[63M-1-702]. 63N-3-202. Purpose.
(1) (a) The Legislature recognizes that the growth of new industry and expansion of existing industry requires a strong technology base, new ideas, concepts, innovations, and prototypes.

(b) Growth in industry frequently results from technological innovation generated by strong research institutions of higher education and by small businesses.

(d) Most states enhance their research base by direct funding, usually on a matching basis.

(e) The purpose of this part is to catalyze and enhance the growth of these technologies by:

(i) encouraging interdisciplinary research activities in targeted areas;

(ii) facilitating the transition of these technologies out of the higher education environment into industry where the technologies can be used to enhance job creation; and

(iii) supporting the commercialization of technologies developed by small business to enhance job creation.

(f) The Legislature recognizes that one source of funding is to match state funds with federal funds and industrial support to provide and develop new technologies.

(2) The Legislature recommends that the governor consider matching the allocation of economic development funds for the Technology Commercialization and Innovation Program with industry and federal grants.

(3) (a) The Legislature recommends that the funds be allocated on a competitive basis:

[63M-1-2702]. 63N-3-302. Purpose.

The Legislature recognizes that:

(1) the development of and assistance to business in Utah is a state public purpose necessary to assure the growth of the state’s economy and provide adequate employment opportunities for its citizens;

(2) public colleges and universities in the state hereafter, referred to as “host institutions,” have academic and physical resources that can enhance economic development within the state through a partnership with the Governor’s Office of Economic Development;

(4) coordination of business clients needs is best done in the regions where they are established;

(5) this coordination needs to be done under the direction of one designated state agency;

Section 25. Section 7-25-406 is enacted to read:

(1) The commissioner may enter into consent orders at any time with any person to resolve any matter arising under this chapter. A consent order must be signed by the person to whom it is issued or a duly authorized representative, and must indicate agreement to the terms contained in the consent order. Utah Code Sections Affected by Coordination Clause:
53A-17a-135, as last amended by Laws of Utah 2014, Chapter 4

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 11-13-302 is amended to read:

11-13-302. Payment of fee in lieu of ad valorem property tax by certain energy suppliers -- Method of calculating -- Collection -- Extent of tax lien.

(1) (a) Each project entity created under this chapter that owns a project and that sells any capacity, service, or other benefit from it to an energy supplier or suppliers whose tangible property is not exempted by Utah Constitution Article XIII, Section 3, from the payment of ad valorem property tax, shall pay an annual fee in lieu of ad valorem property tax as provided in this section to each taxing jurisdiction within which the project or any part of it is located.

(b) For purposes of this section, “annual fee” means the annual fee described in Subsection (1)(a) that is in lieu of ad valorem property tax.

(c) The requirement to pay an annual fee shall commence:

(i) with respect to each taxing jurisdiction that is a candidate receiving the benefit of impact alleviation payments under contracts or determination orders provided for in Sections 11-13-305 and 11-13-306, with the fiscal year of the candidate following the fiscal year of the candidate in which the date of commercial operation of the last generating unit, other than any generating unit providing additional project capacity, of the project occurs, or, in the case of any facilities providing additional project capacity, with the fiscal year of the candidate following the fiscal year of the candidate in which the date of commercial operation of the generating unit providing the additional project capacity occurs; and

(ii) with respect to any taxing jurisdiction other than a taxing jurisdiction described in Subsection (1)(c)(i), with the fiscal year of the taxing jurisdiction in which construction of the project commences, or, in the case of facilities providing additional project capacity, with the fiscal year of the taxing jurisdiction in which construction of those facilities commences.

(d) The requirement to pay an annual fee shall continue for the period of the useful life of the project or facilities.

(2) (a) The annual fees due a school district shall be as provided in Subsection (2)(b) because the ad valorem property tax imposed by a school district and authorized by the Legislature represents both:

(i) a levy mandated by the state for the state minimum school program under Section 53A-17a-135; and

(ii) local levies for capital outlay and other purposes under Sections 53A-16-113, 53A-17a-133, and 53A-17a-164.

(b) The annual fees due a school district shall be as follows:

(i) the project entity shall pay to the school district an annual fee for the state minimum school program at the rate imposed by the school district and authorized by the Legislature under [Subsection] Section 53A-17a-135(L); and

(ii) for all other local property tax levies authorized to be imposed by a school district, the project entity shall pay to the school district either:
(A) an annual fee; or

(B) impact alleviation payments under contracts or determination orders provided for in Sections 11-13-305 and 11-13-306.

(3) (a) An annual fee due a taxing jurisdiction for a particular year shall be calculated by multiplying the tax rate or rates of the jurisdiction for that year by the product obtained by multiplying the fee base or value determined in accordance with Subsection (4) for that year of the portion of the project located within the jurisdiction by the percentage of the project which is used to produce the capacity, service, or other benefit sold to the energy supplier or suppliers.

(b) As used in this section, “tax rate,” when applied in respect to a school district, includes any assessment to be made by the school district under Subsection (2) or Section 63M-5-302.

(c) There is to be credited against the annual fee due a taxing jurisdiction for each year, an amount equal to the debt service, if any, payable in that year by the project entity on bonds, the proceeds of which were used to provide public facilities and services for impact alleviation in the taxing jurisdiction in accordance with Sections 11-13-305 and 11-13-306.

(d) The tax rate for the taxing jurisdiction for that year shall be computed so as to:

(i) take into account the fee base or value of the portion of the project located within the taxing jurisdiction determined in accordance with Subsection (4) used to produce the capacity, service, or other benefit sold to the supplier or suppliers; and

(ii) reflect any credit to be given in that year.

(4) (a) Except as otherwise provided in this section, the annual fees required by this section shall be paid, collected, and distributed to the taxing jurisdiction as if:

(i) the annual fees were ad valorem property taxes; and

(ii) the project were assessed at the same rate and upon the same measure of value as taxable property in the state.

(b) (i) Notwithstanding Subsection (4)(a), for purposes of an annual fee required by this section, the fee base of a project may be determined in accordance with an agreement among:

(A) the project entity; and

(B) any county that:

(I) is due an annual fee from the project entity; and

(II) agrees to have the fee base of the project determined in accordance with the agreement described in this Subsection (4).

(ii) The agreement described in Subsection (4)(b)(i):

(A) shall specify each year for which the fee base determined by the agreement shall be used for purposes of an annual fee; and

(B) may not modify any provision of this chapter except the method by which the fee base of a project is determined for purposes of an annual fee.

(iii) For purposes of an annual fee imposed by a taxing jurisdiction within a county described in Subsection (4)(b)(i)(B), the fee base determined by the agreement described in Subsection (4)(b)(i) shall be used for purposes of an annual fee imposed by that taxing jurisdiction.

(iv) (A) If there is not agreement as to the fee base of a portion of a project for any year, for purposes of an annual fee, the State Tax Commission shall determine the value of that portion of the project for which there is not an agreement:

(I) for that year; and

(1) As used in this section, “voted and board local levy funding balance” means the difference between:

(a) the amount appropriated for the voted and board local levy program in a fiscal year; and

(b) the amount necessary to provide the state guarantee per weighted pupil unit as determined under this section and Section 53A-17a-164 in the same fiscal year.

(2) An election to consider adoption or modification of a voted local levy is required if initiative petitions signed by 10% of the number of electors of a district voting at an election in the manner set forth in Subsections (9) and (10) of the electors of a district voting at an election in the manner set forth in Subsections (9) and (10) under Section 53A-17a-164 in the current fiscal year; and

(3) (a) (i) To impose a voted local levy, a majority of the electors of a district voting at an election in the manner set forth in Subsections (9) and (10) must vote in favor of a special tax.

(ii) The tax rate may not exceed .002 per dollar of taxable value.

(b) Except as provided in Subsection (3)(c), in order to receive state support the first year, a district must receive voter approval no later than December 1 of the year prior to implementation.

(c) Beginning on or after January 1, 2012, a school district may receive state support in accordance with Subsection (4) without complying with the requirements of Subsection (3)(b) if the local school board imposed a tax in accordance with this section during the taxable year beginning on January 1, 2011 and ending on December 31, 2011.

(4) (a) In addition to the revenue a school district collects from the imposition of a levy pursuant to this section, the state shall contribute an amount sufficient to guarantee $33.27 per weighted pupil unit for each .0001 of the first .0016 per dollar of taxable value.

(b) The same dollar amount guarantee per weighted pupil unit for the .0016 per dollar of taxable value under Subsection (4)(a) shall apply to the portion of the board local levy authorized in Section 53A-17a-164, so that the guarantee shall apply up to a total of .002 per dollar of taxable value if a school district levies a tax rate under both programs.

(c) (i) Beginning July 1, 2014, the $27.36 guarantee under Subsections (4)(a) and (b) shall be indexed each year to the value of the weighted pupil unit for the grades 1 through 12 program by making the value of the guarantee equal to $00963 .011194 times the value of the prior year's weighted pupil unit for the grades 1 through 12 program.

(ii) The guarantee shall increase by .0005 times the value of the prior year's weighted pupil unit for the grades 1 through 12 program for each succeeding year subject to the Legislature appropriating funds for an increase in the guarantee.

(d) (i) The amount of state guarantee money to which a school district would otherwise be entitled to receive under this Subsection (4) may not be reduced for the sole reason that the district's levy is reduced as a consequence of changes in the certified tax rate under Section 59-2-924 pursuant to changes in property valuation.

(ii) Subsection (4)(d)(i) applies for a period of five years following any such change in the certified tax rate.

(e) The guarantee provided under this section does not apply to the portion of a voted local levy rate that exceeds the voted local levy rate that was in effect for the previous fiscal year, unless an increase in the voted local levy rate was authorized in an election conducted on or after July 1 of the previous fiscal year and before December 2 of the previous fiscal year.

(f) (i) If a voted and board local levy funding balance exists for the prior fiscal year, the State Board of Education shall:

The State Board of Education shall report action taken under this Subsection (4)(f) to the Office of the Legislative Fiscal Analyst and the Governor's Office of Planning and Budget.

(5) (a) An election to modify an existing voted local levy is not a reconsideration of the existing authority unless the proposition submitted to the electors expressly so states.

(b) A majority vote opposing a modification does not deprive the district of authority to continue the levy.

(c) If adoption of a voted local levy is contingent upon an offset reducing other local school board levies, the board must allow the electors, in an election, to consider modifying or discontinuing the imposition of the levy prior to a subsequent increase in other levies that would increase the total local school board levy.

(d) Nothing contained in this section terminates, without an election, the authority of a school district to continue imposing an existing voted local levy previously authorized by the voters as a voted leeway program.

(6) Notwithstanding Section 59-2-919, a school district may budget an increased amount of ad valorem property tax revenue derived from a voted local levy imposed under this section in addition to revenue from new growth as defined in Subsection 59-2-924(4), without having to comply with the notice requirements of Section 59-2-919, if:

(a) the voted local levy is approved:

(i) in accordance with Subsections (9) and (10) on or after January 1, 2003; and

(ii) within the four-year period immediately preceding the year in which the school district seeks to budget an increased amount of ad valorem property tax revenue derived from the voted local levy; and

(7) Notwithstanding Section 59-2-919, a school district may levy a tax rate under this section that exceeds the certified tax rate as the result of a school district budgeting an increased amount of ad valorem property tax revenue derived from a voted local levy imposed under this section; and

(ii) within the four-year period immediately preceding the year in which the school district seeks to budget an increased amount of ad valorem property tax revenue derived from the voted local levy; and

(c) for a voted local levy approved or modified in accordance with this section on or after January 1, 2009, the school district complies with requirements of Subsection (8).

