The Legislature intends that the State Board of Education review the Pupil Transportation Allocation Formula and recommend ways to improve the formula to increase efficiency, simplify allocation methodology to school districts, and provide incentives for alternative transportation methods. The Legislature further intends that the State Board of Education report its recommendations to the Education Interim Committee and the Public Education Appropriations Subcommittee at the conclusion of the current legislative session.
The Legislature intends that the State Board of Education and the State Board of Regents provide joint recommendations on how to ensure that each concurrent enrollment course is taught by a qualified instructor, that credits earned by students count towards major and minor degree requirements at state colleges and universities, and that students are advised on the transferability of credits to private and out of state institutions. The Legislature also intends that these recommendations be reported to the Education Interim Committee and the Public Education Appropriations Subcommittee by October 31, 2015.

(ii) not more than 45 nor less than 14 days prior to the due date of the renewal premium, the insurer delivers or sends by first-class mail a notice to the policyholder at the policyholder's last-known address, clearly stating:

(A) the renewal premium;

(B) how the renewal premium may be paid, including the due date for payment of the renewal premium; and

(C) that failure to pay the renewal premium by the due date extinguishes the policyholder's right to renewal; and

(D) subject to Subsection (4)(e), that the extinguishment of the right to renew for nonpayment of premium is effective no sooner than at least 10 days after delivery or first class mailing of a written notice to the policyholder that the policyholder has failed to pay the premium when due:

(iii) the policyholder has:

(A) accepted replacement coverage; or

(B) requested or agreed to nonrenewal; or

(iv) the policy is expressly designated as nonrenewable.

(e) Unless the conditions of Subsection (4)(b)(iii) or (iv) apply, an insurer may not fail to renew an insurance policy as a result of a telephone call or other inquiry that:

(i) references a policy coverage; and

(ii) does not result in the insured requesting payment of a claim.

(d) Failure to renew under this Subsection (4) is subject to Subsection (5).

(e) (i) During the period that begins when the notice described in Subsection (4)(b)(ii)(D) is delivered or mailed and ends when the premium is paid, coverage exists and premiums are due.

(ii) If after receiving the notice required by Subsection (4)(b)(ii)(D) a policyholder fails to pay the renewal premium, the coverage is extinguished as of the date the renewal premium is originally due.

(iii) Delivery of the notice required by Subsection (4)(b)(ii)(D) includes electronic delivery in accordance with Section 31A-21-316.

(iv) An insurer is not subject to Subsection (4)(b)(ii)(D) if it provides notice of the extinguishment of the right to renew for failure to pay premium at least 15 days, but no longer than 45 days, before the day the renewal payment is due.

(v) Subsection (4)(b)(ii)(D) does not apply to a policy that provides coverage for 30 days or less.

(5) Notwithstanding Subsection (4), an insurer may not fail to renew the following personal lines insurance policies solely on the basis of:

(a) in the case of a motor vehicle insurance policy:

(i) a claim from the insured that:

(A) results from an accident in which:

(I) the insured is not at fault; and

(II) the driver of the motor vehicle that is covered by the motor vehicle insurance policy is 21 years of age or older; and

(B) is the only claim meeting the condition of Subsection (5)(a)(i)(A) within a 36-month period;

(ii) a single traffic violation by an insured that:

(A) is a violation of a speed limit under Title 41, Chapter 6a, Traffic Code;

(B) is not in excess of 10 miles per hour over the speed limit;

(C) is not a traffic violation under:

(I) Section 41-6a-601;

(II) Section 41-6a-604; or

(III) Section 41-6a-605;

(D) is not a violation by an insured driver who is younger than 21 years of age; and

(E) is the only violation meeting the conditions of Subsections (5)(a)(ii)(A) through (D) within a 36-month period; or...
(iii) a claim for damage that:
(A) results solely from:
(I) wind;
(II) hail;
(III) lightning; or
(IV) an earthquake;
(B) is not preventable by the exercise of reasonable care; and
(C) is the only claim meeting the conditions of Subsections (5)(a)(iii)(A) and (B) within a 36-month period; and

(A) wind;
(B) hail; or
(C) lightning;
(ii) is not preventable by the exercise of reasonable care; and
(iii) is the only claim meeting the conditions of Subsections (5)(b)(i) and (ii) within a 36-month period.

(6) (a) (i) Subject to Subsection (6)(b), if the insurer offers or purports to renew the policy, but on less favorable terms or at higher rates, the new terms or rates take effect on the renewal date if the insurer delivered or sent by first-class mail to the policyholder notice of the new terms or rates at least 30 days prior to the expiration date of the prior policy.
(ii) If the insurer did not give the prior notification described in Subsection (6)(a)(i) to the policyholder, the new terms or rates do not take effect until 30 days after the notice is delivered or sent by first-class mail, in which case the policyholder may elect to cancel the renewal policy at any time during the 30-day period.
(iii) Return premiums or additional premium charges shall be calculated proportionately on the basis that the old rates apply.

(b) Subsection (6)(a) does not apply if the only change in terms that is adverse to the policyholder is:
(i) a rate increase generally applicable to the class of business to which the policy belongs;
(ii) a rate increase resulting from a classification change based on the altered nature or extent of the risk insured against; or
(iii) a policy form change made to make the form consistent with Utah law.

(7) (a) If a notice of cancellation or nonrenewal under Subsection (2)(c) does not state with reasonable precision the facts on which the insurer’s decision is based, the insurer shall send by first-class mail or deliver that information within 10 working days after receipt of a written request by the policyholder.
(b) A notice under Subsection (2)(c) is not effective unless it contains information about the policyholder’s right to make the request.

