The court may appoint counsel to represent indigent persons in civil and criminal forfeiture proceedings, including owners in criminal forfeiture proceedings who are not charged as criminal defendants. In determining whether to appoint counsel, the court shall take into account such factors as:

(a) the person's asserted interest in the property;

(b) the person's standing to contest the forfeiture; and

(c) whether the person's allegations appear to be in good faith or to be frivolous.

(2) The court shall set compensation for counsel in forfeiture proceedings at a level equivalent to compensation provided for counsel appointed in criminal cases.

Section 10. Section 24-1-10 is enacted to read:

Section 24-1-10. Pre-judgment and post-judgment interest.

In any civil or criminal proceeding to forfeit currency or other negotiable instruments under this chapter, the court shall award a prevailing owner pre-judgment and post-judgment interest on the currency or negotiable instruments at the legal rate of interest established by Section 15-1-1 of the Utah Code.

Section 11. Section 24-1-11 is enacted to read:

Section 24-1-11. Attorneys' fees and costs.

In any civil or criminal proceeding to forfeit seized property under this chapter, the court shall award a prevailing owner reasonable attorneys' fees and other costs of suit reasonably incurred by the owner. An owner who prevails only in part shall be entitled to recover reasonable attorneys' fees and reasonable costs of suit related to those issues on which he prevailed.

Section 12. Section 24-1-12 is enacted to read:

Section 24-1-12. Compensation for Damaged Property.

(1) In any civil or criminal proceeding, an owner shall have a private right of action against a seizing agency for any claim based upon the negligent destruction, loss, damage or other injury to seized property while in the possession or custody of a state agency, if the property was seized for the purpose of initiating forfeiture proceedings under this chapter.

(2) For the purposes of this section, "damage or other injury" does not include normal depreciation, deterioration or ordinary wear and tear.

Section 13. Section 24-1-13 is enacted to read:

Section 24-1-13. Limitation on Fees for Holding Seized Property.

In any civil or criminal proceeding under this chapter in which a judgment is entered in favor of an owner, or where a forfeiture proceeding against an owner is voluntarily dismissed by the prosecuting attorney, the seizing agency shall be prohibited from charging that owner any fee for holding seized property.

Section 14. Section 24-1-14 shall be enacted to read:

Section 24-1-14. Proportionality.

An owner's interest in property, excluding contraband, shall not be civilly or criminally forfeited under a provision of state law unless such forfeiture is substantially proportional to both the use of the property in committing or facilitating a violation of state law and the value of the property. Forfeiture of property used solely in a manner that is merely incidental and not instrumental to the commission or facilitation of a violation of law is not proportional, as a matter of law. The prosecuting attorney has the burden to demonstrate that any forfeiture is proportional to an alleged violation of state law. It is the province of the court, not the jury, to decide questions of proportionality.

Section 15. Section 24-1-15 is enacted to read:

Section 24-1-15. Transfer and Sharing Procedures.

(1) For purposes of Section 24–1–15, property is deemed to be "seized" whenever any agency takes possession of the property or exercises any degree of control over the property.

(2) (a) Transfer of Seized Property. Seizing agencies or prosecuting attorneys authorized to bring civil or criminal forfeiture proceedings under this chapter shall not directly or indirectly transfer seized property to any federal agency or any governmental entity not created under and subject to state law unless the court enters an order, upon petition of the prosecuting attorney, authorizing the property to be transferred. The court may not enter an order authorizing a transfer unless:

(i) the activity giving rise to the investigation or seizure is interstate in nature and sufficiently complex to justify such transfer;

(ii) the seized property may only be forfeited under federal law; or

(iii) pursuing forfeiture under state law would unduly burden prosecuting attorneys or state law enforcement agencies.

(b) Notwithstanding Subparagraph 2(a), the court may refuse to enter an order authorizing a transfer to the federal government if such transfer would circumvent the protections of the Utah Constitution or this chapter that would otherwise be available to the property owner.

(c) Prior to granting any order to transfer pursuant to subparagraph (2)(a), the court must give any owner the right to be heard with regard to the transfer.