(8) For purposes of Subsection (6)(b) or (7)(c), the proposition submitted to the electors regarding the adoption or modification of a voted local levy shall contain the following statement:

“A vote in favor of this tax means that (name of the school district) may increase revenue from this property tax without advertising the increase for the next five years.”

(9) (a) Before imposing a property tax levy pursuant to this section, a school district shall submit an opinion question to the school district's registered voters voting on the imposition of the tax rate so that each registered voter has the opportunity to express the registered voter's opinion on whether the tax rate should be imposed.

(b) The election required by this Subsection (9) shall be held:

(i) at a regular general election conducted in accordance with the procedures and requirements of Title 20A, Election Code, governing regular elections;

(ii) at a municipal general election conducted in accordance with the procedures and requirements of Section 20A-1–202; or

(iii) at a local special election conducted in accordance with the procedures and requirements of Section 20A–1–203.

(c) Notwithstanding the requirements of Subsections (9)(a) and (b), beginning on or after January 1, 2012, a school district may levy a tax rate in accordance with this section without complying with the requirements of Subsections (9)(a) and (b) if the school district imposed a tax in accordance with this section at any time during the taxable year beginning on January 1, 2011, and ending on December 31, 2011.

(10) If a school district determines that a majority of the school district's registered voters voting on the imposition of the tax rate have voted in favor of the imposition of the tax rate in accordance with Subsection (9), the school district may impose the tax rate.

(F) multiple projects within a single building or facility previously reported to the Legislature as a capital improvement project under $1,000,000 that, because of an increase in costs or scope of work, will now cost more than $1,000,000.

(b) Unless otherwise directed by the Legislature, the State Building Board shall prioritize capital improvements from the list submitted to the Legislature up to the level of appropriation made by the Legislature.

(c) In prioritizing capital improvements, the State Building Board shall consider the results of facility evaluations completed by an architect/engineer as stipulated by the building board’s facilities maintenance standards.

(d) Beginning on July 1, 2013, in prioritizing capital improvements, the State Building Board shall allocate at least 80% of the funds that the Legislature appropriates for capital improvements to:

(i) projects that address:
   (A) a structural issue;
   (B) fire safety;
   (C) a code violation; or
   (D) any issue that impacts health and safety;

(ii) projects that upgrade:
   (A) an HVAC system;
   (B) an electrical system;
   (C) essential equipment;
   (D) an essential building component; or

(E) infrastructure, including a utility tunnel, water line, gas line, sewer line, roof, parking lot, or road; or

(iii) projects that demolish and replace an existing building that is in extensive disrepair and cannot be fixed by repair or maintenance.

(e) Beginning on July 1, 2013, in prioritizing capital improvements, the State Building Board shall allocate no more than 20% of the funds that the Legislature appropriates for capital improvements:

(i) the capital improvement project or multiple projects require more than one year to complete; and

(ii) the Legislature has affirmatively authorized the capital improvement project or multiple projects to be funded in phases.

(h) In prioritizing and allocating capital improvement funding, the State Building Board shall comply with the requirement in Subsection 63B-23-101(2)(f).

(5) The Legislature may authorize:

(a) the total square feet to be occupied by each state agency; and

(b) the total square feet and total cost of lease space for each agency.

(6) If construction of a new building or facility will be paid for by nonstate funds, but will require an immediate or future increase in state funding for operations and maintenance or for capital improvements, the Legislature may not authorize the new building or facility until the Legislature appropriates funds for:

(a) the portion of operations and maintenance, if any, that will require an immediate or future increase in state funding; and

(b) the portion of capital improvements, if any, that will require an immediate or future increase in state funding.

(7) (a) Except as provided in Subsection (7)(b) or (c), the Legislature may not fund the design or construction of any new capital development projects, except to complete the funding of projects for which partial funding has been previously provided, until the Legislature has appropriated 1.1% of the replacement cost of existing state facilities and infrastructure to capital improvements.

(b) (i) As used in this Subsection (7)(b):
   (A) “Education Fund budget deficit” is as defined in Section 63J-1-312; and

(ii) For the 2013-14 fiscal year, the amount appropriated to capital improvements shall be
reduced to 0.9% of the replacement cost of state facilities.

(8) It is the policy of the Legislature that a new building or facility be approved and funded for construction in a single budget action, therefore the Legislature may not fund the programming, design, and construction of a new building or facility in phases over more than one year unless the Legislature has approved each phase of the funding for the construction of the new building or facility by the affirmative vote of two-thirds of all the members elected to each house.

(9) (a) If, after approval of capital development and capital improvement priorities by the Legislature under this section, emergencies arise that create unforeseen critical capital improvement projects, the State Building Board may, notwithstanding the requirements of Title 63J, Chapter 1, Budgetary Procedures Act, reallocate capital improvement funds to address those projects.

(b) The State Building Board shall report any changes it makes in capital improvement allocations approved by the Legislature to:

(i) the Office of Legislative Fiscal Analyst within 30 days of the reallocation; and

(ii) the Legislature at its next annual general session.

(10) (a) The State Building Board may adopt a rule allocating to institutions and agencies their proportionate share of capital improvement funding.

(b) The State Building Board shall ensure that the rule:

(i) reserves funds for the Division of Facilities Construction and Management for emergency projects; and

(ii) allows the delegation of projects to some institutions and agencies with the requirement that a report of expenditures will be filed annually with the Division of Facilities Construction and Management and appropriate governing bodies.

(11) It is the intent of the Legislature that in funding capital improvement requirements under this section the General Fund be considered as a funding source for at least half of those costs.

(12) (a) Subject to Subsection (12)(b), at least 80% of the state funds appropriated for capital improvements shall be used for maintenance or repair of the existing building or facility.

(b) The State Building Board may modify the requirement described in Subsection (12)(a) if the State Building Board determines that a different allocation of capital improvements funds is in the best interest of the state.

Section 3. Section 63A-5-104.1 is enacted to read:

(i) makes a minor adjustment in the legal description of a project area boundary requested by a county assessor or county auditor to avoid inconsistent property boundary lines; or

(3) (a) An amendment approved by board resolution under this section may not take effect until adopted by ordinance of the legislative body of the community in which the project area that is the subject of the project area plan being amended is located.

(b) Upon a community legislative body passing an ordinance adopting an amendment to a community development project area plan, the agency whose project area plan was amended shall comply with the requirements of Sections 17C-4-106 and 17C-4-107 to the same extent as if the amendment were a project area plan.

Section 2. Section 17C-4-109 is enacted to read:

17C-4-109. Expedited community development project area plan.

(1) As used in this section, “tax increment incentive” means the portion of tax increment awarded to an industry or business.

(2) A community development project area plan may be adopted or amended without complying with the notice and public hearing requirements of this part and Section 17C-4-402, if the following requirements are met:

(d) written consent to the amendment or adoption of the project area plan is given by all record property owners within the existing or proposed project area;

(e) each taxing entity and public entity that will be affected by the tax increment incentive enter into or amend an interlocal agreement in accordance with Title 11, Chapter 13, Interlocal Cooperation Act, and Sections 17C-4-201, 17C-4-203, and 17C-4-204;
(f) the primary market for the goods or services that will be created by the industry or business entity that will receive a tax increment incentive from the amendment or adoption of the project area plan is outside of the state;

(g) the industry or business entity that will receive a tax increment incentive from the amendment or adoption of the project area plan is not primarily engaged in retail trade; and

(h) a tax increment incentive is only provided to an industry or business entity:

(a) capital investment in the project area;

(b) the increase in the taxable value of the project area;

(c) the number of new jobs created in the project area;

(d) the average wages of the jobs created, which shall be at least 110% of the prevailing wage of the county where the project area is located; and

(4) The parties to a claim described in Subsection (3)(b) who agree to arbitrate the claim shall arbitrate in accordance with Subsections (5) through (15) if the notice of preconstruction lien, or the notice of construction lien, that is the subject of the claim is:

63L-6-105, as enacted by Laws of Utah 2014, Chapter 324  

Be it enacted by the Legislature of the state of Utah:  

Section 1. Section 63L-6-105 is amended to read:  
63L-6-105. Interstate compact -- Transfer of public land.  
The Interstate Compact on the Transfer of Public Lands is hereby enacted and entered into with all other jurisdictions that can legally join in the compact, which is, in form, substantially as follows:  

Interstate Compact on the Transfer of Public Lands  

Whereas, the separation of powers, both between the branches of the federal government and between federal and state authority, is essential to the preservation of individual liberty;  

Whereas, the Constitution of the United States creates a federal government of limited and enumerated powers and reserves to the states or to the people those powers not expressly granted to the federal government to protect the liberty of individual property incidental to the sovereignty and the health, safety, and welfare of its citizens;  

Whereas, each state adopting and agreeing to be bound by this compact finds that the coordinated, regular, institutional exercise of its sovereign power under its respective constitution and the Constitution of the United States is an essential component of the governing partnership between the states and the federal government;  

NOW, THEREFORE, the states hereto resolve and, by the adoption into law under their respective state constitutions of this Interstate Compact on the Transfer of Public Lands, agree, as follows:  

Sec. 1. Definitions.  
As used in this chapter, unless the context clearly indicates otherwise:

The purpose of the compact and the compact commission is to study, collect data, and develop political and legal mechanisms for securing the transfer to the respective member states of certain specially identified federally controlled public lands within the respective member state boundaries.  

Sec. 3. Compact commission and compact administrator.  
(1) The compact commission is hereby established and has the powers and duties as follows:

(2) The compact administrator shall staff the compact commission, perform duties, and exercise powers as granted by the commission, or as directed by the chair or cochair.

(3) A majority of the member state representatives present at a compact commission meeting constitutes a quorum and an action of the quorum constitutes an action of the compact commission. Each member state shall have one official representative who shall have one vote.

(4) The compact commission may not take any action within a member or associate member state that contravenes any state law of that member or associate member state.

Sec. 4. Compact membership and withdrawal.

(1) Each member and associate member state agrees to perform and comply in accordance with the terms of membership of this compact consistent with the constitution and laws of the member or associate member state. Actions by members of the compact, for the purpose for which it was created, are based upon the mutual participation, reliance, and reciprocal performance in agreeing to enact this compact into law.

(2) A state enacting this compact into law shall appoint one official representative to the compact commission and shall provide to the compact commission a letter of appointment. A copy of the letter of appointment with a government-issued photo identity card shall constitute proof of membership on the compact commission.

At the initial meeting, those official representatives shall, as provided in Sec. 4, elect a chair and cochair, and appoint a compact administrator. The compact administrator shall, as directed by the compact commission chairs and as provided in the compact, organize the compact commission’s activities.

(2) Following the compact commission’s initial meeting, the compact commission shall meet at least one time per year. No meeting shall continue longer than three consecutive days.

(3) Special meetings may be called if half or more of the member states notify the chair of the compact commission in writing of the request for a meeting. Attendance at the meeting may be in person or by electronic means.[No meeting shall continue longer than three consecutive days.]

(4) Meetings shall be recorded, and the recording and minutes of the meeting shall be made available to the public within 30 days after the meeting. Meetings closed to the public are not permitted except where provided by law in the state in which the meeting is held.

compact commission and its staff, which must be in a total amount sufficient to cover its annual budget as approved each year for which revenue is not provided by other sources.