(8) (a) An insurer that gives a notice of nonrenewal or cancellation of insurance on a motor vehicle insurance policy issued in accordance with the requirements of Chapter 22, Part 3, Motor Vehicle Insurance, for nonpayment of a premium shall provide notice of nonrenewal or cancellation to a lienholder if the insurer has been provided the name and mailing address of the lienholder.
(b) The notice described in Subsection (8)(a) shall be provided to the lienholder by first class mail or, if agreed by the parties, any electronic means of communication.
(c) A lienholder shall provide a current physical address of notification or an electronic address of notification to an insurer that is required to make a notification under Subsection (8)(a).

(9) If a risk-sharing plan under Section 31A-2-214 exists for the kind of coverage provided by the insurance being cancelled or nonrenewed, a notice of cancellation or nonrenewal required under Subsection (2)(c) or (4)(b)(i) may not be effective unless it contains instructions to the policyholder for applying for insurance through the available risk-sharing plan.

(10) There is no liability on the part of, and no cause of action against, any insurer, its authorized representatives, agents, employees, or any other person furnishing to the insurer information relating to the reasons for cancellation or nonrenewal or for any statement made or information given by them in complying or enabling the insurer to comply with this section unless actual malice is proved by clear and convincing evidence.

(11) This section does not alter any common law right of contract rescission for material misrepresentation.

(12) If a person is required to pay a premium in accordance with this section:
(a) the person may make the payment using:
(i) the United States Postal Service;
(ii) a delivery service the commissioner describes or designates by rule made in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act; or

Section 1. Section 57-8-3 is amended to read:

57-8-3. Definitions.

As used in this chapter:

(1) “Assessment” means any charge imposed by the association, including:

(a) common expenses on or against a unit owner pursuant to the provisions of the declaration, bylaws, or this chapter; and

(b) an amount that an association of unit owners assesses to a unit owner under Subsection 57-8-43(9)(g).

(2) “Association of unit owners” means all of the unit owners:

(a) acting as a group in accordance with the declaration and bylaws; or

(b) organized as a legal entity in accordance with the declaration.

(3) “Building” means a building, containing units, and comprising a part of the property.

(4) “Commercial condominium project” means a condominium project that has no residential units within the project.

(5) “Common areas and facilities” unless otherwise provided in the declaration or lawful amendments to the declaration means:

(a) the land included within the condominium project, whether leasehold or in fee simple;

(b) the foundations, columns, girders, beams, supports, main walls, roofs, halls, corridors, lobbies, stairs, stairways, fire escapes, entrances, and exits of the building;

(c) the basements, yards, gardens, parking areas, and storage spaces;

(d) the premises for lodging of janitors or persons in charge of the property;

(e) installations of central services such as power, light, gas, hot and cold water, heating, refrigeration, air conditioning, and incinerating;

(f) the elevators, tanks, pumps, motors, fans, compressors, ducts, and in general all apparatus and installations existing for common use;

(g) such community and commercial facilities as may be provided for in the declaration; and

(h) all other parts of the property necessary or convenient to its existence, maintenance, and safety, or normally in common use.

(6) “Common expenses” means:

(a) all sums lawfully assessed against the unit owners;

(b) expenses of administration, maintenance, repair, or replacement of the common areas and facilities;

(c) expenses agreed upon as common expenses by the association of unit owners; and

(d) expenses declared common expenses by this chapter, or by the declaration or the bylaws.

(7) “Common profits,” unless otherwise provided in the declaration or lawful amendments to the declaration, means the balance of all income, rents, profits, and revenues from the common areas and facilities remaining after the deduction of the common expenses.

(8) “Condominium” means the ownership of a single unit in a multiunit project together with an
undivided interest in the common areas and facilities of the property.

(9) “Condominium plat” means a plat or plats of survey of land and units prepared in accordance with Section 57-8-13.

(10) “Condominium project” means a real estate condominium project; a plan or project whereby two or more units, whether contained in existing or proposed apartments, commercial or industrial buildings or structures, or otherwise, are separately offered or proposed to be offered for sale. Condominium project also means the property when the context so requires.

(11) “Condominium unit” means a unit together with the undivided interest in the common areas and facilities appertaining to that unit. Any reference in this chapter to a condominium unit includes both a physical unit together with its appurtenant undivided interest in the common areas and facilities and a time period unit together with its appurtenant undivided interest, unless the reference is specifically limited to a time period unit.

(12) “Contractible condominium” means a condominium project from which one or more portions of the land within the project may be withdrawn in accordance with provisions of the declaration and of this chapter. If the withdrawal can occur only by the expiration or termination of one or more leases, then the condominium project is not a contractible condominium within the meaning of this chapter.

(13) “Convertible land” means a building site which is a portion of the common areas and facilities, described by metes and bounds, within which additional units or limited common areas and facilities may be created in accordance with this chapter.

(16) “Declaration” means the instrument by which the property is submitted to the provisions of this act, as it from time to time may be lawfully amended.

(17) “Expandable condominium” means a condominium project to which additional land or an interest in it may be added in accordance with the declaration and this chapter.

(20) “Leasehold condominium” means a condominium project in all or any portion of which each unit owner owns an estate for years in his unit, or in the land upon which that unit is situated, or both, with all those leasehold interests to expire naturally at the same time. A condominium project including leased land, or an interest in the land, upon which no units are situated or to be situated is not a leasehold condominium within the meaning of this chapter.

(21) “Limited common areas and facilities” means those common areas and facilities designated in the declaration as reserved for use of a certain unit or units to the exclusion of the other units.

Substantially identical units shall be assigned the same par value, but units located at substantially different heights above the ground, or having substantially different views, or having substantially different amenities or other characteristics that might result in differences in market value, may be considered substantially identical within the meaning of this subsection. If par value is stated in terms of dollars, that statement may not be considered to reflect or control the sales price or fair market value of any unit, and no opinion, appraisal, or fair market transaction at a different figure may affect the par value of any unit, or any undivided interest in the common areas and facilities, voting rights in the unit owners’ association, liability for common expenses, or right to common profits, assigned on the basis thereof.