(3) (a) Sharing of Seized Property. All property, money or other things of value received by an agency pursuant to federal law which authorizes the sharing or transfer of all or a portion of forfeited property or the proceeds of the sale of forfeited property to an agency shall be promptly transferred to the state treasurer and sold and deposited in the Uniform School Fund as provided under Section 24–1–16.

(b) Subject to subparagraph (3)(a), state agencies are encouraged to seek an equitable share of property forfeited by the federal government and to cooperate with federal law enforcement agencies in all cases in which such cooperation is in the interest of this state.

(4) Any agency that violates subparagraph (2) or (3) is civilly liable to the state for three times the amount of the forfeiture diverted and for costs of suit and reasonable attorneys' fees. Any damages awarded to the state shall be paid to the Uniform School Fund. Any agent, including state law enforcement officers who are detached to, deputized or commissioned by, or working in conjunction with a federal agency, who knowingly transfers or otherwise trades seized property in violation of subparagraph (2)(a) or who receives property, money or other things of value under subparagraph 3(a) and knowingly fails to transfer such property to the state treasurer is guilty of a Class B misdemeanor.

Section 16. Section 24-1-16 is enacted to read:

Section 24-1-16. Disposition of proceeds from criminal or civil forfeiture.

(1) When any property is civilly or criminally forfeited under this chapter by a finding of the court that no person is entitled to recover the property, the property shall be sold by the state treasurer, or destroyed if unfit for sale, and all revenue or proceeds therefrom shall be deposited in the Uniform School Fund after deducting the costs and expenses of:

(a) maintaining and storing the forfeited property;

(b) administering the forfeiture proceeding;

(c) appointed counsel under Section 24-1-9; and

(c) payment of money to compensate victims of conduct giving rise to or related to the forfeiture, or of conduct which is part of the same scheme that led to the forfeiture under this chapter.

(2) No property either seized or forfeited, whether civilly or criminally, nor any revenues or proceeds therefrom shall be paid to, appropriated for, or used for the benefit, directly or indirectly, of law enforcement officers, law enforcement agencies or agencies performing law enforcement functions.

(3) No property either seized or forfeited, whether civilly or criminally, nor any revenue or proceeds therefrom shall be, directly or indirectly, paid to, appropriated for, or used for the benefit of persons acting as:

(a) informants in any law enforcement function;

(b) witnesses in any administrative or judicial forum; or

(c) prosecutors in any state or federal actions.

(4) The state treasurer shall maintain an accounting of all properties which are either civilly or criminally forfeited and subsequently sold and all proceeds therefrom, and the state auditor shall perform an annual audit of such proceeds and communicate the results of the audit to the state treasurer and to the legislature. All accounting and audit records generated under this subparagraph shall be available and open to the public.

Section 17. Section 23-20-1 is amended to read:

[~~(ii)~~] (c) The owner of a seized vehicle is not liable for the payment of any impound fee or, if the fees have been paid, is entitled to reimbursement of the fees paid, if:

[~~(A)~~] (i) no charges are filed or all charges are dropped which involve the use of the vehicle for the unlawful taking or possessing of wildlife; [~~or~~]

[~~(ii) A defendant may move the court to transfer the forfeiture action, to stay all action, including discovery, in the forfeiture, or for hearing on the forfeiture any time prior to trial of the criminal charges. Either party may move the court to enter a finding of forfeiture as to defendant's interest in part or all of the property, either by default or by stipulation. Upon entry of a finding, the court shall stay the entry of judgment until resolution of the criminal charges. Any finding of forfeiture entered by the court prior to resolution of the criminal charges may not constitute a separate judgment, and any motion for disposition, stay, severance, or transfer of the forfeiture action may not create a separate proceeding. Upon the granting of a motion by the defendant for disposition, stay, severance, or transfer of the forfeiture action, the defendant shall be considered to have waived any claim that the defendant has been twice put in jeopardy for the same offense.~~]

[~~(iii) Any other person claiming an interest in property subject to forfeiture under this subsection may not intervene in a trial or appeal of a complaint filed under this subsection. Following the entry of an in personam forfeiture order, or upon the filing of a petition for release under Subsection (e), the county attorney, district attorney, or attorney general may proceed with a separate in rem action to resolve any other claims upon the property subject to forfeiture.~~]

The petition shall specify the claimant's interest in the property and his right to have it released. A copy shall be served upon the county attorney or, if within a prosecution district, the district attorney in the county of the seizure, who shall answer the petition within 20 days. A petitioner need not answer a complaint of forfeiture.]