(b) The compact commission may not levy and collect an annual assessment against a member state if the member state:

(i) (A) votes against the annual assessment; or
(B) was absent from the commission meeting during which the commission voted to approve the annual assessment; and

(ii) within sixty days of the vote to impose the annual assessment, notifies the commission in writing that the member state does not consent to the levy of the annual assessment.

(c) The aggregate annual assessment amount shall be allocated based on a formula to be determined by the compact commission, which shall adopt a rule that is binding on all member states.

(4) The compact commission shall not incur obligations of any kind prior to securing the funds adequate to meet the obligation, nor shall the compact commission pledge the credit of any of the member states, except by and with authority of the member state.

(5) The compact commission shall keep accurate accounts of all receipts and disbursements, and that information shall be available within 30 days upon request by a compact commission member, or by a member state or associate member state. All receipts and disbursements of funds handled by the compact commission shall be audited yearly by a certified or licensed public accountant, and the report of the audit shall be included in the annual report of the commission.

Sec. 8. Cooperation.

The compact commission, member states, associate member states, and the compact administrator shall cooperate and offer mutual assistance with each other in enforcing the terms of the compact for securing the transfer of title to federally controlled public lands to willing western states.

(b) any fees established by the department under Subsection (10).

(2) The department shall determine whether to deny or revoke background clearance for individuals for whom it has previously granted background clearance.

(3) The department shall determine whether to grant, deny, or revoke background clearance for an individual based on an initial and ongoing evaluation of information the department obtains under Subsections (5) and (11), which, at a minimum, shall include an initial criminal background check of state, regional, and national databases using the individual’s fingerprints.

(4) The department shall make rules, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, that specify:

(7) When evaluating information under Subsection (3), the department shall classify a crime committed in another state according to the closest matching crime under Utah law, regardless of how the crime is classified in the state where the crime was committed.

(8) The department shall adopt measures to protect the security of information it accesses under Subsection (5), which shall include limiting access by department employees to those responsible for acquiring, evaluating, or otherwise processing the information.

(9) The department may disclose personal identification information it receives under Subsection (1) to the Department of Human Services to verify that the subject of the information is not identified as a perpetrator or offender in the information sources described in Subsections (5)(d) through (f).

(10) The department may charge fees, in accordance with Section 63J-1-504, to pay for:

(a) the cost of obtaining, storing, and evaluating information needed under Subsection (3), both initially and on an ongoing basis, to determine whether to grant, deny, or revoke background clearance; and

The department shall use the Direct Access Clearance System database created under Section 26-21-209 to manage information about the background clearance status of each individual for whom the department is required to make a determination under Subsection (1).

Section 3. Section 26-8a-408 is amended to read:

26-8a-408. Criteria for determining public convenience and necessity.

(1) The criteria for determining public convenience and necessity is set forth in Subsections (2) through (6).

(2) Access to emergency medical services shall be maintained or improved. The officer shall consider the impact on existing services, including the impact on response times, call volumes, populations and exclusive geographic service areas served, and the ability of surrounding licensed providers to service their exclusive geographic service areas. The issuance or amendment of a license may not create an orphaned area.

(3) The quality of service in the area shall be maintained or improved. The officer shall consider the:

(a) staffing and equipment standards of the current licensed provider and the applicant;

(b) training and certification levels of the current licensed provider’s staff and the applicant’s staff;

(c) continuing medical education provided by the current licensed provider and the applicant;

(d) levels of care as defined by department rule;

(e) plan of medical control; and

(f) the negative or beneficial impact on the regional emergency medical service system to provide service to the public.

(4) The cost to the public shall be justified. The officer shall consider:

(a) the financial solvency of the applicant;

(b) the applicant’s ability to provide services within the rates established under Section 26-8a-403;

(c) the applicant’s ability to comply with cost reporting requirements;

(d) the cost efficiency of the applicant; and

(e) the cost effect of the application on the public, interested parties, and the emergency medical services system.

(5) Local desires concerning cost, quality, and access shall be considered. The officer shall assess and consider:

(a) the existing provider’s record of providing services and the applicant’s record and ability to provide similar or improved services;

(b) locally established emergency medical services goals, including those established in Subsection (7);

(c) comment by local governments on the applicant’s business and operations plans;

(d) comment by interested parties that are providers on the impact of the application on the parties’ ability to provide emergency medical services;

(e) comment by interested parties that are local governments on the impact of the application on the citizens it represents; and

(f) public comment on any aspect of the application or proposed license.

(6) Other related criteria:

(a) the officer considers necessary; or

(b) established by department rule.

(7) The role of local governments in the licensing of ground ambulance and paramedic providers that serve areas also served by the local governments is important. The Legislature strongly encourages local governments to establish cost, quality, and access goals for the ground ambulance and paramedic services that serve their areas.

(8) In a formal adjudicative proceeding, the applicant bears the burden of establishing that public convenience and necessity require the approval of the application for all or part of the exclusive geographic service area requested.

Section 4. Section 26-21-209 is amended to read:

(1) The department shall create and maintain a Direct Access Clearance System database, which:

(a) includes the names of individuals for whom the department has received:

(i) an application for clearance under this part; or

(ii) an application for background clearance under Section 26-8a-310; and

(b) indicates [for each applicant] whether an application is pending and whether clearance has been granted and retained for:

(i) an applicant under this part; and

(ii) an applicant for background clearance under Section 26-8a-310.

(2) (a) The department shall allow covered providers and covered contractors to access the database electronically.

(b) Data accessible to a covered provider or covered contractor is limited to the information under Subsection (1) Subsections (1)(a)(i) and (1)(b)(i) for:

(i) covered individuals engaged by the covered provider or covered contractor; and
(ii) individuals:

(A) whom the covered provider or covered contractor could engage as covered individuals; and

(B) who have provided the covered provider or covered contractor with sufficient personal identification information to uniquely identify the individual in the database.

(c) (i) The department may establish fees, in accordance with Section 63J-1-504, for use of the database by a covered contractor.

(ii) The fees may include, in addition to any fees established by the department under Subsection 26-21-204(9), an initial set-up fee, an ongoing access fee, and a per-use fee.

Section 5. Section 78A-6-209 is amended to read:

78A-6-209. Court records -- Inspection.

(1) The court and the probation department shall keep records as required by the board and the presiding judge.

(2) Court records shall be open to inspection by:

(a) the parents or guardian of a child, a minor who is at least 18 years of age, other parties in the case, the attorneys, and agencies to which custody of a minor has been transferred;

(b) for information relating to adult offenders alleged to have committed a sexual offense, a felony or class A misdemeanor drug offense, or an offense against the person under Title 76, Chapter 5, Offenses Against the Person, the State Office of Education for the purpose of evaluating whether an individual should be permitted to obtain or retain a license as an educator or serve as an employee or determine whether an individual meets the background screening requirements of Title 26, Chapter 21, Part 2, Clearance for Direct Patient Access, with the understanding that the department must provide the individual who committed the offense an opportunity to respond to any information gathered from its inspection of records before it makes a decision under that part[.]; and

(g) for information related to a juvenile offender who has committed a sexual offense, a felony, or an offense that if committed by an adult would be a misdemeanor, the Department of Health to determine whether an individual meets the background screening requirements of Title 26, Chapter 21, Part 2, Clearance for Direct Patient Access, with the understanding that the department must provide the individual who committed the offense an opportunity to respond to any information gathered from its inspection of records before it makes a decision under that part[.]; and

(3) With the consent of the judge, court records may be inspected by the child, by persons having a legitimate interest in the proceedings, and by persons conducting pertinent research studies.

(4) If a petition is filed charging a minor 14 years of age or older with an offense that would be a felony if committed by an adult, the court shall make available to any person upon request the petition, any adjudication or disposition orders, and the delinquency history summary of the minor charged unless the records are closed by the court upon findings on the record for good cause.

(5) Probation officers' records and reports of social and clinical studies are not open to inspection, except by consent of the court, given under rules adopted by the board.

(6) (a) Any juvenile delinquency adjudication or disposition orders and the delinquency history summary of any person charged as an adult with a felony offense shall be made available to any person upon request.

(b) This provision does not apply to records that have been destroyed or expunged in accordance with court rules.

(c) The court may charge a reasonable fee to cover the costs associated with retrieving a requested record that has been archived.

Section 6. Section 78A-6-323 is amended to read:

(d) In an administrative case, pursuant to a written request, the Division of Child and Family Services may display, but may not distribute or release, a recording or transcript to the respondent or to the respondent's designated representative.

(e) (i) Within two business days of a request from a parent or guardian of a child victim, an investigative agency shall allow the parent or guardian to view a recording after the conclusion of an interview, unless:

(A) the suspect is a parent or guardian of the child victim;
(B) the suspect resides in the home with the child victim; or
(C) the investigative agency determines that allowing the parent or guardian to view the recording would likely compromise or impede the investigation.

(ii) If the investigative agency determines that allowing the parent or guardian to view the recording would likely compromise or impede the investigation, the parent or guardian may petition a juvenile or district court for an expedited hearing on whether there is good cause for the court to enter an order allowing the parent or guardian to view the recording in accordance with Subsection (5)(c).

(iii) A Children’s Justice Center shall coordinate the viewing of the recording described in this Subsection (6)(e).

(f) A multidisciplinary team assembled by a Children’s Justice Center or an interdisciplinary team assembled by the Division of Child and Family Services may view a recording or transcript, but may not receive a recording or transcript.

(i) (i) In an investigation under Section 53A-6-306, in which a child victim who is the subject of the recording or transcript has alleged criminal conduct against an educator, a law enforcement agency may distribute or release the recording or transcript to an investigator operating under [UPPAC] State Board of Education authorization, upon the investigator’s written request.
   (ii) If the respondent in a case investigated under Section 53A-6-306 requests a hearing authorized under that section, the investigator operating under [UPPAC] State Board of Education authorization may display, release, or distribute the recording or transcript to the prosecutor operating under [UPPAC] State Board of Education authorization or to an expert retained by an investigator.
   (iii) Upon request for a hearing under Section 53A-6-306, a prosecutor operating under [UPPAC] State Board of Education authorization may display the recording or transcript to a pro se respondent, to an attorney retained by the respondent, or to an expert retained by the respondent.

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 62A-4a-205 is amended to read:

(1) No more than 45 days after a child enters the temporary custody of the division, the child’s child and family plan shall be finalized.

(2) (a) The division may use an interdisciplinary team approach in developing each child and family plan.

(b) The interdisciplinary team described in Subsection (2)(a) may include representatives from the following fields:

(i) mental health;

(ii) education; and

(iii) if appropriate, law enforcement.

(3) (a) The division shall involve all of the following in the development of a child’s child and family plan:

(i) both of the child’s natural parents, unless the whereabouts of a parent are unknown;

(ii) the child;

(iii) the child’s foster parents;

(iv) if appropriate, the child’s stepparent; and

(v) the child’s guardian ad litem, if one has been appointed by the court.

(b) In relation to all information considered by the division in developing a child and family plan, additional weight and attention shall be given to the input of the child’s natural and foster parents upon their involvement pursuant to Subsections (3)(a)(i) and (iii).

(c) (i) The division shall make a substantial effort to develop a child and family plan with which the child’s parents agree.

(ii) If a parent does not agree with a child and family plan:

(A) the division shall strive to resolve the disagreement between the division and the parent; and

(B) if the disagreement is not resolved, the division shall inform the court of the disagreement.

(4) A copy of the child and family plan shall, immediately upon completion, or as soon as reasonably possible thereafter, be provided to the:

(a) guardian ad litem;

(b) child’s natural parents; and

(c) child’s foster parents.