(28) “Period of administrative control” means the period of control described in Subsection 57-8-16.5(1).

(29) “Person” means an individual, corporation, partnership, association, trustee, or other legal entity.

(32) “Size” means the number of cubic feet, or the number of square feet of ground or floor space, within each unit as computed by reference to the record of survey map and rounded off to a whole number. (33) “Time period unit” means an annually recurring part or parts of a year specified in the declaration as a period for which a unit is separately owned and includes a timeshare estate as defined in Subsection 57-19-2(19).

(34) “Unit” means either a separate physical part of the property intended for any type of independent use, including one or more rooms or spaces located in one or more floors or part or parts of floors in a building or a time period unit, as the context may require. A convertible space shall be treated as a unit in accordance with Subsection 57-8-13.4(3). A proposed condominium unit under an expandable condominium project, not constructed, is a unit two years after the date the recording requirements of Section 57-8-13.6 are met.

(35) “Unit number” means the number, letter, or combination of numbers and letters designating the unit in the declaration and in the record of survey map.

(36) “Unit owner” means the person or persons owning a unit in fee simple and an undivided interest in the fee simple estate of the common areas and facilities in the percentage specified and established in the declaration or, in the case of a leasehold condominium project, the person or persons whose leasehold interest or interests in the condominium unit extend for the entire balance of the unexpired term or terms.

(2) (a) Except as provided in Subsection (2)(b), a meeting shall be open to each unit owner or the unit owner’s representative if the representative is designated in writing.

(i) consult with an attorney for the purpose of obtaining legal advice;

(ii) discuss ongoing or potential litigation, mediation, arbitration, or administrative proceedings;

(i) except for an appropriate allocation for an unassessed benefitted government property, may not assess a property for more than the amount that the property benefits by the improvement, operation and maintenance, or economic promotion activities:

(ii) may levy an assessment only for the actual costs that are reasonable; and

(iii) shall levy an assessment on a benefitted property in an amount that reflects an equitable proportion, subject to Subsection (1)(b), of the benefit the property will receive from an improvement, operation and maintenance, or economic promotion activities for which the assessment is levied.

(2) The assessment method a governing body uses to calculate an assessment may be according to frontage, area, taxable value, fair market value, lot, parcel, number of connections, equivalent residential unit, or any combination of these methods, or any other method as the governing body considers appropriate to comply with Subsections (1)(a) and (b).

(ii) make an allowance for each corner lot receiving the same improvement on both sides so that the property is not assessed at the full rate on both sides; and

(iii) pay for any increase in size or capacity that serves property outside of the assessment area with funds other than those levied by an assessment;

(b) may:

(4a) (i) use different methods for different improvements in an assessment area; and

(4b) (ii) assess different amounts in different classifications, even when using the same method, if acquisition or construction costs differ from classification to classification;

(4) (a) Each local entity shall make an allowance for each corner lot receiving the same improvement on both sides so that the property is not assessed at the full rate on both sides.

(b) A local entity may:

(iii) allocate a corner lot allowance under Subsection [441(a)](3)(a)(ii) to all other benefitted property within the assessment area by increasing the assessment levied against the other assessed property in the same proportion as the improvement is assessed.

(5) (a) Assessments shall be fair and equitable according to the benefit to the benefitted property from the improvement.

(b) To comply with Subsection [451(a)](1)(a), a local entity may levy assessments within zones.

(ii) except for in a voluntary assessment area or as provided in Subsection [37(b)(v)], assess a property for an improvement that would duplicate or provide a reasonably similar service that is already provided to the property.

(4) A local entity that levies an assessment under this chapter for economic promotion activities:

(a) may:

(i) levy an assessment only on commercial or industrial real property; and

(ii) create classifications based on property use, or other distinguishing factors, to determine the estimated benefit to the assessed property;

(i) office lease rates;

(ii) retail sales rates;

(iii) customer base;
(iv) public perception;
(v) hotel room rates and occupancy levels;
(vi) property values;
(vii) the commercial environment from enhanced services;
(viii) another articulable method of estimating benefits; or
(ix) a combination of the methods described in Subsections (4)(b)(i) through (viii);
(c) subject to Subsection (4)(d), shall use an assessment method that, when applied to a benefitted property, meets the requirements of Subsection (1)(a); and
(d) may not use taxable value, fair market value, or any other assessment method based on the value of the property as the sole assessment method.

(5) A local entity may levy an assessment that would otherwise violate a provision of this chapter if the owners of all property to be assessed voluntarily enter into a written agreement with the local entity consenting to the assessment.

(6) A local entity may allocate the cost of a benefit received by an unassessed benefitted government property to all other benefitted property within the assessment area by increasing the assessment levied against the other assessed property in the same proportion as the improvement, operation and maintenance, or economic promotion activities are assessed.

(13) The court may order the defendant to commit himself or herself to the custody of the Division of Substance Abuse and Mental Health for treatment at the Utah State Hospital as a condition of probation or stay of sentence, only after the superintendent of the Utah State Hospital or the superintendent’s designee has certified to the court that:

(1) On a plea of guilty or no contest entered by a defendant in conjunction with a plea in abeyance agreement, the court may hold the plea in abeyance as provided in Title 77, Chapter 2a, Pleas in Abeyance, and under the terms of the plea in abeyance agreement. 

(2) (a) On a plea of guilty, guilty with a mental illness, no contest, or conviction of any crime or offense, the court may, after imposing sentence, suspend the execution of the sentence and place the defendant on probation. The court may place the defendant: 

(i) on probation under the supervision of the Department of Corrections except in cases of class C misdemeanors or infractions; 

(ii) on probation with an agency of local government or with a private organization; or 

(iii) on bench probation under the jurisdiction of the sentencing court.