[(f) For civil actions in rem, after 20 days following service of a complaint or petition for release, the court shall examine the record and if no answer is on file, the court shall allow the complainant or petitioner an opportunity to present evidence in support of his claim and order forfeiture or release of the property as the court determines. If no answer is filed within that period, the court shall order the release of the property to the petitioner entitled to receive it.]

[(g) When an answer to a complaint or petition appears of record at the end of 20 days, the court shall set the matter for hearing. PRIVATE RECORDS UNDER GOVERNMENT RECORDS ACCESS AND MANAGEMENT ACT

Sponsor: Cindy Beshear

This act modifies the Government Records Access and Management Act (GRAMA). GRAMA currently requires that certain information about a government employee be classified "private." This act authorizes government employees to give written notice of their status as government employees to other governmental entities in order to ensure that those entities classify personal information about government employees as "private." This act corrects cross-references contained in other sections of statute. This act removes any liability for damages that a government entity or government employee may have if they negligently disclose certain private records. This act repeals the predecessor bill passed in the 2001 Annual General Session and replaces it with amendments as described above. This act takes effect July 1, 2002. This act provides instructions for preparing the Utah Code database.

This act affects sections of Utah Code Annotated 1953 as follows:

Sponsor: John W. Hickman

This act modifies provisions related to Motor Vehicles and Revenue and Taxation to address the issuance of temporary permits or temporary sports event registration certificates by the Motor Vehicle Enforcement Division or a motor vehicle dealer, and to address the suspension or revocation of the authority of a motor vehicle dealer to issue a temporary permit or a temporary sports event registration certificate. The act requires the Motor Vehicle Enforcement Division to impose fees for issuing a temporary permit or a temporary sports event registration certificate, and provides that the fees may be used as dedicated credits toward the costs of the division. The act subjects a motor vehicle issued a temporary sports event registration certificate to a $5 uniform fee in lieu of property taxes, addresses the imposition of property taxes and uniform fees on tangible personal property, and provides a sales and use tax exemption for the lease or use of a motor vehicle issued a temporary sports event registration certificate. The act makes technical changes.

UTAH REVISED NONPROFIT CORPORATION ACT AMENDMENTS

Sponsor: Lyle W. Hillyard

This act modifies the Utah Revised Nonprofit Corporations Act to address issues related to a quorum of a nonprofit corporation and taking action by written ballot. The act addresses issues related to transition between the old and revised law. The act has an immediate effective date and portions of the act have retrospective operation to April 30, 2001.

This act affects sections of Utah Code Annotated 1953 as follows:

AMENDS:
16-6a-709, as last amended by Chapter 127, Laws of Utah 2001
16-6a-714, as enacted by Chapter 300, Laws of Utah 2000
16-6a-1704, as enacted by Chapter 300, Laws of Utah 2000

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 16-6a-709 is amended to read:

16-6a-709. Action by written ballot.

(1) Unless otherwise provided by the bylaws, any action that may be taken at any annual, regular, or special meeting of members may be taken without a meeting if the nonprofit corporation delivers a written ballot to every member entitled to vote on the matter.

(2) A written ballot described in Subsection (1) shall:

(a) set forth each proposed action; and

(b) provide an opportunity to vote for or against each proposed action.

(3) (a) Approval by written ballot pursuant to this section shall be valid only when:

[~~(a) the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action; and~~]

(i) the time by which all ballots must be received by the nonprofit corporation has passed so that a quorum can be determined; and

[~~(b)~~] (ii) the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot.

(b) Unless otherwise provided in this chapter or in accordance with Section 16-6a-716, for purposes of taking action by written ballot the number of votes cast by written ballot pursuant to this section constitute a quorum for action on the matter.