(5) Each child and family plan shall:

(a) specifically provide for the safety of the child, in accordance with federal law; and

(b) clearly define what actions or precautions will, or may be, necessary to provide for the health, safety, protection, and welfare of the child.

(6) The child and family plan shall set forth, with specificity, at least the following:

(a) the reason the child entered into the custody of the division;
(b) documentation of the:

(i) reasonable efforts made to prevent placement of the child in the custody of the division; or

(ii) emergency situation that existed and that prevented the reasonable efforts described in Subsection (6)(b)(i), from being made;

(c) the primary permanency plan for the child and the reason for selection of that plan;

(d) the concurrent permanency plan for the child and the reason for the selection of that plan;

(e) if the plan is for the child to return to the child's family:

(i) specifically what the parents must do in order to enable the child to be returned home;

(ii) specifically how the requirements described in Subsection (6)(e)(i) may be accomplished; and

(iii) how the requirements described in Subsection (6)(e)(i) will be measured;

(f) the specific services needed to reduce the problems that necessitated placing the child in the division's custody;

(g) the name of the person who will provide for and be responsible for case management;

(h) subject to Subsection (10), a parent-time schedule between the natural parent and the child;

(i) subject to Subsection (7), the health and mental health care to be provided to address any known or diagnosed mental health needs of the child;

(j) if residential treatment rather than a foster home is the proposed placement, a requirement for a specialized assessment of the child's health needs including an assessment of mental illness and behavior and conduct disorders; and

(k) social summaries that include case history information pertinent to case planning.

(7) (a) Subject to Subsection (7)(b), in addition to the information required under Subsection (6)(i), the plan shall include a specialized assessment of the medical and mental health needs of a child, if the child:

(i) is placed in residential treatment; and

(ii) has medical or mental health issues that need to be addressed.

(b) Notwithstanding Subsection (7)(a), a parent shall retain the right to seek a separate medical or mental health diagnosis of the parent's child from a licensed practitioner of the parent's choice.

(8) (a) Each child and family plan shall be specific to each child and the child's family, rather than general.

(b) The division shall train its workers to develop child and family plans that comply with:

(i) federal mandates; and
In determining whether the condition of the parent described in Subsection (10)(b) will traumatize a child, the person supervising the parent–time session shall consider the impact that the parent's condition will have on the child in light of:

(i) the child's fear of the parent; and

(ii) the nature of the alleged abuse or neglect.

(11) The division shall consider visitation with their grandparents for children in state custody if the division determines visitation to be in the best interest of the child and:

(a) there are no safety concerns regarding the behavior or criminal background of the grandparents;

(b) allowing visitation would not compete with or undermine the reunification [goals] plan;

(c) there is a substantial relationship between the grandparents and children; and

(d) the visitation will not unduly burden the foster parents.

Section 2. Section 62A-4a-205.6 is amended to read:

62A-4a-205.6. Adoptive placement time frame -- Contracting with agencies.

(1) With regard to a child who has a primary permanency [goal] plan of adoption or for whom a final plan for pursuing termination of parental rights has been approved in accordance with Section 78A-6-314, the division shall make intensive efforts to place the child in an adoptive home within 30 days of the earlier of:

(a) approval of the final plan; or

(b) establishment of the primary permanency [goal] plan.

(2) If within the time periods described in Subsection (1) the division is unable to locate a suitable adoptive home, it shall contract with licensed child placing agencies to search for an appropriate adoptive home for the child, and to place the child for adoption. The division shall comply with the requirements of Section 62A-4a-607 and contract with a variety of child placing agencies licensed under Part 6. In accordance with federal law, the division shall develop plans for the effective use of cross-jurisdictional resources to facilitate timely adoptive or permanent placements for waiting children.

(3) The division shall ensure that children who are adopted and were previously in its custody, continue to receive the medical and mental health coverage that they are entitled to under state and federal law.

(4) The division may not consider a prospective adoptive parent's willingness or unwillingness to enter a postadoption contact agreement under Section 78B-6-146 as a condition of placing a child with the prospective adoptive parent.

Section 3. Section 62A-4a-607 is amended to read:

62A-4a-607. Promotion of adoption -- Agency notice to potential adoptive parents.

(1) (a) The division and all child placing agencies licensed under this part shall promote adoption when that is a possible and appropriate alternative for a child. Specifically, in accordance with Section 62A-4a-205.6, the division shall actively promote the adoption of all children in its custody who have a final plan for termination of parental rights pursuant to Section 78A-6-314 or a primary permanency [goal] plan of adoption.

(b) Beginning May 1, 2000, the division may not place a child for adoption, either temporarily or permanently, with any individual or individuals who do not qualify for adoptive placement pursuant to the requirements of Sections 78B-6-117, 78B-6-102, and 78B-6-137.

(2) The division shall obtain or conduct research of prior adoptive families to determine what families may do to be successful with their adoptive children and shall make this research available to potential adoptive parents.

(3) (a) A child placing agency licensed under this part shall inform each potential adoptive parent with whom it is working that:

(i) children in the custody of the state are available for adoption;

(ii) Medicaid coverage for medical, dental, and mental health services may be available for these children;

(iii) tax benefits, including the tax credit provided for in Section 59-10-1104, and financial assistance may be available to defray the costs of adopting these children;

(iv) training and ongoing support may be available to the adoptive parents of these children; and

(v) information about individual children may be obtained by contacting the division's offices or its Internet site as explained by the child placing agency.

(b) A child placing agency shall:

(i) provide the notice required by Subsection (3)(a) at the earliest possible opportunity; and

(ii) simultaneously distribute a copy of the pamphlet prepared by the division in accordance with Subsection (3)(d).

(c) As a condition of licensure, the child placing agency shall certify to the Office of Licensing at the time of license renewal that it has complied with the provisions of this section.

(d) Before July 1, 2000, the division shall:

(i) prepare a pamphlet that explains the information that is required by Subsection (3)(a); and
(ii) regularly distribute copies of the pamphlet described in Subsection (3)(d)(i) to child placing agencies.

(e) The division shall respond to any inquiry made as a result of the notice provided in Subsection (3)(a).

Section 4. Section 63A-12-100.5 is amended to read:

63A-12-100.5. Definitions.

(1) Except as provided under Subsection (2), the definitions in Section 63G-2-103 apply to this chapter.

(2) As used in this chapter:
   (a) “division” or “state archives” means the Division of Archives and Records Service; and
   (b) “record” means:
      (i) the same as that term is defined in Section 63G-2-103; or
      (ii) a video or audio recording of an interview, or a transcript of the video or audio recording, that is conducted at a Children’s Justice Center established under Section 67-5b-102, the release of which is governed by Section 77-37-4.

Section 5. Section 78A-6-312 is amended to read:

78A-6-312. Dispositional hearing -- Reunification services -- Exceptions.

(1) The court may:
   (a) make any of the dispositions described in Section 78A-6-117;
   (b) place the minor in the custody or guardianship of any:
      (i) individual; or
      (ii) public or private entity or agency; or
   (c) order:
      (i) protective supervision;
      (ii) family preservation;
      (iii) subject to Subsections (12)(b) and 78A-6-117(2)(n)(iii), medical or mental health treatment; or
      (iv) other services.

(2) Whenever the court orders continued removal at the dispositional hearing, and that the minor remain in the custody of the division, the court shall first:
   (a) establish a primary permanency plan for the minor; and
   (b) determine whether, in view of the primary permanency plan, reunification services are appropriate for the minor and the minor’s family, the court shall provide for reasonable parent–time with the parent or parents from whose custody the minor was removed, unless parent–time is not in the best interest of the minor.

(4) In cases where obvious sexual abuse, sexual exploitation, abandonment, severe abuse, or severe neglect are involved, neither the division nor the court has any duty to make “reasonable efforts” or to, in any other way, attempt to provide reunification services, or to attempt to rehabilitate the offending parent or parents.

(5) In all cases, the minor’s health, safety, and welfare shall be the court’s paramount concern in determining whether reasonable efforts to reunify should be made.

(6) For purposes of Subsection (3), parent–time is in the best interests of a minor unless the court makes a finding that it is necessary to deny parent–time in order to:
   (a) protect the physical safety of the minor;
   (b) protect the life of the minor; or
   (c) prevent the minor from being traumatized by contact with the parent due to the minor’s fear of the parent in light of the nature of the alleged abuse or neglect.

(7) Notwithstanding Subsection (3), a court may not deny parent–time based solely on a parent’s failure to:
   (a) prove that the parent has not used legal or illegal substances; or
   (b) comply with an aspect of the child and family plan that is ordered by the court.

(8) (a) In addition to the primary permanency plan, the court shall establish a concurrent permanency plan that shall include:
      (i) a representative list of the conditions under which the primary permanency plan will be abandoned in favor of the concurrent permanency plan; and
      (ii) an explanation of the effect of abandoning or modifying the primary permanency plan.
   (b) In determining the primary permanency plan and concurrent permanency plan, the court shall consider:
      (i) the preference for kinship placement over nonkinship placement;
      (ii) the potential for a guardianship placement if the parent–child relationship is legally terminated and no appropriate adoption placement is available; and
      (iii) the use of an individualized permanency plan, only as a last resort.

(9) A permanency hearing shall be conducted in accordance with Subsection 78A-6-314(1)(b) within 30 days after the day on which the dispositional hearing ends if something other than reunification is initially established as a minor’s primary permanency plan.
(10) (a) The court may amend a minor’s primary permanency plan before the establishment of a final permanency plan under Section 78A–6–314.

(b) The court is not limited to the terms of the concurrent permanency plan in the event that the primary permanency plan is abandoned.

(c) If, at any time, the court determines that reunification is no longer a minor’s primary permanency plan, the court shall conduct a permanency hearing in accordance with Section 78A–6–314 on or before the earlier of:

(i) 30 days after the day on which the court makes the determination described in this Subsection (10)(c); or

(ii) the day on which the provision of reunification services, described in Section 78A–6–314, ends.

(11) (a) If the court determines that reunification services are appropriate, it shall order that the division make reasonable efforts to provide services to the minor and the minor’s parent for the purpose of facilitating reunification of the family, for a specified period of time.

(b) In providing the services described in Subsection (11)(a), the minor’s health, safety, and welfare shall be the division’s paramount concern, and the court shall so order.

(12) (a) The court shall:

(i) determine whether the services offered or provided by the division under the child and family plan constitute “reasonable efforts” on the part of the division;

(ii) determine and define the responsibilities of the parent under the child and family plan in accordance with Subsection 62A–4a–205(6)(e); and

(iii) identify verbally on the record, or in a written document provided to the parties, the responsibilities described in Subsection (12)(a)(ii), for the purpose of assisting in any future determination regarding the provision of reasonable efforts, in accordance with state and federal law.

(b) If the parent is in a substance abuse treatment program, other than a certified drug court program:

(i) the court may order the parent to submit to supplementary drug or alcohol testing in addition to the testing recommended by the parent’s substance abuse program based on a finding of reasonable suspicion that the parent is abusing drugs or alcohol; and

(ii) the court may order the parent to provide the results of drug or alcohol testing recommended by the substance abuse program to the court or division.

(13) (a) The time period for reunification services may not exceed 12 months from the date that the minor was initially removed from the minor’s home, unless the time period is extended under Subsection 78A–6–314(8).

(b) Nothing in this section may be construed to entitle any parent to an entire 12 months of reunification services.

(14) (a) If reunification services are ordered, the court may terminate those services at any time.