(ii) The legal custody of all probationers under the jurisdiction of the sentencing court is vested as ordered by the court. 

(iii) The court has continuing jurisdiction over all probationers. 

(3) (a) The department shall establish supervision and presentence investigation standards for all individuals referred to the department. These standards shall be based on: 

(i) the type of offense; 

(ii) the demand for services; 

(iii) the availability of agency resources; 

(iv) the public safety; and 

(v) other criteria established by the department to determine what level of services shall be provided. 

(b) Proposed supervision and investigation standards shall be submitted to the Judicial Council and the Board of Pardons and Parole on an annual basis for review and comment prior to adoption by the department. 

(c) The Judicial Council and the department shall establish procedures to implement the supervision and investigation standards. 

(d) The Judicial Council and the department shall annually consider modifications to the standards based upon criteria in Subsection (3)(a) and other criteria as they consider appropriate. 

(e) The Judicial Council and the department shall annually prepare an impact report and submit it to the appropriate legislative appropriations subcommittee. 

(4) Notwithstanding other provisions of law, the department is not required to supervise the probation of persons convicted of class B or C misdemeanors or infractions or to conduct presentence investigation reports on class C misdemeanors or infractions. However, the department may supervise the probation of class B misdemeanants in accordance with department standards. 

(5) (a) Before the imposition of any sentence, the court may, with the concurrence of the defendant, continue the date for the imposition of sentence for a reasonable period of time for the purpose of obtaining a presentence investigation report from the department or information from other sources about the defendant. 

(b) The presentence investigation report shall include: 

(i) a victim impact statement according to guidelines set in Section 77-38a-203 describing the effect of the crime on the victim and the victim’s family;

(c) The contents of the presentence investigation report are protected and are not available except by court order for purposes of sentencing as provided by rule of the Judicial Council or for use by the department.

(6) (a) The department shall provide the presentence investigation report to the defendant's attorney, or the defendant if not represented by counsel, the prosecutor, and the court for review, three working days prior to sentencing. Any alleged inaccuracies in the presentence investigation report, which have not been resolved by the parties and the department prior to sentencing, shall be brought to the attention of the sentencing judge, and the judge may grant an additional 10 working days to resolve the alleged inaccuracies of the report with the department. If after 10 working days the inaccuracies cannot be resolved, the court shall make a determination of relevance and accuracy on the record.

(b) If a party fails to challenge the accuracy of the presentence investigation report at the time of sentencing, that matter shall be considered to be waived.

(7) At the time of sentence, the court shall receive any testimony, evidence, or information the defendant or the prosecuting attorney desires to present concerning the appropriate sentence. This testimony, evidence, or information shall be presented in open court on record and in the presence of the defendant.

   (i) complete high school classwork and obtain a high school graduation diploma, a GED certificate, or a vocational certificate at the defendant's own expense if the defendant has not received the diploma, GED certificate, or vocational certificate prior to being placed on probation; or
   (ii) provide documentation of the inability to obtain one of the items listed in Subsection (8)(b)(i) because of:
       (A) a diagnosed learning disability; or
       (B) other justified cause.

(9) The department shall collect and disburse the account receivable as defined by Section 76-3-201.1, with interest and any other costs assessed under Section 64-13-21 during:

(a) the parole period and any extension of that period in accordance with Subsection 77-27-6(4); and

(b) the probation period in cases for which the court orders supervised probation and any extension of that period by the department in accordance with Subsection (10).

(10) (a) (i) Probation may be terminated at any time at the discretion of the court or upon completion without violation of 36 months probation in felony or class A misdemeanor cases, or 12 months in cases of class B or C misdemeanors or infractions.

(ii) (A) If, upon expiration or termination of the probation period under Subsection (10)(a)(i), there remains an unpaid balance upon the account receivable as defined in Section 76-3-201.1, the court may retain jurisdiction of the case and continue the defendant on bench probation for the limited purpose of enforcing the payment of the account receivable. If the court retains jurisdiction for this limited purpose, the court may order the defendant to pay to the court the costs associated with continued probation under this Subsection (10).

(B) In accordance with Section 77-18-6, the court shall record in the registry of civil judgments any unpaid balance not already recorded and immediately transfer responsibility to collect the account to the Office of State Debt Collection.

(iii) Upon motion of the Office of State Debt Collection, prosecutor, victim, or upon its own
motion, the court may require the defendant to
show cause why the defendant's failure to pay
should not be treated as contempt of court.

(b) (i) The department shall notify the sentencing
court, the Office of State Debt Collection, and the
prosecuting attorney in writing in advance in all
cases when termination of supervised probation is
being requested by the department or will occur by
law.

(ii) The notification shall include a probation
progress report and complete report of details on
outstanding accounts receivable.

11) (a) (i) Any time served by a probationer

revoke probation does not constitute service of time
toward the total probation term unless the
probationer is exonerated at a hearing to revoke the
probation.

(ii) Any time served in confinement awaiting a
hearing or decision concerning revocation of
probation does not constitute service of time toward
the total probation term unless the probationer is
exonerated at the hearing.

(b) The running of the probation period is tolled
upon the filing of a violation report with the court
alleging a violation of the terms and conditions of
probation or upon the issuance of an order to show
cause or warrant by the court.

12) (a) (i) Probation may not be modified or
extended except upon waiver of a hearing by the
probationer or upon a hearing and a finding in court
that the probationer has violated the conditions of
probation.

(ii) Probation may not be revoked except upon a
hearing in court and a finding that the conditions of
probation have been violated.

(b) (i) Upon the filing of an affidavit alleging with
particularity facts asserted to constitute violation
of the conditions of probation, the court that
authorized probation shall determine if the
affidavit establishes probable cause to believe that
revocation, modification, or extension of probation
is justified.