(4) All solicitations for votes by written ballot shall:

(a) indicate the number of responses needed to meet the quorum requirements;

(b) state the percentage of approvals necessary to approve each matter other than election of directors;

(c) specify the time by which a ballot must be received by the nonprofit corporation in order to be counted; and

(d) be accompanied by written information sufficient to permit each person casting the ballot to reach an informed decision on the matter.

(5) Unless otherwise provided by the bylaws, a written ballot may not be revoked.

(6) Action taken under this section has the same effect as action taken at a meeting of members and may be described as such in any document.

(7) Unless otherwise provided by the bylaws, a written ballot delivered to every member entitled to vote on the matter or matters therein, as described in this section, may also be used in connection with any annual, regular, or special meeting of members, thereby allowing members the choice of either voting in person or by written ballot delivered by a member to the nonprofit corporation in lieu of attendance at such meeting. Any written ballot shall comply with the requirements of Subsection (2) and shall be counted equally with the votes of members in attendance at any meeting for every purpose, including satisfaction of a quorum requirement.

Section 2. Section 16-6a-714 is amended to read:

16-6a-714. Quorum and voting requirements for voting groups.

(1) (a) Members entitled to vote as a separate voting group may take action on a matter at a meeting only if a quorum of those members exists with respect to that matter.

(b) Unless otherwise provided in this chapter or [~~the bylaws, a majority of the votes entitled to be cast on the matter by the voting group constitutes a quorum of that voting group for action on that matter~~] in accordance with Section 16-6a-716, at a meeting of the voting group, the members of the voting group that are represented for any purpose at the meeting constitute a quorum of that voting group for action on a matter.

(2) Once a member is represented for any purpose at a meeting, including the purpose of determining that a quorum exists, the member is considered present for quorum purposes:

(a) for the remainder of the meeting; and

(b) for any adjournment of that meeting, unless:

(i) otherwise provided in the bylaws; or

(ii) a new record date is or shall be set for that adjourned meeting.

(3) Action on a matter other than the election of directors by a voting group is approved if:

(a) a quorum exists;

(b) the votes cast within the voting group favoring the action exceed the votes cast within the voting group opposing the action; and

(c) a greater number of affirmative votes is not required by this chapter or the bylaws.

(4) The election of directors is governed by Section 16-6a-717.

Section 3. Section 16-6a-1704 is amended to read:

16-6a-1704. Saving provisions.

(1) (a) Except as provided in Subsection (2), the repeal of any statute by this act does not affect:

(i) the operation of the statute or any action taken under it before its repeal;

(ii) any ratification, right, remedy, privilege, obligation, or liability acquired, accrued, or incurred under the statute before its repeal;

(iii) any violation of the statute, or any penalty, forfeiture, or punishment incurred because of the violation of the statute before its repeal; or

(iv) any proceeding, reorganization, or dissolution commenced under the statute before its repeal.

(b) A proceeding, reorganization, or dissolution described in Subsection (1)(a)(iv) may be completed in accordance with the repealed statute as if the statute had not been repealed.

(2) If a penalty or punishment imposed for violation of a statute repealed by this act is reduced by this act, the penalty or punishment if not already imposed shall be imposed in accordance with this act.

(3) Section 16-6a-707 does not operate to permit a nonprofit corporation in existence prior to April 30, 2001, to take action by the written consent of fewer than all of the members entitled to vote with respect to the subject matter of the action, until the date a resolution providing otherwise is approved either:

(a) by a consent in writing:

(i) setting forth the proposed resolution; and

(ii) signed by all of the members entitled to vote with respect to the subject matter of the resolution; or

(b) at a duly convened meeting of members, by the vote of the same percentage of members of each voting group as would be required to include the resolution in an amendment to the nonprofit corporation's articles of incorporation.

(4) Indemnification for an act or omission of a director or officer of a nonprofit corporation if the act or omission occurs prior to April 30, 2001, is governed by Title 16, Chapter 6, Utah Nonprofit Corporation and Co-operative Association Act, in effect as of April 29, 2001.

(5) A nonprofit corporation is not required to amend the nonprofit corporation's articles of incorporation to state whether its members are voting members if:

(a) the nonprofit corporation was:

(i) formed prior to April 30, 2001;

(ii) formed under the laws of this state; and

(iii) existing on April 30, 2001; and

(b) the articles of incorporation of the nonprofit corporation states on April 30, 2001, that the nonprofit corporation has members.