(b) If, at any time, continuation of reasonable efforts to reunify a minor is determined to be inconsistent with the final permanency plan for the minor established pursuant to Section 78A–6–314, then measures shall be taken, in a timely manner, to:

(i) place the minor in accordance with the permanency plan; and

(ii) complete whatever steps are necessary to finalize the permanent placement of the minor.

(15) Any physical custody of the minor by the parent or a relative during the period described in Subsections (11) through (14) does not interrupt the running of the period.

(16) (a) If reunification services are ordered, a permanency hearing shall be conducted by the court in accordance with Section 78A–6–314 at the expiration of the time period for reunification services.

(b) The permanency hearing shall be held no later than 12 months after the original removal of the minor.

(c) If reunification services are not ordered, a permanency hearing shall be conducted within 30 days, in accordance with Section 78A–6–314.

(17) With regard to a minor in the custody of the division whose parent or parents are ordered to receive reunification services but who have abandoned that minor for a period of six months from the date that reunification services were ordered:

(a) the court shall terminate reunification services; and

(b) the division shall petition the court for termination of parental rights.

(18) When a court conducts a permanency hearing for a minor under Section 78A–6–314, the court shall attempt to keep the minor’s sibling group together if keeping the sibling group together is:

(a) practicable; and

(b) in accordance with the best interest of the minor.

(19) (a) Because of the state’s interest in and responsibility to protect and provide permanency for minors who are abused, neglected, or dependent, the Legislature finds that a parent’s interest in receiving reunification services is limited.

(b) The court may determine that:

(i) efforts to reunify a minor with the minor’s family are not reasonable or appropriate, based on the individual circumstances; and

(ii) reunification services should not be provided.
(c) In determining “reasonable efforts” to be made with respect to a minor, and in making “reasonable efforts,” the minor’s health, safety, and welfare shall be the paramount concern.

(20) There is a presumption that reunification services should not be provided to a parent if the court finds, by clear and convincing evidence, that any of the following circumstances exist:

(a) the whereabouts of the parents are unknown, based upon a verified affidavit indicating that a reasonably diligent search has failed to locate the parent;

(b) subject to Subsection (21)(a), the parent is suffering from a mental illness of such magnitude that it renders the parent incapable of utilizing reunification services;

(c) the minor was previously adjudicated as an abused child due to physical abuse, sexual abuse, or sexual exploitation, and following the adjudication the minor:

(i) was removed from the custody of the minor’s parent;

(ii) was subsequently returned to the custody of the parent; and

(iii) is being removed due to additional physical abuse, sexual abuse, or sexual exploitation;

(d) the parent:

(i) caused the death of another minor through abuse or neglect;

(ii) committed, aided, abetted, attempted, conspired, or solicited to commit:

(A) murder or manslaughter of a child; or

(B) child abuse homicide;

(iii) committed sexual abuse against the child;

(iv) is a registered sex offender or required to register as a sex offender; or

(v) (A) intentionally, knowingly, or recklessly causes the death of another parent of the child;

(B) is identified by a law enforcement agency as the primary suspect in an investigation for intentionally, knowingly, or recklessly causing the death of another parent of the child; or

(C) is being prosecuted for or has been convicted of intentionally, knowingly, or recklessly causing the death of another parent of the child;

(e) the minor suffered severe abuse by the parent or by any person known by the parent, if the parent knew or reasonably should have known that the person was abusing the minor;

(f) the minor is adjudicated an abused child as a result of severe abuse by the parent, and the court finds that it would not benefit the minor to pursue reunification services with the offending parent;

(g) the parent’s rights are terminated with regard to any other minor;

(h) the minor was removed from the minor’s home on at least two previous occasions and reunification services were offered or provided to the family at those times;

(i) the parent has abandoned the minor for a period of six months or longer;

(j) the parent permitted the child to reside, on a permanent or temporary basis, at a location where the parent knew or should have known that a clandestine laboratory operation was located;

(k) except as provided in Subsection (21)(b), with respect to a parent who is the child’s birth mother, the child has fetal alcohol syndrome, fetal alcohol spectrum disorder, or was exposed to an illegal or prescription drug that was abused by the child’s mother while the child was in utero, if the child was taken into division custody for that reason, unless the mother agrees to enroll in, is currently enrolled in, or has recently and successfully completed a substance abuse treatment program approved by the department; or

(l) any other circumstance that the court determines should preclude reunification efforts or services.

(21) (a) The finding under Subsection (20)(b) shall be based on competent evidence from at least two medical or mental health professionals, who are not associates, establishing that, even with the provision of services, the parent is not likely to be capable of adequately caring for the minor within 12 months after the day on which the court finding is made.

(b) A judge may disregard the provisions of Subsection (20)(k) if the court finds, under the circumstances of the case, that the substance abuse treatment described in Subsection (20)(k) is not warranted.

(22) In determining whether reunification services are appropriate, the court shall take into consideration:

(a) failure of the parent to respond to previous services or comply with a previous child and family plan;

(b) the fact that the minor was abused while the parent was under the influence of drugs or alcohol;

(c) any history of violent behavior directed at the child or an immediate family member;

(d) whether a parent continues to live with an individual who abused the minor;

(e) any patterns of the parent’s behavior that have exposed the minor to repeated abuse;

(f) testimony by a competent professional that the parent’s behavior is unlikely to be successful; and

(g) whether the parent has expressed an interest in reunification with the minor.

(23) (a) If reunification services are not ordered pursuant to Subsections (19) through (21), and the whereabouts of a parent become known within six months after the day on which the out-of-home
placement of the minor is made, the court may order the division to provide reunification services.

(b) The time limits described in Subsections (2) through (18) are not tolled by the parent's absence.

(24) (a) If a parent is incarcerated or institutionalized, the court shall order reasonable services unless it determines that those services would be detrimental to the minor.

(b) In making the determination described in Subsection (24)(a), the court shall consider:

(i) the age of the minor;
(ii) the degree of parent-child bonding;
(iii) the length of the sentence;
(iv) the nature of the treatment;
(v) the nature of the crime or illness;
(vi) the degree of detriment to the minor if services are not offered;
(vii) for a minor 10 years of age or older, the minor's attitude toward the implementation of family reunification services; and
(viii) any other appropriate factors.

(c) Reunification services for an incarcerated parent are subject to the time limitations imposed in Subsections (2) through (18).

(d) Reunification services for an institutionalized parent are subject to the time limitations imposed in Subsections (2) through (18), unless the court determines that continued reunification services would be in the minor's best interest.

(25) If, pursuant to Subsections (20)(b) through (l), the court does not order reunification services, a permanency hearing shall be conducted within 30 days, in accordance with Section 78A-6-314.

Section 6. Section 78A-6-314 is amended to read:

78A-6-314. Permanency hearing -- Final plan -- Petition for termination of parental rights filed -- Hearing on termination of parental rights.

(1) (a) When reunification services have been ordered in accordance with Section 78A-6-312, with regard to a minor who is in the custody of the Division of Child and Family Services, a permanency hearing shall be held by the court no later than 12 months after the day on which the minor was initially removed from the minor's home.

(b) If reunification services were not ordered at the dispositional hearing, a permanency hearing shall be held within 30 days after the day on which the dispositional hearing ends.

(2) (a) If reunification services were ordered by the court in accordance with Section 78A-6-312, the court shall, at the permanency hearing, determine, consistent with Subsection (3), whether the minor may safely be returned to the custody of the minor's parent.

(b) If the court finds, by a preponderance of the evidence, that return of the minor to the minor's parent would create a substantial risk of detriment to the minor's physical or emotional well-being, the minor may not be returned to the custody of the minor's parent.

(c) Prima facie evidence that return of the minor to a parent or guardian would create a substantial risk of detriment to the minor is established if:

(i) the parent or guardian fails to:

(A) participate in a court approved child and family plan;
(B) comply with a court approved child and family plan in whole or in part; or
(C) meet the goals of a court approved child and family plan; or
(ii) the child's natural parent:

(A) intentionally, knowingly, or recklessly causes the death of another parent of the child;
(B) is identified by a law enforcement agency as the primary suspect in an investigation for intentionally, knowingly, or recklessly causing the death of another parent of the child; or
(C) is being prosecuted for or has been convicted of intentionally, knowingly, or recklessly causing the death of another parent of the child.

(3) In making a determination under Subsection (2)(a), the court shall review and consider:

(a) the report prepared by the Division of Child and Family Services;
(b) any admissible evidence offered by the minor's guardian ad litem;
(c) any report submitted by the division under Subsection 78A-6-315(3)(a)(i);
(d) any evidence regarding the efforts or progress demonstrated by the parent; and
(e) the extent to which the parent cooperated and utilized the services provided.

(4) With regard to a case where reunification services were ordered by the court, if a minor is not returned to the minor's parent or guardian at the permanency hearing, the court shall, unless the time for the provision of reunification services is extended under Subsection (8):

(a) order termination of reunification services to the parent;
(b) make a final determination regarding whether termination of parental rights, adoption, or permanent custody and guardianship is the most appropriate final plan for the minor, taking into account the minor's primary permanency [goal] plan established by the court pursuant to Section 78A-6-312; and
(c) establish a concurrent permanency plan that identifies the second most appropriate final plan for the minor, if appropriate.

(5) If the Division of Child and Family Services documents to the court that there is a compelling
reason that adoption, reunification, guardianship, and a placement described in Subsection 78A-6-306(6)(e) are not in the minor’s best interest, the court may order another planned permanent living arrangement, in accordance with federal law.

(6) If the minor clearly desires contact with the parent, the court shall take the minor’s desire into consideration in determining the final plan.

(7) Except as provided in Subsection (8), the court may not extend reunification services beyond 12 months after the day on which the minor was initially removed from the minor’s home, in accordance with the provisions of Section 78A-6-312.

(8) (a) Subject to Subsection (8)/(b), the court may extend reunification services for no more than 90 days if the court finds, beyond a preponderance of the evidence, that:

(i) there has been substantial compliance with the child and family plan;

(ii) reunification is probable within that 90-day period; and

(iii) the extension is in the best interest of the minor.

(b) (i) Except as provided in Subsection (8)/(c), the court may not extend any reunification services beyond 15 months after the day on which the minor was initially removed from the minor’s home.

(ii) Delay or failure of a parent to establish paternity or seek custody does not provide a basis for the court to extend services for that parent beyond the 12-month period described in Subsection (7).

(c) In accordance with Subsection (8)/(d), the court may extend reunification services for one additional 90-day period, beyond the 90-day period described in Subsection (8)/(a), if:

(i) the court finds, by clear and convincing evidence, that:

(A) the parent has substantially complied with the child and family plan;

(B) it is likely that reunification will occur within the additional 90-day period; and

(C) the extension is in the best interest of the child;

(ii) the court specifies the facts upon which the findings described in Subsection (8)/(c)/(i) are based; and

(iii) the court specifies the time period in which it is likely that reunification will occur.

(d) A court may not extend the time period for reunification services without complying with the requirements of this Subsection (8) before the extension.

(e) In determining whether to extend reunification services for a minor, a court shall take into consideration the status of the minor siblings of the minor.

(9) The court may, in its discretion:

(a) enter any additional order that it determines to be in the best interest of the minor, so long as that order does not conflict with the requirements and provisions of Sections 4 through (8); or

(b) order the division to provide protective supervision or other services to a minor and the minor’s family after the division’s custody of a minor has been terminated.

(10) If the final plan for the minor is to proceed toward termination of parental rights, the petition for termination of parental rights shall be filed, and a pretrial held, within 45 calendar days after the permanency hearing.