(ii) If the court determines there is probable
cause, it shall cause to be served on the defendant a
warrant for the defendant's arrest or a copy of the
affidavit and an order to show cause why the
defendant’s probation should not be revoked,
modified, or extended.

and place for the hearing and shall be served upon
the defendant at least five days prior to the hearing.

(ii) The defendant shall show good cause for a
continuance.

(iii) The order to show cause shall inform the
defendant of a right to be represented by counsel at
the hearing and to have counsel appointed if the
defendant is indigent.

(iv) The order shall also inform the defendant of a
right to present evidence.

(d) (i) At the hearing, the defendant shall admit or
deny the allegations of the affidavit.

(ii) If the defendant denies the allegations of the
affidavit, the prosecuting attorney shall present
evidence on the allegations.

(iii) The persons who have given adverse
information on which the allegations are based
shall be presented as witnesses subject to
questioning by the defendant unless the court for
good cause otherwise orders.

(iv) The defendant may call witnesses, appear
and speak in the defendant's own behalf, and
present evidence.

(e) (i) After the hearing the court shall make
findings of fact.

(ii) Upon a finding that the defendant violated the
conditions of probation, the court may order the
probation revoked, modified, continued, or that the
entire probation term commence anew.

(iii) If probation is revoked, the defendant shall be
sentenced or the sentence previously imposed shall
be executed.

13) The court may order the defendant to commit
himself or herself to the custody of the Division of
Substance Abuse and Mental Health for treatment
at the Utah State Hospital as a condition of
probation or stay of sentence, only after the
superintendent of the Utah State Hospital or the
superintendent's designee has certified to the court
that:

(a) the defendant is appropriate for and can
benefit from treatment at the state hospital;

(b) treatment space at the hospital is available for
the defendant; and

(c) persons described in Subsection
62A–15–610(2)(g) are receiving priority for
treatment over the defendants described in this
Subsection (13).

14) Presentence investigation reports are
classified protected in accordance with Title 63G,
Chapter 2, Government Records Access and
Management Act. Notwithstanding Sections
63G–2–403 and 63G–2–404, the State Records
Committee may not order the disclosure of a
presentence investigation report. Except for
disclosure at the time of sentencing pursuant to this
section, the department may disclose the
presentence investigation only when:

representative; or
(e) requested by the victim of the crime discussed in the presentence investigation report or the victim’s authorized representative, provided that the disclosure to the victim shall include only information relating to statements or materials provided by the victim, to the circumstances of the crime including statements by the defendant, or to the impact of the crime on the victim or the victim’s household.

(15) (a) The court shall consider home confinement as a condition of probation under the supervision of the department, except as provided in Sections 76-3-406 and 76-5-406.5.

(b) The department shall establish procedures and standards for home confinement, including electronic monitoring, for all individuals referred to the department in accordance with Subsection (16).

(16) (a) If the court places the defendant on probation under this section, it may order the defendant to participate in home confinement through the use of electronic monitoring as described in this section until further order of the court.

(b) The electronic monitoring shall alert the department and the appropriate law enforcement unit of the defendant’s whereabouts.

(c) The electronic monitoring device shall be used under conditions which require:

would maximize the direct economic impact for the state; and

(g) authorize the issuance and use of contingent tax credits to accomplish the purposes referred to in Subsections (2)(a) through (e) while protecting the interests of the state by limiting the manner in which contingent tax credits are issued, registered, transferred, claimed as an offset to the payment of state income tax, and redeemed.

(a) “Accounts receivable” includes unpaid fees, overpayments, fines, forfeitures, surcharges, costs, interest, penalties, restitution to victims, third party claims, claims, reimbursement of a reward, and damages.

(b) “Criminal judgment accounts receivable” means any amount due the state arising from a criminal judgment for which payment has not been received by the state agency that is servicing the debt.

(2) (a) A criminal judgment account receivable ordered by the court as a result of prosecution for a criminal offense may be collected by any means authorized by law for the collection of a civil judgment.

(b) (i) The court may permit a defendant to pay a criminal judgment account receivable in installments.

(ii) In the district court, if the criminal judgment account receivable is paid in installments, the total amount due shall include all fines, surcharges, postjudgment interest, and fees.

(c) Upon default in the payment of a criminal judgment account receivable or upon default in the payment of any installment of that receivable, the criminal judgment account receivable may be collected as provided in this section or Subsection 77-18-1(9) or (10), and by any means authorized by law for the collection of a civil judgment.

(3) When a defendant defaults in the payment of a criminal judgment account receivable or any installment of that receivable, the court, on motion of the prosecution, victim, or upon its own motion may:

(a) order the defendant to appear and show cause why the default should not be treated as contempt of court; or

(b) issue a warrant of arrest.

(4) (a) Unless the defendant shows that the default was not attributable to an intentional refusal to obey the order of the court or to a failure to make a good faith effort to make the payment, the court may find that the default constitutes contempt.

(b) Upon a finding of contempt, the court may order the defendant committed until the criminal judgment account receivable, or a specified part of it, is paid.

(5) If it appears to the satisfaction of the court that the default is not contempt, the court may enter an order for any of the following or any combination of the following:

(a) require the defendant to pay the criminal judgment account receivable or a specified part of it by a date certain;

(b) restructure the payment schedule;

(c) restructure the installment amount;

(h) in the court, record the unpaid balance of the criminal judgment account receivable as a civil judgment and transfer the responsibility for collecting the judgment to the Office of State Debt Collection.

6. In issuing an order under this section, the court may not modify the amount of the judgment of complete restitution.

7. Whether or not a default constitutes contempt, the court may add to the amount owed the fees established under Subsection 63A-3-502(4)(g) and postjudgment interest.