Section 4. Effective date.

If approved by two-thirds of all the members elected to each house, this act takes effect upon approval by the governor, or the day following the constitutional time limit of Utah Constitution Article VII, Section 8, without the governor's signature, or in the case of a veto, the date of veto override.

Section 5. Retrospective operation.

The amendments to Section 16-6a-1704 in this act have retrospective operation to April 30, 2001.

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 75-5-501 is amended to read:

75-5-501. Power of attorney not affected by disability or lapse of time -- Agent responsibilities.

(1) Whenever a principal designates another his attorney-in-fact or agent by a power of attorney in writing and the writing contains the words "This power of attorney shall not be affected by disability of the principal," or "This power of attorney shall become effective upon the disability of the principal," or similar words showing the intent of the principal that the authority conferred shall be exercisable notwithstanding his disability, the authority of the attorney-in-fact or agent is exercisable by him as provided in the power on behalf of the principal notwithstanding:

If a conservator thereafter is appointed for the principal, the attorney-in-fact or agent, during the continuance of the appointment, shall account to the conservator rather than the principal. The conservator has the same power the principal would have had if he were not disabled or incompetent to revoke, suspend, or terminate all or any part of the power of attorney or agency.

[~~(3) If a power of attorney remains in effect or becomes effective as a result of a principal's incapacity or disability, the attorney-in-fact or agent holding the power of attorney shall be bound by the duties, liabilities, and standard of care in Title 75, Chapter 7, Part 3, Duties and Liabilities of Trustees.~~]

RESOLUTION APPROVING SETTLEMENT FOR PRIVATE PRISON

Sponsor: David L. Gladwell

This joint resolution of the Legislature approves the legal settlement reached between the Utah Department of Corrections and Cornell Corrections Corporation and their subcontractors VCBO Architects and Hogan Construction. This joint resolution has an immediate effective date.

Be it resolved by the Legislature of the state of Utah:

WHEREAS, the Utah Department of Corrections, following a lengthy mediation process conducted by the Honorable Judge James S. Sawaya (retired), entered into a Stipulation and Agreement to pay Cornell Corrections Corporation and their subcontractors VCBO Architects and Hogan Construction for claims resulting from the cancellation of the privatized prison project;

WHEREAS, the Stipulation and Agreement will be paid out of funds that have already been budgeted in the Department of Corrections and the Division of Risk Management, thus eliminating the need for further appropriation;

WHEREAS, the Governor has approved the settlement agreement and is submitting it to the Legislature for approval as required by Subsection 63-38b-104(2)(a); and

WHEREAS, Utah Code Section 63-38b-104 requires the Legislature's approval before a state agency can execute a settlement agreement that might cost government entities more than $1 million to implement:

RESOLUTION APPROVING TOBACCO LAWSUIT SETTLEMENT

Sponsor: David H. Steele

A joint resolution of the Legislature approving the settlement agreement between the state of Utah and the law firms of Bendinger, Crockett, Peterson and Casey and Ness, Motley, Loadholt, Richardson and Poole. This joint resolution has an immediate effective date.

Be it resolved by the Legislature of the state of Utah:

WHEREAS, on or about October 22, 1996, the Utah Attorney General's Office entered into a contingent fee agreement on behalf of the state of Utah with the outside law firms of Bendinger, Crockett, Peterson and Casey (of Salt Lake City, Utah) and Ness, Motley, Loadholt, Richardson and Poole (of Charleston, South Carolina), wherein, among other things, the state agreed to pay to the law firms 25% of the amounts, if any, received by the state from the tobacco companies in the state's tobacco reimbursement litigation;

WHEREAS, the state's tobacco reimbursement litigation (in the United States District Court for the District of Utah) was settled in 1998, through the signing by the state of Utah and other participating states of a Master Settlement Agreement with the tobacco companies;