(11) (a) Any party to an action may, at any time, petition the court for an expedited permanency hearing on the basis that continuation of reunification efforts are inconsistent with the permanency needs of the minor.

(b) If the court so determines, it shall order, in accordance with federal law, that:

(i) the minor be placed in accordance with the permanency plan; and

(ii) whatever steps are necessary to finalize the permanent placement of the minor be completed as quickly as possible.

(12) Nothing in this section may be construed to:

(a) entitle any parent to reunification services for any specified period of time;

(b) limit a court’s ability to terminate reunification services at any time prior to a permanency hearing; or

(c) limit or prohibit the filing of a petition for termination of parental rights by any party, or a hearing on termination of parental rights, at any time prior to a permanency hearing.

(13) (a) Subject to Subsection (13)/(b), if a petition for termination of parental rights is filed prior to the date scheduled for a permanency hearing, the court may consolidate the hearing on termination of parental rights with the permanency hearing.

(b) For purposes of Subsection (13)/(a), if the court consolidates the hearing on termination of parental rights with the permanency hearing:

(i) the court shall first make a finding regarding whether reasonable efforts have been made by the Division of Child and Family Services to finalize the permanency [goal] plan for the minor; and

(ii) any reunification services shall be terminated in accordance with the time lines described in Section 78A-6-312.

(c) A decision on a petition for termination of parental rights shall be made within 18 months from the day on which the minor is removed from the minor’s home.

(14) If a court determines that a child will not be returned to a parent of the child, the court shall
consider appropriate placement options inside and outside of the state.

Section 7. Section 78B-6-141 is amended to read:

78B-6-141. Petition, report, and documents sealed -- Exceptions.

(1) A petition for adoption[— the written report described in Section 78B-6-135,] and any other documents filed in connection with the petition are sealed.

(2) The documents described in Subsection (1) may only be open to inspection as follows:

(a) in accordance with Subsection (3)(a), by a party to the adoption proceeding:

(i) while the proceeding is pending; or

(ii) within six months after the day on which the adoption decree is entered;

(b) subject to Subsection (3)(b), a court enters an order permitting access to the documents by a person who has appealed the denial of that person's motion to intervene;

(d) as provided under Section 78B-6-144;

(e) those records shall become public on the one hundredth anniversary of the date the final decree of adoption was entered; or

(f) if the adoptee is an adult at the time the final decree of adoption is entered, the documents described in this section are open to inspection and copying without a court order by the adoptee or a parent who adopted the adoptee, unless the final decree of adoption is entered by the juvenile court under Subsection 78B-6-115(3)(b).

(3) (a) A person who files a motion to intervene in an adoption proceeding:

(i) is not a party to the adoption proceeding, unless the motion to intervene is granted; and

(ii) may not be granted access to the documents described in Subsection (1), unless the motion to intervene is granted.

(b) An order described in Subsection (2)(b) shall:

(i) prohibit the person described in Subsection (2)(b) from inspecting a document described in Subsection (1) that contains identifying information of the adoptive or prospective adoptive parent; and

(ii) permit the person described in Subsection (3)(b)(i) to review a copy of a document described in Subsection (3)(b)(i) after the identifying information described in Subsection (3)(b)(i) is redacted from the document.

Section 1. Section 57-8-3 is amended to read:

57-8-3. Definitions.
As used in this chapter:
(1) “Assessment” means any charge imposed by the association, including:
(a) common expenses on or against a unit owner pursuant to the provisions of the declaration, bylaws, or this chapter; and
(b) an amount that an association of unit owners assesses to a unit owner under Subsection 57-8-43(9)(g).
(2) “Association of unit owners” means all of the unit owners:
(a) acting as a group in accordance with the declaration and bylaws; or
(b) organized as a legal entity in accordance with the declaration.
(3) “Building” means a building, containing units, and comprising a part of the property.
(4) “Commercial condominium project” means a condominium project that has no residential units within the project.
(5) “Common areas and facilities” unless otherwise provided in the declaration or lawful amendments to the declaration means:
(a) the land included within the condominium project, whether leasehold or in fee simple;
(b) the foundations, columns, girders, beams, supports, main walls, roofs, halls, corridors, lobbies, stairs, stairways, fire escapes, entrances, and exits of the building;
(c) the basements, yards, gardens, parking areas, and storage spaces;
(d) the premises for lodging of janitors or persons in charge of the property;
(e) installations of central services such as power, light, gas, hot and cold water, heating, refrigeration, air conditioning, and incinerating;
(f) the elevators, tanks, pumps, motors, fans, compressors, ducts, and in general all apparatus and installations existing for common use;
(g) such community and commercial facilities as may be provided for in the declaration; and
(h) all other parts of the property necessary or convenient to its existence, maintenance, and safety, or normally in common use.
(6) “Common expenses” means:
(a) all sums lawfully assessed against the unit owners;
(b) expenses of administration, maintenance, repair, or replacement of the common areas and facilities;
(c) expenses agreed upon as common expenses by the association of unit owners; and

(d) expenses declared common expenses by this chapter, or by the declaration or the bylaws.

(7) “Common profits,” unless otherwise provided in the declaration or lawful amendments to the declaration, means the balance of all income, rents, profits, and revenues from the common areas and facilities remaining after the deduction of the common expenses.

(8) “Condominium” means the ownership of a single unit in a multiunit project together with an undivided interest in common in the common areas and facilities of the property.

(9) “Condominium plat” means a plat or plats of survey of land and units prepared in accordance with Section 57-8-13.

(10) “Condominium project” means a real estate condominium project; a plan or project whereby two or more units, whether contained in existing or proposed apartments, commercial or industrial buildings or structures, or otherwise, are separately offered or proposed to be offered for sale. Condominium project also means the property when the context so requires.

(11) “Condominium unit” means a unit together with the undivided interest in the common areas and facilities appertaining to that unit. Any reference in this chapter to a condominium unit includes both a physical unit together with its appurtenant undivided interest in the common areas and facilities and a time period unit together with its appurtenant undivided interest, unless the reference is specifically limited to a time period unit.

(12) “Contractible condominium” means a condominium project from which one or more portions of the land within the project may be withdrawn in accordance with provisions of the declaration and of this chapter. If the withdrawal can occur only by the expiration or termination of one or more leases, then the condominium project is not a contractible condominium within the meaning of this chapter.

(13) “Convertible land” means a building site which is a portion of the common areas and facilities, described by metes and bounds, within which additional units or limited common areas and facilities may be created in accordance with this chapter.

(14) “Convertible space” means a portion of the structure within the condominium project, which portion may be converted into one or more units or common areas and facilities, including limited common areas and facilities in accordance with this chapter.

(15) “Declarant” means all persons who execute the declaration or on whose behalf the declaration is executed. From the time of the recordation of any amendment to the declaration expanding an expandable condominium, all persons who execute that amendment or on whose behalf that amendment is executed shall also come within this definition. Any successors of the persons referred to in this subsection who come to stand in the same relation to the condominium project as their predecessors also come within this definition.

(16) “Declaration” means the instrument by which the property is submitted to the provisions of this act, as it from time to time may be lawfully amended.

(17) “Expandable condominium” means a condominium project to which additional land or an interest in it may be added in accordance with the declaration and this chapter.

(18) “Governing documents”: (a) means a written instrument by which an association of unit owners may:

(i) exercise powers; or

(ii) manage, maintain, or otherwise affect the property under the jurisdiction of the association of unit owners; and

(b) includes:

(i) articles of incorporation;

(ii) bylaws;

(iii) a plat;

(iv) a declaration of covenants, conditions, and restrictions; and

(v) rules of the association of unit owners.

(19) “Independent third party” means a person that:

(a) is not related to the unit owner;

(b) shares no pecuniary interests with the unit owner; and

(c) purchases the unit in good faith and without the intent to defraud a current or future lienholder.

(20) “Leasehold condominium” means a condominium project in all or any portion of which each unit owner owns an estate for years in his unit, or in the land upon which that unit is situated, or both, with all those leasehold interests to expire naturally at the same time. A condominium project including leased land, or an interest in the land, upon which no units are situated or to be situated is not a leasehold condominium within the meaning of this chapter.

(21) “Limited common areas and facilities” means those common areas and facilities designated in the declaration as reserved for use of a certain unit or units to the exclusion of the other units.

(22) “Majority” or “majority of the unit owners,” unless otherwise provided in the declaration or lawful amendments to the declaration, means the owners of more than 50% in the aggregate in interest of the undivided ownership of the common areas and facilities.

with and having the responsibility and authority to make and to enforce all of the reasonable rules covering the operation and maintenance of the property.

(24) “Mixed-use condominium project” means a condominium project that has both residential and commercial units in the condominium project.

(25) “Par value” means a number of dollars or points assigned to each unit by the declaration. Substantially identical units shall be assigned the same par value, but units located at substantially different heights above the ground, or having substantially different views, or having substantially different amenities or other characteristics that might result in differences in market value, may be considered substantially identical within the meaning of this subsection. If par value is stated in terms of dollars, that statement may not be considered to reflect or control the sales price or fair market value of any unit, and no opinion, appraisal, or fair market transaction at a different figure may affect the par value of any unit, or any undivided interest in the common areas and facilities, voting rights in the unit owners’ association, liability for common expenses, or right to common profits, assigned on the basis thereof.

(26) “Period of administrative control” means the period of control described in Subsection 57–8–16.5(1). (27) “Person” means an individual, corporation, partnership, association, trustee, or other legal entity.

(28) “Property” means the land, whether leasehold or in fee simple, the building, if any, all improvements and structures thereon, all easements, rights, and appurtenances belonging thereto, and all articles of personal property intended for use in connection therewith.

(29) “Record,” “recording,” “recorded,” and “recorder” have the meaning stated in Title 57, Chapter 3, Recording of Documents.

(30) “Size” means the number of cubic feet, or the number of square feet of ground or floor space, within each unit as computed by reference to the record of survey map and rounded off to a whole number. Certain spaces within the units including attic, basement, or garage space may be omitted from the calculation or be partially discounted by the use of a ratio, if the same basis of calculation is employed for all units in the condominium project and if that basis is described in the declaration.

(31) “Time period unit” means an annually recurring part or parts of a year specified in the declaration as a period for which a unit is separately owned and includes a timeshare estate as defined in Subsection 57–19–2(19).

(32) “Unit” means either a separate physical part of the property intended for any type of independent use, including one or more rooms or spaces located in one or more floors or part or parts of floors in a building or a time period unit, as the context may require. A convertible space shall be treated as a unit in accordance with Subsection 57–8–13.4(3). A proposed condominium unit under an expandable condominium project, not constructed, is a unit two years after the date the recording requirements of Section 57–8–13.6 are met.

(33) “Unit number” means the number, letter, or combination of numbers and letters designating the unit in the declaration and in the record of survey map.

(34) “Unit owner” means the person or persons owning a unit in fee simple and an undivided interest in the fee simple estate of the common areas and facilities in the percentage specified and established in the declaration or, in the case of a leasehold condominium project, the person or persons whose leasehold interest or interests in the condominium unit extend for the entire balance of the unexpired term or terms.

Section 2. Section 57–8–7.5 is amended to read:

(a) “Reserve analysis” means an analysis to determine:

(i) the need for a reserve fund to accumulate money to cover the cost of repairing, replacing, or restoring common areas and facilities that have unused life of three years or more and a remaining useful life of less than 30 years, if the cost cannot reasonably be funded from the general budget or other funds of the association of unit owners; and

(3) The management committee may conduct a reserve analysis itself or may engage a reliable person or organization, as determined by the management committee, to conduct the reserve analysis.