8. (a) (i) If a criminal judgment account receivable is past due in a case supervised by the Department of Corrections, the judge shall determine whether to record the unpaid balance of the account receivable as a civil judgment.

(ii) If the judge records the unpaid balance of the account receivable as a civil judgment, the judge shall transfer the responsibility for collecting the judgment to the Office of State Debt Collection.

(b) If a criminal judgment account receivable in a case not supervised by the Department of Corrections is past due, the court may, without a motion or hearing, record the unpaid balance of the criminal judgment account receivable as a civil judgment and transfer the responsibility for collecting the account receivable to the Office of State Debt Collection.

(c) If a criminal judgment account receivable in a case not supervised by the Department of Corrections is more than 90 days past due, the district court shall, without a motion or hearing, record the unpaid balance of the criminal judgment account receivable as a civil judgment and transfer the responsibility for collecting the criminal judgment account receivable to the Office of State Debt Collection.

9. (a) When a fine, forfeiture, surcharge, cost permitted by statute, fee, or an order of restitution is imposed on a corporation or unincorporated association, the person authorized to make disbursement from the assets of the corporation or association shall pay the obligation from those assets.

(b) Failure to pay the obligation may be held to be contempt under Subsection (3).

10. The prosecuting attorney may collect restitution on behalf of a victim.

11. (a) Criminal judgment accounts receivable are not subject to civil statutes of limitations and expire only upon payment in full.

(b) This Subsection (11) applies to all criminal judgment accounts receivable not paid in full on or before May 12, 2015.

Be it enacted by the Legislature of the state of Utah:  

Section 1. Section 17B–1–508 is amended to read:  

17B–1–508. Public hearing -- Quorum of board required to be present.  

(1) A public hearing on the proposed withdrawal shall be held by the board of trustees of a local district that:  

(a) certifies a petition under Subsection 17B–1–507(1)(b)(i) unless the petition was signed by all of the owners of private land within the area proposed to be withdrawn or all of the registered voters residing within the area proposed to be withdrawn; or  

(b) adopts a resolution under Subsection 17B–1–504(1)(a)(iii) unless another local district provides to the area proposed to be withdrawn the same retail or wholesale service as provided by the local district that adopted the resolution.  

(2) The public hearing required by Subsection (1) for a petition certified by the board of trustees of a local district under Subsection 17B–1–507(1)(b)(i), other than a petition filed in accordance with Subsection 17B–1–504(1)(a)(iv), may be held as an agenda item of a meeting of the board of trustees of the local district without complying with the requirements of Subsection (3)(b), (3)(c), or Section 17B–1–509.  

(3) Except as provided in Subsection (2), the public hearing required by Subsection (1) shall be held:  

(a) no later than 90 days after:  

(i) certification of the petition under Subsection 17B–1–507(1)(b)(i); or  

(ii) adoption of a resolution under Subsection 17B–1–504(1)(a)(iii);  

(b) (i) for a local district located entirely within a single county:  

(A) within or as close as practicable to the area proposed to be withdrawn; or  

(B) at the local district office; or  

(ii) for a local district located in more than one county:  

(A) (I) within the county in which the area proposed to be withdrawn is located; and  

(II) within or as close as practicable to the area proposed to be withdrawn; or  

(B) if the local district office is reasonably accessible to all residents within the area proposed to be annexed, at the local district office;  

(c) on a weekday evening other than a holiday beginning no earlier than 6:00 p.m.; and  

(d) for the purpose of allowing:  

(i) the public to ask questions and obtain further information about the proposed withdrawal and issues raised by it; and  

(ii) any interested person to address the board of trustees concerning the proposed withdrawal.  

(4) A quorum of the board of trustees of the local district shall be present throughout the public hearing provided for under this section.  

(5) A public hearing under this section may be postponed or continued to a new time, date, and place without further notice by a resolution of the board of trustees adopted at the public hearing held at the time, date, and place specified in the published notice; provided, however, that the public hearing may not be postponed or continued to a date later than 15 days after the 90-day period under Subsection (3).
Section 2. Section 17B-1-510 is amended to read:

17B-1-510. Resolution approving or rejecting withdrawal -- Criteria for approval or rejection -- Terms and conditions.

(1) (a) [On or before the date of the board meeting next following the public hearing under Section 17B-1-508, but in no case] No later than 90 days after the public hearing under Section 17B-1-508, or, if no hearing is held, within 90 days after the filing of a petition under Section 17B-1-504, the board of trustees of the local district in which the area proposed to be withdrawn is located shall adopt a resolution:

(i) approving the withdrawal of some or all of the area from the local district; or

(ii) rejecting the withdrawal.

(b) Each resolution approving a withdrawal shall:

(i) include a legal description of the area proposed to be withdrawn;

(ii) state the effective date of the withdrawal; and

(iii) set forth the terms and conditions under Subsection (5), if any, of the withdrawal.

(c) Each resolution rejecting a withdrawal shall include a detailed explanation of the board of trustees' reasons for the rejection.

(2) Unless denial of the petition is required under Subsection (3), the board of trustees shall adopt a resolution approving the withdrawal of some or all of the area from the local district if the board of trustees determines that:

(a) the area to be withdrawn does not and will not require the service that the local district provides;

(b) the local district will not be able to provide service to the area to be withdrawn for the reasonably foreseeable future; or

(c) the area to be withdrawn has obtained the same service that is provided by the local district or a commitment to provide the same service that is provided by the local district from another source.