WHEREAS, the Master Settlement Agreement provides, among other things, that the tobacco companies will pay settlement sums to the state over a period of approximately 25-30 years. The Utah Attorney General's Office has estimated that such payments could total as much as $1 billion and that sums paid to the state thus far approximate $64 million;

WHEREAS, at the insistence of the attorneys general of the participating states, the Master Settlement Agreement included a process for payment of attorneys' fees by the tobacco companies separate from and in addition to the settlement payments due the states under the Master Settlement Agreement. Pursuant to that process, the law firms entered into a February 4, 1999 Utah Fee Payment Agreement with the tobacco companies. The Utah Fee Payment Agreement provides that the tobacco companies would offer a single lump-sum cash payment for attorneys' fees. If the law firms were not satisfied with that offer, the law firms and the tobacco companies would arbitrate the amount of the attorneys' fees to be paid by the tobacco companies. The law firms party to the contingent fee agreement with the state of Utah rejected the cash offer and pursued their remedy against the tobacco companies and were awarded $64,850,000 as "reasonable compensation," to be paid at the rate of $2.5 million per year. This fee was awarded on the assumption that the law firms had logged 26,000 hours in representing the state in the tobacco litigation;

WHEREAS, the Utah Fee Payment Agreement (which is part of the Master Settlement Agreement signed by the Utah Attorney General) also provides that the rights and obligations of the state and the law firms (i.e., under the contingent fee agreement) "shall be unaffected by this Utah Fee Payment Agreement" and that the fees paid by the tobacco companies directly to the law firms are to be "credited, on a dollar-for-dollar basis, against any amount payable" to the law firms by the state;

WHEREAS, the state and the law firms have been litigating (in the Third Judicial District Court for Salt Lake County) the amount of attorneys' fees payable to the law firms as a result of the tobacco reimbursement litigation settlement, as well as the method and timing of the payment of fees;

WHEREAS, based upon the estimated total payout of $1 billion, the total attorneys' fees which could be awarded in the litigation under the contingent fee agreement could possibly be as high as $250 million (i.e., 25% of $1 billion), minus the $65 million being paid under the Utah Fee Payment Agreement, for a net possible sum of approximately $185 million;

WHEREAS, approximately 25% of all payments received by the state from the tobacco companies are being held in an escrow account in the United States District Court for the District of Utah, pending resolution of the litigation between the state and the law firms. The current balance in the escrow account is approximately $16.5 million;

WHEREAS, the state and the law firms have entered into a stipulation and settlement agreement which, subject to approval by the Legislature, resolves all claims and disputes between the state and the law firms;

WHEREAS, in the stipulation and settlement agreement, the state has agreed to pay to the law firms the sum of $9,950,000, in complete satisfaction of the state's obligations to the law firms;

WHEREAS, the entire settlement sum of $9,950,000 is to be paid out of the tobacco settlement funds being held in escrow by the United States District Court for the District of Utah, thus eliminating the need for appropriation by the state;

WHEREAS, Utah Attorney General Mark Shurtleff recommends that the Legislature approve the stipulation and settlement;

WHEREAS, Section 63-38b-104 requires the Legislature's approval before a state agency can execute a legally binding settlement agreement that might cost government entities more than $1 million to implement;

WHEREAS, the governor has approved the settlement agreement and is submitting it to the

Legislature for approval, as required by Subsection 63-38b-104(2)(a); and

WHEREAS, the Legislature believes that execution and performance of the stipulation and settlement agreement are in the best interests of the state of Utah, given the facts of the case, applicable case law, and the risks of litigation:

NOW, THEREFORE, BE IT RESOLVED that the Legislature of the state of Utah approves the stipulation and settlement agreement the Attorney General's Office has negotiated with the law firms of Bendinger, Crockett, Peterson and Casey and Ness, Motley, Loadholt, Richardson and Poole and approves the payment of $9,950,000 to the law firms from the escrowed funds held by the United States District Court for the District of Utah in complete satisfaction of the state's obligations to the law firms.

BE IT FURTHER RESOLVED, if approved by two-thirds of all the members elected to each house, this resolution takes effect upon approval by the governor, or the day following the constitutional time limit of Utah Constitution Article VII, Section 8, without the governor's signature, or in the case of a veto, the date of veto override.