(4) A reserve fund analysis shall include:

(a) a list of the components identified in the reserve analysis that will reasonably require reserve funds;

(b) a statement of the probable remaining useful life, as of the date of the reserve analysis, of each component identified in the reserve analysis;
(c) an estimate of the cost to repair, replace, or restore each component identified in the reserve analysis;

(d) an estimate of the total annual contribution to a reserve fund necessary to meet the cost to repair, replace, or restore each component identified in the reserve analysis during the component's useful life and at the end of the component's useful life; and

(e) a reserve funding plan that recommends how the association of unit owners may fund the annual contribution described in Subsection (4)(d).

(5) An association of unit owners shall:

(a) annually provide unit owners a summary of the most recent reserve analysis or update; and

(b) provide a copy of the complete reserve analysis or update to a unit owner who requests a copy.

(6) In formulating its budget each year, an association of unit owners shall include a reserve fund line item in:

(a) an amount the management committee determines, based on the reserve analysis, to be prudent; or

(b) an amount required by the declaration, if the declaration requires an amount higher than the amount determined under Subsection (6)(a).

(7) (a) Within 45 days after the day on which an association of unit owners adopts its annual budget, the unit owners may veto the reserve fund line item by a 51% vote of the allocated voting interests in the association of unit owners at a special meeting called by the unit owners for the purpose of voting whether to veto a reserve fund line item.

(b) If the unit owners veto a reserve fund line item under Subsection (7)(a) and a reserve fund line item exists in a previously approved annual budget of the association of unit owners that was not vetoed, the association of unit owners shall fund the reserve account in accordance with that prior reserve fund line item.

(8) (a) Subject to Subsection (8)(b), if an association of unit owners does not comply with the requirements of Subsection (5), (6), or (7) and fails to remedy the noncompliance within the time specified in Subsection (8)(c), a unit owner may file an action in state court for:

(i) injunctive relief requiring the association of unit owners to comply with the requirements of Subsection (5), (6), or (7);

Be it enacted by the Legislature of the state of Utah:
Section 1. Section 62A-7-201 is amended to read:
(1) Children under 18 years of age, who are apprehended by any officer or brought before any court for examination under any provision of state law, may not be confined in jails, lockups, or cells used for persons 18 years of age or older who are charged with crime, or in secure postadjudication correctional facilities operated by the division, except as provided in Subsection (2), other specific statute, or in conformance with standards approved by the board.
(2) (a) Children charged with crimes under Section 78A-6-701, as a serious youth offender under Section 78A-6-702 and bound over to the jurisdiction of the district court, or certified to stand trial as an adult pursuant to Section 78A-6-703, if detained, shall be detained [in a jail or other place of detention used for adults] as provided in these sections.
(b) Children detained in adult facilities under Section 78A-6-702 or 78A-6-703 prior to a hearing before a magistrate, or under Subsection 78A-6-113(3), may only be held in certified juvenile detention accommodations in accordance with rules promulgated by the division. Those rules shall include standards for acceptable sight and sound separation from adult inmates. The division certifies facilities that are in compliance with the division’s standards. The provisions of this Subsection (2)(b) do not apply to juveniles held in an adult detention facility in accordance with Subsection (2)(a).
(3) In areas of low density population, the division may, by rule, approve juvenile holding accommodations within adult facilities that have acceptable sight and sound separation. Those facilities shall be used only for short-term holding purposes, with a maximum confinement of six hours, for children alleged to have committed an act which would be a criminal offense if committed by an adult. Acceptable short-term holding purposes are: identification, notification of juvenile court officials, processing, and allowance of adequate time for evaluation of needs and circumstances regarding release or transfer to a shelter or detention facility. The provisions of this Subsection (3) do not apply to juveniles held in an adult detention facility in accordance with Subsection (2)(a).
(4) Children who are alleged to have committed an act which would be a criminal offense if committed by an adult, may be detained in holding rooms in local law enforcement agency facilities for a maximum of two hours, for identification or interrogation, or while awaiting release to a parent or other responsible adult. Those rooms shall be certified by the division, according to the division’s rules. Those rules shall include provisions for constant supervision and for sight and sound separation from adult inmates.
(5) Willful failure to comply with any of the provisions of this section is a class B misdemeanor.
(6) (a) The division is responsible for the custody and detention of children under 18 years of age who require detention care prior to trial or examination, or while awaiting assignment to a home or facility, as a dispositional placement under Subsection 78A-6-117(2)(f)(i) or 78A-6-1101(3)(a), and of youth offenders under Subsection 62A-7-504(8). The provisions of this Subsection (6)(a) do not apply to juveniles held in an adult detention facility in accordance with Subsection (2)(a).
(b) The division shall provide standards for custody or detention under Subsections (2)(b), (3),
and (4), and shall determine and set standards for conditions of care and confinement of children in detention facilities.

(c) All other custody or detention shall be provided by the division, or by contract with a public or private agency willing to undertake temporary custody or detention upon agreed terms, or in suitable premises distinct and separate from the general jails, lockups, or cells used in law enforcement and corrections systems. The provisions of this Subsection (6)(c) do not apply to juveniles held in an adult detention facility in accordance with Subsection (2)(a).

Section 2. Section 78A-6-122 is enacted to read:

78A-6-122. Restraint of juveniles.

(1) As used in this section, “restrained” means the use of handcuffs, chains, shackles, zip ties, irons, straightjackets, and any other device or method which may be used to immobilize a juvenile.

(2) The Judicial Council shall adopt rules that address the circumstances under which a juvenile may be restrained while appearing in court. The Judicial Council shall ensure that the rules consider both the welfare of the juvenile and the safety of the court. A juvenile may not be restrained during a court proceeding unless restraint is authorized by rules of the Judicial Council.

Section 3. Section 78A-6-701 is amended to read:

78A-6-701. Jurisdiction of district court.

(1) The district court has exclusive original jurisdiction over all persons 16 years of age or older charged with:

(a) an offense which would be murder or aggravated murder if committed by an adult; [or]

(b) [an offense which would be a felony if committed by an adult] if the minor has been previously committed to a secure facility as defined in Section 62A-7-101, [This Subsection (1)(b) shall not apply if the offense is committed in a secure facility], a felony violation of:

(i) Section 76-6-103, aggravated arson;

(ii) Section 76-5-103, aggravated assault resulting in serious bodily injury to another;

(iii) Section 76-5-302, aggravated kidnapping;

(iv) Section 76-6-203, aggravated burglary;

(v) Section 76-6-302, aggravated robbery;

(vi) Section 76-5-405, aggravated sexual assault;

(vii) Section 76-10-508.1, felony discharge of a firearm;

(viii) Section 76-5-202, attempted aggravated murder; or

(ix) Section 76-5-203, attempted murder; or

(c) an offense other than those listed in Subsection (1)(b) involving the use of a dangerous weapon, which would be a felony if committed by an adult, and the minor has been previously adjudicated or convicted of an offense involving the use of a dangerous weapon, which also would have been a felony if committed by an adult.

(2) When the district court has exclusive original jurisdiction over a minor under this section, it also has exclusive original jurisdiction over the minor regarding all offenses joined with the qualifying offense, and any other offenses, including misdemeanors, arising from the same criminal episode. The district court is not divested of jurisdiction by virtue of the fact that the minor is allowed to enter a plea to, or is found guilty of, a lesser or joined offense.

(b) If the qualifying charge under Subsection (1) results in an acquittal, a finding of not guilty, or a dismissal of the charge in the district court, the juvenile court under Section 78A-6-103 and the Division of Juvenile Justice Services regain any jurisdiction and authority previously exercised over the minor.

(4) A minor arrested under this section shall be held in a juvenile detention facility until the district court determines where the minor shall be held until the time of trial, except for defendants who are otherwise subject to the authority of the Board of Pardons and Parole.

(5) The district court shall consider the following when determining where the minor will be held until the time of trial:

(a) the age of the minor;

(b) the nature, seriousness, and circumstances of the alleged offense;

(c) the minor’s history of prior criminal acts;

(d) whether detention in a juvenile detention facility will adequately serve the need for community protection pending the outcome of any criminal proceedings;

(e) whether the minor’s placement in a juvenile detention facility will negatively impact the functioning of the facility by compromising the goals of the facility to maintain a safe, positive, and secure environment for all minors within the facility;

(f) the relative ability of the facility to meet the needs of the minor and protect the public;

(g) whether the minor presents an imminent risk of harm to the minor or others within the facility;

(h) the physical maturity of the minor;

(i) the current mental state of the minor as evidenced by relevant mental health or
be conducted in conformity with the rules established by the Utah Supreme Court.

(3) (a) If the information alleges the violation of a felony listed in Subsection (1), the state shall have the burden of going forward with its case and the burden of proof to establish probable cause to believe that one of the crimes listed in Subsection (1) has been committed and that the defendant committed it. If proceeding under Subsection (1)(b), the state shall have the additional burden of proving by a preponderance of the evidence that the defendant has previously been adjudicated or convicted of an offense involving the use of a dangerous weapon.

(b) If the juvenile court judge finds the state has met its burden under this Subsection (3), the court shall order that the defendant be bound over and held to answer in the district court in the same manner as an adult unless the juvenile court judge finds that it would be contrary to the best interest of the minor and to the public to bind over the defendant to the jurisdiction of the district court.

(c) In making the bind over determination in Subsection (3)(b), the judge shall consider only the following:

(i) whether the minor has been previously adjudicated delinquent for an offense involving the use of a dangerous weapon which would be a felony if committed by an adult;

(ii) if the offense was committed with one or more other persons, whether the minor appears to have a greater or lesser degree of culpability than the codefendants;

(iii) the extent to which the minor’s role in the offense was committed in a violent, aggressive, or premeditated manner;

(iv) the number and nature of the minor’s prior adjudications in the juvenile court; and

(v) whether public safety and the interests of the minor are better served by adjudicating the minor in the juvenile court or in the district court, including whether the resources of the adult system or juvenile system are more likely to assist in rehabilitating the minor and reducing the threat which the minor presents to the public.

(d) Once the state has met its burden under Subsection (3)(a) as to a showing of probable cause, the defendant shall have the burden of going forward and presenting evidence that in light of the considerations listed in Subsection (3)(c), it would be contrary to the best interest of the minor and the best interests of the public to bind the defendant over to the jurisdiction of the district court.

(e) If the juvenile court judge finds by clear and convincing evidence that it would be contrary to the best interest of the minor and the best interests of the public to bind the defendant over to the jurisdiction of the district court, the court shall so state in its findings and order the minor held for trial as a minor and shall proceed upon the information as though it were a juvenile petition.
(4) If the juvenile court judge finds that an offense has been committed, but that the state has not met its burden of proving the other criteria needed to bind the defendant over under Subsection (1), the juvenile court judge shall order the defendant held for trial as a minor and shall proceed upon the information as though it were a juvenile petition.

(5) At the time of a bind over to district court a criminal warrant of arrest shall issue. The defendant shall have the same right to bail as any other criminal defendant and shall be advised of that right by the juvenile court judge. The juvenile court shall set initial bail in accordance with Title 77, Chapter 20, Bail.

(6) At the time the minor is bound over to the district court, the juvenile court shall make the initial determination on where the minor shall be held.