(3) The board of trustees shall adopt a resolution denying the withdrawal if it determines that the proposed withdrawal would:

(a) result in a breach or default by the local district under:

(i) any of its notes, bonds, or other debt or revenue obligations;

(ii) any of its agreements with entities which have insured, guaranteed, or otherwise credit–enhanced any debt or revenue obligations of the local district; or

(iii) any of its agreements with the United States or any agency of the United States; provided, however, that, if the local district has entered into an agreement with the United States that requires the consent of the United States for a withdrawal of territory from the district, a withdrawal under this part may occur if the written consent of the United States is obtained and filed with the board of trustees;

(b) adversely affect the ability of the local district to make any payments or perform any other material obligations under:

(i) any of its agreements with the United States or any agency of the United States;

(ii) any of its notes, bonds, or other debt or revenue obligations; or

(iii) any of its agreements with entities which have insured, guaranteed, or otherwise credit–enhanced any debt or revenue obligations of the local district;

(c) result in the reduction or withdrawal of any rating on an outstanding note, bond, or other debt or revenue obligation of the local district;

(d) create an island or peninsula of nondistrict territory within the local district or of district territory within nondistrict territory that has a material adverse affect on the local district's ability to provide service or materially increases the cost of providing service to the remainder of the local district;

(e) materially impair the operations of the remaining local district; or

(f) require the local district to materially increase the fees it charges or property taxes or other taxes it levies in order to provide to the remainder of the district the same level and quality of service that was provided before the withdrawal.

(4) In determining whether the withdrawal would have any of the results described in Subsection (3), the board of trustees may consider the cumulative impact that multiple withdrawals over a specified period of time would have on the local district.

(5) (a) Despite the presence of one or more of the conditions listed in Subsection (3), the board of trustees may approve a resolution withdrawing an area from the local district imposing terms or conditions that mitigate or eliminate the conditions listed in Subsection (3), including:

(i) a requirement that the owners of property located within the area proposed to be withdrawn or residents within that area pay their proportionate share of any outstanding district bond or other obligation as determined pursuant to Subsection (5)(b);

(ii) a requirement that the owners of property located within the area proposed to be withdrawn or residents within that area make one or more payments in lieu of taxes, fees, or assessments;

(iii) a requirement that the board of trustees and the receiving entity agree to reasonable payment and other terms in accordance with Subsections (5)(f) through (g) regarding the transfer to the receiving entity of district assets that the district used before withdrawal to provide service to the
withdrawn area but no longer needs because of the withdrawal; provided that, if those district assets are allocated in accordance with Subsections (5)(f) through (g), the district shall immediately transfer to the receiving entity on the effective date of the withdrawal, all title to and possession of district assets allocated to the receiving entity; or

(iv) any other reasonable requirement considered to be necessary by the board of trustees.

(b) Other than as provided for in Subsection 17B-1-511(2), and except as provided in Subsection (5)(e), in determining the proportionate share of outstanding bonded indebtedness or other obligations under Subsection (5)(a)(i) and for purposes of determining the allocation and transfer of district assets under Subsection (5)(a)(iii), the board of trustees and the receiving entity, or in cases where there is no receiving entity, the board and the sponsors of the petition shall:

(i) engage engineering and accounting consultants chosen by the procedure provided in Subsection (5)(d); provided however, that if the withdrawn area is not receiving service, an engineering consultant need not be engaged; and

(ii) require the engineering and accounting consultants engaged under Subsection (5)(b)(i) to communicate in writing to the board of trustees and the receiving entity, or in cases where there is no receiving entity, the board and the sponsors of the petition the information required by Subsections (5)(f) through (h).

(c) For purposes of this Subsection (5):

(i) “accounting consultant” means a certified public accountant or a firm of certified public accountants with the expertise necessary to make the determinations required under Subsection (5)(h); and

(ii) “engineering consultant” means a person or firm that has the expertise in the engineering aspects of the type of system by which the withdrawn area is receiving service that is necessary to make the determination required under Subsections (5)(f) and (g).

(d) (i) Unless the board of trustees and the receiving entity, or in cases where there is no receiving entity, the board and the sponsors of the petition agree on an engineering consultant and an accounting consultant, each consultant shall be chosen from a list of consultants provided by the Consulting Engineers Council of Utah and the Utah Association of Certified Public Accountants, respectively, as provided in this Subsection (5)(d).

(ii) A list under Subsection (5)(d)(i) may not include a consultant who has had a contract for services with the district or the receiving entity during the two-year period immediately before the list is provided to the local district.

(iii) Within 20 days of receiving the lists described in Subsection (5)(d)(i), the board of trustees shall eliminate the name of one engineering consultant from the list of engineering consultants and the name of one accounting consultant from the list of accounting consultants and shall notify the receiving entity, or in cases where there is no receiving entity, the sponsors of the petition in writing of the eliminations.

(iv) Within three days of receiving notification under Subsection (5)(d), the receiving entity, or in cases where there is no receiving entity, the sponsors of the petition shall eliminate another name of an engineering consultant from the list of engineering consultants and another name of an accounting consultant from the list of accounting consultants and shall notify the board of trustees in writing of the eliminations.

(v) The board of trustees and the receiving entity, or in cases where there is no receiving entity, the board and the sponsors of the petition shall continue to alternate between them, each eliminating the name of one engineering consultant from the list of engineering consultants and the name of one accounting consultant from the list of accounting consultants and providing written notification of the eliminations within three days of receiving notification of the previous notification, until the name of only one engineering consultant remains on the list of engineering consultants and the name of only one accounting consultant remains on the list of accounting consultants.

(e) The requirement under Subsection (5)(b) to engage engineering and accounting consultants does not apply if the board of trustees and the receiving entity, or in cases where there is no receiving entity, the board and the sponsors of the petition agree on the allocations that are the engineering consultant’s responsibility under Subsection (5)(f) or the determinations that are the accounting consultant’s responsibility under Subsection (5)(h); provided however, that if engineering and accounting consultants are engaged, the district and the receiving entity, or in cases where there is no receiving entity, the district and the sponsors of the petition shall equally share the cost of the engineering and accounting consultants.