(7) The juvenile court shall consider the following when determining where the minor shall be held until the time of trial:

(a) the age of the minor;

(b) the nature, seriousness, and circumstances of the alleged offense;

(c) the minor’s history of prior criminal acts;

(d) whether detention in a juvenile detention facility will adequately serve the need for community protection pending the outcome of any criminal proceedings;

(e) whether the minor’s placement in a juvenile detention facility will negatively impact the functioning of the facility by compromising the goals of the facility to maintain a safe, positive, and secure environment for all minors within the facility;

(f) the relative ability of the facility to meet the needs of the minor and protect the public;

(g) whether the minor presents an imminent risk of harm to the minor or others within the facility;

(h) the physical maturity of the minor;

(i) the current mental state of the minor as evidenced by relevant mental health or psychological assessments or screenings that are made available to the court; and

(j) any other factors the court considers relevant.

(8) If a minor is ordered to a juvenile detention facility under Subsection (7), the minor shall remain in the facility until released by a district court judge, or if convicted, until sentencing.

(9) A minor held in a juvenile detention facility under this section shall have the same right to bail as any other criminal defendant.

(10) If the minor ordered to a juvenile detention facility under Subsection (7) attains the age of 18 years, the minor shall be transferred within 30 days to an adult jail until released by the district court judge, or if convicted, until sentencing.

(11) A minor 16 years of age or older whose conduct or condition endangers the safety or welfare of others in the juvenile detention facility may, by court order that specifies the reasons, be detained in another place of pretrial confinement considered appropriate by the court, including jail or other place of confinement for adults.

(12) The district court may reconsider the decision on where the minor will be held pursuant to Subsection (6).

(13) If an indictment is returned by a grand jury charging a violation under this section, the preliminary examination held by the juvenile court judge need not include a finding of probable cause that the crime alleged in the indictment was committed and that the defendant committed it, but the juvenile court shall proceed in accordance with this section regarding the additional considerations listed in Subsection (3)(b).

(14) When a defendant is charged with multiple criminal offenses in the same information or indictment and is bound over to answer in the district court for one or more charges under this section, other offenses arising from the same criminal episode and any subsequent misdemeanors or felonies charged against him shall be considered together with those charges, and where the court finds probable cause to believe that those crimes have been committed and that the defendant committed them, the defendant shall also be bound over to the district court to answer for those charges.

(15) When a minor has been bound over to the district court under this section, the jurisdiction of the Division of Juvenile Justice Services and the juvenile court over the minor is terminated regarding that offense, any other offenses arising from the same criminal episode, and any subsequent misdemeanors or felonies charged against the minor, except as provided in Subsection (19) or Section 78A-6-705.

(16) A minor who is bound over to answer as an adult in the district court under this section or on whom an indictment has been returned by a grand jury is not entitled to a preliminary examination in the district court.

(17) Allegations contained in the indictment or information that the defendant has previously been adjudicated or convicted of an offense involving the use of a dangerous weapon, or is 16 years of age or older, are not elements of the criminal offense and do not need to be proven at trial in the district court.

(18) If a minor enters a plea to, or is found guilty of, any of the charges filed or any other offense arising from the same criminal episode, the district court retains jurisdiction over the minor for all purposes, including sentencing.

(19) The juvenile court under Section 78A-6-103 and the Division of Juvenile Justice Services regain jurisdiction and any authority previously exercised over the minor when there is an acquittal, a finding of not guilty, or dismissal of all charges in the district court.
Section 5. Section 78A-6-703 is amended to read:

78A-6-703. Certification hearings -- Juvenile court to hold preliminary hearing -- Factors considered by juvenile court for waiver of jurisdiction to district court.

(1) If a criminal information filed in accordance with Subsection 78A-6-602(3) alleges the commission of an act which would constitute a felony if committed by an adult, the juvenile court shall conduct a preliminary hearing.

(2) At the preliminary hearing the state shall have the burden of going forward with its case and the burden of establishing:

(a) probable cause to believe that a crime was committed and that the defendant committed it; and

(b) by a preponderance of the evidence, that it would be contrary to the best interests of the minor or of the public for the juvenile court to retain jurisdiction.

(3) In considering whether or not it would be contrary to the best interests of the minor or of the public for the juvenile court to retain jurisdiction, the juvenile court shall consider, and may base its decision on, the finding of one or more of the following factors:

(a) the seriousness of the offense and whether the protection of the community requires isolation of the minor beyond that afforded by juvenile facilities;

(b) whether the alleged offense was committed by the minor under circumstances which would subject the minor to enhanced penalties under Section 76-3-203.1 if the minor were adult and the offense was committed:

(i) in concert with two or more persons;

(b) If requested by the minor, the minor’s parent, guardian, or other interested party, the court shall require the person or agency preparing the report and other material to appear and be subject to both direct and cross-examination.

(6) At the conclusion of the state’s case, the minor may testify under oath, call witnesses, cross-examine adverse witnesses, and present evidence on the factors required by Subsection (3).

(7) At the time the minor is bound over to the district court, the juvenile court shall make the initial determination on where the minor shall be held.

(g) whether the minor presents an imminent risk of harm to the minor or others within the facility;

(j) any other factors the court considers relevant.

(9) If a minor is ordered to a juvenile detention facility under Subsection (8), the minor shall remain in the facility until released by a district court judge, or if convicted, until sentencing.
(10) A minor held in a juvenile detention facility under this section shall have the same right to bail as any other criminal defendant.

(11) If the minor ordered to a juvenile detention facility under Subsection (8) attains the age of 18 years, the minor shall be transferred within 30 days to an adult jail until released by the district court judge, or if convicted, until sentencing.

(12) A minor 16 years of age or older whose conduct or condition endangers the safety or welfare of others in the juvenile detention facility may, by court order that specifies the reasons, be detained in another place of confinement considered appropriate by the court, including jail or other place of confinement for adults.

(13) The district court may reconsider the decision on where the minor shall be held pursuant to Subsection (7).

(14) If the court finds the state has met its burden under Subsection (2), the court may enter an order:
   (a) certifying that finding; and
   (b) directing that the minor be held for criminal proceedings in the district court.

(15) If an indictment is returned by a grand jury, the preliminary examination held by the juvenile court need not include a finding of probable cause, but the juvenile court shall proceed in accordance with this section regarding the additional consideration referred to in Subsection (2)(b).

(16) The provisions of Section 78A-6-115, Section 78A-6-1111, and other provisions relating to proceedings in juvenile cases are applicable to the hearing held under this section to the extent they are pertinent.

(17) A minor who has been directed to be held for criminal proceedings in the district court is not entitled to a preliminary examination in the district court.

(18) A minor who has been certified for trial in the district court shall have the same right to bail as any other criminal defendant and shall be advised of that right by the juvenile court judge. The juvenile court shall set initial bail in accordance with Title 77, Chapter 20, Bail.

(19) When a minor has been certified to the district court under this section, the jurisdiction of the Division of Juvenile Justice Services and the jurisdiction of the juvenile court over the minor is terminated regarding that offense, any other offenses arising from the same criminal episode, and any subsequent misdemeanors or felonies charged against the minor, except as provided in Subsection (21) or Section 78A-6-705.

(20) If a minor enters a plea to, or is found guilty of any of the charges filed or on any other offense arising out of the same criminal episode, the district court retains jurisdiction over the minor for all purposes, including sentencing.

(21) The juvenile court under Section 78A-6-103 and the Division of Juvenile Justice Services regain jurisdiction and any authority previously exercised over the minor when there is an acquittal, a finding of not guilty, or dismissal of all charges in the district court.

Section 6. Section 78A-6-705 is enacted to read:

78A-6-705. Youth prison commitment.

(1) Before sentencing a minor who is under the jurisdiction of the district court under Section 78A-6-701, 78A-6-702, or 78A-6-703, to prison the court shall request a report from the Division of Juvenile Justice Services regarding the potential risk to other juveniles if the minor were to be committed to the custody of the division. The division shall submit the requested report to the court as part of the pre-sentence report or as a separate report.

(2) If, after receiving the report described in Subsection (1), the court determines that probation is not appropriate and commitment to prison is an appropriate sentence, the court shall order the minor committed to prison and the minor shall be provisionally housed in a secure facility operated by the Division of Juvenile Justice Services until the minor reaches 18 years of age, unless released earlier from incarceration by the Board of Pardons and Parole.

(3) The court may order the minor committed directly to the custody of the Department of Corrections if the court finds that:
   (a) the minor would present an unreasonable risk to others while in the division’s custody;
   (b) the minor has previously been committed to a prison for adult offenders; or
   (c) housing the minor in a secure facility operated by the Division of Juvenile Justice Services would be contrary to the interests of justice.

(4) The Division of Juvenile Justice Services shall adopt procedures by rule, pursuant to Title 63G, Chapter 3, Utah Administrative Rulemaking Act, regarding the transfer of a minor provisionally housed in a division facility under Subsection (2) to the custody of the Department of Corrections. If, in accordance with those rules, the division determines that housing the minor in a division facility presents an unreasonable risk to others or that it is not in the best interest of the minor, it shall transfer the physical custody of the minor to the Department of Corrections.

(5) When a minor is committed to prison but ordered by a court to be housed in a Division of Juvenile Justice Services facility under this section, the court and the division shall immediately notify the Board of Pardons and Parole so that the minor may be scheduled for a hearing according to board procedures. If a minor who is provisionally housed in a division facility under this section has not been paroled or otherwise released from incarceration by the time the minor reaches 18 years of age, the division shall as soon as reasonably possible, but not later than when the minor reaches 18 years and 6 months of age, transfer the minor to the physical custody of the Department of Corrections.
(6) Upon the commitment of a minor to the custody of the Division of Juvenile Justice Services or the Department of Corrections under this section, the Board of Pardons and Parole has authority over the minor for purposes of parole, pardon, commutation, termination of sentence, remission of fines or forfeitures, orders of restitution, and all other purposes authorized by law.

(7) The Youth Parole Authority may hold hearings, receive reports, or otherwise keep informed of the progress of a minor in the custody of the Division of Juvenile Justice Services under this section and may forward to the Board of Pardons and Parole any information or recommendations concerning the minor.

(8) Commitment of a minor under this section is a prison commitment for all sentencing purposes.

(i) In cases where a minor is facing a felony level offense, the court shall appoint counsel, who shall appear until counsel is retained on the minor’s behalf. The minor may not waive counsel unless the minor has had a meaningful opportunity to consult with a defense attorney. The court shall make findings on the record, taking into consideration the minor’s unique circumstances and attributes, that the waiver is knowing and voluntary and the minor understands the consequences of waiving the right to counsel.

(ii) In all other situations the right to counsel may not be waived by a minor unless there has been a finding on the record, taking into consideration the minor’s unique circumstances and attributes, that the waiver is knowing and voluntary, and the minor understands the consequences of waiving the right to counsel.

The court shall take into account the income and financial ability of the parent or legal guardian to retain counsel in determining the indigency of the minor.

(g) The cost of appointed counsel for a party found to be indigent, including the cost of counsel and expense of the first appeal, shall be paid by the county in which the trial court proceedings are held. Counties may levy and collect taxes for these purposes.

(2) Counsel appointed by the court may not provide representation as court-appointed counsel for a parent or legal guardian in any action initiated by, or in any proceeding to modify court orders in a proceeding initiated by, a private party.

(2) (b) A lien under Subsection (1) is not valid if certification under Subsection (1) is made after the filing for record of a document conveying title of the customer's property to a new owner.

(3) (4) Nothing in this section may be construed to:

(a) waive or release the customer's obligation to pay fees [or charges] that the district has imposed;