(f) (i) The engineering consultant shall allocate the district assets between the district and the receiving entity as provided in this Subsection (5)(f).

(ii) The engineering consultant shall allocate:

(A) to the district those assets reasonably needed by the district to provide to the area of the district remaining after withdrawal the kind, level, and quality of service that was provided before withdrawal; and

(B) to the receiving entity those assets reasonably needed by the receiving entity to provide to the withdrawn area the kind and quality of service that was provided before withdrawal.

(iii) If the engineering consultant determines that both the local district and the receiving entity reasonably need a district asset to provide to their respective areas the kind and quality of service provided before withdrawal, the engineering consultant shall:
(A) allocate the asset between the local district and the receiving entity according to their relative needs, if the asset is reasonably susceptible of division; or

(B) allocate the asset to the local district, if the asset is not reasonably susceptible of division.

(g) All district assets remaining after application of Subsection (5)(f) shall be allocated to the local district.

(h) (i) The accounting consultant shall determine the withdrawn area’s proportionate share of any redemption premium and the principal of and interest on:

(A) the local district’s revenue bonds that were outstanding at the time the petition was filed;

(B) the local district’s general obligation bonds that were outstanding at the time the petition was filed; and

(C) the local district’s general obligation bonds that:

(I) were outstanding at the time the petition was filed; and

(II) are treated as revenue bonds under Subsection (5)(i); and

(D) the district’s bonds that were issued prior to the date the petition was filed to refund the district’s revenue bonds, general obligation bonds, or general obligation bonds treated as revenue bonds.

(ii) For purposes of Subsection (5)(h)(i), the withdrawn area’s proportionate share of redemption premium, principal, and interest shall be the amount that bears the same relationship to the total redemption premium, principal, and interest for the entire district that the average annual gross revenues from the withdrawn area during the three most recent complete fiscal years before the filing of the petition bears to the average annual gross revenues from the entire district for the same period.

(i) For purposes of Subsection (5)(h)(i), a district general obligation bond shall be treated as a revenue bond if:

(i) the bond is outstanding on the date the petition was filed; and

(ii) the principal of and interest on the bond, as of the date the petition was filed, had been paid entirely from local district revenues and not from a levy of ad valorem tax.

(j) (i) Before the board of trustees of the local district files a resolution approving a withdrawal, the receiving entity, or in cases where there is no receiving entity, the sponsors of the petition. Notwithstanding Subsection 17B–1–512(1), the board of trustees may not be required to file a resolution approving a withdrawal until the requirements for establishing and funding an escrow trust fund in this Subsection (5)(j)(i) have been met; provided that, if the escrow trust fund has not been established and funded within 180 days after the board of trustees passes a resolution approving a withdrawal, the resolution approving the withdrawal shall be void.

(ii) Concurrently with the creation of the escrow, the receiving entity, or in cases where there is no receiving entity, the sponsors of the petition shall provide to the board of trustees of the local district:

(A) a written opinion of an attorney experienced in the tax-exempt status of municipal bonds stating that the establishment and use of the escrow to pay the proportionate share of the district’s outstanding revenue bonds and general obligation bonds that are treated as revenue bonds will not adversely affect the tax-exempt status of the bonds; and

(B) a written opinion of an independent certified public accountant verifying that the principal of and interest on the deposited government obligations are sufficient to provide for the payment of the withdrawn area’s proportionate share of the bonds as provided in Subsection (5)(h).

(iii) The receiving entity, or in cases where there is no receiving entity, the sponsors of the petition shall bear all expenses of the escrow and the redemption of the bonds.

(iv) The receiving entity may issue bonds under Title 11, Chapter 14, Local Government Bonding Act, and Title 11, Chapter 27, Utah Refunding Bond Act, to fund the escrow.

(6) A requirement imposed by the board of trustees as a condition to withdrawal under Subsection (5) shall, in addition to being expressed in the resolution, be reduced to a duly authorized and executed written agreement between the parties to the withdrawal.

(7) An area that is the subject of a withdrawal petition under Section 17B–1–504 that results in a board of trustees resolution denying the proposed withdrawal may not be the subject of another withdrawal petition under Section 17B–1–504 for two years after the date of the board of trustees resolution denying the withdrawal.

Section 3. Section 17B–1–607 is amended to read:

17B–1–607. Tentative budget to be prepared -- Review by governing body.

(1) On or before the first regularly scheduled meeting of the board of trustees in November for a calendar year entity and May for a fiscal year entity, the budget officer of each local district shall prepare for the ensuing year, [on forms provided by the state auditor] in a format prescribed by the state auditor, and file with the board of trustees a
tentative budget for each fund for which a budget is required.

(2) (a) Each tentative budget under Subsection (1) shall provide in tabular form:

(i) actual revenues and expenditures for the last completed fiscal year;

(ii) estimated total revenues and expenditures for the current fiscal year; and

(iii) the budget officer's estimates of revenues and expenditures for the budget year.

(b) The budget officer shall estimate the amount of revenue available to serve the needs of each fund, estimate the portion to be derived from all sources other than general property taxes, and estimate the portion that shall be derived from general property taxes.

(3) The tentative budget, when filed by the budget officer with the board of trustees, shall contain the estimates of expenditures together with specific work programs and any other supporting data required by this part or requested by the board.

(4) The board of trustees shall review, consider, and tentatively adopt the tentative budget in any regular meeting or special meeting called for that purpose and may amend or revise the tentative budget in any manner that the board considers advisable prior to public hearings, but no appropriation required for debt retirement and interest or reduction of any existing deficits under Section 17B-1-613, or otherwise required by law, may be reduced below the minimums so required.

(5) When a new district is created, the board of trustees shall:

(a) prepare a budget covering the period from the date of incorporation to the end of the fiscal year;

(b) substantially comply with all other provisions of this part with respect to notices and hearings; and
